CONSUMER ADVOCACY GROUP, INC., in the interest of the Public,

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association.

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.courtinfo.ca.gov/selfhelp/espanol/), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.

Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.courtinfo.ca.gov/selfhelp/espanol/) o poniéndose en contacto con la corte o el colegio de abogados locales.

FIRST CAUSE OF ACTION

(By Consumer Advocacy Group, Inc. and against Valley Industries Corp., A. J. Wholesale Distributors, Inc. and DOES 1 – 50 for Violations of Proposition 65, The Safe Drinking Water and Toxic Enforcement Act of 1986 (Health & Saf. Code, §§ 25249.5 et seq.)

8. Plaintiff repeats and incorporates by reference the previous paragraphs of this complaint as though fully set forth herein.

9. Each and every day between June 11, 2005, and June 11, 2008, and continuing thereafter, Defendant Valley Industries Corp. has manufactured or distributed a consumer product known as Valley® Soldering Wire, Item No. ETSW-001, designed for soldering metal.

10. Each and every day between June 6, 2005, and June 6, 2008, and continuing thereafter, Defendant A.J. Wholesale Distributors, Inc. has manufactured or distributed a consumer product known as Pit Bull 5Pcs Soldering Gun, Item. No. CHIG001302, designed for soldering metal.

11. Each and every day between June 6, 2005, and June 6, 2008, and continuing thereafter, Defendant A.J. Wholesale Distributors, Inc. has manufactured or distributed a consumer product known as Pit Bull 10pcx 105 gm Battery Terminal (12/C), Item No. CHITAM10, designed for use on automobile batteries.

12. Plaintiff is informed, believed, and thereon alleges that each of the consumer products identified in Paragraphs 9 to 11 contains Lead.

13. Plaintiff is informed, believes, and thereon alleges that each Defendant identified herein exposed, knowingly and intentionally, users of the products identified in Paragraph 9 to 11 to Lead, a chemical designated by the State of California to cause cancer, without first

1 giving clear and reasonable warning of such to the persons exposed. Defendants thereby
2 violated Proposition 65.

3
4 14. On October 1, 1992, the Governor of California added lead and lead compounds to the
5 list of chemicals known to the State to cause cancer, (Cal. Code Regs., tit. 22, § 12000,
6 sub. (b)). Pursuant to Health and Safety Code section 25249.9, twenty months after first
7 appearing on the Governor's Proposition 65 list, lead became subject fully to Proposition
8 65 warning requirements and discharge prohibitions.

9
10 15. Between June 11, 2005, and the present, persons in California using the product
11 identified in Paragraph 9 were exposed to Lead through dermal contact, ingestion, and
12 inhalation. Persons sustained exposures to lead by handling said product without wearing
13 gloves or by touching bare skin with gloves after handling said product. Persons
14 handling said product were also exposed when they breathed in particulate matter
15 emanating from the lead soldering wire as they used the lead solder wire, especially when
16 heating the same.

17
18 16. Between June 6, 2005, and the present, persons in California using the product identified
19 in Paragraph were exposed to Lead through dermal contact, ingestion, and inhalation.
20 Persons sustained exposures to lead by handling the lead solder wire accompanying such
21 products without wearing gloves or by touching bare skin with gloves after handling the
22 lead solder wire. Persons handling said lead soldering wire were also exposed when they
23 breathed in particulate matter emanating from the lead soldering wire as they used the
24 lead solder wire, especially when heating the same.

25
26 17. Between June 6, 2005, and the present, persons in California using the product identified
27 in Paragraph 11 were exposed to lead by handling said product without wearing gloves or
28

1 by touching bare skin with gloves after handling said product. Persons handling said
2 product were also exposed when they inserted bare skin that had been exposed to Lead
3 into their mouths, or breathing in particulate matter emanating from the said product as
4 they installed said product onto or removed said product from an automobile battery.
5

6 18. Plaintiff is informed, believes, and thereon alleges that each of the Proposition 65
7 violations referenced in paragraphs 9 to 17 was continuous, so that a separate and distinct
8 violation of Proposition 65 occurred every time a consumer was exposed to lead by using
9 any of the products mentioned herein.
10

11 19. Plaintiff is informed, believes, and thereon alleges that each Proposition 65 violation
12 mentioned herein is ever continuing.

13 **SATISFACTION OF PRIOR NOTICE**

14 20. On June 11, 2008, Plaintiff gave notice of alleged violations of Proposition 65 subject to
15 a private action ("Notice") to Defendant Valley Industries Corp., concerning the
16 consumer product described in paragraph 9.
17

18 21. On June 6, 2008, Plaintiff gave Notice to Defendant A.J. Wholesale Distributors, Inc.,
19 concerning the consumer products described in paragraphs 10 and 11.

20 22. Before the sending of each Notice, plaintiff investigated the consumer products involved,
21 the likelihood that such products would cause users to suffer significant exposures to
22 lead, the corporate structure of each Defendant, and other relevant matters.
23

24 23. Plaintiff caused mailing of copies of each Notice to each Defendant named herein, the
25 Attorney General, and applicable district attorneys and city attorneys in whose
26 jurisdictions the violations allegedly occurred.
27
28

1 24. Plaintiff gave each Notice, and filed this action, more than twenty months after lead first
2 appeared on the Governor's Proposition 65 list, and after lead became subject fully to
3 Proposition 65 warning requirements and discharge prohibitions.
4

5 25. Each of the Notices identified in paragraphs 20 and 21 included a certificate of merit
6 executed by the attorney for the noticing party. Each certificate of merit stated that the
7 attorney for plaintiff who executed the certificate had consulted with at least one person
8 with relevant and appropriate expertise who had reviewed data regarding the exposures to
9 lead alleged in this action. Based on that information, such attorney believed there was a
10 reasonable and meritorious case for this private action. Such attorney attached to the
11 certificate of merit served on the Attorney General information sufficient to establish the
12 basis of the certificate of merit.
13

14 26. Plaintiff is commencing this action more than sixty days from the date that Plaintiff gave
15 Notice to each Defendant mentioned herein, the Attorney General, and applicable district
16 attorneys and city attorneys in whose jurisdictions the violations allegedly occurred.
17

18 27. Plaintiff is informed, believes, and thereon alleges that neither the Attorney General nor
19 any applicable district attorney or city attorney has commenced and is diligently
20 prosecuting an action against the violations alleged.
21

22 28. Plaintiff's allegations concern a "consumer product exposure," which is an exposure that
23 results from a person's acquisition, purchase, storage, consumption, or other reasonably
24 foreseeable use of a consumer good. The products identified in Paragraphs 9 to 11 are
25 consumer products. As detailed in Paragraphs 15 to 17, the reasonably foreseeable use of
26 the products causes exposure to lead.
27

1 **PRAYER FOR RELIEF**

2 Plaintiff demands against each defendant as follows:

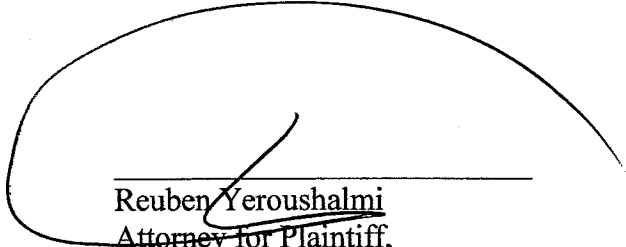

- 3 1. A permanent injunction mandating Proposition 65 complaint warnings;
- 4
- 5 2. Penalties pursuant to Health and Safety Code section 25249.7, subdivision (b) of
- 6 \$2,500.00 per day per violation;
- 7 3. Costs of suit;
- 8 4. Reasonable attorney fees and costs; and
- 9 5. Any further relief that the court may deem just and equitable.
