**I.**  
**INTRODUCTION**

1  
2           1.       This Complaint is a representative action brought by Environmental Health Advocates,  
3 Inc. (“Plaintiff”) in the public interest of the citizens of the State of California (“the People”). Plaintiff  
4 seeks to remedy Defendants’ failure to inform the People of exposure to lead, a known carcinogen and  
5 reproductive/developmental toxin. Defendants expose consumers to lead by manufacturing, importing,  
6 selling, and/or distributing dumplings including, but not limited to, Sobo Pork & Chive Dumplings  
7 (“Products”). Defendants know and intend that customers will ingest Products containing lead.

8           2.       Under California’s Safe Drinking Water and Toxic Enforcement Act of 1986, California  
9 Health and Safety Code, section 25249.6 et seq. (“Proposition 65”), “[n]o person in the course of doing  
10 business shall knowingly and intentionally expose any individual to a chemical known to the state to  
11 cause cancer or reproductive toxicity without first giving clear and reasonable warning to such  
12 individual. . . .” (Health & Safety Code, § 25249.6.)

13           3.       California identified and listed lead as a chemical known to cause cancer as early as  
14 October 1, 1992, and as a chemical known to cause developmental/reproductive toxicity on February  
15 27, 1987.

16           4.       Defendants failed to sufficiently warn consumers and individuals in California about  
17 potential exposure to lead in connection with Defendants’ manufacture, import, sale, or distribution of  
18 Products. This is a violation of Proposition 65.

19           5.       Plaintiff seeks injunctive relief compelling Defendants to sufficiently warn consumers  
20 in California before exposing them to lead in Products. (Health & Safety Code, § 25249.7(a).) Plaintiff  
21 also seeks civil penalties against Defendants for violations of Proposition 65 along with attorney’s fees  
22 and costs. (Health & Safety Code, § 25249.7(b).)

**II.**  
**PARTIES**

23  
24           6.       Plaintiff ENVIRONMENTAL HEALTH ADVOCATES, INC. (“Plaintiff”) is a  
25 corporation in the State of California dedicated to protecting the health of California citizens through  
26 the elimination or reduction of toxic exposure from consumer products. It brings this action in the public  
27 interest pursuant to Health and Safety Code, section 25249.7.

28 ///

1 The Notice alleged that Defendants violated Proposition 65 by failing to sufficiently warn consumers in  
2 California of the health hazards associated with exposures to lead contained in the Products.

3 22. The appropriate public enforcement agencies provided with the Notice failed to  
4 commence and diligently prosecute a cause of action against Defendants.

5 23. Individuals exposed to lead contained in Products through direct ingestion resulting  
6 from reasonably foreseeable use of the Products have suffered and continue to suffer irreparable harm.  
7 There is no other plain, speedy, or adequate remedy at law.

8 24. Defendants are liable for a maximum civil penalty of \$2,500 per day for each violation  
9 of Proposition 65 pursuant to Health and Safety Code, section 252497(b). Injunctive relief is also  
10 appropriate pursuant to Health and Safety Code, section 25249.7(a).
