

# SUMMONS (CITACION JUDICIAL)

FOR COURT USE ONLY  
(SOLO PARA USO DE LA CORTE)

## NOTICE TO DEFENDANT: (AVISO AL DEMANDADO):

BOB'S RED MILL NATURAL FOODS, INC., an Oregon Corporation;  
adn DOES 1 through 100, inclusive,

## YOU ARE BEING SUED BY PLAINTIFF: (LO ESTÁ DEMANDANDO EL DEMANDANTE):

TAMAR KALOUSTIAN, in the public interest,

**NOTICE!** You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center ([www.courtinfo.ca.gov/selfhelp](http://www.courtinfo.ca.gov/selfhelp)), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site ([www.lawhelpcalifornia.org](http://www.lawhelpcalifornia.org)), the California Courts Online Self-Help Center ([www.courtinfo.ca.gov/selfhelp](http://www.courtinfo.ca.gov/selfhelp)), or by contacting your local court or county bar association. **NOTE:** The court has a statutory lien for waived fees and costs on any settlement or arbitration award of \$10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case. ¡AVISO! Lo han demandado. Si no responde dentro de 30 días, la corte puede decidir en su contra sin escuchar su versión. Lea la información a continuación.

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California ([www.sucorte.ca.gov](http://www.sucorte.ca.gov)), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.

Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, ([www.lawhelpcalifornia.org](http://www.lawhelpcalifornia.org)), en el Centro de Ayuda de las Cortes de California, ([www.sucorte.ca.gov](http://www.sucorte.ca.gov)) o poniéndose en contacto con la corte o el colegio de abogados locales. **AVISO:** Por ley, la corte tiene derecho a reclamar las cuotas y los costos exentos por imponer un gravamen sobre cualquier recuperación de \$10,000 ó más de valor recibida mediante un acuerdo o una concesión de arbitraje en un caso de derecho civil. Tiene que pagar el gravamen de la corte antes de que la corte pueda desechar el caso.

The name and address of the court is:

(El nombre y dirección de la corte es): Stanley Mosk Courthouse

111 N. Hill Street

Los Angeles, CA 90012

Attorneys for Plaintiff,  
**TAMAR KALOUSTIAN**

**SUPERIOR COURT OF THE STATE OF CALIFORNIA  
COUNTY OF LOS ANGELES**

**TAMAR KALOUSTIAN**, in the public interest,  
  
Plaintiff,

v.

**BOB'S RED MILL NATURAL FOODS, INC.**,  
an Oregon Corporation; and DOES 1 through  
100, inclusive,

Defendants.

Civil Action No.:

**COMPLAINT FOR INJUNCTIVE RELIEF  
AND CIVIL PENALTIES**

[Cal. Health and Safety Code Sec. 25249.6,  
*et seq.*]

Tamar Kaloustian, in the public interest, based on information and belief and investigation of  
counsel, except for information based on knowledge, hereby makes the following allegations:

**INTRODUCTION**

1. This Complaint seeks to remedy Defendant's continuing failure to adequately warn  
individuals in California that they are being exposed to lead, a chemical known to the State of  
California to cause birth defects and other reproductive harm. Such exposures have occurred, and  
continue to occur, through the manufacture, distribution, sale and consumption of Defendant's

1 Premium Quality Psyllium Fiber Powder (the "Product"). The Product is available to consumers in  
2 California through a multitude of retail channels including, without limitation (a) third-party  
3 traditional brick-and-mortar retail locations; (b) via the internet through Defendant's website; and (c)  
4 via the internet through third-party retail websites. Consumers are exposed to lead when they  
5 consume the Product.

6 2. Under California's Proposition 65, Health and Safety Code § 25249.5, et seq., it is  
7 unlawful for businesses to knowingly and intentionally expose individuals in California to chemicals  
8 known to the State to cause cancer, birth defects or other reproductive harm without providing clear  
9 and reasonable warnings to individuals prior to their exposure. Defendant introduces a product  
10 contaminated with significant quantities of lead into the California marketplace, exposing consumers  
11 of the Product to lead.

12 3. Despite the fact that the Defendant exposes consumers to lead, Defendant provides  
13 no warning, or inadequate warnings about the reproductive hazards associated with lead exposure.  
14 Defendant's conduct thus violates the warning provision of Proposition 65, Health & Safety Code §  
15 25249.6.

#### 16 PARTIES

17 4. Plaintiff brings this enforcement action in the public interest pursuant to Health &  
18 Safety Code § 25249.7(d).

19 5. Defendant BOB'S RED MILL NATURAL FOODS, INC. ("BOB'S RED MILL")  
20 is a person in the course of doing business within the meaning of Health & Safety Code § 25249.11.  
21 BOB'S RED MILL manufactures, distributes and/or sells the Product for sale and use in California.

22 6. The true names of DOES 1 through 100 are unknown to Plaintiff at this time. When  
23 their identities are ascertained, the Complaint shall be amended to reflect their true names.

#### 24 JURISDICTION AND VENUE

25 7. The Court has jurisdiction over this action pursuant to Health & Safety Code §  
26 25249.7, which allows enforcement in any court of competent jurisdiction, and pursuant to  
27 California Constitution Article VI, Section 10, because this case is a cause not given by statute to  
28

other trial courts.

8. This Court has jurisdiction over Defendant as a business entity that does sufficient business, has sufficient minimum contacts in California or otherwise intentionally avails itself of the California market through the sale, marketing or use of the Product in California and/or by having such other contacts with California so as to render the exercise of jurisdiction over it by the California courts consistent with traditional notions of fair play and substantial justice.

9. Venue is proper in Los Angeles County Superior Court because one or more of the violations arise in the County of Los Angeles.

### **BACKGROUND FACTS**

10. The People of the State of California have declared by initiative under Proposition 65 their right "[t]o be informed about exposures to chemicals that cause cancer, birth defects, or other reproductive harm." Proposition 65 § 1(b).

11. To effectuate this goal, Proposition 65 prohibits exposing people to chemicals listed by the State of California as known to cause cancer, birth defects or other reproductive harm above certain levels without a "clear and reasonable warning" unless the business responsible for the exposure can prove that it fits within a statutory exemption. Health & Safety Code § 25249.6 states in pertinent part:

No person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual...

12. On February 27, 1987, the State of California officially listed lead as a chemical known to cause reproductive toxicity. Lead is specifically identified as a reproductive toxicant under two subcategories: "developmental reproductive toxicity," which means harm to the developing fetus, and "male reproductive toxicity," which means harm to the male reproductive system. 27 California Code of Regulations ("C.C.R.") § 27001(c). On May 1, 1998, one year after it was listed as a chemical known to cause reproductive toxicity, lead became subject to the clear and reasonable warning requirement regarding reproductive toxicants under Proposition 65.

13. The level of exposure to a chemical causing reproductive toxicity under Proposition 65 is determined by multiplying the level in question times the reasonably anticipated rate of exposure for an individual to a given medium. 27 C.C.R. § 25821(b). for exposures to consumer products, the level of exposure is calculated using the reasonably anticipated rate of intake or exposure for average users of the consumer product. 27 C.C.R. § 25821(C)(2).

14. Defendant's Product contains sufficient quantities of lead such that consumers, including pregnant women, who consume the Product are exposed to lead. The primary route of exposure for the violations is direct ingestion when consumers orally ingest the Product. These exposures occur in homes, workplaces and everywhere in California where the Product is consumed.

15. During the relevant one-year period herein, no clear and reasonable warning was provided with the Product regarding the reproductive hazards of lead.

16. Any person acting in the public interest has standing to enforce violations of Proposition 65 provided that such person has supplied the requisite public enforcers with a valid 60-Day Notice of Violation and such public enforcers are not diligently prosecuting the action within such time. Health & Safety Code § 25249.7(d).

17. More than sixty days prior to naming each Defendant in this lawsuit, Plaintiff provided a 60-Day "Notice of Violation of Proposition 65" to the California Attorney General, the District Attorneys of every county in California, the City Attorneys of every California city with a population greater than 750,000 and to the named Defendant. In compliance with Health & Safety Code § 25249.7(d) and 27 C.C.R. § 25903(b), each Notice included the following information: (1) the name and address of each violator; (2) the statute violated; (3) the time period during which violations occurred; (4) specific descriptions of the violations, including (a) the routes of exposure to lead from the Product, and (b) the specific type of Product sold and used in violation of Proposition 65; and (5) the name of the specific Proposition 65-listed chemical that is the subject of the violations described in each Notice.

18. Plaintiff also sent a Certificate of Merit for each Notice to the California Attorney

General, the District Attorneys of every county in California, the City Attorneys of every California city with a population greater than 750,000 and to the named Defendant. In compliance with Health & Safety Code § 25249.7(d) and 11 C.C.R. § 3101, each Certificate certified that Plaintiff's counsel: (1) has consulted with one or more persons with relevant and appropriate experience or expertise who reviewed facts, studies or other data regarding the exposures to Lead alleged in each Notice; and (2) based on the information obtained through such consultations, believes that there is a reasonable and meritorious case for a citizen enforcement action based on the facts alleged in each Notice. In compliance with Health & Safety Code § 25249.7(d) and 11 C.C.R. § 3102, each Certificate served on the Attorney General included factual information-provided on a confidential basis-sufficient to establish the basis for the Certificate, including the identity of the person(s) consulted by the Plaintiff's counsel and the facts, studies or other data reviewed by such persons.

19. None of the public prosecutors with the authority to prosecute violations of Proposition 65 has commenced and/or is diligently prosecuting a cause of action against Defendants under Health & Safety Code § 25249.5, *et seq.*, based on the claims asserted in each of Plaintiff's Notices.

20. Defendant both knows and intends that individuals will consume the Product, thus exposing them to lead.

21. Under Proposition 65, an exposure is "knowing" where the party responsible for such exposure has:

Knowledge of the fact that a[n]...exposure to a chemical listed pursuant to [Health & Safety Code § 25249.8(a)] is occurring. No knowledge that the... exposure is unlawful is required. 27 C.C.R. § 25102(n). This knowledge may be either actual or constructive. *See, e.g.*, Final Statement of Reasons Revised (November 4, 1988) (pursuant to former 22 C.C.R. Division 2, § 12201).

22. Defendant has been informed of the lead in their Products by the 60-Day Notice of Violation and accompanying Certificate of Merit served on them.

23. Defendant also has constructive knowledge that its Products contain lead due to the

widespread media coverage concerning the problem of lead in consumer products.

24. As an entity that manufactures, imports, distributes and/or sells the Product for use in the California marketplace, Defendant knows or should know that the Product contains lead and that individuals who consume the Product will be exposed to lead. The lead exposures to consumers who consume the Product are a natural and foreseeable consequence of Defendant's placing the Product into the stream of commerce.

25. Nevertheless, Defendant continues to expose consumers to lead without prior clear and reasonable warnings regarding the reproductive hazards of lead.

26. Plaintiff has engaged in good-faith efforts to resolve the claims alleged herein prior to filing this Complaint.

27. Any person "violating or threatening to violate" Proposition 65 may be enjoined in any court of competent jurisdiction. Health & Safety Code § 25249.7. "Threaten to violate" is defined to mean "to create a condition in which there is a substantial probability that a violation will occur." Health & Safety Code § 25249.11(e). Proposition 65 provides for civil penalties not to exceed \$2,500 per day for each violation of Proposition 65.

### **CAUSE OF ACTION**

(Violations of the Health & Safety Code 25249.6)

28. Plaintiff realleges and incorporates by reference as if specifically set forth herein Paragraphs 1 through 27, inclusive.

29. By placing the Product into the stream of commerce, each Defendant is a person in the course of doing business within the meaning of Health & Safety Code § 25249.11.

30. Lead is a chemical listed by the State of California as known to cause birth defects and other reproductive harm.

31. Defendant knows that average use of the Product will expose users of the Product to lead. Defendant intends that the Product be used in a manner that results in exposures to lead from the Products.

32. Defendant has failed, and continues to fail, to provide clear and reasonable warnings

1 regarding the reproductive toxicity of lead to users of the Products.

2 33. By committing the acts alleged above, Defendant has at all times relevant to this  
3 Complaint violated Proposition 65 by knowingly and intentionally exposing individuals to lead  
4 without first giving clear and reasonable warnings to such individuals regarding the reproductive  
5 toxicity of lead.

6 **PRAYER FOR RELIEF**

7 Wherefore, Plaintiff prays for judgment against Defendant as follows:

8 1. That the Court, pursuant to Health & Safety Code § 25249.7(b), assess civil penalties  
9 against the Defendant in the amount of \$2,500 per day for each violation of Proposition 65;

10 2. That the Court, pursuant to Health & Safety Code § 25249.7(a), preliminarily and  
11 permanently enjoin Defendant from offering the Product for sale in California without either  
12 reformulating the Products such that no Proposition 65 warnings are required or providing prior  
13 clear and reasonable warnings, as Plaintiff shall specify in further application to the Court;

14 3. That the Court, pursuant to Health & Safety Code § 25249.7(a), order Defendant to  
15 take action to stop ongoing unwarranted exposures to lead resulting from use of Product sold, as  
16 Plaintiff shall specify in further application to the Court;

17 4. That the Court, pursuant to Code of Civil Procedure § 1021.5 or any other  
18 applicable theory or doctrine, grant Plaintiff her reasonable attorneys' fees and costs of suit; and

19 5. That the Court grant such other and further relief as may be just and proper.
