AND DECLARATORY RELIEF AND
CIVIL PENALTIES**

[Miscellaneous Civil Complaint (42)]
Proposition 65, Health & Safety Code
Section 25249.5 et seq.]

19
20
21 Plaintiff Environmental Research Center hereby alleges:

BY FAX

22
23 **I**

24 **INTRODUCTION**

25
26 1. Plaintiff Environmental Research Center (hereinafter "Plaintiff" or "ERC") brings this
27 action as a private attorney general enforcer and in the public interest pursuant to Health & Safety
28 Code Section 25249.7 (d). This complaint seeks injunctive and declaratory relief and civil penalties

1 to remedy Defendant GNLD International, LLC.'s ("GNLD") failure to warn consumers that they
2 have been exposed to lead from several of the company's nutritional health products. Lead is a
3 chemical known to the State of California to cause cancer, birth defects and other reproductive
4 harm. Based on the Safe Drinking Water and Toxic Enforcement Act of 1986 (Health & Safety
5 Code Section 25249.5 *et seq.*) also known as "Proposition 65," businesses with ten or more
6 employees must provide a "clear and reasonable warning" prior to exposing persons to these
7 chemicals.
8

9 10 II

11 PARTIES

12 2. Plaintiff ERC is a California non-profit corporation dedicated to, among other causes, helping
13 safeguard the public from health hazards by bringing about a reduction in the use and misuse of
14 hazardous and toxic chemicals, facilitating a safe environment for consumers and employees and
15 encouraging corporate responsibility.
16

17 3. Defendant GNLD is a business that manufactures, distributes and/or sells nutritional health
18 products that have exposed users to lead in the State of California within the relevant statute of
19 limitations period. These Covered Products include LTD Vitality Multi-Fiber Blend; GR2 Control
20 Meal Replacement Protein Shake-Vanilla Whisper; All Natural Fiber Food and Drink Mix; GR2
21 Control Appetite Reducer; Enersine; and GR2 Control Meal Replacement Protein Shake Chocolate
22 Dream. GNLD is a company subject to Proposition 65 as it employs ten or more persons.
23

24 4. Defendants Does 1-100, are named herein under fictitious names, as their true names and
25 capacities are unknown to Plaintiff. ERC is informed and believes, and thereon alleges, that each
26 of said Does is responsible, in some actionable manner, for the events and happenings hereinafter
27 referred to, either through said Defendant's conduct, or through the conduct of its agents, servants or
28

1 employees, or in some other manner, causing the harms alleged by ERC in this complaint. When
2 said true names and capacities of Does are ascertained, ERC will seek leave to amend this complaint
3 to set forth the same.
4

5 III

6 JURISDICTION AND VENUE

7 5. This Court has jurisdiction pursuant to California Constitution Article VI, Section 10 because
8 this case is a cause not given by statute to other trial courts.
9

10 6. The Complaint is based on allegations contained in Notices of Violation dated September
11 24, 2010 and January 14, 2011, served on the California Attorney General, other public enforcers
12 and GNLD. A true and correct copy of the Notices of Violation is attached hereto as Exhibit A.
13 More than 60 days have passed since the Notices of Violation were mailed and no public
14 enforcement entity has filed a complaint in this case.
15

16 7. This Court is the proper venue for the action because the causes of action have arisen in the
17 County of San Francisco where some of the violations of law have occurred. Furthermore, this
18 Court is the proper venue under Code of Civil Procedure Section 395.5 and Health & Safety Code
19 Section 25249.7.
20

IV

21 STATUTORY BACKGROUND

22 A. Proposition 65

23 8. The Safe Drinking Water and Toxic Enforcement Act of 1986 is an initiative statute passed as
24 "Proposition 65" by an overwhelming majority vote of the people in November of 1986.
25

26 9. The warning requirement of Proposition 65 is contained in Health & Safety Code Section
27 25249.6, which provides:

28 No person in the course of doing business shall knowingly and intentionally expose any
individual to a chemical known to the state to cause cancer or reproductive toxicity without first

1 giving clear and reasonable warning to such individual, except as provided in Section 25249.10.

2 10. Implementing regulations for Proposition 65 provide that warnings are required for consumer
3 product exposures. A “consumer product exposure is an exposure which results from a person’s
4 acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer
5 good, or any exposure that results from receiving a consumer service.” 27 CCR Section 25601 (b).
6

7 11. Whenever a clear and reasonable warning is required under Health & Safety Code Section
8 25249.6, the “method employed to transmit the warning must be reasonably calculated considering
9 the alternative methods available under the circumstances, to make the warning message available
10 prior to exposure.” 27 CCR Section 25601. The warning requirement may be satisfied by a
11 warning that appears on a product’s label or other labeling, shelf labeling, signs, a system of signs,
12 public advertising identifying the system and toll-free information services, or any other, system,
13 that provides clear and reasonable warnings. Id., Section 25603.1 (a) – (d).
14
15

16 12. Proposition 65 establishes a procedure by which the State is to develop a list of
17 chemicals “known to the State to cause cancer or reproductive toxicity.” Health & Safety Code
18 Section 25249.8. There is no duty to provide a clear and reasonable warning until 12-months after
19 the chemical was published on the State list. Id., Section 25249.10 (b). Lead was listed as a
20 chemical known to the State of California to cause developmental toxicity and male and female
21 reproductive toxicity on February 27, 1987. Lead was listed as a chemical known to the State of
22 California to cause cancer on October 1, 1992. Title 27, Cal. Code Regs., Section 27001.
23

24 13. Proposition 65 may be enforced by any person in the public interest who provides notice
25 sixty days before filing suit to both the violator and designated law enforcement officials. The
26 failure of law enforcement officials to file a timely complaint enables a citizen suit to be filed
27 pursuant to Health & Safety Code Section 25249.7 (c).
28

1 14. Proposition 65 provides that any person “violating or threatening to violate” Proposition 65
2 may be enjoined in any court of competent jurisdiction. Health & Safety Code Section 25249.7 (a).
3 To “threaten to violate” means “to create a condition in which there is a substantial probability that a
4 violation will occur.” Id., Section 25249.11 (e). Furthermore, violators are subject to a civil penalty
5 of up to \$2,500 per day for each violation. Id., Section 25249.7 (b).
6

7
8 **V**

9 **STATEMENT OF FACTS**

10 15. GNLD has manufactured, distributed and/or sold the Covered Products containing lead
11 to the State of California. Consumers have been ingesting these products for many years, without
12 any knowledge of their exposure to lead, a very dangerous chemical.

13 16. For many years, GNLD has knowingly and intentionally exposed numerous persons to
14 lead, without providing a Proposition 65 warning. Prior to ERC’s Notice of Violations, GNLD
15 failed to provide a warning on the label of the Covered Products, nor was there any mention on the
16 company’s website that the products contained lead. GNLD has at all times relevant hereto been
17 aware that the Covered Products contained lead and that persons using these products have been
18 exposed to the chemical. GNLD’s website represents to the public that GNLD’s products contain
19 the finest whole food, human food chain ingredients that are backed by research of world-leading
20 scientists and nutritionists. The website states that GNLD’s Scientific Advisory Board sits at the
21 core of a worldwide network of leading scientists and research facilities, all dedicated to delivering
22 the finest, safest, most effective products the world has to offer. GNLD’s website further represents
23 that its founding member, Dr. Arthur Furst, is a world renowned pioneer in toxicology and cancer
24 research. GNLD has been aware of the lead in the Covered Products and has failed to disclose the
25 presence of this chemical to the public, who undoubtedly believed they have been ingesting totally
26
27
28

1 healthy and pure products.

2 17. Prior to ERC's Notice of Violations, GNLD failed to provide consumers of the Covered
3 Products with a clear and reasonable warning that they have been exposed to a chemical known to
4 the State of California to cause cancer, birth defects and other reproductive harm.
5

6
7 **FIRST CAUSE OF ACTION**

8 **(Violation of Section 25249.6 of the Health and Safety Code, Failure to Provide Clear**
9 **and Reasonable Warning under Proposition 65)**

10 18. ERC refers to paragraphs 1-17, inclusive, and incorporates them herein by this reference.

11 19. By committing the acts alleged above, GNLD has, in the course of doing business,
12 knowingly and intentionally exposed users of the Covered Products to lead, a chemical known to
13 the State of California to cause cancer, birth defects and other reproductive harm without first giving
14 clear and reasonable warning to such individuals, within the meaning of Health & Safety Code
15 Section 25249.6.
16

17 20. Said violations render GNLD liable for civil penalties up to \$2,500 (two thousand, five
18 hundred dollars) per day, for each violation.
19

20 **SECOND CAUSE OF ACTION**

21 **(Declaratory Relief)**

22 21. ERC refers to paragraphs 1-20, inclusive, and incorporates them herein by this reference.

23 22. There exists an actual controversy relating to the legal rights and duties of the parties, within
24 the meaning of Code of Civil Procedure Section 1060, between ERC and GNLD concerning:
25

26 a) whether GNLD has exposed individuals to a chemical known to the State of California to
27 cause cancer, birth defects and other reproductive harm without providing clear and reasonable
28 warning.

PRAAYER

WHEREFORE ERC prays for relief as follows:

1. On the First Cause of Action, for civil penalties for each and every violation according to proof;
2. On the First Cause of Action, and pursuant to Health & Safety Code Section 25249.7 (a), for such temporary restraining orders, preliminary and permanent injunctive orders, or other orders, prohibiting GNLD from exposing persons to lead without providing clear and reasonable warning;
3. On the Second Cause of Action, for a declaratory judgment pursuant to Code of Civil Procedure Section 1060 declaring:
 - a. that GNLD has exposed individuals to a chemical known to the State of California to cause, birth defects and other reproductive harm without providing clear and reasonable warning;and
4. On all Causes of Action, for reasonable attorneys' fees pursuant to Section 1021.5 of the Code of Civil Procedure or the substantial benefit theory;
5. For costs of suit herein; and
6. For such other relief as the Court may deem just and proper.

Re: Notice of Violations of California Health & Safety Code Section 25249.5 *et seq.*

Dear Addressees:

I am the Executive Director of the Environmental Research Center ("ERC") in connection with this Notice of Violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code Section 25249.5 *et seq.* and also referred to as Proposition 65.

ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

The names of the Companies covered by this Notice that violated Proposition 65 are:

**Golden Neo-Life Diamite International, Inc.
GNLD International, LLC**

The products that are the subject of this Notice and the chemical in those products identified as exceeding allowable levels are:

**LTD Vitality Multi-Fiber Blend - Lead
GR2 Control Meal Replacement Protein Shake-Vanilla Whisper - Lead
All Natural Fiber Food and Drink Mix - Lead**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead as chemical known to cause cancer.

This letter is a Notice to Golden Neo-Life Diamite International, Inc., GNLD International, LLC, and the appropriate governmental authorities of the Proposition 65 violations concerning the listed products. This Notice covers all violations of Proposition 65 involving Golden Neo-Life Diamite International, Inc., and GNLD International, LLC currently known to ERC from the information now available. ERC may continue to investigate other products that may reveal further violations. A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, has been provided to the Noticed Companies with a copy of this letter.

Golden Neo-Life Diamite International, Inc., and GNLD International, LLC have manufactured, marketed, distributed, and/or sold the listed products, which have exposed and continue to expose numerous individuals within California to the identified chemicals. The primary route of exposure to these chemicals has been through ingestion, but may have also occurred through inhalation and/or dermal contact. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product's label. Golden Neo-Life Diamite International, Inc., and GNLD International, LLC have violated Proposition 65 because the Companies have failed to provide an appropriate warning to persons using these products that they are being exposed to the identified chemical.

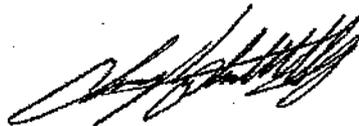

September 24, 2010

Page 3

Pursuant to Section 25249.7(d) of the statute, ERC intends to file a citizen enforcement action sixty days after effective service of this Notice unless Golden Neo-Life Diamite International, Inc., and GNLD International, LLC agree in an enforceable written instrument to: (1) reformulate the listed products so as to eliminate further exposures to the identified chemicals; and (2) pay an appropriate civil penalty. Consistent with the public interest goals of Proposition 65 and ERC's objectives in pursuing this Notice, ERC is interested in seeking a constructive resolution to this matter. Such resolution will avoid both further unwarned consumer exposures to the identified chemicals and expensive and time consuming litigation.

Please direct all questions concerning this notice to ERC's attorney, Michael Freund, address: 1915 Addison Street, Berkeley, California, 94704-1101, telephone no.: 510-540-1992, e-mail: Freund1@aol.com.

Sincerely,

Chris Heptinstall
Executive Director
Environmental Research Center

Certificate of Merit

Certificate of Service

OEHHA Summary (to Golden Neo-Life Diamite International, Inc., GNLD International, LLC, and their Registered Agents of Process Only)

Additional Supporting Information for Certificate of Merit (to AG only)

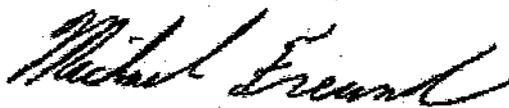

CERTIFICATE OF MERIT

Re: Environmental Research Center's Notice of Proposition 65 Violations by Golden Neo-Life Diamite International, Inc., and GNLD International, LLC

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached sixty-day Notice in which it is alleged the party identified in the Notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the Notice.
4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this Certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Re: Notice of Violations of California Health & Safety Code Section 25249.5 et seq.

Dear Addressees:

I am the Executive Director of the Environmental Research Center ("ERC") in connection with this Notice of Violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, which is codified at California Health & Safety Code Section 25249.5 *et seq.* and also referred to as Proposition 65.

ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

The names of the Companies covered by this Notice that violated Proposition 65 are:

Golden Neo-Life Diamite International, Inc.
GNLD International, LLC

The products that are the subject of this Notice and the chemical in those products identified as exceeding allowable levels are:

GNLD International LLC GR2 Control Appetite Reducer 84 Tablets - Lead
GNLD International LLC Enersine 90 Tablets - Lead
GNLD International LLC GR2 Control Meal Replacement Protein Shake Chocolate - Dream 510g - Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead as chemical known to cause cancer.

This letter is a Notice to Golden Neo-Life Diamite International, Inc., GNLD International, LLC, and the appropriate governmental authorities of the Proposition 65 violations concerning the listed products. This Notice covers all violations of Proposition 65 involving Golden Neo-Life Diamite International, Inc., and GNLD International, LLC currently known to ERC from the information now available. ERC may continue to investigate other products that may reveal further violations. A summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, has been provided to the Noticed Companies with a copy of this letter.

Golden Neo-Life Diamite International, Inc., and GNLD International, LLC have manufactured, marketed, distributed, and/or sold the listed products, which have exposed and continue to expose numerous individuals within California to the identified chemicals. The primary route of exposure to these chemicals has been through ingestion, but may have also occurred through inhalation and/or dermal contact. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product's label. Golden Neo-Life Diamite International, Inc., and GNLD International, LLC have violated Proposition 65 because the Companies have failed to provide an appropriate warning to persons using these products that they are being exposed to the identified chemical.

Pursuant to Section 25249.7(d) of the statute, ERC intends to file a citizen enforcement action sixty days after effective service of this Notice unless Golden Neo-Life Diamite International, Inc., and GNLD International, LLC agree in an enforceable written instrument to: (1) reformulate the listed products so as to eliminate further exposures to the identified chemicals; and (2) pay an appropriate civil penalty. Consistent with the public interest goals of Proposition 65 and ERC 's objectives in pursuing this Notice, ERC is interested in seeking a constructive resolution to this matter. Such resolution will avoid both further unwarned consumer exposures to the identified chemicals and expensive and time consuming litigation.

Please direct all questions concerning this notice to ERC's attorney, Michael Freund, address: 1915 Addison Street, Berkley, California, 94704-1101, telephone no.: 510-540-1992, e-mail: Freund1@aol.com.

Sincerely,

Chris Heptinstall
Executive Director
Environmental Research Center

CERTIFICATE OF MERIT

Re: Environmental Research Center's Notice of Proposition 65 Violations by Golden Neo-Life Diamite International, Inc., and GNLD International, LLC

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached sixty-day Notice in which it is alleged the party identified in the Notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.
2. I am an attorney for the noticing party.
3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the Notice.
4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.
5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this Certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: January 14, 2011

Michael Freund
Attorney for Environmental Research Center

CERTIFICATE OF SERVICE

I, the undersigned, declare under penalty of perjury under the laws of the State of California that the following is true and correct:

I am a citizen of the United States, over the age of 18 years of age, and am not a party to the within entitled action. My business address is 306 Joy Street, Fort Oglethorpe, Georgia 30742
