Attorneys for Plaintiff
MICHAEL DIPIRRO

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF ALAMEDA
UNLIMITED CIVIL JURISDICTION

MICHAEL DIPIRRO,

Plaintiff,

v.

MAN-HOW INC.; and DOES 1-150,

Defendants.

Case No. **24CV103519**

**COMPLAINT FOR CIVIL PENALTIES
AND INJUNCTIVE RELIEF**

(Health & Safety Code. § 25249.6 *et seq.*)

1 **NATURE OF THE ACTION**

2 1. This Complaint is a representative action brought by plaintiff MICHAEL
3 DIPIRRO in the public interest of the citizens of California to enforce the People’s right to be
4 informed of the presence of diisononyl phthalate (“DINP”), a toxic chemical, for exposures
5 created by the use of the Vinyl Carry Bag.

6 2. Defendants are the manufacturers, distributors, and/or California retailers of the
7 Vinyl Carry Bag.

8 3. The normal and foreseeable use of the above product manufactured, distributed,
9 and/or sold in California results in high levels of exposure to DINP that require health hazard
10 warnings under Proposition 65. All such products are referred to collectively hereinafter as the
11 “PRODUCTS.”

12 4. By this Complaint, plaintiff seeks to remedy defendants’ continuing failure to
13 warn California citizens about the risk of exposure to DINP from the use of the PRODUCTS
14 that are manufactured, distributed, and/or offered for sale or use to consumers throughout the
15 State of California without the requisite health hazard warnings.

16 5. Under the *Safe Drinking Water and Toxic Enforcement Act of 1986*, codified at
17 *Health and Safety Code section 25249.6 et seq.* (“Proposition 65”), “[n]o person in the course of
18 doing business shall knowingly and intentionally expose any individual to a chemical known to
19 the state to cause cancer or reproductive toxicity without first giving clear and reasonable
20 warning to such individual ...” *Health & Safety Code § 25249.6*.

21 6. Pursuant to Proposition 65, on December 20, 2013, California identified and listed
22 DINP as a chemical known to cause cancer. DINP became subject to the “clear and reasonable
23 warning” requirements of the act one year later on December 20, 2014, for cancer. *Cal. Code*
24 *Regs. tit. 27, § 27001(c); Health & Safety Code §§ 25249.8 & 25249.10(b)*. DINP is referred to
25 hereinafter as the “LISTED CHEMICAL.”

26 7. Defendants’ failure to warn consumers and other individuals in the State of
27 California about their exposure to the LISTED CHEMICAL in conjunction with defendants’
28

1 sales of the PRODUCTS is a violation of Proposition 65, and subjects defendants to enjoinder
2 of such conduct as well as civil penalties for each violation. *Health & Safety Code § 25249.7(a)*
3 & (b)(1).

4 8. For defendants' violations of Proposition 65, plaintiff seeks preliminary and
5 permanent injunctive relief to compel defendants to provide purchasers or users of the
6 PRODUCTS with the required warning regarding the health hazards of the LISTED
7 CHEMICAL. *Health & Safety Code § 25249.7(a)*.

8 9. Pursuant to *Health and Safety Code section 25249.7(b)*, plaintiff also seeks civil
9 penalties against defendants for their violations of Proposition 65.

10 **PARTIES**

11 10. Plaintiff MICHAEL DIPIRRO is a citizen of the State of California who is
12 dedicated to protecting the health of California citizens through the elimination or reduction of
13 toxic exposures from consumer products; and he brings this action in the public interest
14 pursuant to *Health and Safety Code section 25249.7(d)*.

15 11. Named defendant herein is a person in the course of doing business within the
16 meaning of *Health and Safety Code section 25249.11*. In this case, the named defendant is
17 Man-How Inc. (Man-How).

18 12. MAN-HOW manufactures (or otherwise processes for sale),
19 distributes, and/or offers the PRODUCTS for sale or use in the State of California, or implies by
20 its conduct that it manufactures, distributes, and/or offers the PRODUCTS for sale or use in the
21 State of California.

22 13. Defendants DOES 1-50 ("MANUFACTURER DEFENDANTS") are each a
23 person in the course of doing business within the meaning of *Health and Safety Code section*
24 *25249.11*.

25 14. MANUFACTURER DEFENDANTS research, test, design, assemble, fabricate,
26 cultivate, harvest and/or manufacture, or imply by their conduct that they research, test, design,
27
28

1 assemble, fabricate, cultivate, harvest and/or manufacture one or more of the PRODUCTS
2 offered for sale or use in the State of California.

3 15. Defendants DOES 51-100 (“DISTRIBUTOR DEFENDANTS”) are each a person
4 in the course of doing business within the meaning of *Health and Safety Code section 25249.11*.

5 16. DISTRIBUTOR DEFENDANTS distribute, exchange, transfer, process, and/or
6 transport one or more of the PRODUCTS to individuals, businesses, or retailers for sale or use
7 in the State of California.

8 17. Defendants DOES 101-150 (“RETAILER DEFENDANTS”) are each a person in
9 the course of doing business within the meaning of *Health and Safety Code section 25249.11*.

10 18. RETAILER DEFENDANTS offer the PRODUCTS for sale to individuals in the
11 State of California.

12 19. At this time, the true names of defendants DOES 1 through 150, inclusive, are
13 unknown to plaintiff, who, therefore, sues said defendants by their fictitious names pursuant to
14 Code of Civil Procedure section 474. Plaintiff is informed and believes, and on that basis
15 alleges, that each of the fictitiously named defendants is responsible for the acts and occurrences
16 alleged herein. When ascertained, their true names shall be reflected in an amended complaint.
17 Specifically named defendants and all “Doe” Defendants are hereinafter collectively referred to
18 as “DEFENDANTS”.

19 20 **VENUE AND JURISDICTION**

21 20. Venue is proper in the Alameda County Superior Court, pursuant to Code of Civil
22 Procedure sections 393, 395, and 395.5, because this Court is a court of competent jurisdiction,
23 because one or more instances of wrongful conduct occurred, and continue to occur, in Alameda
24 County, and/or because DEFENDANTS conducted, and continue to conduct, business in this
25 county with respect to the PRODUCTS.

26 21. The California Superior Court has jurisdiction over this action pursuant to
27 *California Constitution Article VI, section 10*, which grants the Superior Court “original
28

jurisdiction in all causes except those given by statute to other trial courts.” The statute under which this action is brought does not specify any other basis of subject matter jurisdiction.

22. The California Superior Court has jurisdiction over DEFENDANTS based on plaintiff’s information and good faith belief that each defendant is a person, firm, corporation or association that is a citizen of the State of California, has sufficient minimum contacts in the State of California, and/or otherwise purposefully avails itself of the California market. DEFENDANTS’ purposeful availment renders the exercise of personal jurisdiction by California courts consistent with traditional notions of fair play and substantial justice.

FIRST CAUSE OF ACTION

(Violation of Proposition 65 - Against All Defendants)

23. Plaintiff realleges and incorporates by reference, as if fully set forth herein, Paragraphs 1 through 22, inclusive.

24. In enacting Proposition 65, in the preamble to the *Safe Drinking Water and Toxic Enforcement Act of 1986*, the People of California expressly declare their right “[t]o be informed about exposures to chemicals that cause cancer, birth defects, or other reproductive harm.”

25. Proposition 65 states, “[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual” *Health & Safety Code § 25249.6*.

26. On August 16, 2024, plaintiff’s 60-Day Notice of Violation, together with the requisite certificate of merit, was provided to MAN-HOW and certain public enforcement agencies stating that, as a result of DEFENDANTS’ sales of the PRODUCTS containing the LISTED CHEMICAL, purchasers and users in the State of California were being exposed to the LISTED CHEMICAL resulting from the reasonably foreseeable uses of the PRODUCTS, without the individual purchasers and users first having

1 been provided with a “clear and reasonable warning” regarding such toxic exposures, as
2 required by Proposition 65.

3 27. DEFENDANTS have engaged in the manufacture, distribution, and/or offering of
4 the PRODUCTS for sale or use in violation of Health and Safety Code section 25249.6, and
5 such violations have continued to occur beyond DEFENDANTS’ receipt of plaintiff’s 60-Day
6 Notices of Violation. As such, DEFENDANTS’ violations are ongoing and continuous in
7 nature, and will continue to occur in the future.

8 28. After receiving the claims asserted in the 60-day Notices of Violation, the
9 appropriate public enforcement agencies have failed to commence and diligently prosecute a
10 cause of action against DEFENDANTS under Proposition 65.

11 29. The PRODUCTS manufactured, distributed, and offered for sale or use in
12 California by DEFENDANTS contain the LISTED CHEMICAL in amounts above the
13 allowable state limits, such that they require a “clear and reasonable” warning under Proposition
14 65.

15 30. DEFENDANTS knew or should have known that the PRODUCTS they
16 manufacture, distribute, and offer for sale or use in California contain the LISTED
17 CHEMICAL.

18 31. The exposures to the LISTED CHEMICAL result from the normal use of the
19 PRODUCTS in such a way as to expose individuals through dermal contact during reasonably
20 foreseeable use.

21 32. The normal and reasonably foreseeable uses of the PRODUCTS have caused, and
22 continue to cause, consumer exposures to the LISTED CHEMICAL, as such exposures are
23 defined by California Code of Regulations title 27, section 25602(b).

24 33. DEFENDANTS had knowledge that the normal and reasonably foreseeable uses
25 of the PRODUCTS expose individuals to the LISTED CHEMICAL through dermal contact.

26 34. DEFENDANTS intended that such exposures to the LISTED CHEMICAL from
27 the reasonably foreseeable uses of the PRODUCTS would occur by their deliberate, non-
28

1 accidental participation in the manufacture, distribution, and/or offering of the PRODUCTS for
2 sale or use to individuals in the State of California.

3 35. DEFENDANTS failed to provide a “clear and reasonable warning” to those
4 consumers and other individuals in the State of California who were or who would become
5 exposed to the LISTED CHEMICAL through dermal contact during the reasonably foreseeable
6 uses of the PRODUCTS.

7 36. Contrary to the express policy and statutory prohibition of Proposition 65 enacted
8 directly by California voters, individuals exposed to the LISTED CHEMICAL through dermal
9 contact resulting from the reasonably foreseeable use of the PRODUCTS sold by
10 DEFENDANTS without a “clear and reasonable warning”, have suffered, and continue to
11 suffer, irreparable harm for which they have no plain, speedy, or adequate remedy at law.

12 37. Pursuant to *Health and Safety Code section 25249.7(b)*, as a consequence of the
13 above-described acts, DEFENDANTS are liable for a maximum civil penalty of \$2,500 per day
14 for each violation.

15 38. As a consequence of the above-described acts, *Health and Safety Code*
16 *section 25249.7(a)* also specifically authorizes the Court to grant injunctive relief against
17 DEFENDANTS.

19 /

20 **PRAYER FOR RELIEF**

21 Wherefore, plaintiff prays for judgment against DEFENDANTS as follows:

22 1. That the Court, pursuant to *Health and Safety Code section 25249.7(b)*, assess
23 civil penalties against DEFENDANTS in the amount of \$2,500 per day for each violation;

24 2. That the Court, pursuant to *Health and Safety Code section 25249.7(a)*,
25 preliminarily and permanently enjoin DEFENDANTS from manufacturing, distributing, or
26 offering the PRODUCTS for sale or use in California without first providing a “clear and
27
28

1 reasonable warning” as defined by *California Code of Regulations title 27, section 25601 et*
2 *seq.*, as to the harms associated with exposures to the LISTED CHEMICAL;

3 3. That the Court grant plaintiff his reasonable attorneys’ fees and costs of suit; and

4 4. That the Court grant such other and further relief as may be just and proper.
