**FILED BY FAX**  
 ALAMEDA COUNTY

February 23, 2015

CLERK OF  
 THE SUPERIOR COURT  
 By Burt Moskaira, Deputy

CASE NUMBER:  
**RG15759481**

5 Attorneys for Plaintiff  
 ENVIRONMENTAL RESEARCH CENTER  
 6

7 SUPERIOR COURT OF THE STATE OF CALIFORNIA  
 8 COUNTY OF ALAMEDA

9 ENVIRONMENTAL RESEARCH CENTER,  
 10 a non-profit California corporation,

Case No.

11 Plaintiff,

**COMPLAINT FOR INJUNCTIVE  
 RELIEF AND CIVIL PENALTIES**

12 v.

Health & Safety Code §25249.5, *et seq.*

13 GENUINE HEALTH CORPORATION,  
 14 GENUINE HEALTH, INC. and 1064510  
 ONTARIO LIMITED,

15 Defendants.  
 16

17 Plaintiff Environmental Research Center ("PLAINTIFF" or "ERC") brings this action  
 18 in the interests of the general public and, on information and belief, hereby alleges:

19 **INTRODUCTION**

20 1. This action seeks to remedy the continuing failure of Defendants GENUINE  
 21 HEALTH CORPORATION, GENUINE HEALTH, INC. and 1064510 ONTARIO LIMITED  
 22 to warn consumers in California that they are being exposed to lead, a substance known to the  
 23 State of California to cause cancer, birth defects, and other reproductive harm.  
 24 DEFENDANTS manufacture, package, distribute, market, and/or sell in California certain  
 25 products containing lead (collectively, the "PRODUCTS"):

- 26 • Genuine health 6 Hour Extra Energy

- 1 • Genuine Health Go4Trim
- 2 • Genuine Health Vegan Proteins+ Natural Vanilla
- 3 • Genuine Health ActivFuel+ Black Raspberry Lemonade
- 4 • Genuine Health Proteins+ Instant Smoothie A Day Natural Orange
- 5 Cream
- 6 • Genuine Health Vegan Proteins+ Natural Strawberry Vanilla Smoothie
- 7 • Genuine Health ActivRecover+ Sports Nutrition Orange
- 8 • Genuine Health Vegan Proteins+ Double Chocolate
- 9 • Genuine Health Healthy Skin Chocolate Soft Chews
- 10 • Genuine Health Fast Back + Care
- 11 • Genuine Health Fermented Whole Body Nutrition Acai Mango
- 12 Natural Flavor
- 13 • Genuine Health Fermented Whole Body Nutrition Natural Flavor

14 2. Lead (hereinafter, the “LISTED CHEMICAL”) is a substance known to the State<sup>1</sup>  
15 of California to cause cancer, birth defects, and other reproductive harm.

16 3. The use and/or handling of the PRODUCTS causes exposures to the LISTED  
17 CHEMICAL at levels requiring a “clear and reasonable warning” under California's Safe  
18 Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code (“H&S Code”)  
19 §25249.5, *et seq.* (also known as “Proposition 65”). DEFENDANTS have failed to provide the  
20 health hazard warnings required by Proposition 65.

21 4. DEFENDANTS’ past sales and continued manufacturing, packaging,  
22 distributing, marketing and/or sales of the PRODUCTS without the required health hazard  
23 warnings, cause individuals to be involuntarily and unwittingly exposed to levels of the  
24 LISTED CHEMICAL that violate Proposition 65.

25  
26 \_\_\_\_\_  
<sup>1</sup> All statutory and regulatory references herein are to California law, unless otherwise specified.

1 justice.

2 9. Venue in this action is proper in the Alameda Superior Court because the  
3 DEFENDANTS have violated California law in the County of Alameda.

4 10. On May 23, 2014, PLAINTIFF sent a 60-Day Notice of Proposition 65  
5 (“Notice”) violations to the requisite public enforcement agencies, and to DEFENDANTS.  
6 The Notice was issued pursuant to, and in compliance with, the requirements of H&S Code  
7 §25249.7(d) and the statute's implementing regulations regarding the notice of the violations to  
8 be given to certain public enforcement agencies and to the violators. The Notice included,  
9 *inter alia*, the following information: the name, address, and telephone number of the noticing  
10 individuals; the name of the alleged violators; the statute violated; the approximate time period  
11 during which violations occurred; and descriptions of the violations, including the chemicals  
12 involved, the routes of toxic exposure, and the specific product or type of product causing the  
13 violations, and was issued as follows:

- 14 a. DEFENDANTS were provided a copy of the Notice by Certified Mail.
- 15 b. DEFENDANTS were provided a copy of a document entitled “The Safe  
16 Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A  
17 Summary,” which is also known as Appendix A to Title 27 of CCR §25903.
- 18 c. The California Attorney General was provided a copy of the Notice via  
19 online submission.
- 20 d. The California Attorney General was provided with a Certificate of Merit by  
21 the attorney for the noticing parties, stating that there is a reasonable and  
22 meritorious case for this action, and attaching factual information sufficient  
23 to establish a basis for the certificate, including the identity of the persons  
24 consulted with and relied on by the certifier, and the facts, studies, or other  
25 data reviewed by those persons, pursuant to H&S Code §25249.7(h) (2).

26 11. At least 60-days have elapsed since PLAINTIFF sent the NOTICE to

1 DEFENDANTS. The appropriate public enforcement agencies have failed to commence and  
2 diligently prosecute a cause of action under H&S Code §25249.5, *et seq.* against  
3 DEFENDANTS based on the allegations herein.

4 **PARTIES**

5 12. PLAINTIFF is a non-profit corporation organized under California's  
6 Corporation Law. ERC is dedicated to, among other causes, reducing the use and misuse of  
7 hazardous and toxic substances, consumer protection, worker safety, and corporate  
8 responsibility.

9 13. ERC is a person within the meaning of H&S Code §25118 and brings this  
10 enforcement action in the public interest pursuant to H&S Code §25249.7(d).

11 14. DEFENDANT GENUINE HEALTH CORPORATION is a business of  
12 unknown form and is a person doing business within the meaning of H&S Code  
13 §25249.11.

14 15. DEFENDANT GENUINE HEALTH, INC. is a business of unknown form  
15 and is a person doing business within the meaning of H&S Code §25249.11.

16 16. DEFENDANT 1064510 ONTARIO LIMITED is a business of unknown form  
17 and is a person doing business within the meaning of H&S Code §25249.11.

18 17. DEFENDANTS have manufactured, packaged, distributed, marketed and /or  
19 sold the PRODUCTS for sale or use in California and the County of Alameda. ERC is  
20 informed and believes, and thereupon alleges, that DEFENDANTS continue to manufacture,  
21 package, distribute, market and/or sell the PRODUCTS for sale or use in California and in  
22 Alameda County.

23 **STATUTORY BACKGROUND**

24 18. The People of the State of California have declared in Proposition 65 their right  
25 "[t]o be informed about exposures to chemicals that cause cancer, birth defects, or other  
26 reproductive harm." (Section 1(b) of Initiative Measure, Proposition 65).

1 subject to the warning requirement one year later and were therefore subject to the “clear and  
2 reasonable” warning requirements of Proposition 65 beginning on October 1, 1993 (27 CCR §  
3 25000, *et seq.*; H&S Code §25249.6 *et seq.*). Due to the carcinogenicity of lead, the no  
4 significant risk level for lead is 15 ug/day (micrograms a day). (27 CCR § 25705(b)(1).)

5 24. To test DEFENDANTS’ PRODUCTS for lead, PLAINTIFF hired a well-  
6 respected and accredited testing laboratory. The results of testing undertaken by PLAINTIFF  
7 of DEFENDANTS’ PRODUCTS show that the PRODUCTS tested were in violation of the 0.5  
8 ug/day “safe harbor” daily dose limit set forth in Proposition 65’s regulations. Very significant  
9 is the fact that people are being exposed to lead through ingestion as opposed to other not as  
10 harmful methods of exposure such as dermal exposure. Ingestion of lead produces much  
11 higher exposure levels and health risks than does dermal exposure to this chemical.

12 25. At all times relevant to this action, DEFENDANTS, therefore, have knowingly  
13 and intentionally exposed the users and/or handlers of the PRODUCTS to the LISTED  
14 CHEMICAL without first giving a clear and reasonable warning to such individuals.

15 26. The PRODUCTS have allegedly been sold by DEFENDANTS for use in  
16 California since at least May 23, 2011. The PRODUCTS continue to be distributed and  
17 sold in California without the requisite warning information.

18 27. On May 23, 2011, ERC served DEFENDANTS and each of the appropriate  
19 public enforcement agencies with a Proposition 65 Notice, a document entitled “Notice of  
20 Violations of California Health & Safety Code Section 25249.5” that provided DEFENDANTS  
21 and the public enforcement agencies with notice that DEFENDANTS were in violation of  
22 Proposition 65 for failing to warn purchasers and individuals using the PRODUCTS that the  
23 use of the PRODUCTS exposes them to lead, a chemical known to the State of California to  
24 cause cancer and/or reproductive toxicity (a true and copy of the 60-Day Notice is attached  
25 hereto as **Exhibit A** and incorporated by reference).

26 28. As a proximate result of acts by DEFENDANTS, as persons in the course of

1 doing business within the meaning of Health & Safety Code §25249.11, individuals throughout  
2 the State of California, including in the County of Alameda, have been exposed to the LISTED  
3 CHEMICAL without a clear and reasonable warning. The individuals subject to the illegal  
4 exposures include normal and foreseeable users of the PRODUCTS, as well as all other  
5 persons exposed to the PRODUCTS.

6 **FIRST CAUSE OF ACTION**  
7 **(Injunctive Relief for Violations of Health and Safety Code § 25249.5, *et seq.* concerning**  
8 **the PRODUCTS described in the May 23, 2014, Prop. 65 Notice)**  
9 **Against DEFENDANTS**

10 27. PLAINTIFF re-alleges and incorporates by reference Paragraphs 1 through  
11 26, inclusive, as if specifically set forth herein.

12 28. By committing the acts alleged in this Complaint, DEFENDANTS, at all times  
13 relevant to this action, and continuing through the present, have violated H&S Code §25249.6  
14 by, in the course of doing business, knowingly and intentionally exposing individuals who use  
15 or handle the PRODUCTS set forth in the Notice to the LISTED CHEMICAL, without first  
16 providing a clear and reasonable warning to such individuals pursuant to H&S Code §§  
17 25249.6 and 25249.11(f).

18 29. By the above-described acts, DEFENDANTS have violated H&S Code §  
19 25249.6 and are therefore subject to an injunction ordering DEFENDANTS to stop violating  
20 Proposition 65, to provide warnings to all present and future customers, and to provide warnings  
21 to DEFENDANTS' past customers who purchased or used the PRODUCTS without receiving a  
22 clear and reasonable warning.

23 30. An action for injunctive relief under Proposition 65 is specifically authorized by  
24 Health & Safety Code §25249.7(a).

25 31. Continuing commission by DEFENDANTS of the acts alleged above will  
26 irreparably harm the citizens of the State of California, for which harm they have no plain,  
speedy, or adequate remedy at law.

1 **PRAYER FOR RELIEF**

2 Wherefore, PLAINTIFF accordingly prays for the following relief:

3 A. a preliminary and permanent injunction, pursuant to H&S Code §25249.7(b),  
4 enjoining DEFENDANTS, their agents, employees, assigns and all persons acting in concert or  
5 participating with DEFENDANTS, from distributing or selling the PRODUCTS in California  
6 without first providing a clear and reasonable warning, within the meaning of Proposition 65,  
7 that the users and/or handlers of the PRODUCTS are exposed to the LISTED CHEMICAL;

8 B. an injunctive order, pursuant to H&S Code §25249.7(b), compelling  
9 DEFENDANTS to identify and locate each individual who has purchased the PRODUCTS  
10 since May 23, 2011, and to provide a warning to such person that the use of the PRODUCTS  
11 will expose the user to chemicals known to birth defects and other reproductive harm;

12 C. an assessment of civil penalties pursuant to Health & Safety Code §25249.7(b),  
13 against Defendants in the amount of \$2,500 per day for each violation of Proposition 65;

14 D. an award to PLAINTIFF of its reasonable attorney's fees and costs of suit  
15 pursuant to California Code of Civil Procedure §1021.5, as PLAINTIFF shall specify in further  
16 application to the Court; and,

17 E. such other and further relief as may be just and proper.

**NOTICE OF VIOLATIONS OF  
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.  
(PROPOSITION 65)**

Dear Alleged Violators and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center (“ERC”), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC’s Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California’s Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65”), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violators identified below failed to provide required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violators and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

**General Information about Proposition 65.** A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is attached with the copy of this letter served to the alleged Violators identified below.

**Alleged Violators.** The names of the companies covered by this notice that violated Proposition 65 (hereinafter the “Violators”) are:

**Genuine Health Corporation  
Genuine Health Inc.  
1064510 Ontario Limited**

**Consumer Products and Listed Chemicals.** The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

**1. Genuine Health 6 Hour Extra Energy – Lead**

2. **Genuine Health Go4Trim - Lead**
3. **Genuine Health Vegan Proteins+ Natural Vanilla - Lead**
4. **Genuine Health ActivFuel+ Black Raspberry Lemonade - Lead**
5. **Genuine Health Proteins+ Instant Smoothie A Day Natural Orange Cream – Lead**
6. **Genuine Health Vegan Proteins+ Natural Strawberry Vanilla Smoothie – Lead**
7. **Genuine Health ActivRecover+ Sports Nutrition Orange – Lead**
8. **Genuine Health Vegan Proteins+ Double Chocolate – Lead**
9. **Genuine Health Healthy Skin Chocolate Soft Chews – Lead**
10. **Genuine Health Fast Back + Care – Lead**
11. **Genuine Health Fermented Whole Body Nutrition Acai Mango Natural Flavor - Lead**
12. **Genuine Health Fermented Whole Body Nutrition Natural Flavor – Lead**

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

**Route of Exposure.** The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

**Approximate Time Period of Violations.** Ongoing violations have occurred every day since at least May 23, 2011, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violators violated Proposition 65 because they failed to provide persons handling and/or using these products with appropriate warnings that they are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violators to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemicals, or provide appropriate warnings on the labels of these products; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time consuming litigation.

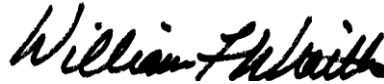

Notice of Violations of California Health & Safety Code §25249.5 *et seq.*

May 23, 2014

Page 3

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

A handwritten signature in black ink that reads "William F. Wraith". The signature is written in a cursive, flowing style.

Certificate of Merit

Certificate of Service

OEHHA Summary (to Genuine Health Corporation, Genuine Health Inc., and 1064510 Ontario Limited only)

Additional Supporting Information for Certificate of Merit (to AG only)

**CERTIFICATE OF MERIT**

**Re: Environmental Research Center's Notice of Proposition 65 Violations by Genuine Health Corporation, Genuine Health Inc., and 1064510 Ontario Limited**

I, William F. Wraith, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

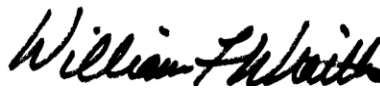

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violators will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: May 23, 2014
