CASE MANAGEMENT CONFERENCE SET

JUL 31 2009 - 9:30 AM

16 Attorneys for Plaintiff,
17 MATEEL ENVIRONMENTAL JUSTICE FOUNDATION

DEPARTMENT 212

11 SUPERIOR COURT OF THE STATE OF CALIFORNIA
12 COUNTY OF SAN FRANCISCO
13 (Unlimited Jurisdiction)

14 MATEEL ENVIRONMENTAL
15 JUSTICE FOUNDATION,

CASE NO. CGC-09-485595

16 Plaintiff,

COMPLAINT FOR INJUNCTIVE RELIEF
AND CIVIL PENALTIES

17 v.

18 WILSON SPORTING GOODS CO.; and
19 EXERCERA, INC.

20 Defendants.

TOXIC TORT

21 MATEEL ENVIRONMENTAL JUSTICE FOUNDATION alleges as follows:

22 INTRODUCTION

23 1. This Complaint seeks civil penalties and an injunction to remedy the continuing
24 failure of defendants WILSON SPORTING GOODS CO. ("Wilson") and EXERCERA, INC.
25 ("Exercera") (hereinafter, "Defendants"), to give clear and reasonable warnings to those
26 residents of California, who handle and use golf clubs, tennis racquets and hand exercise weights
27 which are coated and/or wrapped with lead-containing thermoplastic (hereinafter "leaded plastic"
28

1 coated sports equipment") that handling and use of these products causes those residents to be
2 exposed to lead and lead compounds, lead acetate, lead phosphate, and lead subacetate
3 (hereinafter, collectively, "lead"). Lead is known to the State of California to cause cancer, birth
4 defects and male and female reproductive toxicity. Defendant Wilson manufactures, distributes,
5 and/or markets tennis racquets and golf clubs, the handles for which are coated or wrapped with
6 lead-containing thermoplastic. Exercera manufactures, distributes and/or markets leaded plastic
7 coated sports equipment the thermoplastic coating for which contains lead. These products cause
8 exposures to lead and lead compounds, which are chemicals known to the State of California to
9 cause cancer, birth defects and other reproductive harm.

10 2. Defendants are businesses that manufacture, market, and/or distribute leaded
11 plastic coated sports equipment. Defendants intend that residents of California handle and use
12 leaded plastic coated sports equipment that Defendants manufacture, market, and/or distribute.
13 When these products are handled and used in their normally intended manner, they expose
14 people to lead. In spite of knowing that residents of California were and are being exposed to
15 these chemicals when they handle and use leaded plastic coated sports equipment, Defendants
16 did not and do not provide clear and reasonable warnings that these products cause exposure to
17 chemicals known to cause cancer, birth defects and other reproductive harm.

18 3. Plaintiff seeks injunctive relief pursuant to Health & Safety Code Section 25249.7
19 to compel Defendants to bring their business practices into compliance with section 25249.5 et
20 seq. by providing a clear and reasonable warning to each individual who has been and who in the
21 future may be exposed to the above mentioned toxic chemicals from the use of Defendants'
22 products.

23 4. In addition to injunctive relief, plaintiff seeks civil penalties to remedy the failure
24 of Defendants to provide clear and reasonable warnings regarding exposure to chemicals known
25 to cause cancer, birth defects and other reproductive harm. Plaintiff also seeks an order that
26 defendants identify and locate each individual person who in the past has purchased leaded
27 plastic coated sports equipment and to provide to each such purchaser a clear and reasonable
28 warning that the leaded plastic coated sports equipment will cause exposures to chemicals known

1 to cause birth defects.

2 PARTIES

3 5. Plaintiff MATEEL ENVIRONMENTAL JUSTICE FOUNDATION ("Mateel")
4 is a non-profit organization dedicated to, among other causes, the protection of the environment,
5 promotion of human health, environmental education, and consumer rights. Mateel is based in
6 Eureka, California, and is incorporated under the laws of the State of California. Mateel is a
7 "person" pursuant to Health & Safety Code Section 25118. Mateel brings this enforcement
8 action in the public interest pursuant to Health & Safety Code §25249.7(d). Residents of
9 California are regularly exposed to lead and lead compounds from leaded plastic coated sports
10 equipment manufactured, distributed or marketed by Defendants and are so exposed without a
11 clear and reasonable Proposition 65 warning.

12 6. Defendants are each a person doing business within the meaning of Health &
13 Safety Code Section 25249.11. Defendants are businesses that manufacture, distribute, and/or
14 market leaded plastic coated sports equipment in California, including the City and County of
15 San Francisco. Manufacture, distribution and/or marketing of these products in the City and
16 County of San Francisco and/or to people who live in San Francisco, causes people to be exposed
17 to lead and lead compounds while they are physically present in the City and County of San
18 Francisco.

19 7. Plaintiff brings this enforcement action against Defendants pursuant to Health &
20 Safety Code Section 25249.7(d). Attached hereto and incorporated by reference is a copy of a
21 60-day Notice letter, dated November 20, 2008, which Mateel sent to California's Attorney
22 General. Substantially identical letters were sent to every District Attorney in the state, and to the
23 City Attorneys of every California city with a population greater than 750,000. On that same
24 date, Mateel sent identical 60-Day Notice letters to each defendant. Attached to the 60-Day
25 Notice Letters sent to each defendant was a summary of Proposition 65 that was prepared by
26 California's Office of Environmental Health Hazard Assessment. In addition, each 60-Day
27 Notice Letter plaintiff sent was accompanied by a Certificate of Service attesting to the service of
28 the 60-Day Notice Letter on each entity which received it. Pursuant to California Health & Safety

1 Code Section 25249.7(d), a Certificate of Merit attesting to the reasonable and meritorious basis
2 for the action was also sent with each 60-Day Notice Letter. Factual information sufficient to
3 establish the basis of the Certificate of Merit was enclosed with the 60-Day Notice letter Mateel
4 sent the Attorney General.

5 8. Defendants are all businesses that employ more than ten people.

6 JURISDICTION

7 9. The Court has jurisdiction over this action pursuant to California Health & Safety
8 Code Section 25249.7. California Constitution Article VI, Section 10 grants the Superior Court
9 "original jurisdiction in all causes except those given by statute to other trial courts." Chapter 6.6
10 of the Health & Safety Code, which contains the statutes under which this action is brought, does
11 not grant jurisdiction to any other trial court.

12 10. This Court also has jurisdiction over Defendants because they are businesses that
13 have sufficient minimum contacts in California and within the City and County of San Francisco.
14 Defendants intentionally availed themselves of the California and San Francisco County markets
15 for leaded plastic coated sports equipment. It is thus consistent with traditional notions of fair
16 play and substantial justice for the San Francisco Superior Court to exercise jurisdiction over
17 them.

18 11. Venue is proper in this Court because Defendants market their products in and
19 around San Francisco and thus cause people to be exposed to lead and lead compounds while
20 those people are physically present in San Francisco. Liability for Plaintiff's causes of action, or
21 some parts thereof, has accordingly arisen in San Francisco during the times relevant to this
22 Complaint and Plaintiff seeks civil penalties and forfeitures imposed by statutes.

23 FIRST CAUSE OF ACTION
24 (Claim for Injunctive Relief)

25 12. Plaintiff realleges and incorporates by reference into this First Cause of Action, as
26 if specifically set forth herein, paragraphs 1 through 11, inclusive.

27 13. The People of the State of California have declared by referendum under
28 Proposition 65 (California Health & Safety Code § 25249.5 et seq.) their right "[t]o be informed

1 about exposures to chemicals that cause cancer, birth defects, and reproductive harm.”

2 14. To effectuate this goal, Section 25249.6 of the Health and Safety Code mandates
3 that businesses that knowingly and intentionally expose any individual to a chemical known to
4 the State of California to cause cancer or birth defects must first provide a clear and reasonable
5 warning to such individual prior to the exposure.

6 15. Since at least November 20, 2005, Defendants have engaged in conduct that
7 violates Health and Safety Code Section 25249.6 et seq. This conduct includes knowingly and
8 intentionally exposing to lead, those California residents who handle and use leaded plastic
9 coated exercise equipment. The normally intended use of leaded plastic coated exercise
10 equipment causes exposure to lead and lead compounds, which are chemicals known to the State
11 of California to cause cancer, birth defects and other reproductive harm. Defendants have not
12 provided clear and reasonable warnings, within the meaning of Health & Safety Code Sections
13 25249.6 and 25249.11.

14 16. At all times relevant to this action, Defendants knew that the leaded plastic coated
15 exercise equipment they, distributed or marketed were causing exposures to lead and lead
16 compounds. Defendants intended that residents of California handle and use leaded plastic
17 coated exercise equipment in such ways as would lead to significant exposures to these
18 chemicals.

19 17. By the above described acts, Defendants have violated Cal. Health & Safety Code
20 § 25249.6 and is therefore subject to an injunction ordering them to stop violating Proposition
21 65, to provide warnings to all present and future customers and to provide warnings to its past
22 customers who purchased Defendants’ products without receiving a clear and reasonable
23 warning.

24 SECOND CAUSE OF ACTION
(Claim for Civil Penalties)

25 18. Plaintiff realleges and incorporates by reference into this Second Cause of Action,
26 as if specifically set forth herein, paragraphs 1 through 17, inclusive.

27 19. By the above described acts, Defendants are liable and should be liable pursuant
28

1 to Health & Safety Code § 25249.7(b), for a civil penalty of \$2,500.00 per day for each
2 individual exposed without proper warning to lead and lead compounds from the handling or use
3 of Defendants' leaded plastic coated exercise equipment.

4 PRAYER FOR RELIEF

5 Wherefore, plaintiff prays for judgment against DEFENDANTS, as follows:

6 1. Pursuant to the First Cause of Action, that Defendants be enjoined, restrained,
7 and ordered to comply with the provisions of Section 25249.6 of the California Health & Safety
8 Code;

9 2. Pursuant to the Second Cause of Action, that Defendants be assessed a civil
10 penalty in an amount equal to \$2,500.00 per day per individual exposed, in violation of Section
11 25249.6 of the California Health & Safety Code, to lead and lead compounds as the result of
12 Defendants' distributing or marketing of leaded plastic coated exercise equipment;

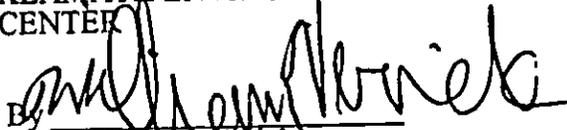

13 3. That Defendants be ordered to identify and locate each individual who purchased
14 leaded plastic coated exercise equipment and provide a warning to each such person that the
15 leaded plastic coated exercise equipment the person purchased will expose that person to
16 chemicals known to cause birth defects.

17 4. That, pursuant to Civil Procedure Code § 1021.5, Defendants be ordered to pay to
18 Plaintiff the attorneys fees and costs it incurred in bringing this enforcement action.

19 5. For such other relief as this court deems just and proper.

20

November 20, 2008

EDWARD G. WEIL
DEPUTY ATTORNEY GENERAL
OFFICE OF THE ATTORNEY GENERAL
P.O. BOX 70550
OAKLAND CA 94612-0550

Greetings:

This office and the Mateel Environmental Justice Foundation ("Mateel") give you notice that the private companies listed on the attached service list have been, are, will be and threaten to be in violation of Cal. Health & Safety Code § 25249.6. Both this office and Mateel are private enforcers of Proposition 65, both may be contacted at the below listed address and telephone number, and I am a responsible individual at both Mateel and this office. The above referenced violations occur when California residents come into contact with sporting goods—such as tennis raquets, golf clubs and exercise weights—that are made from or that are coated with leaded thermoplastic (hereinafter "leaded-plastic sporting goods"). These leaded-plastic sporting goods are made using leaded plastic. Specific examples of these types of products are listed in the enclosed Product List. Though a specific model or SKU or product number is given as an example, this notice pertains to all models, and all variations, of the specific type of product of which the named model is an example. The plastic these sporting goods are made from contains lead and lead compounds ("lead"), chemicals known to cause cancer, birth defects and other reproductive harm. California residents are exposed to lead when they handle or use these leaded-plastic sporting goods while carrying them or while playing with them. Lead in the plastic is transferred from the plastic to their hands and to other parts of their skin. This lead is then absorbed through the skin, taken into cuts and abrasions, absorbed through mucous membranes, and transferred from the skin to the mouth via oral contact either directly with the plastic, from oral contact with the lead-contaminated skin, and when lead is transferred from contaminated skin to cigarettes and food and the contaminated cigarettes and food are smoked and/or eaten. These lead exposures thus occur via the dermal absorption, subcutaneous, mucus membrane, ingestion and inhalation routes. The listed companies did not and do not provide people with clear and reasonable warnings before they expose them to lead. These violations have occurred every day since at least November 20, 2005, and will continue every day until the lead is removed from the plastic used to make these leaded-plastic sporting goods, or until clear and reasonable warnings are given. The above-referenced violations are alleged for occupational exposures as well as for consumer and environmental exposures. We do not, however, allege occupational exposure violations as to any leaded-plastic sporting goods made outside of California, except as to workplaces the companies themselves maintain in California. Exposures constituting Proposition 65 environmental exposure violations occur both on and off the private businesses' properties and in each of California's 58 counties.

Cordially,

William Verick

PRODUCTS LIST

EXERCERA, INC.

1 LB NEOPRENE DUMBELL (PURPLE) UPC CODE: 663166 000699; 2 lb Neoprene dumbbell (pink) UPC CODE: 663166 000705 These product descriptions pertain not only to the specific models of the product listed, but also for all units of all models of similar types of products.

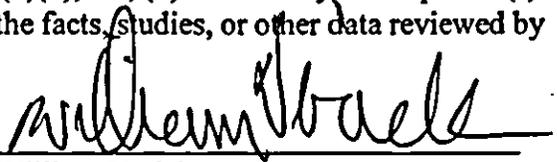

WILSON SPORTING GOODS COMPANY

WILSON HYPERDRIVE 5 WOOD MENS D8527 SKU#17134147 UPC CODE: 026388 648276; WILSON HYPERDRIVE 5 WOOD LADIES SKU#19886406 D8541 UPC CODE: 026388 683512; WILSON HYPERDRIVE 7 WOOD LADIES D8542 SKU#19886419 UPC CODE: 026388 683789; WILSON US OPEN GRAPHITE HYBRID TECHNOLOGY TENNIS RACQUET WRT5522 4 1/2" SKU# 14641264 UPC CODE:026388 601615; NANO CARBON ELITE 110 4 1/2" TENNIS RACQUET T5591 SKU #20878636 UPC CODE: 026388 327775; WILSON PRO STAFF 360 SET 11-PIECE MEN'S GOLF SET SKU#19669775 UPC CODE: 026388 890835 These product descriptions pertain not only to the specific models of the products listed, but also for all units of all models of similar types of products.

CERTIFICATE OF MERIT

I, William Verick, hereby declare: This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings. I am the attorney for the noticing party. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the person(s) consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: November 20, 2008

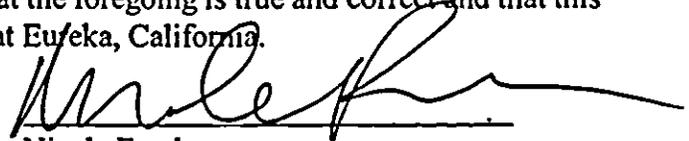

William Verick

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliances in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

CERTIFICATE OF SERVICE

I, Nicole Frank, declare:

If called, I could and would testify as follows: I am over eighteen. My business address is 424 First Street, Eureka, California, 95501. On November 20, 2008, I caused the attached 60-DAY NOTICE LETTER, or a letter identical in substance, to be served by U.S. Mail on those public enforcement agencies listed on the attached SERVICE LIST; in addition on the same date and by U.S. Mail I caused the attached 60-DAY NOTICE LETTER and PROPOSITION 65: A SUMMARY to be sent by Certified U.S. Mail to the private business entities also listed on the attached SERVICE LIST. I deposited copies of these documents in envelopes, postage pre-paid, with the U.S. Postal Service on the day on which the mail is collected. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed on November 20, 2008, at Eureka, California.

Nicole Frank
