**COMPLAINT FOR CIVIL PENALTIES
AND INJUNCTIVE RELIEF**

(Cal. Health & Safety Code § 25249.6 et seq.)

1 NATURE OF THE ACTION

2 1. This Complaint is a representative action brought by plaintiff ANTHONY E.
3 HELD, Ph.D., P.E., in the public interest of the citizens of the State of California, to enforce the
4 People’s right to be informed of the presence of di(2-ethylhexyl)phthalate, a toxic chemical
5 found in bibs sold in California.

6 2. By this Complaint, plaintiff seeks to remedy defendants’ continuing failures to
7 warn California citizens about their exposure to di(2-ethylhexyl) phthalate present in or on
8 certain bibs that defendants manufacture, distribute and/or offer for sale to consumers throughout
9 the State of California.

10 3. High levels of di(2-ethylhexyl) phthalate are commonly found in and bibs that
11 defendants manufacture, distribute and/or offer for sale to consumers throughout the State of
12 California.

13 4. Under California’s Safe Drinking Water and Toxic Enforcement Act of 1986,
14 California Health & Safety Code § 25249.6 *et seq.* (Proposition 65), “No person in the course of
15 doing business shall knowingly and intentionally expose any individual to a chemical known to
16 the state to cause cancer or reproductive toxicity without first giving clear and reasonable
17 warning to such individual. . . .” (*Cal. Health & Safety Code § 25249.6.*)

18 5. On October 24, 2003, California identified and listed di(2-ethylhexyl)phthalate as
19 a chemical known to cause birth defects and other reproductive harm. Di(2-ethylhexyl)phthalate
20 became subject to the warning requirement one year later and was therefore subject to the “clear
21 and reasonable warning” requirements of Proposition 65, beginning on October 24, 2004. (27
22 *CCR § 27001; Cal. Health & Safety Code § 25249.8.*)

23 6. Di(2-ethylhexyl)phthalate shall hereinafter be referred to as the “LISTED
24 CHEMICAL.”

25 7. Defendants manufacture, distribute, and/or sell bibs containing excessive levels of
26 the LISTED CHEMICAL including, but not limited to, the *Mayware Cotton Bib with Prints (#8*
27 *40928 00006 1)*. All such bibs containing the LISTED CHEMICAL shall hereinafter be referred
28 to as the “PRODUCTS.”

1 8. Defendants' failures to warn consumers and/or other individuals in the State of
2 California about their exposure to the LISTED CHEMICAL in conjunction with defendants' sale
3 of the PRODUCTS is a violation of Proposition 65 and subjects defendants to enjoinder of
4 such conduct as well as civil penalties for each such violation.

5 9. For defendants' violations of Proposition 65, plaintiff seeks preliminary injunctive
6 and permanent injunctive relief to compel defendants to provide purchasers or users of the
7 PRODUCTS with the required warning regarding the health hazards of the LISTED
8 CHEMICAL. (*Cal. Health & Safety Code § 25249.7(a).*)

9 10. Plaintiff also seeks civil penalties against defendants for their violations of
10 Proposition 65, as provided for by California Health & Safety Code § 25249.7(b).

11 **PARTIES**

12 11. Plaintiff ANTHONY E. HELD, Ph.D., P.E., is a citizen of the City and County of
13 Sacramento in the State of California who is dedicated to protecting the health of California
14 citizens through the elimination or reduction of toxic exposures from consumer products, and
15 brings this action in the public interest pursuant to California Health & Safety Code § 25249.7.

16 12. Defendant CVS PHARMACY, INC. ("CVS PHARMACY") is a person doing
17 business within the meaning of California Health & Safety Code § 25249.11.

18 13. Defendant CVS PHARMACY offers the PRODUCTS for sale or use in the State
19 of California or implies by its conduct that it offers the PRODUCTS for sale or use in the State
20 of California.

21 14. Defendant CVS CAREMARK CORPORATION ("CVS CAREMARK") is a
22 person doing business within the meaning of California Health & Safety Code § 25249.11.

23 15. Defendant CVS CAREMARK manufactures, distributes and/or offers the
24 PRODUCTS for sale or use in the State of California or implies by its conduct that it
25 manufactures, distributes and/or offers the PRODUCTS for sale or use in the State of California.

26 16. Defendants DOES 1-50 ("MANUFACTURER DEFENDANTS") are each
27 persons doing business within the meaning of California Health & Safety Code § 25249.11.

28

1 17. MANUFACTURER DEFENDANTS engage in the process of research, testing,
2 designing, assembling, fabricating and/or manufacturing, or imply by their conduct that they
3 engage in the process of research, testing, designing, assembling, fabricating and/or
4 manufacturing, one or more of the PRODUCTS for sale or use in the State of California.

5 18. Defendants DOES 51-100 (“DISTRIBUTOR DEFENDANTS”) are each persons
6 doing business within the meaning of California Health & Safety Code § 25249.11.

7 19. DISTRIBUTOR DEFENDANTS distribute, exchange, transfer, process and/or
8 transport one or more of the PRODUCTS to individuals, businesses or retailers for sale or use in
9 the State of California.

10 20. Defendants DOES 101-150 (RETAIL DEFENDANTS) are each persons doing
11 business within the meaning of California Health & Safety Code § 25249.11.

12 21. RETAIL DEFENDANTS offer the PRODUCTS for sale to individuals in the
13 State of California.

14 22. At this time, the true names of Defendants DOES 1 through 150, inclusive, are
15 unknown to plaintiff, who therefore sues said defendants by their fictitious name pursuant to
16 Code of Civil Procedure § 474. Plaintiff is informed and believes, and on that basis alleges, that
17 each of the fictitiously named defendants is responsible for the acts and occurrences herein
18 alleged. When ascertained, their true names shall be reflected in an amended complaint.

19 23. CVS PHARMACY, CVS CAREMARK, MANUFACTURER DEFENDANTS,
20 DISTRIBUTOR DEFENDANTS, and RETAIL DEFENDANTS shall, where appropriate,
21 collectively be referred to hereinafter as “DEFENDANTS.”

22 **VENUE AND JURISDICTION**

23 24. Venue is proper in the San Francisco County Superior Court, pursuant to Code of
24 Civil Procedure §§ 394, 395, 395.5, because this Court is a court of competent jurisdiction,
25 because one or more instances of wrongful conduct occurred, and continues to occur, in the City
26 and County of San Francisco and/or because DEFENDANTS conducted, and continue to
27 conduct, business in this County with respect to the PRODUCTS.

1 25. The California Superior Court has jurisdiction over this action pursuant to
2 California Constitution Article VI, § 10, which grants the Superior Court “original jurisdiction in
3 all causes except those given by statute to other trial courts.” The statute under which this action
4 is brought does not specify any other basis of subject matter jurisdiction.

5 26. The California Superior Court has jurisdiction over DEFENDANTS based on
6 plaintiff’s information and good faith belief that each defendant is a person, firm, corporation or
7 association that either are citizens of the State of California, have sufficient minimum contacts in
8 the State of California, or otherwise purposefully avail themselves of the California market.
9 DEFENDANTS’ purposeful availment renders the exercise of personal jurisdiction by California
10 courts consistent with traditional notions of fair play and substantial justice.

11 **FIRST CAUSE OF ACTION**

12 **(Violation of Proposition 65 – Against All Defendants)**

13 27. Plaintiff realleges and incorporates by reference, as if fully set forth herein,
14 Paragraphs 1 through 26, inclusive.

15 28. The citizens of the State of California have expressly stated in the Safe Drinking
16 Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.5, et seq.
17 (Proposition 65) that they must be informed “about exposures to chemicals that cause cancer,
18 birth defects and other reproductive harm.” (*Cal. Health & Safety Code § 25249.6.*)

19 29. Proposition 65 states, “No person in the course of doing business shall knowingly
20 and intentionally expose any individual to a chemical known to the state to cause cancer or
21 reproductive toxicity without first giving clear and reasonable warning to such individual....”
22 (*Id.*)

23 30. On August 14, 2008, a sixty-day notice of violation, together with the requisite
24 certificate of merit, was provided to CVS PHARMACY, CVS CAREMARK and various public
25 enforcement agencies stating that as a result of this DEFENDANTS’ sales of the PRODUCTS,
26 purchasers and users in the State of California were being exposed to the LISTED CHEMICAL
27 resulting from the reasonably foreseeable uses of the PRODUCTS, without the individual
28

1 purchasers and users first having been provided with a “clear and reasonable warning” regarding
2 such toxic exposures.

3 31. DEFENDANTS have engaged in the manufacture, distribution and/or offering of
4 the PRODUCTS for sale or use in violation of California Health & Safety Code § 25249.6 and
5 DEFENDANTS’ manufacture, distribution and/or offering of the PRODUCTS for sale or use in
6 violation of California Health & Safety Code § 25249.6 has continued to occur beyond
7 DEFENDANTS’ receipt of plaintiff’s sixty-day notice of violation. Plaintiff further alleges and
8 believes that such violations will continue to occur into the future.

9 32. After receipt of the claims asserted in the sixty-day notices of violation, the
10 appropriate public enforcement agencies have failed to commence and diligently prosecute a
11 cause of action against DEFENDANTS under Proposition 65.

12 33. The PRODUCTS manufactured, distributed, and/or offered for sale or use in
13 California by DEFENDANTS contained the LISTED CHEMICAL above the allowable state
14 limits.

15 34. DEFENDANTS knew or should have known that the PRODUCTS manufactured,
16 distributed, and/or offered for sale or use by DEFENDANTS in California contained the
17 LISTED CHEMICAL.

18 35. The LISTED CHEMICAL was present in or on the PRODUCTS in such a way as
19 to expose individuals to the LISTED CHEMICAL through dermal contact and/or ingestion
20 during the reasonably foreseeable use of the PRODUCTS.

21 36. The normal and reasonably foreseeable use of the PRODUCTS has caused and
22 continues to cause consumer exposures to the LISTED CHEMICAL, as such exposure is defined
23 by 27 CCR § 25602(b).

24 37. DEFENDANTS had knowledge that the normal and reasonably foreseeable use of
25 the PRODUCTS would expose individuals to the LISTED CHEMICAL through dermal contact
26 and/or ingestion.

27 38. DEFENDANTS, and each of them, intended that such exposures to the LISTED
28 CHEMICAL from the reasonably foreseeable use of the PRODUCTS would occur by their

1 deliberate, non-accidental participation in the manufacture, distribution and/or offer for sale or
2 use of PRODUCTS to individuals in the State of California.

3 39. DEFENDANTS failed to provide a “clear and reasonable warning” to those
4 consumers and/or other individuals in the State of California who were or who could become
5 exposed to the LISTED CHEMICAL through dermal contact and/or ingestion during the
6 reasonably foreseeable use of the PRODUCTS.

7 40. Contrary to the express policy and statutory prohibition of Proposition 65, enacted
8 directly by California voters, individuals exposed to the LISTED CHEMICAL through dermal
9 contact and/or ingestion resulting from the reasonably foreseeable use of the PRODUCTS, sold
10 by DEFENDANTS without a “clear and reasonable warning,” have suffered, and continue to
11 suffer, irreparable harm, for which harm they have no plain, speedy or adequate remedy at law.

12 41. As a consequence of the above-described acts, DEFENDANTS, and each of them,
13 are liable for a maximum civil penalty of \$2,500 per day for each violation pursuant to California
14 Health & Safety Code § 25249.7(b).

15 42. As a consequence of the above-described acts, California Health & Safety Code
16 § 25249.7(a) also specifically authorizes the Court to grant injunctive relief against
17 DEFENDANTS.

18 43. Wherefore, plaintiff prays for judgment against DEFENDANTS, and each of
19 them, as set forth hereinafter.

20 **PRAYER FOR RELIEF**

21 Wherefore, plaintiff prays for judgment against DEFENDANTS as follows:

22 1. That the Court, pursuant to California Health & Safety Code § 25249.7(b), assess
23 civil penalties against DEFENDANTS, and each of them, in the amount of \$2,500 per day for
24 each violation alleged herein;

25 2. That the Court, pursuant to California Health & Safety Code § 25249.7(a),
26 preliminarily and permanently enjoin DEFENDANTS, and each of them, from manufacturing,
27 distributing or offering the PRODUCTS for sale or use in California, without providing “clear

- 3. That the Court grant plaintiff his reasonable attorneys’ fees and costs of suit; and
