5 **JURISDICTION**

6 10. The Court has jurisdiction over this lawsuit pursuant to California Constitution Article

8 those given by statute to other trial courts. This Court has jurisdiction over this action

20 wrongful conduct occurred, and continues to occur, in the County of Alameda and/or

23 **BACKGROUND AND PRELIMINARY FACTS**

24 13. In 1986, California voters approved an initiative to address growing concerns about  
25 exposure to toxic chemicals and declared their right “[t]o be informed about exposures to  
26 chemicals that cause cancer, birth defects, or other reproductive harm.” Ballot Pamp.,  
27 Proposed Law, Gen. Elec. (Nov. 4, 1986) at p. 3. The initiative, The Safe Drinking  
28 Water and Toxic Enforcement Act of 1986, codified at Health and Safety Code sections

1 25249.5, *et seq.* (“Proposition 65”), helps to protect California’s drinking water sources  
2 from contamination, to allow consumers to make informed choices about the products  
3 they buy, and to enable persons to protect themselves from toxic chemicals as they see  
4 fit.

5 14. Proposition 65 requires the Governor of California to publish a list of chemicals known to  
6 the state to cause cancer, birth defects, or other reproductive harm. *Health & Safety Code*  
7 § 25249.8. The list, which the Governor updates at least once a year, contains over 700  
8 chemicals and chemical families. Proposition 65 imposes warning requirements and  
9 other controls that apply to Proposition 65-listed chemicals.

10 15. All businesses with ten (10) or more employees that operate or sell products in California  
11 must comply with Proposition 65. Under Proposition 65, businesses are: (1) prohibited  
12 from knowingly discharging Proposition 65-listed chemicals into sources of drinking  
13 water (*Health & Safety Code* § 25249.5), and (2) required to provide “clear and  
14 reasonable” warnings before exposing a person, knowingly and intentionally, to a  
15 Proposition 65-listed chemical (*Health & Safety Code* § 25249.6).

16 16. Proposition 65 provides that any person "violating or threatening to violate" the statute  
17 may be enjoined in any court of competent jurisdiction. *Health & Safety Code* § 25249.7.  
18 "Threaten to violate" means "to create a condition in which there is a substantial  
19 probability that a violation will occur." *Health & Safety Code* § 25249.11(e).  
20 Defendants are also liable for civil penalties of up to \$2,500.00 per day per violation,  
21 recoverable in a civil action. *Health & Safety Code* § 25249.7(b).

22 17. On December 2, 2005, the Governor of California added Dibutyl Phthalate (“DBP”) to  
23 the list of chemicals known to the State to cause developmental, female, and male  
24 reproductive toxicity. Pursuant to Health and Safety Code sections 25249.9 and  
25 25249.10, twenty (20) months after addition of DBP to the list of chemicals known to the  
26 State to cause reproductive toxicity, DBP became fully subject to Proposition 65 warning  
27 requirements and discharge prohibitions.  
28

1 18. On February 27, 1987, the Governor of California added lead to the list of chemicals  
2 known to the State to cause reproductive toxicity (Cal. Code Regs. tit. 27, § 27001(c)).  
3 lead is known to the State to cause developmental, female, and male reproductive  
4 toxicity. Pursuant to Health and Safety Code sections 25249.9 and 25249.10, twenty (20)  
5 months after addition of lead to the list of chemicals known to the State to cause  
6 reproductive toxicity, lead became fully subject to Proposition 65 warning requirements  
7 and discharge prohibitions.

8 19. On October 1, 1992, the Governor of California added lead and lead compounds  
9 (“LEAD”) to the list of chemicals known to the State to cause cancer (Cal. Code Regs.  
10 tit. 27, § 27001(b)). Pursuant to Health and Safety Code sections 25249.9 and 25249.10,  
11 twenty (20) months after addition of lead and lead compounds to the list of chemicals  
12 known to the State to cause cancer, lead and lead compounds became fully subject to  
13 Proposition 65 warning requirements and discharge prohibitions.

14 20. On January 1, 1988, the Governor of California added Di (2-ethylhexyl) phthalate  
15 (“DEHP”) to the list of chemicals known to the State to cause cancer, and on October 24,  
16 2003, the Governor added DEHP to the list of chemicals known to the State to cause  
17 developmental male reproductive toxicity. Pursuant to Health and Safety Code sections  
18 25249.9 and 25249.10, twenty (20) months after addition of DEHP to the list of  
19 chemicals known to the State to cause reproductive toxicity, DEHP became fully subject  
20 to Proposition 65 warning requirements and discharge prohibitions.

21 21. Plaintiff identified certain practices of manufacturers and distributors of products bearing  
22 DBP, Lead, and DEHP of exposing, knowingly and intentionally, persons in California to  
23 the Proposition 65-listed chemicals of such products without first providing clear and  
24 reasonable warnings of such to the exposed persons prior to the time of exposure.

25 Plaintiff later discerned that Defendants engaged in such practice.

26 **SATISFACTION OF PRIOR NOTICE**

27 22. On or about November 17, 2016 Plaintiff gave notice of alleged violations of Health and  
28 Safety Code section 25249.6, concerning consumer products exposures subject to a

1 private action to ROSS, ROSS DDS, and to the California Attorney General, County  
2 District Attorneys, and City Attorneys for each city containing a population of at least  
3 750,000 people in whose jurisdictions the violations allegedly occurred, concerning the  
4 product Fashion Accessories, containing DEHP.

5 23. On or about March 7, 2017, Plaintiff gave notice of alleged violations of Health and  
6 Safety Code section 25249.6, concerning consumer products exposures subject to a

14 District Attorneys, and City Attorneys for each city containing a population of at least  
15 750,000 people in whose jurisdictions the violations allegedly occurred, concerning the  
16 product String Lights, containing LEAD.

17 25. On or about May 8, 2017 Plaintiff gave notice of alleged violations of Health and Safety  
18 Code section 25249.6, concerning consumer products exposures subject to a private  
19 action to ROSS, ROSS DFL, and to the California Attorney General, County District  
20 Attorneys, and City Attorneys for each city containing a population of at least 750,000  
21 people in whose jurisdictions the violations allegedly occurred, concerning the product  
22 String Lights, containing LEAD.

23 26. On or about November 6, 2017 Plaintiff gave notice of alleged violations of Health and  
24 Safety Code section 25249.6, concerning consumer products exposures subject to a  
25 private action to ROSS, ROSS DDS, and to the California Attorney General, County  
26 District Attorneys, and City Attorneys for each city containing a population of at least  
27 750,000 people in whose jurisdictions the violations allegedly occurred, concerning the  
28 product Fashion Accessories, containing DEHP.

1 27. On or about November 13, 2017 Plaintiff gave notice of alleged violations of Health and  
2 Safety Code section 25249.6, concerning consumer products exposures subject to a  
3 private action to ROSS, ROSS DDS, and to the California Attorney General, County  
4 District Attorneys, and City Attorneys for each city containing a population of at least  
5 750,000 people in whose jurisdictions the violations allegedly occurred, concerning the  
6 product Fashion Accessories, containing DEHP.

7 28. On or about November 13, 2017 Plaintiff gave notice of alleged violations of Health and  
8 Safety Code section 25249.6, concerning consumer products exposures subject to a  
9 private action to ROSS, ROSS DDS, and to the California Attorney General, County  
10 District Attorneys, and City Attorneys for each city containing a population of at least  
11 750,000 people in whose jurisdictions the violations allegedly occurred, concerning the  
12 product Footwear, containing DBP and DEHP.

13 29. Before sending the notice of alleged violations, Plaintiff investigated the consumer  
14 products involved, the likelihood that such products would cause users to suffer  
15 significant exposures to DBP, LEAD, and DEHP and the corporate structure of each of  
16 the Defendants.

17 30. Plaintiff's notices of alleged violation each included a Certificate of Merit executed by  
18 the attorney for the noticing party, CAG. The Certificate of Merit stated that the attorney  
19 for Plaintiff who executed the certificate had consulted with at least one person with  
20 relevant and appropriate expertise who reviewed data regarding the exposures to LEAD  
21 and DBP, the subject Proposition 65-listed chemicals of this action. Based on that  
22 information, the attorney for Plaintiff who executed the Certificate of Merit believed  
23 there was a reasonable and meritorious case for this private action. The attorney for  
24 Plaintiff attached to the Certificate of Merit served on the Attorney General the  
25 confidential factual information sufficient to establish the basis of the Certificate of  
26 Merit.

1 31. Plaintiff's notices of alleged violations also included a Certificate of Service and a  
2 document entitled "The Safe Drinking Water & Toxic Enforcement Act of 1986  
3 (Proposition 65) A Summary." *Health & Safety Code* § 25249.7(d).

4 32. Plaintiff is commencing this action more than sixty (60) days from the dates that Plaintiff  
5 gave notices of the alleged violation to ROSS, ROSS DFL, ROSS DDS, and the public  
6 prosecutors referenced in Paragraph 22 to 28.

7 33. Plaintiff is informed, believes, and thereon alleges that neither the Attorney General, nor  
8 any applicable district attorney or city attorney has commenced and is diligently  
9 prosecuting an action against the Defendants.

\$3.99", "MADE IN CHINA" ("PLASTIC CLUTCH PURSES").

1 35. PLASTIC CLUTCH PURSES contains DEHP.

2 36. Defendants knew or should have known that DEHP has been identified by the State of  
3 California as a chemical known to cause cancer and reproductive toxicity and therefore  
4 was subject to Proposition 65 warning requirements. Defendants were also informed of  
5 the presence of DEHP in PLASTIC CLUTCH PURSES within Plaintiff's notice of  
6 alleged violations further discussed above at Paragraphs 22, 23, 26, and 27.

7 37. Plaintiff's allegations regarding PLASTIC CLUTCH PURSES concern "[c]onsumer  
8 products exposure[s]," which "is an exposure that results from a person's acquisition,  
9 purchase, storage, consumption, or other reasonably foreseeable use of a consumer good,  
10 or any exposure that results from receiving a consumer service." *Cal. Code Regs. tit. 27,*  
11 *§ 25602(b)*. PLASTIC CLUTCH PURSES is a consumer product, and, as mentioned  
12 herein, exposures to DEHP took place as a result of such normal and foreseeable  
13 consumption and use.

14 38. Plaintiff is informed, believes, and thereon alleges that between November 17, 2013, and  
15 the present, each of the Defendants knowingly and intentionally exposed their employees,  
16 California consumers of PLASTIC CLUTCH PURSES, which Defendants manufactured,  
17 distributed, or sold as mentioned above, to DEHP without first providing any type of  
18 clear and reasonable warning of such to the exposed persons before the time of exposure.  
19 Defendants have distributed and sold PLASTIC CLUTCH PURSES in California.  
20 Defendants know and intend that California consumers will use and consume PLASTIC

22 Proposition 65.

23 39. The principal routes of exposure are through dermal contact and ingestion, including  
24 hand to mouth pathways. Persons sustain exposures by handling the PLASTIC CLUTCH  
25 PURSES without wearing gloves or by touching bare skin or mucous membranes with or  
26 without gloves after handling PLASTIC CLUTCH PURSES, as well as direct and  
27 indirect hand to mouth contact, hand to mucous membrane, trans-dermal absorption, or  
28 even breathing in particulate matter emanating from the PLASTIC CLUTCH PURSES

1 during wear and general use, as well as through environmental mediums that carry the  
2 DEHP once contained within the PLASTIC CLUTCH PURSES.

3 40. Plaintiff is informed, believes, and thereon alleges that each of Defendants' violations of  
4 Proposition 65 as to PLASTIC CLUTCH PURSES have been ongoing and continuous to  
5 the date of the signing of this complaint, as Defendants engaged and continue to engage  
6 in conduct which violates Health and Safety Code section 25249.6, including the  
7 manufacture, distribution, promotion, and sale of PLASTIC CLUTCH PURSES, so that a  
8 separate and distinct violation of Proposition 65 occurred each and every time a person  
9 was exposed to DEHP by PLASTIC CLUTCH PURSES as mentioned herein.

10 41. Plaintiff is informed, believes, and thereon alleges that each violation of Proposition 65  
11 mentioned herein is ever continuing. Plaintiff further alleges and believes that the  
12 violations alleged herein will continue to occur into the future.

13 42. Based on the allegations herein, Defendants are liable for civil penalties of up to  
14 \$2,500.00 per day per individual exposure to DEHP from PLASTIC CLUTCH PURSES,  
15 pursuant to Health and Safety Code section 25249.7(b).

4 45. STRING LIGHTS contains LEAD.

5 46. Defendants knew or should have known that LEAD has been identified by the State of  
6 California as a chemical known to cause cancer and reproductive toxicity and therefore  
7 was subject to Proposition 65 warning requirements. Defendants were also informed of  
8 the presence of LEAD in STRING LIGHTS within Plaintiff's notice of alleged violations  
9 further discussed above at Paragraphs 24 and 25.

10 47. Plaintiff's allegations regarding STRING LIGHTS concern “[c]onsumer products

17 present, each of the Defendants knowingly and intentionally exposed their employees,  
18 California consumers of STRING LIGHTS, which Defendants manufactured, distributed,  
19 or sold as mentioned above, to LEAD without first providing any type of clear and  
20 reasonable warning of such to the exposed persons before the time of exposure.

21 Defendants have distributed and sold STRING LIGHTS in California. Defendants know  
22 and intend that California consumers will use and consume STRING LIGHTS, thereby  
23 exposing them to LEAD. Defendants thereby violated Proposition 65.

24 49. The principal routes of exposure are through dermal contact, ingestion, including indirect  
25 hand to mouth pathways, and inhalation. Persons sustain exposures by handling STRING  
26 LIGHTS without wearing gloves or any other personal protective equipment, or by  
27 touching bare skin or mucous membranes with gloves after handling STRING LIGHTS,  
28

1 as well as through direct and indirect hand to mouth contact, hand to mucous membrane,  
2 or breathing in particulate matter dispersed from STRING LIGHTS.

3 50. Plaintiff is informed, believes, and thereon alleges that each of Defendants' violations of  
4 Proposition 65 as to STRING LIGHTS have been ongoing and continuous to the date of  
5 the signing of this complaint, as Defendants engaged and continue to engage in conduct  
6 which violates Health and Safety Code section 25249.6, including the manufacture,  
7 distribution, promotion, and sale of STRING LIGHTS, so that a separate and distinct  
8 violation of Proposition 65 occurred each and every time a person was exposed to LEAD  
9 by STRING LIGHTS as mentioned herein.

10 51. Plaintiff is informed, believes, and thereon alleges that each violation of Proposition 65  
11 mentioned herein is ever continuing. Plaintiff further alleges and believes that the  
12 violations alleged herein will continue to occur into the future.

13 52. Based on the allegations herein, Defendants are liable for civil penalties of up to  
14 \$2,500.00 per day per individual exposure to lead from STRING LIGHTS, pursuant to

10 57. Plaintiff’s allegations regarding PLASTIC SANDALS concern “[c]onsumer products  
11 exposure[s],” which “is an exposure that results from a person’s acquisition, purchase,  
12 storage, consumption, or other reasonably foreseeable use of a consumer good, or any  
13 exposure that results from receiving a consumer service.” *Cal. Code Regs. tit. 27, §*  
14 *25602(b)*. PLASTIC SANDALS is a consumer product, and, as mentioned herein,  
15 exposures to DBP and DEHP took place as a result of such normal and foreseeable  
16 consumption and use.

17 58. Plaintiff is informed, believes, and thereon alleges that between November 13, 2014, and  
18 the present, each of the Defendants knowingly and intentionally exposed their employees,  
19 California consumers of PLASTIC SANDALS, which Defendants manufactured,  
20 distributed, or sold as mentioned above, to DBP and DEHP without first providing any  
21 type of clear and reasonable warning of such to the exposed persons before the time of  
22 exposure. Defendants have distributed and sold PLASTIC SANDALS in California.  
23 Defendants know and intend that California consumers will use and consume PLASTIC  
24 SANDALS, thereby exposing them to DBP and DEHP. Defendants thereby violated  
25 Proposition 65.

26 59. The principal routes of exposure are through dermal contact and ingestion, including  
27 hand to mouth pathways. Persons sustain exposures by handling the PLASTIC  
28 SANDALS without wearing gloves or by touching bare skin or mucous membranes with

1 or without gloves after handling PLASTIC SANDALS, as well as direct and indirect  
2 hand to mouth contact, hand to mucous membrane, trans-dermal absorption, or even  
3 breathing in particulate matter emanating from the PLASTIC SANDALS during wear  
4 and general use, as well as through environmental mediums that carry the DBP and  
5 DEHP once contained within the PLASTIC SANDALS.

6 60. Plaintiff is informed, believes, and thereon alleges that each of Defendants' violations of  
7 Proposition 65 as to PLASTIC SANDALS have been ongoing and continuous to the date  
8 of the signing of this complaint, as Defendants engaged and continue to engage in  
9 conduct which violates Health and Safety Code section 25249.6, including the  
10 manufacture, distribution, promotion, and sale of PLASTIC SANDALS, so that a  
11 separate and distinct violation of Proposition 65 occurred each and every time a person  
12 was exposed to DBP and DEHP by PLASTIC SANDALS as mentioned herein.

13 61. Plaintiff is informed, believes, and thereon alleges that each violation of Proposition 65  
14 mentioned herein is ever continuing. Plaintiff further alleges and believes that the  
15 violations alleged herein will continue to occur into the future.

16 62. Based on the allegations herein, Defendants are liable for civil penalties of up to  
17 \$2,500.00 per day per individual exposure to DBP and DEHP from PLASTIC  
18 SANDALS, pursuant to Health and Safety Code section 25249.7(b).

19 63. Plaintiff has engaged in good faith efforts to resolve the claims alleged herein prior to  
20 filing this Complaint.

1 **PRAYER FOR RELIEF**

2 Plaintiff demands against each of the Defendants as follows:

- 5 3. Costs of suit;
