Case No.: **23CV025504**

**COMPLAINT FOR CIVIL PENALTIES  
AND INJUNCTIVE RELIEF**

(Health & Safety Code § 25249.6 et seq.)

**I.**  
**INTRODUCTION**

1  
2           1.       This Complaint is a representative action brought by Environmental Health Advocates,  
3 Inc. (“Plaintiff”) in the public interest of the citizens of the State of California (“the People”). Plaintiff  
4 seeks to remedy Defendants’ failure to inform the People of exposure to lead, a known carcinogen.  
5 Defendants expose consumers to lead by manufacturing, importing, selling, and/or distributing turmeric  
6 powder including, but not limited to, Sunwarrior Turmeric Root Powder 490g (“Products”). Defendants  
7 know and intend that customers will ingest Products containing lead.

8           2.       Under California’s Safe Drinking Water and Toxic Enforcement Act of 1986, California  
9 Health and Safety Code, section 25249.6 et seq. (“Proposition 65”), “[n]o person in the course of doing  
10 business shall knowingly and intentionally expose any individual to a chemical known to the state to  
11 cause cancer or reproductive toxicity without first giving clear and reasonable warning to such  
12 individual. . . .” (Health & Safety Code, § 25249.6.)

13           3.       California identified and listed lead as a chemical known to cause cancer as early as  
14 October 1, 1992, and as a chemical known to cause developmental/reproductive toxicity on February  
15 27, 1987.

16           4.       Defendants failed to sufficiently warn consumers and individuals in California about  
17 potential exposure to lead in connection with Defendants’ manufacture, import, sale, or distribution of  
18 Products. This is a violation of Proposition 65.

19           5.       Plaintiff seeks injunctive relief compelling Defendants to sufficiently warn consumers  
20 in California before exposing them to lead in Products. (Health & Safety Code, § 25249.7(a).) Plaintiff  
21 also seeks civil penalties against Defendants for its violations of Proposition 65 along with attorney’s  
22 fees and costs. (Health & Safety Code, § 25249.7(b).)
