1 Plaintiff, Ecological Rights Foundation, in the public interest, based on information and belief,  
2 knowledge and investigation of counsel, alleges as follows:

### 3 INTRODUCTION

4 1. This Complaint seeks civil penalties and an injunction against ATD Tools, Inc.  
5 (“Defendant”) to remedy Defendant’s continuing failure to warn individuals in California about  
6 exposures to lead and lead compounds (collectively “lead”), substances known to the State of  
7 California to cause cancer, birth defects, and other reproductive harm. Such exposures have occurred  
8 and continue to occur, through the handling and use of tools, including brass hammers and punch  
9 sets, which are made, in whole or in part, of leaded brass or leaded bronze (collectively “leaded  
10 brass”) that Defendant manufactures, distributes and/or sells in California (“Products”). These  
11 Products are intended to be touched or handled by a consumer during the Products’ normal use.  
12 California residents are exposed to lead when they handle or use the products and their skin contacts  
13 the leaded brass parts of the Products. Lead is transferred from the leaded brass parts of the Products  
14 to the hands of the people who touch those parts. The lead then enters their bodies when it is absorbed  
15 directly through the skin, through mucous membranes, or through cuts and abrasions. Lead enters  
16 their bodies when they touch their hands to their mouths, eyes, nose, or other mucous membranes.  
17 Lead is also transferred from the products users’ hands to food that they handle, and is then ingested  
18 with that food. For those Product users who smoke, lead is transferred from their hands to cigarettes  
19 and is then ingested or inhaled when they smoke. Exposures to lead from the use and/or handling of  
20 the Products thus occur via the dermal absorption, mucous membrane, subcutaneous, inhalation and  
21 ingestion routes.

22 2. Under California’s Proposition 65, California Health & Safety Code § 25249.5, *et seq.*, it is  
23 unlawful for businesses to knowingly and intentionally expose individuals in California to chemicals  
24 known to the State to cause cancer, birth defects, or other reproductive harm, without providing clear  
25 and reasonable warnings to individuals prior to the exposure. Defendant introduces its Products into  
26 the California marketplace, exposing users of the Products, including pregnant women, to lead.  
27 Despite the fact that Defendant exposes individuals in California to lead, Defendant provides no  
28 warnings about the carcinogenic or reproductive hazards associated with such exposures.

1 Defendant's conduct thus violates the warning provision of Proposition 65. Health & Safety Code §  
2 25249.6.

3 3. Plaintiff seeks injunctive relief pursuant to Health & Safety Code Section 25249.7 to compel  
4 Defendant to bring its business practices into compliance with Proposition 65 by providing a clear  
5 and reasonable warning to each individual who has been, and who in the future may be, exposed to  
6 lead in the ways set forth above. Plaintiff seeks an order that Defendant identify and locate each  
7 individual person in California to whom Defendant conveyed Products during the past three years  
8 and to provide each such individual, as well as new purchasers and Product users, a clear and  
9 reasonable warning that use of the Products causes exposures to a chemical known the State of  
10 California to cause cancer, birth defects and other reproductive harm.

11 4. In addition to injunctive relief, Plaintiff seeks civil penalties to remedy Defendant's failure  
12 to provide clear and reasonable warnings regarding exposures to lead and lead compounds, chemicals  
13 known to cause cancer, birth defects and other reproductive harm.

#### 14 **PARTIES**

15 5. Plaintiff, Ecological Rights Foundation ("EcoRights") is a non-profit, public benefit  
16 organization dedicated to, among other causes, protecting California residents from toxic exposures,  
17 environmental and human health education, and consumer rights. EcoRights is incorporated under  
18 the laws of the State of California and is a "person" pursuant to Health & Safety Code §25249.11(a).  
19 EcoRights brings this enforcement action in the public interest pursuant to Health & Safety Code  
20 §25249.7(d).

21 6. Defendant ATD Tools, Inc. is a person in the course of doing business within the meaning of  
22 Health & Safety Code §25249.11. ATD Tools, Inc. markets, distributes, and/or sells the Products  
23 for sale and use in the State of California.

24 7. Defendant employs more than ten people.

#### 25 **JURISDICTION**

26 8. The Court has jurisdiction over this action pursuant to California Health & Safety Code  
27 Section 25249.7. California Constitution Article VI, Section 10 grants the Superior Court "original  
28 jurisdiction in all causes except those given by statute to other trial courts." Chapter 6.6 of the

1 Health & Safety Code, which contains the statutes under which this action is brought, does not  
2 grant jurisdiction to any other trial court.

3 9. This Court also has jurisdiction over Defendant because it is a business that has sufficient  
4 minimum contacts in California and within the County of San Francisco. Defendant intentionally  
5 avails itself of the California and San Francisco County markets. It is thus consistent with  
6 traditional notions of fair play and substantial justice for the San Francisco County Superior Court  
7 to exercise jurisdiction over Defendant.

8 10. Venue is proper in San Francisco County Superior Court because one or more of the  
9 violations arise in the County of San Francisco.

10 **BACKGROUND FACTS**

11 11. The People of the State of California have declared by initiative under Proposition 65 their  
12 right “[t]o be informed about exposures to chemicals that cause cancer, birth defects, or other  
13 reproductive harm.” Proposition 65, § 1(b). To effectuate this goal, Proposition 65 prohibits exposing  
14 people to chemicals listed by the State of California as known to cause cancer, birth defects, or other  
15 reproductive harm without a “clear and reasonable warning” unless the business responsible for the  
16 exposure can prove that it fits within a statutory exemption. Health & Safety Code Section 25249.6  
17 states, in pertinent part:

18 No person in the course of doing business shall knowingly and  
19 intentionally expose any individual to a chemical known to the state to cause  
20 cancer or reproductive toxicity without first giving clear and reasonable warning  
21 to such individual . . .

22 12. On February 27, 1987, the State of California officially listed lead as a chemical known to  
23 cause developmental reproductive toxicity. On October 1, 1992, the State of California officially  
24 listed lead and lead compounds as chemicals known to cause cancer. One year after the initial listing,  
25 lead exposures became subject to the clear and reasonable warning requirements under Proposition  
26 65. 27 C.C.R. § 27001(b); Health & Safety Code Section 25249.10(b).

27 13. Plaintiff brings this enforcement action against Defendant pursuant to Health & Safety Code  
28 Section 25249.7(d). Attached hereto and incorporated by reference is a copy of a Notice of Violation  
dated April 29, 2016, which on that date EcoRights sent to California's Attorney General, every  
county District Attorney in California, and to the City Attorneys of every California City with a

1 population greater than 750,000. On the same day, Plaintiff sent substantively identical letters to  
2 each Defendant. In compliance with Health & Safety Code § 25249.7(d) and 27 C.C.R. § 25903(b),  
3 each Notice included the following information: (1) the name and address of each violator; (2) the  
4 statute violated; (3) the time period during which violations occurred; (4) specific descriptions of the  
5 violations, including (a) the routes of exposure to lead from the Products, and (b) the specific type  
6 of Products sold and used in violation of Proposition 65; and (5) the name of the specific Proposition  
7 65-listed chemical(s) that is/are the subject of the violations described in each Notice.

8 14. Attached to the Notice of Violation sent to Defendant was a summary of Proposition 65  
9 prepared by California's Office of Environmental Health Hazard Assessment. In addition, each  
10 Notice of Violation was accompanied by a Certificate of Service attesting to the service of the Notice  
11 of Violation on each noticed party. Pursuant to Health & Safety Code Section 25249.7(d) and  
12 C.C.R. § 3101, Plaintiff also sent a Certificate of Merit with each Notice of Violation attesting to the  
13 reasonable and meritorious basis for the action. Plaintiff enclosed factual information sufficient to  
14 establish the basis of the Certificate of Merit with the Notice of Violation letters sent to the Attorney  
15 General.

16 15. None of the public prosecutors with the authority to prosecute violations of Proposition 65  
17 has commenced and/or is diligently prosecuting a cause of action against Defendants under Health  
18 & Safety Code Section 25249.5 *et seq.*, based on the claims asserted in EcoRight's Notices.

19 16. Defendant knows and intends that individuals, including pregnant women, will handle the  
20 Products during use, thus exposing them to lead. Under Proposition 65, an exposure is "knowing"  
21 where the party responsible for such exposure has "knowledge of the fact that a[n] . . . exposure to a  
22 chemical listed pursuant to [Health & Safety Code § 25249.8(a)] is occurring. No knowledge that . .  
23 . exposure is unlawful is required." 27 C.C.R. § 25102(n). This knowledge may be either actual or  
24 constructive. *See, e.g.*, Final Statement of Reasons Revised (November 4, 1988) (pursuant to former  
25 22 C.C.R. Division 2, § 12201). Defendant has been informed of the lead exposures caused by the  
26 use of Products by the 60-Day Notice of Violation, and the accompanying Certificate of Merit served  
27 on them by EcoRights. Defendant also has constructive knowledge of the lead exposures caused by  
28 use of the Products. As a company that manufactures, markets, distributes and/or sells the Products

1 for use in the State of California, Defendant knows or should know that lead exposures to users of  
2 the Products are a natural and foreseeable consequence of placing the Products into the stream of  
3 commerce.

4 17. Any person “violating or threatening to violate” Proposition 65 may be enjoined in any  
5 court of competent jurisdiction. Health & Safety Code § 25249.7. “Threaten to violate” is defined to  
6 mean “to create a condition in which there is a substantial probability that a violation will occur.”  
7 Health & Safety Code § 25249.11(e). Proposition 65 provides for civil penalties not to exceed \$2,500  
8 per day for each violation of the statute.

9 18. EcoRights has engaged in good faith efforts to resolve the claims alleged herein prior to  
10 filing this complaint.

11 **FIRST CAUSE OF ACTION**

12 **(Violations of Health & Safety Code §25249.6)**

13 19. EcoRights realleges, and incorporates by reference into this First Cause of Action as if  
14 specifically set forth herein, paragraphs 1 through 18, inclusive.

15 20. Defendant is a person in the course of doing business within the meaning of Health & Safety  
16 Code § 25249.11 who, by manufacturing, marketing, distribution, sale or otherwise placing the  
17 Products into the stream of commerce, violated, violates or threatens to violate Proposition 65.

18 21. Lead and lead compounds are substances listed by the State of California as known to cause  
19 cancer and developmental reproductive toxicity.

20 22. Defendant knows that the normal use of the Products will expose Product users to lead.  
21 Defendants intend that the Products be used in a manner that results in exposures to lead.

22 23. Defendant has failed and continues to fail, to provide clear and reasonable warnings  
23 regarding the carcinogenicity and reproductive toxicity of lead to Product users.

24 24. Since at least three years prior to the Notice of Violation Letters, Defendant has violated  
25 Proposition 65 by knowingly and intentionally exposing individuals to lead without first giving clear  
26 and reasonable warnings to such individuals regarding the carcinogenicity and reproductive toxicity  
27 of lead.

1 **PRAYER FOR RELIEF**

2 Wherefore, Plaintiff prays for judgment against Defendant as follows:

- 3 1. Pursuant to the First Cause of Action, that Defendant be enjoined, restrained, and  
4 ordered to comply with the provisions of Section 25249.6 of the California Health &  
5 Safety Code;
- 6 2. That Defendant be ordered to make best efforts to identify and locate each individual  
7 in California to whom it, or its customers or agents, distributed or sold Products  
8 during the past three years, and to provide a warning to each such person that use of  
9 the Product will expose that person to a chemical known to the State of California to  
10 cause cancer, birth defects and other reproductive harm;
- 11 3. That Defendant be assessed a civil penalty in an amount equal to \$2,500.00 per day  
12 per individual exposed to lead in violation of Section 25249.6 of the California Health  
13 & Safety Code, as the result of Defendant's marketing, distributing, and/or selling the  
14 Products for use in California.
- 15 4. That pursuant to Civil Procedure Code § 1021.5, Defendant be ordered to pay Plaintiff  
16 the attorneys' fees and costs it incurred in bringing this enforcement action; and
- 17 5. For such other relief as this court deems just and proper.

AND THE PUBLIC PROSECUTORS LISTED ON THE DISTRIBUTION LIST  
ACCOMPANYING THE ATTACHED CERTIFICATE OF SERVICE

Re: Violations of Proposition 65 Concerning Exposures from Leaded Brass

In accord with California Health & Safety Code § 25249.7, Ecological Rights Foundation ("ERF") hereby gives you notice that the above companies have violated and are in ongoing violation of California Health & Safety Code § 25249.6, which provides that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first providing a clear and reasonable warning to such individual."

Pursuant to California Health & Safety Code § 25249.7, ERF intends to bring an enforcement action 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify the violations discussed in this notice letter. The public enforcement agencies that have been served with copies of this notice of violations are identified in the attached Certificate of Service.

This Notice of Violations ("Notice") is provided to you pursuant to and in compliance with California Health and Safety Code Section 25249.7(d). Attached for your reference is a summary, "Appendix A: The Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): A Summary" prepared by the California Office of Environmental Health Hazard Assessment ("OEHHA"). Pursuant to Title 11, C.C.R. § 3100, a Certificate of Merit is also attached.

The above-referenced violations occur when California residents come into contact with tools, including brass hammers and punch sets, which are made, in whole or in part, of leaded-brass or leaded-bronze (collectively "leaded brass"), both of which are alloys that contain **lead and lead compounds** ("lead"). The characteristic common to each of the tool products subject to this Notice is that the product incorporates a component made of leaded brass that is touched or handled by a consumer as part of the normal use of the product. Below is a non-exclusive list of examples of these types of products. Though specific models or SKU or product numbers are given as examples, this Notice pertains to all models, and all variations, of the specific type of product of which the named model is an example. This non-exclusive list of examples of the type of products that are subject to this Notice is for the recipient's benefit and is not meant to be an

exhaustive or comprehensive identification of each specific offending product.

| Advanced Tool Design ATD-4067 2 lb. brass hammer            |
| Advanced Tool Design ATD-4075 3 Piece Solid Brass Punch Set |

The noticed parties, named above and on the attached Certificate of Service, manufacture, market, distribute and/or sell these products in California. The leaded brass parts of the products that are handled by the products' users contain high levels of lead and lead compounds, chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm.

California residents are exposed to lead when they handle or use the products and their skin contacts the leaded brass parts of the products. Lead is transferred from the leaded brass parts of the products to the hands of the people who touch those parts. The lead then enters their bodies when it is absorbed directly through the skin, through mucous membranes, or through cuts and abrasions. Lead enters their bodies when they touch their hands to their mouths, eyes, nose, or other mucous membranes. Lead is also transferred from the products users' hands to food that they handle, and is then ingested with that food. For those product users who smoke, lead is transferred from their hands to cigarettes and is then ingested or inhaled when they smoke. Exposures to lead and lead compounds from the use and/or handling of the products thus occur via the dermal absorption, mucous membrane, subcutaneous, inhalation and ingestion routes. These exposures occur in homes, workplaces, and everywhere else throughout California where these products are handled or used. These violations are alleged for occupational exposures as well as for consumer and environmental exposures. ERF does not, however, allege occupational exposure violations as to any of these products manufactured outside of California, except as to workplaces these businesses themselves maintain in California.

The noticed parties did not and do not provide people with clear and reasonable warnings before they expose them in California to lead. The above-referenced violations have occurred every day since at least April 29, 2013 and will continue every day until the lead is removed from the products or until clear and reasonable warnings are given.

ERF is a California non-profit corporation dedicated to protecting human and environmental health, including raising awareness of, and reducing exposures to, toxic chemicals. The following individual is the responsible individual within ERF for purposes of this Notice:

James Lamport, Executive Director  
Ecological Rights Foundation  
867 B Redwood Drive  
Garberville, California 95542  
Telephone: (707) 923-4372

ERF has retained the following counsel to represent them in this matter (please direct communications to counsel):

Notice for Occupational Exposures Governed by the California State Plan for Occupational Safety and Health

In accord with California Code of Regulations, title 8, section 338, subdivision (b), ERF hereby gives you the following notice: This Notice alleges violations of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

Resolution of Noticed Claims:

ERF is interested in seeking a constructive resolution of this matter that advances the public interest without engaging in costly and protracted litigation. ERF is willing to settle this matter to the extent legally possible prior to the commencement of any enforcement action. Settlement terms would require that the unwarned exposures described in this Notice of Violation be stopped. That would require at least the following: 1) a potential recall of products already sold; 2) that either warnings be given to all future purchasers in California of the products subject to this Notice, that the products be reformulated to eliminate the exposures described in the Notice, or that you stop marketing, distributing or selling the products in California; 3) that you locate and provide a warning compliant with 27 Cal. Code Regs Section 25601 to each person who has been subject to the unwarned exposures described in the Notice to the extent those exposures are caused by products that were sold in California during the past three years; and 4) that you pay an appropriate civil penalty based on the factors enumerated in California Health and Safety Code Section 25249(b). It should be noted that ERF cannot finalize any settlement of this matter until 70 days has elapsed since the sending of the Notice and unless no public enforcer has begun an enforcement action concerning the violations described in the Notice. Any settlement on behalf of the public interest must be approved by the California Superior Court on noticed motion with 45 days notice to the California Attorney General. The Attorney General may appear at any approval hearing and oppose a settlement if he or she believes the proposed settlement is not in the public interest. If you wish to discuss settlement of this matter before ERF files suit, please promptly contact ERF's counsel.

Sincerely,

---

Fredric Evenson

**Certificate of Merit**  
Health & Safety Code Section 25249.7(d)

I, Fredric Evenson, hereby declare:

(1) This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.

(2) I am the attorney for the noticing party.

(3) I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the alleged exposure to the listed chemical that is the subject of the action.

(4) Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

(5) The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

The plaintiff must serve a copy of the ADR information package on each defendant along with the complaint. (CRC 3.221(c))

**WHAT IS ADR?**

Alternative Dispute Resolution (ADR) is the term used to describe the various options available for settling a dispute without a trial. There are many different ADR processes, the most common forms of which are mediation, arbitration and settlement conferences. In ADR, trained, impartial people decide disputes or help parties decide disputes themselves. They can help parties resolve disputes without having to go to court.

**WHY CHOOSE ADR?**

"It is the policy of the Superior Court that every noncriminal, nonjuvenile case participate either in an early settlement conference, mediation, arbitration, early neutral evaluation or some other alternative dispute resolution process prior to trial." (Local Rule 4)

ADR can have a number of advantages over traditional litigation:

- **ADR can save time.** A dispute often can be resolved in a matter of months, even weeks, through ADR, while a lawsuit can take years.
- **ADR can save money,** including court costs, attorney fees, and expert fees.
- **ADR encourages participation.** The parties may have more opportunities to tell their story than in court and may have more control over the outcome of the case.
- **ADR is more satisfying.** For all the above reasons, many people participating in ADR have reported a high degree of satisfaction.

**HOW DO I PARTICIPATE IN ADR?**

Litigants may elect to participate in ADR at any point in a case. General civil cases may voluntarily enter into the court's ADR programs by any of the following means:

- Filing a Stipulation to ADR: Complete and file the Stipulation form (attached to this packet)
- Indicating your ADR preference on the Case Management Statement (also attached to this packet); or
- Contacting the court's ADR office (see below) or the Bar Association of San Francisco's ADR Services at 415-782-8905 or [www.sfbar.org/adr](http://www.sfbar.org/adr) for more information.

The San Francisco Superior Court offers different types of ADR processes for general civil matters; each ADR program is described in the subsections below:

## 1) SETTLEMENT CONFERENCES

The goal of settlement conferences is to provide participants an opportunity to reach a mutually acceptable settlement that resolves all or part of a dispute early in the litigation process.

**(A) THE BAR ASSOCIATION OF SAN FRANCISCO (BASF) EARLY SETTLEMENT PROGRAM (ESP):** ESP remains as one of the Court's ADR programs (see Local Rule 4.3) but parties must select the program – the Court no longer will order parties into ESP.

**Operation:** Panels of pre-screened attorneys (one plaintiff, one defense counsel) each with at least 10 years' trial experience provide a minimum of two hours of settlement conference time, including evaluation of strengths and weakness of a case and potential case value. On occasion, a panelist with extensive experience in both plaintiff and defense roles serves as a sole panelist. BASF handles notification to all parties, conflict checks with the panelists, and full case management. The success rate for the program is 78% and the satisfaction rate is 97%. Full procedures are at: [www.sfbar.org/esp](http://www.sfbar.org/esp).

**Cost:** BASF charges an administrative fee of \$295 per party with a cap of \$590 for parties represented by the same counsel. Waivers are available to those who qualify. For more information, call Marilyn King at 415-782-8905, email [adr@sfbar.org](mailto:adr@sfbar.org) or see enclosed brochure.

**(B) MANDATORY SETTLEMENT CONFERENCES:** Parties may elect to apply to the Presiding Judge's department for a specially-set mandatory settlement conference. See Local Rule 5.0 for further instructions. Upon approval of the Presiding Judge, the court will schedule the conference and assign the case for a settlement conference.

## 2) MEDIATION

Mediation is a voluntary, flexible, and confidential process in which a neutral third party facilitates negotiations. The goal of mediation is to reach a mutually satisfactory agreement that resolves all or part of a dispute after exploring the interests, needs, and priorities of the parties in light of relevant evidence and the law.

**(A) MEDIATION SERVICES OF THE BAR ASSOCIATION OF SAN FRANCISCO,** in cooperation with the Superior Court, is designed to help civil litigants resolve disputes before they incur substantial costs in litigation. While it is best to utilize the program at the outset of litigation, parties may use the program at any time while a case is pending.

**Operation:** Experienced professional mediators, screened and approved, provide one hour of preparation time and the first two hours of mediation time. Mediation time beyond that is charged at the mediator's hourly rate. BASF pre-screens all mediators based upon strict educational and experience requirements. Parties can select their mediator from the panels at [www.sfbar.org/mediation](http://www.sfbar.org/mediation) or BASF can assist with mediator selection. The BASF website contains photographs, biographies, and videos of the mediators as well as testimonials to assist with the selection process. BASF staff handles conflict checks and full case management. Mediators work with parties to arrive at a mutually agreeable solution. The success rate for the program is 64% and the satisfaction rate is 99%.

**(B) JUDICIAL MEDIATION** provides mediation with a San Francisco Superior Court judge for civil cases, which include but are not limited to, personal injury, construction defect, employment, professional malpractice, insurance coverage, toxic torts and industrial accidents. Parties may utilize this program at anytime throughout the litigation process.

**Operation:** Parties interested in judicial mediation should file a Stipulation to Judicial Mediation indicating a joint request for inclusion in the program. A preference for a specific judge may be indicated. The court will coordinate assignment of cases for the program. There is no charge for the Judicial Mediation program.

**(C) PRIVATE MEDIATION:** Although not currently a part of the court's ADR program, parties may elect any private mediator of their choice; the selection and coordination of private mediation is the responsibility of the parties. Parties may find mediators and organizations on the Internet. The cost of private mediation will vary depending on the mediator selected.

### 3) ARBITRATION

An arbitrator is neutral attorney who presides at a hearing where the parties present evidence through exhibits and testimony. The arbitrator applies the law to the facts of the case and makes an award based upon the merits of the case.

**(A) JUDICIAL ARBITRATION:** When the court orders a case to arbitration it is called "judicial arbitration". The goal of arbitration is to provide parties with an adjudication that is earlier, faster, less formal, and usually less expensive than a trial.

**Operation:** Pursuant to CCP 1141.11, all civil actions in which the amount in controversy is \$50,000 or less, and no party seeks equitable relief, shall be ordered to arbitration. (Upon stipulation of all parties, other civil matters may be submitted to judicial arbitration.) An arbitrator is chosen from the court's arbitration panel. Arbitrations are generally held between 7 and 9 months after a complaint has been filed. Judicial arbitration is not binding unless all parties agree to be bound by the arbitrator's decision. Any party may request a trial within 60 days after the arbitrator's award has been filed. Local Rule 4.2 allows for mediation in lieu of judicial arbitration, so long as the parties file a stipulation to mediate after the filing of a complaint. There is no cost to the parties for judicial arbitration.

**(B) PRIVATE ARBITRATION:** Although not currently a part of the court's ADR program, civil disputes may also be resolved through private arbitration. Here, the parties voluntarily consent to arbitration. If all parties agree, private arbitration may be binding and the parties give up the right to judicial review of the arbitrator's decision. In private arbitration, the parties select a private arbitrator and are responsible for paying the arbitrator's fees.

TO PARTICIPATE IN ANY OF THE COURT'S ADR PROGRAMS, PLEASE COMPLETE THE ATTACHED STIPULATION TO ADR AND SUBMIT IT TO THE COURT. YOU MUST ALSO CONTACT BASF TO ENROLL IN THE LISTED BASF PROGRAMS. THE COURT DOES NOT FORWARD COPIES OF STIPULATIONS TO BASF.

## Expedited Jury Trial Information Sheet

### What is an expedited jury trial?

An expedited jury trial is a trial that is much faster and has a smaller jury than a traditional jury trial. An expedited jury trial differs from a regular jury trial in several ways:

- **The trial will be shorter.** Each side has 3 hours to make opening statements, present witnesses and evidence, and make closing statements.
- **The jury will be smaller.** There will be 8 jurors instead of 12.
- **Choosing the jury will be faster.** The parties will exercise fewer preemptory challenges.
- **Parties will waive some post trial motions and rights to appeal.** Appeals are allowed only if there is: (1) Misconduct of the judicial officer that materially affected substantial rights of a party; (2) Jury misconduct; or (3) Corruption or fraud or some other bad act that prevented a fair trial.

In addition, parties may not ask the judge to set the jury verdict aside, except on those same grounds.

### Does the jury have to reach a unanimous decision?

No. Just as in a traditional civil jury trial, only three-quarters of the jury must agree in order to reach a decision in an expedited jury trial. With 8 people on the jury, that means that at least 6 of the jurors must agree on the verdict in an expedited jury trial.

### Is the decision of the jury binding on the parties?

Generally, yes. A verdict from a jury in an expedited jury trial is like a verdict in a traditional jury trial. However, parties who take part in expedited jury trials are allowed to make an agreement before the trial that guarantees that the defendant will pay a certain amount to the plaintiff even if the jury decides on a lower payment or no payment. That agreement may also impose a cap, or maximum, on the highest amount that a defendant has to pay, even if the jury decides on a higher amount. These agreements are commonly known as "high/low agreements."

### How do I qualify for an expedited jury trial?

The process can be used in any civil case. To have an expedited jury trial, both sides must want one. Each side must agree that it will use only three hours to put on its case and agree to the other rules described above. This agreement must be put in writing in a Stipulation and submitted along with a Proposed Consent Order Granting an Expedited Jury Trial, which is given to the court for approval. The court will usually agree to the Consent Order.

### How do I request an expedited jury trial?

To have an expedited jury trial, both sides must submit a Stipulation and Proposed Consent Order for Expedited Jury Trial to the court for approval. This may happen at three stages of litigation:

- 1) **At Filing and Prior to Setting of a Trial Date:** Parties may submit a Stipulation to Expedited Jury Trial to Dept. 610 using the attached short form (see below). Parties must

also submit a Proposed Consent Order for Expedited Jury Trial to Dept. 610.

2) **After a Trial Date has been Set:** Parties submit a Stipulation and Proposed Consent Order for Expedited Jury Trial directly to Dept. 206 at least 30 days prior to the assigned trial date.

3) **After Trial Assignment:** A Proposed Consent Order for Expedited Jury Trial may be submitted immediately to the assigned trial department not less than 30 days prior to the assigned trial date.

Also, after a case is assigned to a particular judge for trial, the parties may ask the trial judge to have an Expedited Jury Trial, and the judge may permit the parties to then sign the appropriate Stipulation and Proposed Consent Order for Expedited Jury Trial.

**Can I change my mind after agreeing to an expedited jury trial?**

No, unless the other side or the court agrees. Once you and the other side have agreed to take part in an expedited jury trial the agreement is binding on both sides.

**Expedited Jury Trial Request**  
*Please submit a copy of this request to Dept. 610.*

# MEDIATION SERVICES

### WHAT IS BASF'S MEDIATION SERVICE?

The Bar Association of San Francisco's Mediation Services is a private mediation service which will assist you with almost any type of dispute, from simple contract disputes to complex commercial matters.

### WHO ARE THE MEDIATORS?

They are established mediators who have private mediation practices and have met our extensive experience requirements. By going through BASF you receive the services of these highly qualified mediators at a great value.

### HOW DO I LEARN MORE ABOUT THE MEDIATORS?

BASF's website at [www.sfbar.org/mediation](http://www.sfbar.org/mediation) provides bios, photos and hourly rates of mediators. You can search by name or by area of law needed for your case. BASF staff is always available to assist you with selection or to answer questions.

### HOW MUCH DOES THE SERVICE COST?

A \$295 per party administrative fee is paid to BASF at the time the Consent to Mediate form is filed. This fee covers the first hour of mediator preparation time and the first two hours of session time. Time beyond that is paid at the mediator's normal hourly rate.

### HOW IS THE MEDIATOR CHOSEN?

You may request a specific mediator from our website ([www.sfbar.org/mediation](http://www.sfbar.org/mediation)) and indicate your choice on the BASF Consent to Mediate form, or you may indicate on the form that you would like BASF staff to assist with the selection.

### WHY SHOULD I GO THROUGH BASF? CAN'T I JUST CALL THE MEDIATOR DIRECTLY?

BASF mediators have agreed to provide three free hours as a service to BASF. If you go directly to one of our mediators, you do not qualify for the free hours unless you notify us. Once you have filed with us, you will talk directly to the mediator to ask questions and to set a convenient mediation date and time.

### HOW LONG IS THE MEDIATION SESSION?

The time spent in mediation will vary depending on your dispute. BASF mediators are dedicated to reaching a settlement, whether you need a few hours or several days.

### WHO CAN USE THE SERVICE?

BASF mediation can be utilized by anyone and is NOT limited to San Francisco residents or issues. Also, the service may be used before a court action is filed or at any time during a court action.

### OUR CASE IS FILED IN COURT. HOW DO WE USE BASF'S MEDIATION SERVICES?

When you file the San Francisco Superior Court's Stipulation to ADR form, check the box indicating "Mediation Services of BASF." Then complete BASF's Consent to Mediate form found on our website and file it with us. (If the matter was filed in a different county, please check with that court for the appropriate process.)

### WE ARE ON A DEADLINE; HOW QUICKLY CAN WE MEDIATE?

Once all parties have filed all the paperwork, BASF can normally have you in touch with the mediator within a day or two. If there is a deadline, BASF staff will give the matter top priority.

### WHAT TYPES OF DISPUTES CAN I MEDIATE?

BASF mediators are trained in 30+ areas of law. If you don't see the area you need on our website or in this brochure, contact us; it is very likely we can match your need with one of our panelists.
