Plaintiff, SAFE PRODUCTS FOR CALIFORNIANS, LLC (“Plaintiff”), alleges as follows:

**SUMMARY**

1. This is a representative action brought by Plaintiff in the public interest of the citizens of the State of California to enforce the public’s right to be informed of the health hazards caused by exposures to di(2-ethylhexyl) phthalate (“DEHP”), a toxic chemical found in and on the products manufactured, distributed, and/or sold by Defendants, AMAZON.COM, INC.; GADGETSMAP LLC, previously named as DOE 150; and DOES 1 THROUGH 149, inclusive (collectively “Defendants”), as set forth below.

1           2.       By this Complaint, Plaintiff seeks to remedy Defendants’ continuing failure to  
2 warn individuals not covered by California’s Occupational Safety Health Act, Labor Code  
3 § 6300, *et seq.* (“OSHA”), who purchase, use, or handle Defendants’ products, about the risks  
4 of exposure to DEHP present in and on the products manufactured, distributed, and sold  
5 throughout the State of California. Individuals not covered by OSHA who purchase, use, or  
6 handle Defendants’ products are referred to hereinafter as “Consumers.”

7           3.       Detectable levels of DEHP are found in and on the luminous soft fishing lures  
8 that Defendants manufacture, distribute, and/or offer for sale to Consumers throughout the  
9 State of California.

10          4.       Under the Safe Drinking Water and Toxic Enforcement Act of 1986, codified at  
11 Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”), “[n]o person in the course of  
12 doing business shall knowingly and intentionally expose any individual to a chemical known to  
13 the state to cause cancer or reproductive toxicity without first giving clear and reasonable  
14 warning to such individual ...” Health & Safety Code § 25249.6.

15          5.       Pursuant to Proposition 65, on January 1, 1988, California identified and listed  
16 DEHP as a chemical known to cause cancer, birth defects and reproductive harm. DEHP  
17 became subject to the “clear and reasonable warning” requirements of Proposition 65 one year  
18 later on January 1, 1989. Cal. Code Regs. tit. 27, § 27001(c); Health & Safety Code § 25249.8.

19          6.       Defendants manufacture, distribute, import, sell, and offer for sale without  
20 health warnings in the State of California, luminous soft fishing lures that contain excessive  
21 levels of DEHP including, but not limited to, “OriGlam 10PCS 7cm Luminous Green Night  
22 Soft Fishing Lure Bait Kit Lure with Hook Artificial Bait” Item #27534-70, ASIN  
23 #B01NBKU2M9. All such products containing DEHP are referred to collectively hereinafter  
24 as “Products.”

25          7.       Defendants’ failure to warn Consumers in the State of California of the health  
26 hazards associated with exposures to DEHP in conjunction with Defendants’ sales of the  
27 Products are violations of Proposition 65, and subject Defendants, and each of them, to  
28 enjoinder of such conduct as well as civil penalties for each violation. Health & Safety Code

1 § 25249.7(a) & (b)(1).

2 8. For Defendants' violations of Proposition 65, Plaintiff seeks preliminary and  
3 permanent injunctive relief to compel Defendants to provide Consumers of the Products with  
4 the required warning regarding the health hazards associated with exposures to DEHP. Health  
5 & Safety Code § 25249.7(a).

6 9. Pursuant to Health & Safety Code § 25249.7(b), Plaintiff also seeks civil  
7 penalties against Defendants for their violations of Proposition 65.

### 8 **JURISDICTION AND VENUE**

9 10. The California Superior Court has jurisdiction over this action pursuant to  
10 California Constitution Article VI, section 10, which grants the Superior Court "original  
11 jurisdiction in all cases except those given by statute to other trial courts." The statute under  
12 which this action is brought does not specify any other basis of subject matter jurisdiction.

13 11. The California Superior Court has jurisdiction over Defendants based on  
14 Plaintiff's information and good faith belief that Defendants are each a person, firm,  
15 corporation, or association that is a citizen of the State of California, has sufficient minimum  
16 contacts in the State of California, and/or purposefully avails itself of the California market.  
17 Defendants' purposeful availment renders the exercise of personal jurisdiction by California  
18 courts consistent with traditional notions of fair play and substantial justice.

19 12. Venue is proper in the Superior Court for the County of Santa Clara, pursuant to  
20 Code of Civil Procedure §§ 393, 395, and 395.5, because this Court is a court of competent  
21 jurisdiction, because Plaintiff seeks civil penalties against Defendants, because one or more  
22 instances of wrongful conduct occurred, and continue to occur, in this county, and/or because  
23 Defendants conducted, and continue to conduct, business in Santa Clara County with respect to  
24 the Products.

### 25 **PARTIES**

26 13. Plaintiff is a limited liability California company with its principal place of  
27 business within the State of California, County of Santa Clara. Plaintiff seeks to reduce or  
28 eliminate the presence of hazardous substances in consumer products sold in California, and to

1 ensure that California consumers are aware of the presence of such substances in consumer  
2 goods so that they can make an educated effort to limit their own exposure where deemed  
3 necessary. Plaintiff brings this action in the public interest pursuant to Health & Safety Code  
4 § 25249.7(d).

5 14. Defendants AMAZON.COM, INC. and GADGETSMAP LLC are each persons  
6 in the course of doing business within the meaning of Health & Safety Code §§ 25249.6 and  
7 25249.11.

8 15. Defendants manufacture, import, distribute, sell, and/or offer the Products for  
9 sale or use in the State of California, or imply by their conduct that they manufacture, import,  
10 distribute, sell, and/or offer the Products for sale or use in the State of California.

11 16. Defendants DOES 1 THROUGH 50, inclusive (“Manufacturer Defendants”),  
12 are each a person in the course of doing business within the meaning of Health & Safety Code  
13 §§ 25249.6 and 25249.11.

14 17. Manufacturer Defendants, and each of them, research, test, design, assemble,  
15 fabricate, and manufacture, or each implies by its conduct that it researches, tests, designs,  
16 assembles, fabricates, and manufactures, one or more of the Products offered for sale or use in  
17 California.

18 18. Defendants DOES 51 THROUGH 100, inclusive (“Distributor Defendants”),  
19 are each a person in the course of doing business within the meaning of Health & Safety Code  
20 §§ 25249.6 and 25249.11.

21 19. Distributor Defendants, and each of them, distribute, exchange, transfer,  
22 process, and transport one or more of the Products to individuals, businesses, or retailers for  
23 sale or use in the State of California, or each implies by its conduct that it distributes,  
24 exchanges, transfers, processes, and transports one or more of the Products to individuals,  
25 businesses, or retailers for sale or use in the State of California.

26 20. Defendants DOES 101 THROUGH 149, inclusive (“Retailer Defendants”), are  
27 each a person in the course of doing business within the meaning of Health & Safety Code  
28 §§ 25249.6 and 25249.11.

21.     Retailer Defendants, and each of them, offer the Products for sale to individuals in the State of California.

22. At this time, the true names of Defendants DOES 1 THROUGH 149, inclusive, are unknown to Plaintiff, who, therefore, sues said defendants by their fictitious names pursuant to Code of Civil Procedure § 474. Plaintiff is informed and believes, and on that basis alleges, that each of the fictitiously named defendants is responsible for the acts and occurrences alleged herein. When ascertained, their true names shall be reflected in an amended complaint.

### FIRST CAUSE OF ACTION

## Violation of Proposition 65

23. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

24. Plaintiff is informed and believes, and on that basis alleges, that each of the Defendants employs ten or more persons.

25. In enacting Proposition 65, in the preamble to the Safe Drinking Water and Toxic Enforcement Act of 1986, the People of California expressly declared their right “[t]o be informed about exposures to chemicals that cause cancer, birth defects, or other reproductive harm.”

26. Proposition 65 states, “[no] person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual ...” Health & Safety Code § 25249.6.

27. On August 30, 2017, Plaintiff served a sixty-day notice of violation, including the attachment of a Certificate of Merit affirming that Plaintiff's counsel had consulted with at least one person with relevant and appropriate expertise who reviewed relevant data regarding the alleged exposures to DEHP and that counsel believed there was meritorious and reasonable cause for a public action, on Defendants AMAZON.COM, INC., the California Attorney General's Office, and the requisite public enforcement agencies, alleging that, as a result of

1 Defendants' sales of the Products, Consumers in the State of California are being exposed to  
2 DEHP resulting from their reasonably foreseeable use of the Products, without the Consumers  
3 first receiving a "clear and reasonable warning" regarding the harms associated with exposures  
4 to DEHP, as required by Proposition 65.

5 28. On May 18, 2018, Plaintiff served a supplemental sixty-day notice of violation,  
6 including the attachment of a Certificate of Merit affirming that Plaintiff's counsel had  
7 consulted with at least one person with relevant and appropriate expertise who reviewed  
8 relevant data regarding the alleged exposures to DEHP and that counsel believed there was  
9 meritorious and reasonable cause for a public action, on Defendants AMAZON.COM, INC.,  
10 GADGETSMAP LLC, the California Attorney General's Office, and the requisite public  
11 enforcement agencies, alleging that, as a result of Defendants' sales of the Products,  
12 Consumers in the State of California are being exposed to DEHP resulting from their  
13 reasonably foreseeable use of the Products, without the Consumers first receiving a "clear and  
14 reasonable warning" regarding the harms associated with exposures to DEHP, as required by  
15 Proposition 65.

16 29. Defendants manufacture, import, distribute, sell, and offer the Products for sale  
17 or use in violation of Health & Safety Code § 25249.6, and Defendants' violations have  
18 continued beyond their receipt of Plaintiff's sixty-day notice of violation. As such, Defendants'  
19 violations are ongoing and continuous in nature and, unless enjoined, will continue in the  
20 future.

21 30. After receiving Plaintiff's sixty-day notice of violation, and to Plaintiff's best  
22 information and belief, no public enforcement agency has commenced and diligently  
23 prosecuted a cause of action against Defendants under Proposition 65 to enforce the alleged  
24 violations that are the subject of Plaintiff's notice of violation.

25 31. The Products that Defendants manufacture, import, distribute, sell, and offer for  
26 sale or use in California cause exposures to DEHP as a result of the reasonably foreseeable use  
27 of the Products. Such exposures caused by Defendants and endured by Consumers in  
28 California are not exempt from the "clear and reasonable" warning requirements of Proposition

65, yet Defendants provide no clear and reasonable warning.

32. Defendants knew or should have known that the Products they manufacture, import, distribute, sell, and offer for sale or use in California contain DEHP.

33. DEHP is present in or on the Products in such a way as to expose Consumers through dermal contact, inhalation, and/or ingestion during reasonably foreseeable use.

34. The normal and reasonably foreseeable use of the Products has caused, and continues to cause, consumer exposures to DEHP, as defined by title 27 of the California Code of Regulations, section 25602(b).

35. Defendants know that the normal and reasonably foreseeable use of the Products exposes individuals to DEHP through dermal contact, inhalation, and/or ingestion.

36. Defendants intend that exposures to DEHP through the reasonably foreseeable use of the Products will occur by their deliberate, non-accidental participation in the manufacture, importation, distribution, sale, and offering of the Products for sale or use to Consumers in California.

37. Defendants failed to provide a “clear and reasonable warning” to those Consumers in California who have been, or will be, exposed to DEHP through dermal contact, inhalation, and/or ingestion resulting from their use of the Products.

38. Contrary to the express policy and statutory prohibition of Proposition 65 enacted directly by California voters, consumers exposed to DEHP through dermal contact, inhalation, and/or ingestion as a result of their use of the Products that Defendants sold without a “clear and reasonable” health hazard warning have suffered, and continue to suffer, irreparable harm for which they have no plain, speedy, or adequate remedy at law.

39. Pursuant to Health & Safety Code § 25249.7(b), as a consequence of the above-described acts, Defendants, and each of them, are liable for a maximum civil penalty of \$2,500 per day for each violation.

40. As a consequence of the above-described acts, Health & Safety Code § 25249.7(a) also specifically authorizes the Court to grant injunctive relief against Defendants.

1 **PRAYER FOR RELIEF**

2 WHEREFORE, Plaintiff prays judgment against Defendants, and each of them, for:

- 3 1. Civil penalties in the amount of \$2,500 per day for each violation, pursuant to  
4 Health & Safety Code § 25249.7(b);
- 5 2. Preliminary and permanent injunctions mandating that Defendants recall all  
6 Products currently in the chain of commerce in California without a “clear and  
7 reasonable warning” as defined by California Code of Regulations title 27,  
8 section 25601, *et seq.*;
- 9 3. That the Court, pursuant to Health & Safety Code § 25249.7(a), preliminarily  
10 and permanently enjoin Defendants from manufacturing, distributing, or  
11 offering the Products for sale or use in California without first providing a  
12 “clear and reasonable warning” in accordance with title 27 of the California  
13 Code of Regulations, section 25601, *et seq.*, regarding the harms associated with  
14 DEHP;
- 15 4. Plaintiff’s reasonable attorney’s fees and costs of suit; and
- 16 5. For such other and further relief as the Court deems proper.
