1 **INTRODUCTION**

2 1. This Complaint is brought by Plaintiff, APS&EE, LLC (“Plaintiff”) in the public
3 interest of the citizens of the State of California, a representative action to enforce the People’s
4 right to be informed of the presence of lead (“Lead”), a chemical known to the State of
5 California to cause cancer and birth defects or other reproductive harm, found in mugs with
6 exterior decorations sold by Defendants.

7 2. The purpose of this Complaint is to remedy Defendants’ continuing failure to
8 warn California residents about the risk of exposure to the Lead in the mugs manufactured,
9 distributed, sold, and/or offered for sale to consumers in California.

10 3. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell
11 the ceramic mugs with exterior decorations containing dangerous levels of the Lead, including,
12 without limitation: Stechcol impressions mug (#2040, 3040, 1118, 2051072). The products
13 described in this paragraph shall hereinafter be referred to as the “Products”.

14 4. Children and adults are exposed to the Lead when they use, touch, handle, play
15 with, repair, maintain, install, eat and/or drink from, the Products.

16 5. Hazardous levels of the Lead are found in the accessible surface areas of the
17 Products manufactured, distributed, sold, and/or offered for sale by Defendants to consumers in
18 California.

19 6. California Health and Safety Code section 25249.6 et seq. (“Proposition 65”)
20 provides in pertinent part: “[n]o person in the course of doing business shall knowingly and
21 intentionally expose any individual to a chemical known to the state to cause cancer or
22 reproductive toxicity without first giving clear and reasonable warning to such individual...”

23 7. Studies repeatedly conclude that exposure to the Lead is hazardous to the health
24 of children and adults. Children are especially vulnerable to the toxic effects of Lead.
25 Accordingly, California has listed the Lead as a chemical known to the state to cause cancer and
26 birth defects or other reproductive harm, and therefore subject to Proposition 65 warning
27 requirements.

28 8. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell

1 the Products without the required warnings. Defendants' conduct violates the warning
2 requirements of Proposition 65.

3 **PARTIES**

4 9. Plaintiff is an organization based in California acting in the public interest.
5 Plaintiff brings this action in the public interest pursuant to California Health and Safety Code
6 section 25249.7(d).

7 10. Defendant, COASTLINE IMPORTS, INC. is a person in the course of doing
8 business within the meaning of California Health and Safety Code section 25249.11.
9 COASTLINE IMPORTS, INC. manufactures, distributes, and/or sells the Products for sale and
10 use in California.

11 11. DOES 1 through 100 are each a person in the course of doing business within the
12 meaning of California Health and Safety Code section 25249.11. DOES 1 through 100
13 manufacture, distribute, and/or sell the Products for sale and use in California. The true names of
14 DOES 1 through 100 are unknown to Plaintiff at this time. When their identities are discovered,
15 Plaintiff's Complaint shall be amended to reflect their true names.

16 12. The defendants identified in paragraphs 10-11 shall collectively be referred to
17 herein as "Defendants".

18 **JURISDICTION AND VENUE**

19 13. This Court has jurisdiction over this action pursuant to California Health and
20 Safety Code section 25249.7, which allows enforcement in any court of competent jurisdiction,
21 and pursuant to California Constitution Article VI, Section 10, because this lawsuit is based on a
22 cause not given by statute to other trial courts. Moreover, this action belongs in unlimited
23 jurisdiction since the amount in controversy exceeds \$25,000 and Plaintiff seeks permanent
24 injunctive relief.

25 14. This Court has jurisdiction over Defendants because each is a person, firm,
26 corporation, or association with sufficient minimum contacts in the State of California, or
27 otherwise purposefully avails itself to the California market as to render jurisdiction by the
28 California courts consistent with traditional notions of fair play and substantial justice.

1 consumers, including children, who use, touch, handle, play with, repair, maintain, install, eat
2 and/or drink from the Products are exposed to unsafe levels of Lead. Lead is present in the
3 Products in such a way as to expose individuals to Lead, as exposure is defined by 27 CCR
4 section 25602(b): "...that results from a person's acquisition, purchase, storage, consumption, or
5 other reasonably foreseeable use..." Direct and indirect exposure occurs through inhalation,
6 ingestion and/or dermal contact during the reasonably foreseeable use of the Products.

7 24. Defendants knew or should have known that the reasonably foreseeable use of the
8 Products exposes individuals to Lead through inhalation, ingestion and/or dermal contact.

9 25. Defendants failed to provide a "clear and reasonable warning" to individuals in
10 the State of California who were or could become exposed to Lead during the reasonably
11 foreseeable use of the Products.

12 26. By committing the acts alleged in this Complaint, Defendants have violated
13 California Health & Safety Code section 25249.6 et seq. by knowingly and intentionally
14 exposing individuals to Lead without first giving clear and reasonable warnings to such
15 individuals regarding the toxicity of Lead.

16 27. As a result of Defendants' wrongful conduct, individuals in the State of California
17 have been exposed to Lead through the inhalation, ingestion and/or dermal contact during the
18 reasonably foreseeable use of the Products without a "clear and reasonable warning", and have
19 suffered and continue to suffer harm, each and every day since at least January 3, 2016.

20 **PRAYER FOR RELIEF**

21 **WHEREFORE**, Plaintiff prays for judgment against Defendants as follows:

22 1. That the Court, pursuant to California Health & Safety Code section 25249.7(b),
23 assess civil penalties against Defendants in the amount of \$2,500 per day for each violation
24 alleged herein;

25 2. That the Court, pursuant to California Health & Safety Code section 25249.7(a),
26 preliminarily and permanently enjoin Defendants from manufacturing, distributing, or offering
27 the Products for sale in California without providing "clear and reasonable warnings" as defined
28 by 27 CCR section 25601;
