Attorneys for Plaintiff  
JOHN MOORE

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF MARIN

UNLIMITED CIVIL JURISDICTION

CV 1503449

JOHN MOORE,

Plaintiff,

v.

WBC GROUP, LLC and DOES 1-150,  
inclusive,

Defendants.

) Case No. \_\_\_\_\_

) **COMPLAINT FOR CIVIL PENALTIES  
AND INJUNCTIVE RELIEF**

) (Health & Safety Code § 25249.5 *et seq.*)

1 **NATURE OF THE ACTION**

2 1. This Complaint is a representative action brought by plaintiff JOHN MOORE  
3 (“MOORE”) in the public interest of the citizens of the State of California to enforce the  
4 People’s right to be informed of the health hazards caused by exposures to di(2-  
5 ethylhexyl)phthalate (“DEHP”), a toxic chemical found in vinyl/PVC exercise balls sold by  
6 defendants in California.

7 2. By this Complaint, plaintiff seeks to remedy defendants’ continuing failure to  
8 warn individuals not covered by California’s Occupational Safety Health Act, Labor Code  
9 section 6300 et seq. who purchase, use or handle defendants’ products about the risks of  
10 exposure to DEHP present in and on vinyl/PVC exercise balls manufactured, distributed, and  
11 offered for sale or use throughout the State of California. Individuals not covered by  
12 California’s Occupational Safety Health Act, Labor Code section 6300 et seq. who purchase,  
13 use or handle defendants’ products are referred to hereinafter as “consumers”.

14 3. Detectable levels of DEHP are found in and on the vinyl/PVC exercise balls that  
15 defendants manufacture, distribute, and offer for sale to consumers and other individuals  
16 throughout the State of California.

17 4. Under the Safe Drinking Water and Toxic Enforcement Act of 1986, codified at  
18 Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”), “[n]o person in the course of  
19 doing business shall knowingly and intentionally expose any individual to a chemical known to  
20 the state to cause cancer or reproductive toxicity without first giving clear and reasonable  
21 warning to such individual . . .” Health & Safety Code § 25249.6.

22 5. Pursuant to Proposition 65, on October 24, 2003, California identified and listed  
23 DEHP as a chemical known to cause birth defects (and reproductive harm). DEHP became  
24 subject to the “clear and reasonable warning” requirements of the act one year later on October  
25 24, 2004. Cal. Code Regs. tit. 27, § 27001(c); Health & Safety Code §§ 25249.8 &  
26 25249.10(b).

1 6. Defendants manufacture, distribute, import, sell, and offer for sale without health  
2 hazard warnings in California, vinyl/PVC exercise balls including, but not limited to, the *Body*  
3 *Sport Fusion Ball, BDS10010, UPC #8 15802 01107 5* containing DEHP. All vinyl/PVC  
4 exercise balls containing DEHP are referred to collectively hereinafter as “PRODUCTS.”

5 7. Defendants’ failure to warn consumers and other individuals in the State of  
6 California of the health hazards associated with exposures to DEHP in conjunction with  
7 defendants’ sales of the PRODUCTS are violations of Proposition 65, and subject defendants,  
8 and each of them, to enjoinder of such conduct as well as civil penalties for each violation.  
9 Health & Safety Code § 25249.7(a) & (b)(1).

10 8. For defendants’ violations of Proposition 65, plaintiff seeks preliminary and  
11 permanent injunctive relief to compel defendants to provide purchasers or users of the  
12 PRODUCTS with the required warning regarding the health hazards associated with exposures  
13 to DEHP. Health & Safety Code § 25249.7(a).

14 9. Pursuant to Health and Safety Code section 25249.7(b), plaintiff also seeks civil  
15 penalties against defendants for their violations of Proposition 65.

16 **PARTIES**

17 10. Plaintiff MOORE is a citizen of the State of California who is dedicated to  
18 protecting the health of California citizens through the elimination or reduction of toxic  
19 exposures from consumer products; and he brings this action in the public interest pursuant to  
20 Health and Safety Code section 25249.7(d).

21 11. Defendant WBC GROUP, LLC (“WBC”) is a person in the course of doing  
22 business within the meaning of Health and Safety Code sections 25249.6 and 25249.11.

23 12. WBC manufactures, imports, distributes, sells, and/or offers the PRODUCTS for  
24 sale or use in the State of California, or implies by its conduct that it manufactures, imports,  
25 distributes, sells, and/or offers the PRODUCTS for sale or use in the State of California.  
26  
27  
28

1           13. Defendants DOES 1-50 (“MANUFACTURER DEFENDANTS”) are each a  
2 person in the course of doing business within the meaning of Health and Safety Code sections  
3 25249.6 and 25249.11.

4           14. MANUFACTURER DEFENDANTS research, test, design, assemble, fabricate,  
5 and manufacture, or imply by their conduct that they research, test, design, assemble, fabricate,  
6 and manufacture one or more of the PRODUCTS offered for sale or use in the State of  
7 California.

8           15. Defendants DOES 51-100 (“DISTRIBUTOR DEFENDANTS”) are each a person  
9 in the course of doing business within the meaning of Health and Safety Code sections 25249.6  
10 and 25249.11.

11           16. DISTRIBUTOR DEFENDANTS distribute, exchange, transfer, process, and  
12 transport one or more of the PRODUCTS to individuals, businesses, or retailers for sale or use  
13 in the State of California.

14           17. Defendants DOES 101-150 (“RETAILER DEFENDANTS”) are each a person in  
15 the course of doing business within the meaning of Health and Safety Code sections 25249.6  
16 and 25249.11.

17           18. RETAILER DEFENDANTS offer the PRODUCTS for sale to individuals in the  
18 State of California.

19           19. At this time, the true names of defendants DOES 1 through 150, inclusive, are  
20 unknown to plaintiff, who, therefore, sues said defendants by their fictitious names pursuant to  
21 Code of Civil Procedure section 474. Plaintiff is informed and believes, and on that basis  
22 alleges, that each of the fictitiously named defendants is responsible for the acts and occurrences  
23 alleged herein. When ascertained, their true names shall be reflected in an amended complaint.

24           20. WBC, MANUFACTURER DEFENDANTS, DISTRIBUTOR DEFENDANTS,  
25 and RETAILER DEFENDANTS shall, where appropriate, collectively be referred to as  
26 “DEFENDANTS.”  
27  
28

1 VENUE AND JURISDICTION

2 21. Venue is proper in Marin County Superior Court, pursuant to Code of Civil  
3 Procedure sections 393, 395, and 395.5, because this Court is a court of competent jurisdiction,  
4 because plaintiff seeks civil penalties against DEFENDANTS, because one or more instances of  
5 wrongful conduct occurred, and continue to occur, in this county, and/or because  
6 DEFENDANTS conducted, and continue to conduct, business in Marin County with respect to  
7 the PRODUCTS.

8 22. The California Superior Court has jurisdiction over this action pursuant to  
9 California Constitution Article VI, section 10, which grants the Superior Court “original  
10 jurisdiction in all causes except those given by statute to other trial courts.” The statute under  
11 which this action is brought does not specify any other basis of subject matter jurisdiction.

12 23. The California Superior Court has jurisdiction over DEFENDANTS based on  
13 plaintiff’s information and good faith belief that each defendant is a person, firm, corporation or  
14 association that is a citizen of the State of California, has sufficient minimum contacts in the  
15 State of California, and/or otherwise purposefully avails itself of the California market.  
16 DEFENDANTS’ purposeful availment renders the exercise of personal jurisdiction by  
17 California courts consistent with traditional notions of fair play and substantial justice.

18 FIRST CAUSE OF ACTION

19 **(Violation of Proposition 65 - Against All Defendants)**

20 24. Plaintiff realleges and incorporates by reference, as if fully set forth herein,  
21 Paragraphs 1 through 23, inclusive.

22 25. In enacting Proposition 65, in the preamble to the Safe Drinking Water and Toxic  
23 Enforcement Act of 1986, the People of California expressly declared their right “[t]o be  
24 informed about exposures to chemicals that cause cancer, birth defects, or other reproductive  
25 harm.”

26 26. Proposition 65 states, “[n]o person in the course of doing business shall  
27 knowingly and intentionally expose any individual to a chemical known to the state to cause  
28

1 cancer or reproductive toxicity without first giving clear and reasonable warning to such  
2 individual . . . ” Health & Safety Code § 25249.6.

3 27. On May 21, 2015, plaintiff served a sixty-day notice of violation, together with  
4 the requisite certificate of merit, on WBC and certain public enforcement agencies alleging that,  
5 as a result of DEFENDANTS’ sales of the PRODUCTS containing DEHP, purchasers and users  
6 in the State of California were being exposed to DEHP resulting from their reasonably  
7 foreseeable use of the PRODUCTS, without the individual purchasers and users first having  
8 been provided with a “clear and reasonable warning” regarding the harms associated with such  
9 exposures, as required by Proposition 65.

10 28. DEFENDANTS manufacture, import, distribute, sell, and offer the PRODUCTS  
11 for sale or use in violation of Health and Safety Code section 25249.6, and DEFENDANTS’  
12 violations have continued beyond their receipt of plaintiff’s sixty-day notice of violation.  
13 DEFENDANTS’ violations are ongoing and continuous in nature, and, as such, will continue in  
14 the future.

15 29. After receiving plaintiff’s sixty-day notice of violation, none of the appropriate  
16 public enforcement agencies have commenced and diligently prosecuted a cause of action  
17 against DEFENDANTS under Proposition 65 to enforce the alleged violations that are the  
18 subject of plaintiff’s notice of violation.

19 30. The PRODUCTS that DEFENDANTS manufacture, import, distribute, sell, and  
20 offer for sale or use in California cause exposures to DEHP as a result of the reasonably  
21 foreseeable use of the PRODUCTS. Such exposures caused by DEFENDANTS and endured by  
22 consumers and other individuals in California are not exempt from the “clear and reasonable”  
23 warning requirements of Proposition 65, yet DEFENDANTS provide no warning.

24 31. DEFENDANTS knew or should have known that the PRODUCTS they  
25 manufactured, imported, distributed, sold, and offered for sale or use in California contained  
26 DEHP.

27  
28

1           32. DEHP is present in or on the PRODUCTS in such a way as to expose individuals  
2 to DEHP through dermal contact and/or ingestion during reasonably foreseeable use.

3           33. The normal and reasonably foreseeable use of the PRODUCTS has caused, and  
4 continues to cause, consumer exposures to DEHP, as defined by title 27 of the California Code  
5 of Regulations, section 25602(b).

6           34. DEFENDANTS had knowledge that the normal and reasonably foreseeable use of  
7 the PRODUCTS exposed individuals to DEHP through dermal contact and/or ingestion.

8           35. DEFENDANTS intended that exposures to DEHP from the reasonably  
9 foreseeable use of the PRODUCTS would occur by their deliberate, non-accidental participation  
10 in the manufacture, importation, distribution, sale, and offering of the PRODUCTS for sale or  
11 use to consumers and other individuals in California.

12           36. DEFENDANTS failed to provide a “clear and reasonable warning” to those  
13 consumers and other individuals in California who were or who would become exposed to  
14 DEHP through dermal contact and/or ingestion resulting from their use of the PRODUCTS.

15           37. Contrary to the express policy and statutory prohibition of Proposition 65 enacted  
16 directly by California voters, individuals exposed to DEHP through dermal contact and/or  
17 ingestion as a result of their use of the PRODUCTS that DEFENDANTS sold without a “clear  
18 and reasonable” health hazard warning, have suffered, and continue to suffer, irreparable harm  
19 for which they have no plain, speedy, or adequate remedy at law.

20           38. Pursuant to Health and Safety Code section 25249.7(b), as a consequence of the  
21 above-described acts, DEFENDANTS are liable for a maximum civil penalty of \$2,500 per day  
22 for each violation.

23           39. As a consequence of the above-described acts, Health and Safety Code  
24 section 25249.7(a) also specifically authorizes the Court to grant injunctive relief against  
25 DEFENDANTS.

**PRAYER FOR RELIEF**

Wherefore, plaintiff prays for judgment against DEFENDANTS as follows:

1. That the Court, pursuant to Health and Safety Code section 25249.7(b), assess civil penalties against DEFENDANTS, and each of them, in the amount of \$2,500 per day for each violation;
2. That the Court, pursuant to Health and Safety Code section 25249.7(a), preliminarily and permanently enjoin DEFENDANTS from manufacturing, distributing, or offering the PRODUCTS for sale or use in California without first providing a “clear and reasonable warning” in accordance with title 27 of the California Code of Regulations, section 25601 *et seq.*, regarding the harms associated with exposures to DEHP;
3. That the Court, Pursuant to Health and Safety Code section 25249.7(a), issue preliminary and permanent injunctions mandating that DEFENDANTS recall all PRODUCTS currently in the chain of commerce in California without a “clear and reasonable warning” as defined by California Code of Regulations title 27, section 25601 *et seq.*;
4. That the Court grant plaintiff his reasonable attorneys’ fees and costs of suit; and
5. That the Court grant such other and further relief as may be just and proper.

Dated: September 18, 2015

Respectfully Submitted,  
THE CHANLER GROUP
