21 **CIVIL PENALTIES**

22 [Miscellaneous Civil Complaint (42)]
23 Proposition 65, Health & Safety Code
24 Section 25249.5 et seq.]

25 Plaintiff Environmental Research Center hereby alleges:

26 **I**

27 **INTRODUCTION**

28 1. Plaintiff Environmental Research Center (hereinafter "Plaintiff" or "ERC") brings this action as a private attorney general enforcer and in the public interest pursuant to Health & Safety Code section 25249.7, subdivision (d). This complaint seeks injunctive and declaratory relief and civil penalties to remedy Defendants It Works Global, Inc., It Works Marketing, Inc., and Does 1-100 (hereinafter "It Works") failure to warn consumers that they have been exposed to lead from several of It Works' nutritional health products. Lead is a chemical known to the State of California

1 to cause cancer, birth defects and other reproductive harm. Based on the Safe Drinking Water and
2 Toxic Enforcement Act of 1986 (Health & Safety Code section 25249.5 *et seq.*) also known as
3 "Proposition 65," businesses with ten or more employees must provide a "clear and reasonable
4 warning" prior to exposing persons to these chemicals.

5
6 **II**
PARTIES

7 2. Plaintiff ERC is a California non-profit corporation dedicated to, among other causes,
8 helping safeguard the public from health hazards by reducing the use and misuse of hazardous and
9 toxic chemicals, facilitating a safe environment for consumers and employees and encouraging
10 corporate responsibility.

11 3. Defendant It Works is a business that manufactures, distributes and/or sells nutritional
12 health products that have exposed users to lead in the State of California within the relevant statute
13 of limitations period. These "Covered Products" are It Works Global Regular Support for Colon
14 Function; It Works Global Ultimate ThermoFit Thermogenic Weight Loss Formula with Acai Berry
15 & Capsimax; It Works Global Advanced Formula FatFighter with Carb Inhibitors; It Works Global
16 Confianza Anti-Stress Formula with Natural Adaptogens; It Works Global It's Vital Advanced
17 Formula Daily Multi-Vitamin, Mineral, Antioxidant, Phytonutrient Supplement; and It Works
18 Global Greens Alkalize Balance Detoxify Orange Flavor. It Works is a company subject to
19 Proposition 65 as it employs ten or more persons.

20 4. Defendants Does 1-100, are named herein under fictitious names, as their true names and
21 capacities are unknown to ERC. ERC is informed and believes, and thereon alleges, that each of
22 said Does is responsible, in some actionable manner, for the events and happenings hereinafter
23 referred to, either through said Defendant's conduct, or through the conduct of its agents, servants or
24 employees, or in some other manner, causing the harms alleged by ERC in this complaint. When
25 said true names and capacities of Does are ascertained, ERC will seek leave to amend this complaint
26 to set forth the same.

III

JURISDICTION AND VENUE

5. This Court has jurisdiction pursuant to California Constitution Article VI, Section 10 because this case is a cause not given by statute to other trial courts.

6. The Complaint is based on allegations contained in a Notice of Violation dated January 18, 2013, served on the California Attorney General, other public enforcers and It Works. A true and correct copy of the Notice of Violation is attached as Exhibit A. More than 60 days have passed since the Notice of Violation was mailed and no public enforcement entity has filed a complaint in this case.

7. This Court is the proper venue for the action because the causes of action have arisen in the County of Marin where some of the violations of law have occurred. Furthermore, this Court is the proper venue under Code of Civil Procedure section 395.5 and Health & Safety Code section 25249.7.

IV

STATUTORY BACKGROUND

A. Proposition 65

8. The Safe Drinking Water and Toxic Enforcement Act of 1986 is an initiative statute passed as "Proposition 65" by an overwhelming majority vote of the people in November of 1986.

9. The warning requirement of Proposition 65 is contained in Health & Safety Code section 25249.6, which provides:

No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual, except as provided in Section 25249.10.

10. Implementing regulations for Proposition 65 define expose as "to cause to ingest, inhale, contact via body surfaces or otherwise come into contact with a listed chemical." An individual may come into contact with a listed chemical through water, air, food, consumer products and any other environmental exposure as well as occupational exposures." (Cal. Code Regs., tit. 27, § 25102, subd. (i).)

1 11. In this case, the exposures at issue are caused by consumer products. Implementing
2 regulations for Proposition 65 define a consumer product exposure as "an exposure which results
3 from a person's acquisition, purchase, storage, consumption, or other reasonably foreseeable use of
4 a consumer good, or any exposure that results from receiving a consumer service." (Cal. Code
5 Regs., tit. 27, § 25602, subd. (b).)

6 12. Whenever a clear and reasonable warning is required under Health & Safety Code
7 section 25249.6, the "method employed to transmit the warning must be reasonably calculated
8 considering the alternative methods available under the circumstances, to make the warning
9 message available prior to exposure." (Cal. Code Regs., tit. 27, § 25601.) The warning requirement
10 may be satisfied by a warning that appears on a product's label or other labeling, shelf labeling,
11 signs, a system of signs, public advertising identifying the system and toll-free information services,
12 or any other, system, that provides clear and reasonable warnings. (Cal. Code Regs., tit. 27, §
13 25603.1, subd. (a)-(d).)

14 13. Proposition 65 establishes a procedure by which the State is to develop a list of
15 chemicals "known to the State to cause cancer or reproductive toxicity." (Health & Safety Code,
16 § 25249.8.) There is no duty to provide a clear and reasonable warning until 12-months after the
17 chemical was published on the State list. (Health & Safety Code, § 25249.10, subd. (b).) Lead
18 was listed as a chemical known to the State of California to cause developmental toxicity in the
19 fetus and male and female reproductive toxicity on February 27, 1987. Lead was listed as a
20 chemical known to the State of California to cause cancer on October 1, 1992. (Cal. Code Regs., tit.
21 27, § 27001.)

22 14. The Maximum Allowable Dose Level for lead as a chemical known to cause
23 reproductive toxicity is 0.5 micrograms per day. (Cal. Code Regs., tit. 27, § 25805.) The No
24 Significant Risk Level for lead as a carcinogen is 15 micrograms per day. (Cal. Code Regs., tit.
25 27, § 25705.)

26 15. Proposition 65 may be enforced by any person in the public interest who provides
27 notice sixty days before filing suit to both the violator and designated law enforcement officials.
28 The failure of law enforcement officials to file a timely complaint enables a citizen suit to be filed

1 pursuant to Health & Safety Code section 25249.7, subdivisions (c) and (d).

2 16. Proposition 65 provides that any person "violating or threatening to violate" Proposition
3 65 may be enjoined in any court of competent jurisdiction. (Health & Safety Code, § 25249.7,
4 subd. (a).) To "threaten to violate" means "to create a condition in which there is a substantial
5 probability that a violation will occur." (Health & Safety Code, § 25249.11, subd. (e).)
6 Furthermore, violators are subject to a civil penalty of up to \$2,500 per day for each violation.
7 (Health & Safety Code, § 25249.7, subd. (b)(1).

8 V

9 **STATEMENT OF FACTS**

10 17. It Works has manufactured, distributed and/or sold the Covered Products containing
11 lead into the State of California. Consumers have been ingesting these products for many years,
12 without any knowledge of their exposure to lead, a very dangerous chemical.

13 18. For many years, It Works has knowingly and intentionally exposed numerous persons
14 to lead, without providing a Proposition 65 warning. Prior to ERC's Notice of Violation, It Works
15 failed to provide a warning on the label of the Covered Products. It Works has at all times relevant
16 hereto been aware that the Covered Products contained lead and that persons using these products
17 have been exposed to the chemical. It Works' website repeatedly asserts that the company's
18 products are "safe, effective, and grounded in natural, botanical principles", and that they are
19 produced from "the highest quality natural ingredients". It Works also employs health professionals
20 holding M.D. and Ph.D. degrees with decades of experience in nutrition and natural remedies in
21 roles as a health consultant and as product formulators. These professionals represent that It Works'
22 products are manufactured with "strict quality standards". Experts with this level of knowledge and
23 experience would undoubtedly be aware that the ingredients used in many nutritional supplement
24 products can contain unsafe concentrations of lead. It Works' representations indicate that the
25 company has a thorough knowledge of the contents and composition of its products, which would
26 include knowledge of the presence of lead. Nevertheless, the company's health consultant
27 represents to the public that "[y]ou can rest assured that with It Works!, what's on the label is what's
28 in the product, and only what's in the product is on the label." It Works has been aware of the lead

1 in the Covered Products and has failed to disclose the presence of this chemical to the public, who
2 undoubtedly believed they have been ingesting totally healthy and pure products.

3 19. Both prior and subsequent to ERC's Notice of Violation, It Works failed to provide
4 consumers of the Covered Products with a clear and reasonable warning that they have been
5 exposed to a chemical known to the State of California to cause cancer, birth defects and other
6 reproductive harm.

7 **FIRST CAUSE OF ACTION**

8 **(Violation of Section 25249.6 of the Health and Safety Code, Failure to Provide Clear**
9 **and Reasonable Warning under Proposition 65)**

10 20. ERC refers to paragraphs 1-19, inclusive, and incorporates them herein by this
11 reference.

12 21. By committing the acts alleged above, It Works has, in the course of doing business,
13 knowingly and intentionally exposed users of the Covered Products to lead, a chemical known to
14 the State of California to cause cancer, birth defects and other reproductive harm without first giving
15 clear and reasonable warning to such individuals, within the meaning of Health & Safety Code
16 section 25249.6.

17 22. Said violations render It Works liable for civil penalties up to \$2,500 per day, for
18 each violation.

19 **SECOND CAUSE OF ACTION**

20 **(Declaratory Relief)**

21 23. ERC refers to paragraphs 1-22, inclusive, and incorporates them herein by this
22 reference.

23 24. There exists an actual controversy relating to the legal rights and duties of the parties,
24 within the meaning of Code of Civil Procedure section 1060, between ERC and It Works
25 concerning whether It Works has exposed individuals to a chemical known to the State of California
26 to cause cancer, birth defects and other reproductive harm without providing clear and reasonable
27 warning.

PRAYER

WHEREFORE ERC prays for relief as follows:

1. On the First Cause of Action, for civil penalties for each and every violation according to proof;

2. On the First Cause of Action, and pursuant to Health & Safety Code section 25249.7, subdivision (a), for such temporary restraining orders, preliminary and permanent injunctive orders, or other orders, prohibiting It Works from exposing persons to lead without providing clear and reasonable warning;

3. On the Second Cause of Action, for a declaratory judgment pursuant to Code of Civil Procedure section 1060 declaring that It Works has exposed individuals to a chemical known to the State of California to cause, birth defects and other reproductive harm without providing clear and reasonable warning; and

4. On all Causes of Action, for reasonable attorneys' fees pursuant to section 1021.5 of the Code of Civil Procedure or the substantial benefit theory;

5. For costs of suit herein; and

6. For such other relief as the Court may deem just and proper.

**NOTICE OF VIOLATIONS OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violators and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by reducing the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified as California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violators identified below failed to provide the required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violators and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is attached with the copy of this letter served to the alleged Violators identified below.

Alleged Violators. The names of the companies covered by this notice and who violated Proposition 65 (hereinafter "the Violators") are:

It Works Global, Inc. and It Works Marketing, Inc.

Consumer Products and Listed Chemicals. The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

- It Works Global Regular Support for Colon Function – Lead
- It Works Global Ultimate ThermoFit Thermogenic Weight Loss Formula with Acai Berry & Capsimax – Lead
- It Works Global Advanced Formula FatFighter with Carb Inhibitors – Lead
- It Works Global Confianza Anti-Stress Formula with Natural Adaptogens – Lead
- It Works Global It's Vital Advanced Formula Daily Multi-Vitamin, Mineral, Antioxidant, Phytonutrient Supplement – Lead
- It Works Global Greens Alkalize Balance Detoxify Orange Flavor – Lead

Exhibit A

January 18, 2013

Page 2

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least January 18, 2010, as well as every day since the products were introduced into the California marketplace, and will continue every day until the Violators provide clear and reasonable warnings to product purchasers and users or until these known toxic chemicals are either removed from the products or reduced to allowable levels. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violators violated Proposition 65 because they failed to provide persons handling and/or using these products with appropriate warnings that those persons are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violators to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemicals, or provide appropriate warnings on the labels of these products; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as expensive and time-consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Michael Freund

Certificate of Merit

Certificate of Service

OEHHA Summary (to It Works Global, Inc. and It Works Marketing, Inc. and their Registered Agent, The Mackraz Law Office, P.C., 401 Hall Street SW, Ste. 134, Grand Rapids, Michigan 49503)

Additional Information Supporting Certificate of Merit (to AG only)

CERTIFICATE OF MERIT

Re: Environmental Research Center's Notice of Proposition 65 Violations by It Works Global, Inc. and It Works Marketing, Inc.

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violators will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: January 18, 2013

Michael Freund

CERTIFICATE OF SERVICE

I, the undersigned, declare under penalty of perjury under the laws of the State of California that the following is true and correct:

I am a citizen of the United States, over the age of 18 years of age, and am not a party to the within entitled action. My business address is 306 Joy Street, Fort Oglethorpe, Georgia 30742. I am a resident or employed in the county where the mailing occurred. The envelope or package was placed in the mail at Fort Oglethorpe, Georgia.

On January 18, 2013, I served the following documents: **NOTICE OF VIOLATIONS OF CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.; CERTIFICATE OF MERIT; "THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY"** on the following parties by placing a true and correct copy thereof in a sealed envelope, addressed to the parties listed below and depositing it at a U.S. Postal Service Office with the postage fully prepaid for delivery by Certified Mail:

Mark Pentecost, Current President and CEO
It Works Global, Inc.
