**COMPLAINT FOR CIVIL PENALTIES
AND INJUNCTIVE RELIEF**

(Cal. Health & Safety Code § 25249.6 *et seq.*)

CASE MANAGEMENT CONFERENCE SET

FEB 10 2011 - 9⁰⁰ AM

DEPARTMENT 212

1 **NATURE OF THE ACTION**

2 1. This Complaint is a representative action brought by plaintiff JOHN MOORE, in
3 the public interest of the citizens of the State of California, to enforce the People’s right to be
4 informed of the presence of di(2-ethylhexyl)phthalate (“DEHP”), a toxic chemical found in
5 erasers sold in California.

6 2. By this Complaint, plaintiff seeks to remedy defendants’ continuing failures to
7 warn California citizens about their exposure to DEHP, present in or on erasers that defendants
8 manufacture, distribute and/or offer for sale to consumers throughout the State of California.

9 3. High levels of DEHP are commonly found in and on the erasers that defendants
10 manufacture, distribute and/or offer for sale to consumers throughout the State of California.

11 4. Under California’s Safe Drinking Water and Toxic Enforcement Act of 1986,
12 California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”), “No person in the course
13 of doing business shall knowingly and intentionally expose any individual to a chemical known
14 to the state to cause cancer or reproductive toxicity without first giving clear and reasonable
15 warning to such individual ...” (Cal. Health & Safety Code § 25249.6.)

16 5. On October 23, 2003, California identified and listed DEHP as a chemical known
17 to cause birth defects and other reproductive harm. DEHP became subject to the warning
18 requirement one year later and was therefore subject to the “clear and reasonable warning”
19 requirements of Proposition 65, beginning on October 23, 2004. (27 Cal. Code Regs., § 27001
20 (c); Cal. Health & Safety Code § 25249.8.) DEHP shall be referred to hereinafter as the
21 “LISTED CHEMICAL.”

22 6. Defendants manufacture, distribute, and/or sell erasers containing excessive levels
23 of the LISTED CHEMICAL including, but not limited to, *Helix Technical Professional Eraser*
24 *Twin Pack, #25731 (#0 79252 25731 9)*. All such erasers containing the LISTED CHEMICAL
25 shall hereinafter be referred to as the “PRODUCTS.”

26 7. Defendants’ failures to warn consumers and/or other individuals in the State of
27 California about their exposure to the LISTED CHEMICAL in conjunction with defendants’

22 6. Defendants manufacture, distribute, and/or sell erasers containing excessive levels

26 7. Defendants’ failures to warn consumers and/or other individuals in the State of
27 California about their exposure to the LISTED CHEMICAL in conjunction with defendants’
28

1 sale of the PRODUCTS is a violation of Proposition 65 and subjects defendants to enjoinder
2 of such conduct as well as civil penalties for each such violation.

3 8. For defendants' violations of Proposition 65, plaintiff seeks preliminary injunctive
4 and permanent injunctive relief to compel defendants to provide purchasers or users of the
5 PRODUCTS with the required warning regarding the health hazards of the LISTED
6 CHEMICAL. (Cal. Health & Safety Code § 25249.7(a).)

7 9. Plaintiff also seeks civil penalties against defendants for their violations of
8 Proposition 65, as provided by California Health & Safety Code § 25249.7(b).

9 **PARTIES**

10 10. Plaintiff JOHN MOORE is a citizen of the State of California who is dedicated to
11 protecting the health of California citizens through the elimination or reduction of toxic
12 exposures from consumer products, and brings this action in the public interest pursuant to
13 California Health & Safety Code § 25249.7.

14 11. Defendant HELIX USA, LTD. ("HELIX") is a person doing business within the
15 meaning of California Health & Safety Code § 25249.11.

16 12. Defendant HELIX manufactures, distributes, and/or offers the PRODUCTS for
17 sale or use in the State of California, or implies by its conduct that it manufactures, distributes,
18 and/or offers the PRODUCTS for sale or use in the State of California.

19 13. Defendants DOES 1-50 ("MANUFACTURER DEFENDANTS") are each
20 persons doing business within the meaning of California Health & Safety Code § 25249.11.

21 14. MANUFACTURER DEFENDANTS engage in the process of research, testing,
22 designing, assembling, fabricating, and/or manufacturing, or imply by their conduct that they
23 engage in the process of research, testing, designing, assembling, fabricating, and/or
24 manufacturing, one or more of the PRODUCTS for sale or use in the State of California.

25 15. Defendants DOES 51-100 ("DISTRIBUTOR DEFENDANTS") are each persons
26 in the course of doing business within the meaning of California Health & Safety Code §
27 25249.11.

1 State of California, and/or otherwise purposefully avails itself of the California market.
2 DEFENDANTS' purposeful availment renders the exercise of personal jurisdiction by
3 California courts consistent with traditional notions of fair play and substantial justice.

4 **FIRST CAUSE OF ACTION**

5 **(Violation of Proposition 65 - Against All Defendants)**

6 24. Plaintiff realleges and incorporates by reference, as if fully set forth herein,
7 Paragraphs 1 through 23, inclusive.

8 25. The citizens of the State of California have expressly stated in the Safe Drinking
9 Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.5 *et seq.*
10 ("Proposition 65") that they must be informed "about exposures to chemicals that cause cancer,
11 birth defects and other reproductive harm." (Cal. Health & Safety Code § 25249.6.)

12 26. Proposition 65 states, "[n]o person in the course of doing business shall
13 knowingly and intentionally expose any individual to a chemical known to the state to cause
14 cancer or reproductive toxicity without first giving clear and reasonable warning to such
15 individual...." (*Ibid.*)

16 27. On or about April 9, 2010, a sixty-day notice of violation, together with the
17 requisite certificate of merit, was provided to HELIX and various public enforcement agencies
18 stating that, as a result of the DEFENDANTS' sales of the PRODUCTS, purchasers and users in
19 the State of California were being exposed to DEHP resulting from the reasonably foreseeable
20 uses of the PRODUCTS, without the individual purchasers and users first having been provided
21 with a "clear and reasonable" warning regarding such toxic exposures.

22 28. DEFENDANTS have engaged in the manufacture, distribution, and/or offering of
23 the PRODUCTS for sale or use in violation of California Health & Safety Code § 25249.6 and
24 DEFENDANTS' manufacture, distribution and/or offering of the PRODUCTS for sale or use in
25 violation of California Health & Safety Code § 25249.6 has continued to occur beyond
26 DEFENDANTS' receipt of plaintiff's sixty-day notice of violation. Plaintiff further alleges and
27 believes that such violations will continue to occur into the future.

1 29. After receipt of the claims asserted in the sixty-day notice of violation, the
2 appropriate public enforcement agencies have failed to commence and diligently prosecute a
3 cause of action against DEFENDANTS under Proposition 65.

4 30. The PRODUCTS manufactured, distributed, and/or offered for sale or use in
5 California by DEFENDANTS contained the LISTED CHEMICAL above the allowable state
6 limits.

7 31. DEFENDANTS knew or should have known that the PRODUCTS manufactured,
8 distributed, and/or offered for sale or use by DEFENDANTS in California contained the
9 LISTED CHEMICAL.

10 32. The LISTED CHEMICAL was present in or on the PRODUCTS in such a way as
11 to expose individuals to the LISTED CHEMICAL through dermal contact and/or ingestion
12 during the reasonably foreseeable use of the PRODUCTS.

13 33. The normal and reasonably foreseeable use of the PRODUCTS has caused and
14 continues to cause consumer exposures to the LISTED CHEMICAL, as such exposures are
15 defined by 27 California Code of Regulations ("CCR") section 25602(b).

16 34. DEFENDANTS had knowledge that the normal and reasonably foreseeable use of
17 the PRODUCTS would expose individuals to the LISTED CHEMICAL through dermal contact
18 and/or ingestion.

19 35. DEFENDANTS intended that such exposures to the LISTED CHEMICAL from
20 the reasonably foreseeable use of the PRODUCTS would occur by their deliberate, non-
21 accidental participation in the manufacture, distribution, and/or offering of the PRODUCTS for
22 sale or use to individuals in the State of California.

23 36. DEFENDANTS failed to provide a "clear and reasonable warning" to those
24 consumers and/or other individuals in the State of California who were or who could become
25 exposed to the LISTED CHEMICAL through dermal contact and/or ingestion during the
26 reasonably foreseeable use of the PRODUCTS.

27 37. Contrary to the express policy and statutory prohibition of Proposition 65, enacted
28 directly by California voters, individuals exposed to the LISTED CHEMICAL through dermal

1 contact and/or ingestion resulting from the reasonably foreseeable use of the PRODUCTS, sold
2 by DEFENDANTS without a “clear and reasonable warning,” have suffered, and continue to
3 suffer, irreparable harm, for which harm they have no plain, speedy or adequate remedy at law.

4 38. As a consequence of the above-described acts, DEFENDANTS are liable for a
5 maximum civil penalty of \$2,500 per day for each violation pursuant to California Health &
6 Safety Code § 25249.7(b).

7 39. As a consequence of the above-described acts, California Health & Safety Code
8 § 25249.7(a) also specifically authorizes the Court to grant injunctive relief against
9 DEFENDANTS.

10 **PRAAYER FOR RELIEF**

11 Wherefore, plaintiff prays for judgment against DEFENDANTS as follows:

12 1. That the Court, pursuant to California Health & Safety Code § 25249.7(b), assess
13 civil penalties against DEFENDANTS in the amount of \$2,500 per day for each violation
14 alleged herein;

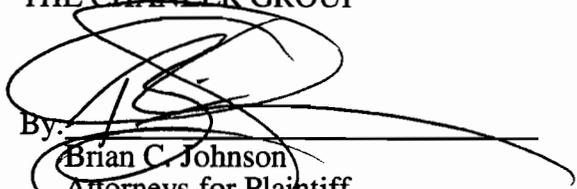

15 2. That the Court, pursuant to California Health & Safety Code § 25249.7(a),
16 preliminarily and permanently enjoin DEFENDANTS from manufacturing, distributing, or
17 offering the PRODUCTS for sale or use in California, without providing “clear and reasonable
18 warnings” as defined by 27 CCR § 25601, as to the harms associated with exposures the
19 LISTED CHEMICAL;

20 3. That the Court grant plaintiff his reasonable attorneys’ fees and costs of suit; and

21 4. That the Court grant such other and further relief as may be just and proper.
