INTRODUCTION

1
2 1. This Complaint is brought by Plaintiff, APS&EE, LLC ("Plaintiff") in the public
3 interest of the citizens of the State of California, a representative action to enforce the People's
4 right to be informed of the presence of lead ("LEAD") and Di (2-ethylhexyl) Phthalate also
5 known as Bis (2-ethylhexyl) Phthalate ("DEHP"), chemicals known to the State of California to
6 cause cancer and birth defects or other reproductive harm, found in the "Rhino" brand of pliers
7 and screwdrivers sold by Defendants. LEAD and DEHP shall be collectively referred to herein
8 as the "Listed Chemicals".

9 2. The purpose of this Complaint is to remedy Defendants' continuing failure to
10 warn California residents about the risk of exposure to the Listed Chemicals in the "Rhino"
11 brand of pliers and screwdrivers manufactured, distributed, sold, and/or offered for sale to
12 consumers in California.

13 3. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell
14 the "Rhino" brand of pliers and screwdrivers containing dangerous levels of the Listed
15 Chemicals, including, without limitation: Rhino AS-47 pliers and Rhino AS-51 screwdrivers.
16 The products described in this paragraph shall hereinafter be referred to as the "Products".

17 4. Children and adults are exposed to the Listed Chemicals when they use, touch,
18 handle, play with, repair, maintain, or install the Products.

19 5. Hazardous levels of the Listed Chemicals are found in the accessible surface areas
20 of the Products manufactured, distributed, sold, and/or offered for sale by Defendants to
21 consumers in California.

22 6. California Health and Safety Code section 25249.6 et seq. ("Proposition 65")
23 provides in pertinent part: "[n]o person in the course of doing business shall knowingly and
24 intentionally expose any individual to a chemical known to the state to cause cancer or
25 reproductive toxicity without first giving clear and reasonable warning to such individual..."

26 7. Studies repeatedly conclude that exposure to the Listed Chemicals is hazardous to
27 the health of children and adults. Children are especially vulnerable to the toxic effects of LEAD.
28 Accordingly, California has listed the Listed Chemicals as chemicals known to the state to cause

1 cancer and birth defects or other reproductive harm, and therefore subject to Proposition 65
2 warning requirements.

3 8. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell
4 the Products without the required warnings. Defendants' conduct violates the warning
5 requirements of Proposition 65.

6 **PARTIES**

7 9. Plaintiff is an organization based in California acting in the public interest.
8 Plaintiff brings this action in the public interest pursuant to California Health and Safety Code
9 section 25249.7(d).

10 10. Defendant, FRY'S ELECTRONICS, INC., is a person in the course of doing
11 business within the meaning of California Health and Safety Code section 25249.11. FRY'S
12 ELECTRONICS, INC. manufactures, distributes, and/or sells the Products for sale and use in
13 California.

14 11. DOES 1 through 100 are each a person in the course of doing business within the
15 meaning of California Health and Safety Code section 25249.11. DOES 1 through 100
16 manufacture, distribute, and/or sell the Products for sale and use in California. The true names of
17 DOES 1 through 100 are unknown to Plaintiff at this time. When their identities are discovered,
18 Plaintiff's Complaint shall be amended to reflect their true names.

19 12. The defendants identified in paragraphs 10-11 shall collectively be referred to
20 herein as "Defendants".

21 **JURISDICTION AND VENUE**

22 13. This Court has jurisdiction over this action pursuant to California Health and
23 Safety Code section 25249.7, which allows enforcement in any court of competent jurisdiction,
24 and pursuant to California Constitution Article VI, Section 10, because this lawsuit is based on a
25 cause not given by statute to other trial courts. Moreover, this action belongs in unlimited
26 jurisdiction since the amount in controversy exceeds \$25,000 and Plaintiff seeks permanent
27 injunctive relief.

28 14. This Court has jurisdiction over Defendants because each is a person, firm,

1 corporation, or association with sufficient minimum contacts in the State of California, or
2 otherwise purposefully avails itself to the California market as to render jurisdiction by the
3 California courts consistent with traditional notions of fair play and substantial justice.

4 15. Venue is proper in Los Angeles County Superior Court because one or more
5 occurrences of the wrongful conduct occurred, and continues to occur, in Los Angeles County,
6 and/or because Defendants conducted, and continue to conduct, business in this County with
7 respect to the Products.

8 **FIRST CAUSE OF ACTION**

9 **(Violations of Health & Safety Code Section 25249.6 et seq.)**

10 16. Plaintiff re-alleges and incorporates by reference, as if fully set forth herein,
11 Paragraphs 1 through 15, inclusive.

12 17. On February 10, 2017, a sixty-day notice of violation ("60-Day Notice"), along
13 with a Certificate of Merit, was provided to FRY'S ELECTRONICS, INC., and the various
14 public enforcement agencies with respect to the Proposition 65 violations related to LEAD in the
15 Products. In addition, on said date, in compliance with Health & Safety Code section 25249.7(d),
16 confidential factual information sufficient to establish the basis for the Certificate of Merit was
17 provided to the California Attorney General. On May 3, 2017, a supplemental sixty-day notice of
18 violation ("Supplemental 60-Day Notice"), along with a Certificate of Merit, was provided to
19 FRY'S ELECTRONICS, INC., and the various public enforcement agencies with respect to the
20 Proposition 65 violations related to LEAD and DEHP in the Products. In addition, on said date,
21 in compliance with Health & Safety Code section 25249.7(d), confidential factual information
22 sufficient to establish the basis for the Certificate of Merit was provided to the California
23 Attorney General. The 60-Day Notice and Supplemental 60-Day Notice shall hereinafter
24 collectively be referred to as the "Notices".

25 18. None of the public prosecutors with the authority to prosecute Proposition 65
26 violations has commenced and/or is diligently prosecuting the causes of action against
27 Defendants based on the claims asserted in Plaintiff's Notices.

28 19. By placing the Products into the stream of commerce, each Defendant is a person

1 in the course of doing business within the meaning of Health & Safety Code section 25249.11.

2 20. Defendants knew and intended that consumers, including children, will use,
3 touch, handle, play with, repair, maintain, or install the Products.

4 21. Defendants knew that the Products contain the Listed Chemicals. Defendants,
5 who are in the business of marketing consumer goods, also should have known or have
6 constructive knowledge that the Products contain Listed Chemicals from widespread media
7 coverage and/or other channels of information concerning the presence of Listed Chemicals in
8 the types of consumer goods similar to the Products.

9 22. LEAD is a chemical listed by the State of California as known to cause cancer
10 and birth defects or other reproductive harm. DEHP is listed as known to cause cancer and
11 reproductive toxicity, developmental, male.

12 23. Defendants' Products contain sufficient quantities of the Listed Chemicals such
13 that consumers, including children, who use, touch, handle, play with, repair, maintain, or install
14 the Products are exposed to unsafe levels of the Listed Chemicals. The Listed Chemicals are
15 present in the Products in such a way as to expose individuals to the Listed Chemicals, as
16 exposure is defined by 27 CCR section 25602(b): "...that results from a person's acquisition,
17 purchase, storage, consumption, or other reasonably foreseeable use of a consumer good..."
18 Exposure occurs through inhalation, ingestion and/or dermal contact during the reasonably
19 foreseeable use of the Products.

20 24. Defendants knew or should have known that the reasonably foreseeable use of the
21 Products exposes individuals to the Listed Chemicals through inhalation, ingestion and/or dermal
22 contact.

23 25. Defendants failed to provide a "clear and reasonable warning" to individuals in
24 the State of California who were or could become exposed to the Listed Chemicals during the
25 reasonably foreseeable use of the Products.

26 26. By committing the acts alleged in this Complaint, Defendants have violated
27 California Health & Safety Code section 25249.6 et seq. by knowingly and intentionally
28 exposing individuals to the Listed Chemicals without first giving clear and reasonable warnings

1 to such individuals regarding the toxicity of the Listed Chemicals.

2 27. As a result of Defendants' wrongful conduct, individuals in the State of California
3 have been exposed to the Listed Chemicals through the inhalation, ingestion and/or dermal
4 contact during the reasonably foreseeable use of the Products without a "clear and reasonable
5 warning", and have suffered and continue to suffer harm, each and every day since at least
6 February 10, 2014.

7 **PRAYER FOR RELIEF**

8 **WHEREFORE**, Plaintiff prays for judgment against Defendants as follows:

9 1. That the Court, pursuant to California Health & Safety Code section 25249.7(b),
10 assess civil penalties against Defendants in the amount of \$2,500 per day for each violation
11 alleged herein;

12 2. That the Court, pursuant to California Health & Safety Code section 25249.7(a),
13 preliminarily and permanently enjoin Defendants from manufacturing, distributing, or offering
14 the Products for sale in California without providing "clear and reasonable warnings" as defined
15 by 27 CCR section 25601;

16 3. That the Court, pursuant to California Health & Safety Code section 25249.7(a),
17 order Defendants to take action to stop ongoing unwarned exposures to the Listed Chemicals
18 resulting from use of Products sold by Defendants;

19 4. That the Court, pursuant to California Code of Civil Procedure section 1021.5, or
20 any other applicable theory, grant Plaintiff's reasonable attorneys' fees and costs of suit; and

21 5. Such other and further relief as may be just and proper.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

Commonwealth Ave., Los Angeles 90005), for complex/non-complex determination pursuant to Local Rule 3.3(k). This procedure is for the purpose of assessing whether or not the case is complex within the meaning of California Rules of Court, rule 3.400. INSTRUCTIONS FOR HANDLING UNLIMITED CIVIL CASES

The following critical provisions of the Chapter Three Rules, as applicable in the Central District, are summarized for your assistance.

APPLICATION

The Chapter Three Rules were effective January 1, 1994. They apply to all general civil cases.

PRIORITY OVER OTHER RULES

The Chapter Three Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

CHALLENGE TO ASSIGNED JUDGE

A challenge under Code of Civil Procedure section 170.6 must be made within **15** days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

TIME STANDARDS

Cases assigned to the Individual Calendaring Court will be subject to processing under the following time standards:

COMPLAINTS: All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days of filing.

CROSS-COMPLAINTS: Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

A Status Conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

FINAL STATUS CONFERENCE

The Court will require the parties at a status conference not more than 10 days before the trial to have timely filed and served all motions in limine, bifurcation motions, statements of major evidentiary issues, dispositive motions, requested jury instructions, and special jury instructions and special jury verdicts. These matters may be heard and resolved at this conference. At least 5 days before this conference, counsel must also have exchanged lists of exhibits and witnesses and have submitted to the court a brief statement of the case to be read to the jury panel as required by Chapter Eight of the Los Angeles Superior Court Rules.

SANCTIONS

The court will impose appropriate sanctions for the failure or refusal to comply with Chapter Three Rules, orders made by the Court, and time standards or deadlines established by the Court or by the Chapter Three Rules. Such sanctions may be on a party or if appropriate on counsel for the party.

This is not a complete delineation of the Chapter Three Rules, and adherence only to the above provisions is therefore not a guarantee against the imposition of sanctions under Trial Court Delay Reduction. Careful reading and compliance with the actual Chapter Rules is absolutely imperative.

These stipulations are meant to encourage cooperation between the parties and to assist in resolving issues in a manner that promotes economic case resolution and judicial efficiency.

STIPULATION – DISCOVERY RESOLUTION			

This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.

The parties agree that:

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.
2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.
3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:
 - a. The party requesting the Informal Discovery Conference will:
 - i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;
 - ii. Include a brief summary of the dispute and specify the relief requested; and
 - iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.
 - b. Any Answer to a Request for Informal Discovery Conference must:
 - i. Also be filed on the approved form (copy attached);
 - ii. Include a brief summary of why the requested relief should be denied;

- iii. Be filed within two (2) court days of receipt of the Request; and
 - iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.
- c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.
 - d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.
 - e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.
4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.
 5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.
- It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).
6. Nothing herein will preclude any party from applying *ex parte* for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.
 7. Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.
 8. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day.

STIPULATION – EARLY ORGANIZATIONAL MEETING			

This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.

The parties agree that:

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following:*
 - a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?
 - b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");
 - c. Exchange of names and contact information of witnesses;
 - d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;
 - e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;
 - f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;
 - g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

- h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;
 - i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at www.lacourt.org under "Civil" and then under "General Information").
2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ for the complaint, and _____ for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at www.lacourt.org under "Civil", click on "General Information", then click on "Voluntary Efficient Litigation Stipulations".
 3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.

STIPULATION AND ORDER – MOTIONS IN LIMINE			

This stipulation is intended to provide fast and informal resolution of evidentiary issues through diligent efforts to define and discuss such issues and limit paperwork.

The parties agree that:

1. At least ____ days before the final status conference, each party will provide all other parties with a list containing a one paragraph explanation of each proposed motion in limine. ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKET

The person who files a civil lawsuit (plaintiff) must include the ADR information Packet with the complaint when serving the defendant. Cross-complainants must serve the ADR Information Packet on any new parties named to the action together with the cross-complaint.

There are a number of ways to resolve civil disputes without having to sue someone. These alternatives to a lawsuit are known as alternative dispute resolution (ADR).

In ADR, trained, impartial persons decide disputes or help parties decide disputes themselves. These persons are called neutrals. For example, in mediations, the neutral is the mediator. Neutrals normally are chosen by the disputing parties or by the court. Neutrals can help resolve disputes without having to go to court.

Advantages of ADR

- Often faster than going to trial
- Often less expensive, saving the litigants court costs, attorney's fees and expert fees.
- May permit more participation, allowing parties to have more control over the outcome.
- Allows for flexibility in choice of ADR processes and resolution of the dispute.
- Fosters cooperation by allowing parties to work together with the neutral to resolve the dispute and mutually agree to remedy.
- There are fewer, if any, court appearances. Because ADR can be faster and save money, it can reduce stress.

Disadvantages of ADR - ADR may not be suitable for every dispute.

- If ADR is binding, the parties normally give up most court protections, including a decision by a judge or jury under formal rules of evidence and procedure, and review for legal error by an appellate court.
- ADR may not be effective if it takes place before the parties have sufficient information to resolve the dispute.
- The neutral may charge a fee for his or her services.
- If the dispute is not resolved through ADR, the parties may then have to face the usual and traditional costs of trial, such as attorney's fees and expert fees.

The Most Common Types of ADR

- **Mediation**

In mediation, a neutral (the mediator) assists the parties in reaching a mutually acceptable resolution of their dispute. Unlike lawsuits or some other types of ADR, the parties, rather than the mediator, decide how the dispute is to be resolved.

- **Mediation is particularly effective** when the parties have a continuing relationship, like neighbors or business people. Mediation is also very effective where personal feelings are getting in the way of a resolution. This is because mediation normally gives the parties a chance to express their feelings and find out how the other sees things.
- **Mediation may not be effective** when one party is unwilling to cooperate or compromise or when one of the parties has a significant advantage in power over the other. Therefore, it may not be a good choice if the parties have a history of abuse or victimization.

- **Arbitration**

In arbitration, a neutral person called an “arbitrator” hears arguments and evidence from each side and then decides the outcome of the dispute. Arbitration is typically less formal than a trial, and the rules of evidence may be relaxed. Arbitration may be either “binding” or “non-binding.” Binding arbitration means the parties waive their right to a trial and agree to accept the arbitrator’s decision as final. Non-binding arbitration means that the parties are free to request a trial if they reject the arbitrator’s decision.

Arbitration is best for cases where the parties want another person to decide the outcome of their dispute for them but would like to avoid the formality, time, and expense of a trial. It may also be appropriate for complex matters where the parties want a decision-maker who has training or experience in the subject matter of the dispute.

- **Mandatory Settlement Conference (MSC)**

Settlement Conferences are appropriate in any case where settlement is an option.

Mandatory Settlement Conferences are ordered by the Court and are often held near the date a case is set for trial. The parties and their attorneys meet with a judge who devotes his or her time exclusively to preside over the MSC. The judge does not make a decision in the case but assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement.

The Los Angeles Superior Court Mandatory Settlement Conference (MSC) program is free of charge and staffed by experienced sitting civil judges who devote their time exclusively to presiding over MSCs. The judges participating in the judicial MSC program and their locations are identified in the List of Settlement Officers found on the Los Angeles Superior Court website at <http://www.lacourt.org/>. This program is available in general jurisdiction cases with represented parties from independent calendar (IC) and Central Civil West (CCW) courtrooms. In addition, on an ad hoc basis, personal injury cases may be referred to the program on the eve of trial by the personal injury master calendar courts in the Stanley Mosk Courthouse or the asbestos calendar court in CCW.

In order to access the Los Angeles Superior Court MSC Program the judge in the IC courtroom, the CCW Courtroom or the personal injury master calendar courtroom must refer the parties to the program. Further, all parties must complete the information requested in the Settlement Conference Intake Form and email the completed form to mscdept18@lacourt.org.
