1 **INTRODUCTION**

2 1. This Complaint is brought by Plaintiff, APS&EE, LLC (“Plaintiff”) in the public
3 interest of the citizens of the State of California, a representative action to enforce the People’s
4 right to be informed of the presence of lead (“Lead”), a chemical known to the State of
5 California to cause cancer and birth defects or other reproductive harm, found in Everbilt Anchor
6 Bolts sold by Defendants.

7 2. The purpose of this Complaint is to remedy Defendants’ continuing failure to
8 warn California residents about the risk of exposure to the Lead in the Everbilt Anchor Bolts
9 manufactured, distributed, sold, and/or offered for sale to consumers in California.

10 3. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell
11 Everbilt Anchor Bolts, including Hex Head, 10”. The Everbilt Anchor Bolts come in various
12 lengths, widths, and dimensions. The products described in this paragraph shall hereinafter be
13 referred to as the “Products”.

14 4. Children and adults are exposed to the Lead when they use, touch, handle, play
15 with, repair, maintain, or install the Products.

16 5. Hazardous levels of the Lead are found in the accessible surface areas of the
17 Products manufactured, distributed, sold, and/or offered for sale by Defendants to consumers in
18 California.

19 6. California Health and Safety Code section 25249.6 et seq. (“Proposition 65”)
20 provides in pertinent part: “[n]o person in the course of doing business shall knowingly and
21 intentionally expose any individual to a chemical known to the state to cause cancer or
22 reproductive toxicity without first giving clear and reasonable warning to such individual...”

23 7. Studies repeatedly conclude that exposure to the Lead is hazardous to the health
24 of children and adults. Children are especially vulnerable to the toxic effects of Lead.
25 Accordingly, California has listed the Lead as a chemical known to the state to cause cancer and
26 birth defects or other reproductive harm, and therefore subject to Proposition 65 warning
27 requirements.

28 8. Defendants have and continue to manufacture, distribute, sell, and/or offer to sell

1 the Products without the required warnings. Defendants' conduct violates the warning
2 requirements of Proposition 65.

3 **PARTIES**

4 9. Plaintiff is an organization based in California acting in the public interest.
5 Plaintiff brings this action in the public interest pursuant to California Health and Safety Code
6 section 25249.7(d).

7 10. Defendant, HOME DEPOT, U.S.A., INC. is a person in the course of doing
8 business within the meaning of California Health and Safety Code section 25249.11. HOME
9 DEPOT, U.S.A., INC. manufactures, distributes, and/or sells the Products for sale and use in
10 California.

11 11. Defendant, HOME DEPOT, INC. is a person in the course of doing business
12 within the meaning of California Health and Safety Code section 25249.11. HOME DEPOT,
13 INC. manufactures, distributes, and/or sells the Products for sale and use in California.

14 12. Defendant, HOME DEPOT PRODUCT AUTHORITY, LLC is a person in the
15 course of doing business within the meaning of California Health and Safety Code section
16 25249.11. HOME DEPOT PRODUCT AUTHORITY, LLC manufactures, distributes, and/or
17 sells the Products for sale and use in California.

18 13. DOES 1 through 100 are each a person in the course of doing business within the
19 meaning of California Health and Safety Code section 25249.11. DOES 1 through 100
20 manufacture, distribute, and/or sell the Products for sale and use in California. The true names of
21 DOES 1 through 100 are unknown to Plaintiff at this time. When their identities are discovered,
22 Plaintiff's Complaint shall be amended to reflect their true names.

23 14. The defendants identified in paragraphs 10-13 shall collectively be referred to
24 herein as "Defendants".

25 **JURISDICTION AND VENUE**

26 15. This Court has jurisdiction over this action pursuant to California Health and
27 Safety Code section 25249.7, which allows enforcement in any court of competent jurisdiction,
28 and pursuant to California Constitution Article VI, Section 10, because this lawsuit is based on a

1 cause not given by statute to other trial courts. Moreover, this action belongs in unlimited
2 jurisdiction since the amount in controversy exceeds \$25,000 and Plaintiff seeks permanent
3 injunctive relief.

4 16. This Court has jurisdiction over Defendants because each is a person, firm,
5 corporation, or association with sufficient minimum contacts in the State of California, or
6 otherwise purposefully avails itself to the California market as to render jurisdiction by the
7 California courts consistent with traditional notions of fair play and substantial justice.

8 17. Venue is proper in Los Angeles County Superior Court because one or more
9 occurrences of the wrongful conduct occurred, and continues to occur, in Los Angeles County,
10 and/or because Defendants conducted, and continue to conduct, business in this County with
11 respect to the Products.

12 **FIRST CAUSE OF ACTION**

13 **(Violations of Health & Safety Code Section 25249.6 et seq.)**

14 18. Plaintiff re-alleges and incorporates by reference, as if fully set forth herein,
15 Paragraphs 1 through 17, inclusive.

16 19. On January 17, 2020, Plaintiff served a sixty-day notice of violation (the
17 “Notice”), along with a Certificate of Merit, to HOME DEPOT, U.S.A., INC., HOME DEPOT,
18 INC., HOME DEPOT PRODUCT AUTHORITY, LLC, and the various public enforcement
19 agencies with respect to the Proposition 65 violations related to Lead in the Products. In addition,
20 on said date, in compliance with Health & Safety Code section 25249.7(d), confidential factual
21 information sufficient to establish the basis for the Certificate of Merit was provided to the
22 California Attorney General.

23 20. None of the public prosecutors with the authority to prosecute Proposition 65
24 violations has commenced and/or is diligently prosecuting the causes of action against
25 Defendants based on the claims asserted in Plaintiff’s Notice.

26 21. By placing the Products into the stream of commerce, each Defendant is a person
27 in the course of doing business within the meaning of Health & Safety Code section 25249.11.

28 22. Defendants knew and intended that consumers, including children, will use,

1 touch, handle, play with, repair, maintain, or install the Products.

2 23. Defendants knew that the Products contain Lead. Defendants, who are in the
3 business of marketing home improvement products, also should have known or have
4 constructive knowledge that the Products contain Lead from widespread media coverage and/or
5 other channels of information concerning the presence of Lead in similar products.

6 24. Lead is a chemical listed by the State of California as known to cause cancer and
7 birth defects or other reproductive harm.

8 25. Defendants' Products contain sufficient quantities of the Lead such that
9 consumers, including children, who use, touch, handle, play with, repair, maintain, or install the
10 Products are exposed to unsafe levels of Lead. Lead is present in the Products in such a way as to
11 expose individuals to Lead, as exposure is defined by 27 CCR section 25600.1(e): "...that results
12 from a person's acquisition, purchase, storage, consumption, or any reasonably foreseeable
13 use..." Exposure occurs through inhalation, ingestion and/or dermal contact during the
14 reasonably foreseeable use of the Products.

15 26. Defendants knew or should have known that the reasonably foreseeable use of the
16 Products exposes individuals to Lead through inhalation, ingestion and/or dermal contact.

17 27. Defendants failed to provide a "clear and reasonable warning" to individuals in
18 the State of California who were or could become exposed to Lead during the reasonably
19 foreseeable use of the Products.

20 28. By committing the acts alleged in this Complaint, Defendants have violated
21 California Health & Safety Code section 25249.6 et seq. by knowingly and intentionally
22 exposing individuals to Lead without first giving clear and reasonable warnings to such
23 individuals regarding the toxicity of Lead.

24 29. As a result of Defendants' wrongful conduct, individuals in the State of California
25 have been exposed to Lead through the inhalation, ingestion and/or dermal contact during the
26 reasonably foreseeable use of the Products without a "clear and reasonable warning", and have
27 suffered and continue to suffer harm, each and every day since at least January 17, 2017.

28 **PRAYER FOR RELIEF**

1 **WHEREFORE**, Plaintiff prays for judgment against Defendants as follows:

2 1. That the Court, pursuant to California Health & Safety Code section 25249.7(b),
3 assess civil penalties against Defendants in the amount of \$2,500 per day for each violation
4 alleged herein;

5 2. That the Court, pursuant to California Health & Safety Code section 25249.7(a),
6 preliminarily and permanently enjoin Defendants from manufacturing, distributing, or offering
7 the Products for sale in California without providing “clear and reasonable warnings” as defined
8 by 27 CCR section 25601;

9 3. That the Court, pursuant to California Health & Safety Code section 25249.7(a),
10 order Defendants to take action to stop ongoing unwarned exposures to Lead resulting from use
11 of Products sold by Defendants;

12 4. That the Court, pursuant to California Code of Civil Procedure section 1021.5, or
13 any other applicable theory, grant Plaintiff’s reasonable attorneys’ fees and costs of suit; and

14 5. Such other and further relief as may be just and proper.
