23 **INTRODUCTION**

24 1. Plaintiff Environmental Research Center (hereinafter "Plaintiff" or "ERC") brings this  
25 action as a private attorney general enforcer and in the public interest pursuant to Health & Safety  
26 Code section 25249.7, subdivision (d). This complaint seeks injunctive and declaratory relief and  
27  
28

1 civil penalties to remedy Defendants AIM International, Inc., AIM USA, Inc., AIM International  
2 UK, Inc., AIM Africa, Inc., AIM Australia, Inc., and Does 1-100 (hereinafter "AIM")'s failure to  
3 warn consumers that they have been exposed to lead from several of AIM's nutritional health  
4 products. Lead is a chemical known to the State of California to cause cancer, birth defects and  
5 other reproductive harm. Based on the Safe Drinking Water and Toxic Enforcement Act of 1986  
6 (Health & Safety Code section 25249.5 *et seq.*) also known as "Proposition 65," businesses with ten  
7 or more employees must provide a "clear and reasonable warning" prior to exposing persons to  
8 these chemicals.

## 9 II

### 10 PARTIES

11 2. Plaintiff ERC is a California non-profit corporation dedicated to, among other causes,  
12 helping safeguard the public from health hazards by reducing the use and misuse of hazardous and  
13 toxic chemicals, facilitating a safe environment for consumers and employees and encouraging  
14 corporate responsibility.

15 3. Defendant AIM is a business that manufactures, distributes and/or sells nutritional health  
16 products that have exposed users to lead in the State of California within the relevant statute of  
17 limitations period. These Covered Products are "AIM International Inc. AIM USA, Inc. AIM Leaf  
18 Greens Natural Citrus", "AIM International Inc. AIM USA, Inc. AIM Barley Life", "AIM  
19 International Inc. AIM USA, Inc. AIM Herbal Fiberblend", "AIM International Inc. AIM USA, Inc.  
20 AIM Para 90", "AIM International Inc. AIM USA, Inc. AIM Herbal Release", "AIM International  
21 Inc. AIM Barley Life Xtra", "AIM International Inc. AIM Herbal Fiberblend Natural Raspberry",  
22 "AIM International Inc. AIM Peak Endurance Natural Grape Energy Drink Made With Peak",  
23 "AIM International Inc. AIM Fit 'N Fiber Natural Peach", "AIM International Inc. AIM Barley  
24 Life". AIM is a company subject to Proposition 65 as it employs ten or more persons.

25 4. Defendants Does 1-100, are named herein under fictitious names, as their true names and  
26 capacities are unknown to ERC. ERC is informed and believes, and thereon alleges, that each of  
27 said Does is responsible, in some actionable manner, for the events and happenings hereinafter  
28 referred to, either through said Defendant's conduct, or through the conduct of its agents, servants or

1 employees, or in some other manner, causing the harms alleged by ERC in this complaint. When  
2 said true names and capacities of Does are ascertained, ERC will seek leave to amend this complaint  
3 to set forth the same.

### 4 III

#### 5 JURISDICTION AND VENUE

6 5. This Court has jurisdiction pursuant to California Constitution Article VI, Section 10  
7 because this case is a cause not given by statute to other trial courts.

8 6. The Complaint is based on allegations contained in a Notice of Violation dated  
9 November 30 2012, served on the California Attorney General, other public enforcers and AIM.  
10 A true and correct copy of the Notice of Violation is attached as Exhibit A. More than 60 days  
11 have passed since the Notice of Violation was mailed and no public enforcement entity has filed  
12 a complaint in this case.

13 7. This Court is the proper venue for the action because the causes of action have arisen in  
14 the County of San Francisco where some of the violations of law have occurred. Furthermore, this  
15 Court is the proper venue under Code of Civil Procedure section 395.5 and Health & Safety Code  
16 section 25249.7.

### 17 IV

#### 18 STATUTORY BACKGROUND

##### 19 A. Proposition 65

20 8. The Safe Drinking Water and Toxic Enforcement Act of 1986 is an initiative statute  
21 passed as "Proposition 65" by an overwhelming majority vote of the people in November of 1986.

22 9. The warning requirement of Proposition 65 is contained in Health & Safety Code section  
23 25249.6, which provides:

24 No person in the course of doing business shall knowingly and intentionally expose  
25 any individual to a chemical known to the state to cause cancer or reproductive  
26 toxicity without first giving clear and reasonable warning to such individual, except  
as provided in Section 25249.10.

27 10. Implementing regulations for Proposition 65 define expose as "to cause to ingest,  
28 inhale, contact via body surfaces or otherwise come into contact with a listed chemical." An

1 individual may come into contact with a listed chemical through water, air, food, consumer products  
2 and any other environmental exposure as well as occupational exposures.” (Cal. Code Regs., tit. 27,  
3 § 25102, subd. (i).)

4 11. In this case, the exposures at issue are caused by consumer products. Implementing  
5 regulations for Proposition 65 define a consumer product exposure as “ an exposure which results  
6 from a person’s acquisition, purchase, storage, consumption, or other reasonably foreseeable use of  
7 a consumer good, or any exposure that results from receiving a consumer service.” (Cal. Code  
8 Regs., tit. 27, § 25602, subd. (b).)

9 12. Whenever a clear and reasonable warning is required under Health & Safety Code  
10 section 25249.6, the “method employed to transmit the warning must be reasonably calculated  
11 considering the alternative methods available under the circumstances, to make the warning  
12 message available prior to exposure.” (Cal. Code Regs., tit. 27, § 25601.) The warning requirement  
13 may be satisfied by a warning that appears on a product’s label or other labeling, shelf labeling,  
14 signs, a system of signs, public advertising identifying the system and toll-free information services,  
15 or any other, system, that provides clear and reasonable warnings. (Cal. Code Regs., tit. 27, §  
16 25603.1, subd. (a)-(d).)

17 13. Proposition 65 establishes a procedure by which the State is to develop a list of  
18 chemicals “known to the State to cause cancer or reproductive toxicity.” (Health & Safety Code,  
19 § 25249.8.) There is no duty to provide a clear and reasonable warning until 12-months after the  
20 chemical was published on the State list. (Health & Safety Code, § 25249.10, subd. (b).) Lead  
21 was listed as a chemical known to the State of California to cause developmental toxicity in the  
22 fetus and male and female reproductive toxicity on February 27, 1987. Lead was listed as a  
23 chemical known to the State of California to cause cancer on October 1, 1992. (Cal. Code Regs., tit.  
24 27, § 27001.)

25 14. The Maximum Allowable Dose Level for lead as a chemical known to cause  
26 developmental toxicity is 0.5 micrograms per day. (Cal. Code Regs., tit. 27, § 25805.) The No  
27 Significant Risk Level for lead as a carcinogen is 15 micrograms per day. (Cal. Code Regs., tit.  
28 27, § 25705.)

1 reproductive harm.

2 **FIRST CAUSE OF ACTION**

3 **(Violation of Section 25249.6 of the Health and Safety Code, Failure to Provide Clear**  
4 **and Reasonable Warning under Proposition 65)**

5 20. ERC refers to paragraphs 1-19, inclusive, and incorporates them herein by this  
6 reference.

7 21. By committing the acts alleged above, AIM has, in the course of doing business,  
8 knowingly and intentionally exposed users of the Covered Products to lead, a chemical known to  
9 the State of California to cause cancer, birth defects and other reproductive harm without first giving  
10 clear and reasonable warning to such individuals, within the meaning of Health & Safety Code  
11 section 25249.6.

12 22. Said violations render AIM liable for civil penalties up to \$2,500 per day, for each  
13 violation.

14 **SECOND CAUSE OF ACTION**

15 **(Declaratory Relief)**

16 23. ERC refers to paragraphs 1-22, inclusive, and incorporates them herein by this  
17 reference.

18 24. There exists an actual controversy relating to the legal rights and duties of the parties,  
19 within the meaning of Code of Civil Procedure section 1060, between ERC and AIM concerning  
20 whether AIM has exposed individuals to a chemical known to the State of California to cause  
21 cancer, birth defects and other reproductive harm without providing clear and reasonable warning.

22 **VI**

23 **PRAYER**

24 WHEREFORE ERC prays for relief as follows:

25 1. On the First Cause of Action, for civil penalties for each and every violation according to  
26 proof;

27 2. On the First Cause of Action, and pursuant to Health & Safety Code section 25249.7,  
28 subdivision (a), for such temporary restraining orders, preliminary and permanent injunctive orders,

1 or other orders, prohibiting AIM from exposing persons to lead without providing clear and  
2 reasonable warning;

3 3. On the Second Cause of Action, for a declaratory judgment pursuant to Code of Civil  
4 Procedure section 1060 declaring:

5 a. that AIM has exposed individuals to a chemical known to the State of  
6 California to cause, birth defects and other reproductive harm without providing clear and  
7 reasonable warning; and

8 4. On all Causes of Action, for reasonable attorneys' fees pursuant to section 1021.5 of the  
9 Code of Civil Procedure or the substantial benefit theory;

10 5. For costs of suit herein; and

11 6. For such other relief as the Court may deem just and proper.

**NOTICE OF VIOLATIONS OF  
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.  
(PROPOSITION 65)**

Dear Alleged Violators and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violators identified below failed to provide required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violators and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

**General Information about Proposition 65.** A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is an attachment with the copy of this letter served to the alleged Violators identified below.

**Alleged Violator.** The names of the companies covered by this notice that violated Proposition 65 (hereinafter "the Violators") are:

AIM International, Inc.  
AIM USA, Inc.  
AIM International UK, Inc.  
AIM Africa, Inc.  
AIM Australia, Inc.

**Consumer Products and Listed Chemicals.** The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

AIM International Inc. AIM USA, Inc. AIM Leaf Greens Natural Citrus - Lead

AIM International Inc. AIM USA, Inc. AIM Barley Life - Lead

AIM International Inc. AIM USA, Inc. AIM Herbal Fiberblend - Lead

AIM International Inc. AIM USA, Inc. AIM Para 90 - Lead

*Exhibit A*

**AIM International Inc. AIM USA, Inc. AIM Herbal Release – Lead**

**AIM International Inc. AIM Barley Life Xtra – Lead**

**AIM International Inc. AIM Herbal Fiberblend Natural Raspberry - Lead**

**AIM International Inc. AIM Peak Endurance Natural Grape Energy Drink Made With Peak – Lead**

**AIM International Inc. AIM Fit 'N Fiber Natural Peach – Lead**

**AIM International Inc. AIM Barley Life - Lead**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

**Route of Exposure.** The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

**Approximate Time Period of Violations.** Ongoing violations have occurred every day since at least November 30, 2009, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violators violated Proposition 65 because it failed to provide persons handling and/or using these products with appropriate warnings that they are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violators to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemicals, or provide appropriate warnings on the labels of these products; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

---

Michael Freund

**CERTIFICATE OF MERIT**

**Re: Environmental Research Center's Notice of Proposition 65 Violations by AIM International, Inc., AIM USA, Inc., AIM International UK, Inc., AIM Africa, Inc., and AIM Australia, Inc.**

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.
