10 SUPERIOR COURT OF THE STATE OF CALIFORNIA
11 COUNTY OF SAN FRANCISCO

13 AS YOU SOW, a non-profit corporation,) CASE NO. 313055
14 Plaintiff,)
15 v.) **STIPULATED CONSENT JUDGMENT**
16)
17 MAYWAY CORPORATION, and Does 1-100,)
inclusive,)
18 Defendants.)

1 IT IS HEREBY STIPULATED AND AGREED by the parties hereto, as follows:

2 **WHEREAS:**

3 A. AS YOU SOW is a non-profit foundation dedicated to, among other causes, the
4 protection of the environment, the promotion of human health, the improvement of worker and
5 consumer rights, environmental education, and corporate accountability. AS YOU SOW is based
6 in San Francisco, California and incorporated under the laws of the State of California.

7 B. Mayway is a California corporation that imports, packages, distributes, markets and
8 sells in California certain traditional patent medicines (meaning herbal and patent medicines
9 consisting of single or multiple herbal ingredients, including botanical, mineral and animal
10 products, formulated into tablets, pills, powders and liquids) and their associated ingredients
11 some of which contain chemicals listed pursuant to Title 22, California Code of Regulations,
12 §12000 et seq., (hereafter referred to as the "Products");

13 C. The names of each of the Products covered under this Agreement are set forth in
14 **Exhibit A**, attached hereto;

15 D. On February 27, 1987, the State of California officially listed the chemical lead as a
16 chemical known to cause reproductive toxicity, pursuant to California Health and Safety Code
17 §25249.8;

18 E. On October 1, 1992, the State of California officially listed the chemicals lead and
19 lead compounds as chemicals known to cause cancer, pursuant to California Health and Safety
20 Code §25249.8;

21 F. On May 1, 1997, the State of California officially listed the chemical arsenic as a
22 chemical known to cause reproductive toxicity, pursuant to California Health and Safety Code
23 §25249.8;

24 G. On February 27, 1987, the State of California officially listed the chemical arsenic
25 as a chemical known to cause cancer, pursuant to California Health and Safety Code §25249.8;

26 H. On July 1, 1990, the State of California officially listed the chemical mercury and

1 mercury compounds as chemicals known to cause reproductive toxicity, pursuant to California
2 Health and Safety Code §25249.8;

3 I. On October 1, 1987, the State of California officially listed the chemicals cadmium
4 and cadmium compounds as chemicals known to cause cancer, pursuant to California Health and
5 Safety Code §25249.8;

6 J. On May 1, 1997, the State of California officially listed the chemical cadmium as a
7 chemical known to cause reproductive toxicity, pursuant to California Health and Safety Code
8 §25249.8;

9 K. The Products have been sold by Mayway for use in California since at least June
10 20, 1996;

11 L. On May 19, 1999, June 29, 2000 and November 17, 2000, AS YOU SOW served
12 Mayway and each of the appropriate public enforcement agencies with a document entitled "60-
13 Day Notice" that provided Mayway and the public enforcement agencies with notice that
14 Mayway was in violation of California Health and Safety Code §25249.6 et seq. ("Proposition
15 65") for failing to warn the purchasers and individuals using the Products that the use of the
16 Products exposes them to certain chemicals known to the State of California to cause cancer
17 and/or reproductive toxicity (copies of these notice letters are attached hereto as **Exhibit B**);

18 M. On June 20, 2000, AS YOU SOW filed a complaint against Mayway entitled As
19 You Sow v. Mayway Corporation, Inc., et al, Case Number 313055 (the "Action"), in San
20 Francisco Superior Court, alleging violations of Proposition 65, The Sherman Food, Drug and
21 Cosmetic Law ("Sherman Law"), California Business and Professions Code §17200 et seq. and
22 California Business and Professions Code §17500;

23 N. On September 19, 2000, AS YOU SOW filed the First Amended Complaint in the
24 Action;

25 O. On July 11, 2001, AS YOU SOW filed the Second Amended Complaint in the
26 Action;

1 P. The Action was brought by AS YOU SOW in the public interest at least sixty (60)
2 days after AS YOU SOW provided notice of the Proposition 65 violations to Mayway and the
3 appropriate public enforcement agencies and none of the public enforcement agencies had
4 commenced and begun diligently prosecuting an action against Mayway for such violations; and,

5 Q. The "Effective Date" of this Agreement shall be the date upon which this Consent
6 Judgment is entered by the Court;

7 **NOW, THEREFORE**, in consideration of the promises, covenants and agreements
8 herein contained and for other consideration, the sufficiency and adequacy of which is hereby
9 acknowledged by the parties:

10 1. **Immediate Provision of Clear and Reasonable Health Hazard Warnings For**
11 **All Products.** Beginning on or before September 1, 2001, Mayway agrees that it will not ship
12 (or cause to be shipped) for sale or use in California any of the Products unless each such unit of
13 the Product bears the following warning statement on its individual unit label packaging in both
14 English and Chinese:

15 **WARNING: This product contains chemicals known to the**
16 **State of California to cause cancer and/or birth defects or**
17 **other reproductive harm.**

18 **警告：**

19 **此產品含有化學品加州政府已認明會導**
20 **致癌症和生育缺陷或其他的生殖傷害。**
21

22 Alternatively, upon meeting and conferring with AS YOU SOW and reaching an accord as to
23 whether the presence of lead, lead compounds, arsenic, mercury, cadmium and/or cadmium
24 compounds triggers a duty to warn under Proposition 65 for a particular Product, Mayway may
25 elect to provide the following "substance specific" warning statements on the individual unit
26 label packaging in both English and Chinese:

1 **WARNING: This product contains [identify chemicals that**
2 **Parties agree exceed NOEL or NSRL warning thresholds]**
3 **chemicals known to the State of California to [as appropriate**
4 **based on warning threshold – “cause cancer and/or birth defects**
5 **or other reproductive harm.”]**

6
7 **警告：**

8 **此產品含有 [鉛 / 砷 / 汞 / 鎘] [是]加**
9 **州政府認出了的化學品會導致 [癌症和**
10 **生育缺陷或其他的生殖傷害]。**

11
12
13
14 The warning statement shall be prominent and displayed on the unit packaging of each
15 Product with such conspicuousness, as compared with other words, statements, or designs so as
16 to render it likely to be read and understood by an ordinary individual purchasing or using the
17 Product. Mayway shall be entitled to add additional language to its product labels, including the
18 words "California Proposition 65" so long as such additional language does not obscure the
19 above-specified warning and the typeface of such text is not larger than the characters in the
20 above-specified warning. The label shall be no smaller than 7/16" x 1 1/2". The parties to the
21 Agreement agree that the exemplar attached hereto as **Exhibit C** satisfies the requirements of this
22 paragraph.

23 2. **Administration of Warnings Not Required Herein.** If other warnings are
24 required by other statutes, such as the Occupational Safety and Health Act or Federal Hazardous
25 Substances Act, those warnings shall be administered as required by those laws, but the
26 administration of those warnings shall be considered separately from any requirement of this

1 agreement. The administration of such other warnings by Mayway shall not be construed as
2 failure to comply with the requirements set forth in Paragraph 1 above. Nor shall the
3 administration of such warnings relieve Mayway of the obligation to comply with the
4 requirements set forth in Paragraph 1.

5 **3. Change in Law.** In the event that any law, rule, regulation or final decision of
6 any legislative, judicial or executive body becomes effective or is entered that renders the
7 warning requirements of Paragraph 1 of this Consent Judgment unnecessary, unlawful or
8 inappropriate (including a determination that a different warning is appropriate), or should
9 Mayway no longer be subject to Proposition 65, Mayway shall be released from its obligations
10 under Paragraph 1 thirty (30) days after the Parties jointly agree to modify the consent judgment
11 to reflect the change in the law. In the event that the Parties are unable to reach an accord, either
12 party may petition the Court for the modification. In any such petition, the burden shall be on the
13 moving party to prove that compliance with Paragraph 1 of this Consent Judgment is no longer
14 required, because compliance is unnecessary, unlawful, or inappropriate with respect to the
15 subject law(s), and/or that Mayway is no longer subject to Proposition 65.

16 **4. Change in Warning Obligations Due To Product Content.** In the event that
17 Mayway believes that, with respect to any Product, ~~a Product has been reformulated such that~~^{It.}
18 when used at the maximum dosage recommended on the unit packaging or when used at any
19 dosage otherwise recommended or reasonably anticipated, the specific Product does not cause an
20 exposure to lead, lead compounds, mercury, cadmium, cadmium compounds or arsenic triggering
21 a warning within the meaning of Proposition 65, Mayway shall have the right to seek a
22 modification of this Consent Judgment relieving Mayway of its obligation to provide the warning
23 required under Paragraph 1 herein for any such Product. In order to qualify for such a
24 modification, Mayway shall first provide AYS with (a) test results from at least two different
25 manufacturing batches of the Product, each batch manufactured at least one month apart from
26 any other, conducted by an EPA-accredited laboratory (or such other laboratory as the Parties

1 may agree) using inductively coupled plasma-mass spectrometry; and (b) an exemplar of the
2 Product. AYS shall then be allowed a period of thirty (30) days to review and assess such data
3 with its experts. Within forty-five (45) days of Mayway's submission to AYS, the Parties shall
4 meet and confer (in person or telephonically) regarding the data submitted to AYS. In the event
5 that the Parties are able to reach an accord as to whether the warning obligation applicable to the
6 Product should be discontinued, the Parties shall work together in good faith to reach a
7 stipulation amending this consent judgment to reflect such accord. Such stipulation shall be
8 served upon the Attorney General's Office thirty (30) days prior to entry with the Court.

9 In the event that the Parties are unable to reach an accord as to whether the warning
10 obligation applicable to the Product should be discontinued, Mayway shall have the right to
11 petition the Court for such an amendment upon a duly noticed motion. The prevailing party in
12 any such dispute shall be awarded reasonable fees and costs incurred in connection with the
13 motion.

14 **5. Warning For Products In The Stream of Commerce.** Within Sixty (60) days
15 of the Effective Date of this Agreement, Mayway agrees to send a Notification Letter to each of
16 its customers who have purchased any of the Products from Mayway in the one hundred and
17 eighty (180) days preceding the Execution Date of this Agreement. This Notification Letter shall
18 notify Mayway's customers regarding the warning requirements of Proposition 65 as they apply
19 to each of the Products, and provide each such customer with a sufficient supply of Warnings
20 Stickers to apply to all units of the Product remaining in stock. An exemplar of the verbatim
21 language of the Notification Letter is attached hereto as **Exhibit D**. An exemplar for the size and
22 clarity of the supplied Warning Stickers, bearing the text of the warning set forth in Paragraph 1
23 of this Agreement is attached hereto as **Exhibit C**.

24 **6. Prohibition Against Making Misleading Statements Concerning The**
25 **Products.** Beginning immediately Mayway agrees that it shall not make fraudulent, unfair,
26 deceptive, untrue or misleading representations regarding the purity, safety, healthfulness or

1 contents of the Products on its web sites, on the packaging of the Products or in other
2 promotional materials.

3 **7. Civil Penalty Assessment.** Within five (5) business days of being provided
4 written notice of the Effective Date of this Consent Judgment, Mayway agrees to pay a civil
5 penalty in the amount of \$10,000 to AS YOU SOW, pursuant to Health & Safety Code
6 §25249.7(b). AS YOU SOW shall remit 75% of this amount to the State of California pursuant
7 to Health & Safety Code §25192.

8 **8. Restitution Assessment.** Within five (5) business days of being provided written
9 notice of the Effective Date of this Consent Judgment, Mayway agrees to make a restitutionary
10 payment in the amount of \$120,000 to AS YOU SOW. AS YOU SOW shall forward the
11 payment to (a) California non-profit groups, and (b) the AS YOU SOW Proposition 65
12 Enforcement Fund to reduce exposures to toxic chemicals, and to increase consumer, worker and
13 community awareness of the health hazards posed by toxic chemicals.

14 **9. Reimbursement of AS YOU SOW's Fees and Costs.** Within five (5) business
15 days of being provided written notice of the Effective Date of this Consent Judgment, Mayway
16 agrees to pay AS YOU SOW for its reasonable investigative, expert, and legal fees and costs
17 incurred as a result of investigating, bringing this matter to Mayway's attention, and negotiating a
18 settlement in the public interest. The amount of these fees and costs is \$80,000.

19 **10. AS YOU SOW'S Release of Mayway.** AS YOU SOW, acting on behalf of itself
20 and acting on behalf of the general public, wavier all rights to institute any form of legal action
21 against Mayway, and its parents, subsidiaries, affiliates, shareholders, directors, employees,
22 customers, and any other person or entity in the course of doing business who may use, maintain,
23 distribute, market or sell the Products sold to them through Mayway, brought under Proposition
24 65 or the Unfair Competition Act (Business & Professions Code Section 17200 *et seq.*)
25 concerning any alleged failure to provide adequate health hazard warnings for consumer
26 exposures to lead, lead compounds, mercury, cadmium, cadmium compounds and/or arsenic in

1 the Products sold before the entry of this Consent Judgment.

2 AS YOU SOW, acting on behalf of itself, and its agents, successors and assigns *only*, and
3 expressly not on behalf of the general public, releases and forever discharges Mayway and its
4 parents, subsidiaries, affiliates, shareholders, directors, employees, customers, and any other
5 person or entity in the course of doing business who may use, maintain, distribute, market or sell
6 the Products sold to them through Mayway from any and all claims asserted in the action,
7 including, without limitation claims arising under the Sherman Food, Drug and Cosmetic Act
8 and the Unfair Competition Act, B&P Code §§17200, et seq., and 17500, et seq.

9 Nothing in this release is intended to apply to any occupational or environmental
10 exposures arising under Proposition 65 or the Unfair Competition Act (Business & Professions
11 Code Section 17200 *et seq.*) nor shall it apply to any Mayway products not set forth on Exhibit A
12 to this Consent Judgment.

13 11. **Continuing Injunction.** Compliance with the terms of this Consent Judgment
14 resolves any issue, now and in the future, concerning compliance by Mayway and its parents,
15 subsidiaries, affiliates, customers, or any other person in the course of doing business who may
16 use, maintain, distribute, market or sell the Products sold to them through Mayway, with the
17 requirements of Proposition 65 or the Unfair Competition Act (Business & Professions Code
18 Section 17200 *et seq.*) with respect to consumer exposures to lead, lead compounds, mercury,
19 cadmium, cadmium compounds and/or arsenic in the Products (as currently manufactured).

20 12. **Limited CCP Section 1542 Release.** AS YOU SOW, acting on behalf of itself,
21 and its agents, successors and assigns *only*, and expressly not on behalf of the general public,
22 waives any and all rights and benefits which they now have, or in the future may have, conferred
23 upon them only with respect to claims pertaining to exposures to lead, lead compounds, mercury,
24 cadmium, cadmium compounds and/or arsenic in the Products sold before the entry of judgment
25 by virtue of the provisions of Section 1542 of the California Civil Code, which provides as
26 follows:

1 "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
2 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT
3 THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM
4 MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE
5 DEBTOR."

6 AS YOU SOW understands and acknowledges that the significance and consequence of this
7 limited waiver of California Civil Code Section 1542 is that even if AS YOU SOW suffers future
8 damages arising out of or resulting from, or related directly or indirectly to, in whole or in part,
9 lead, lead compounds, mercury, cadmium, cadmium compounds and/or arsenic in the Products, it
10 will not be able to make any claim for those damages against Mayway, or its parent, subsidiaries,
11 shareholders, employees, or affiliates, or any of its customers, or any other person in the course
12 of doing business who may use, maintain, distribute, market or sell the Products sold before the
13 entry of judgment. Furthermore, AS YOU SOW acknowledges that it intends these
14 consequences for any such claims which may exist as of the date of this release but which AS
15 YOU SOW do not know exist, and which, if known, would materially affect its decision to enter
16 into this Settlement Agreement, regardless of whether its lack of knowledge is the result of
17 ignorance, oversight, error, negligence, or any other cause. The parties acknowledge that this
18 Consent Judgment does not provide Mayway with a general release within the meaning of CCP
19 Section 1542.

20 13. **Mayway's Release of AS YOU SOW.** Mayway, by this Agreement, waives all
21 rights to institute any form of legal action against AS YOU SOW, its officers, directors, attorneys
22 and representatives (the "AS YOU SOW Releasees") for all actions or statements made or
23 undertaken by the AS YOU SOW Releasees in the course of seeking enforcement of Proposition
24 65 or Business & Profession Code §§17200 et seq. against Mayway.

25 14. **Notice to the California Attorney General's Office.** Upon execution of this
26 Settlement Agreement by the Parties, and thirty (30) days' prior to the Parties' filing of the

1 Stipulated Judgment discussed above, Plaintiff shall serve a copy of this Settlement Agreement
2 on the California Attorney General's Office.

3 15. **Severability.** In the event that any of the provisions of this Agreement are held
4 by a court to be unenforceable, the validity of the enforceable provisions shall not be adversely
5 affected.

6 16. **Enforcement.** In the event that a dispute arises with respect to any of the
7 provisions of this Agreement, this Agreement may be enforced pursuant to Code of Civil
8 Procedure §664.6 or any other valid provision of law. The prevailing party in any such dispute
9 shall be awarded reasonable fees and costs incurred. If, at any time after three years from the
10 Effective Date, Mayway believes that the warnings it is providing pursuant to this Consent
11 Judgment are different from warnings generally provided by similar companies for similar
12 products, it may so advise AS YOU SOW and propose alternate warning(s), provided that said
13 proposed alternate warnings shall comply with Proposition 65 and its implementing regulations.
14 It is the intent of the Parties that Mayway shall be entitled to provide warnings that are similar to
15 warnings generally provided by similar companies for similar products. The parties shall meet
16 and confer concerning such alternate warning for a period of at least thirty (30) days. In the event
17 that the Parties are unable to reach an accord as to whether the warning should be modified,
18 Mayway shall have the right to petition the Court for such an amendment upon a duly noticed
19 motion. The prevailing party in any such dispute shall be awarded reasonable fees and costs
20 incurred in connection with the motion.

21 17. **Governing Law.** The terms of this Agreement shall be governed by the laws of
22 the State of California.

23 18. **Notices.** All correspondence and notices required to be provided under this
24 Agreement shall be in writing and shall be sent by first class registered or certified mail
25 addressed as follows:

May 19, 1999

NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.

Dear Public Enforcement Agencies:

As You Sow ("AYS") is a non-profit foundation organized under the State of California's Non-Profit Public Benefit Corporation Law. AYS is dedicated to, among other causes, the protection of the environment, the promotion of human health, the improvement of worker and consumer safety, and environmental education.

AYS has documented violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986 ("Proposition 65"), codified at Health & Safety Code §25249.5 *et seq.* This letter serves to provide you with notice that the private businesses listed on the attached Certificate of Service have been, and continue to be in violation of Proposition 65. Pursuant to §25249.7(d) of the statute, AYS intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to remedy these violations.

A summary of the statute and its implementing regulations, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with the copy of this notice served upon the violators. The specific details of the violations which are the subject of this notice are provided below.

The businesses listed on the attached Certificate of Service manufacture, distribute, and/or market traditional Chinese medicines and/or other patent medicines. Certain traditional Chinese medicines and other patent medicines contain one or more of the following chemicals: lead and lead compounds, arsenic, and mercury and mercury compounds. The medicines subject to this notice letter, each medicine's manufacturer and/or distributor and city of origin (if known), and the specific Proposition 65 chemicals each medicine contains, are enumerated in the attached Exhibit A. Each of the businesses listed on the attached Certificate of Service manufactures, distributes, and/or markets the medicines enumerated in Exhibit A.

On February 27, 1987, lead was listed under Proposition 65 as a chemical known to the State of California to cause both male and female reproductive toxicity. On October 1, 1992, lead and lead compounds were listed under the statute as chemicals known to the state to cause cancer. On February 27, 1987 arsenic was listed under the statute as a chemical known to the state to cause cancer. On May 1, 1997 arsenic was listed under the statute as a chemical known to the state to cause reproductive toxicity. On July 1, 1990 mercury and mercury compounds were listed under the statute as chemicals known to the state to cause reproductive toxicity.

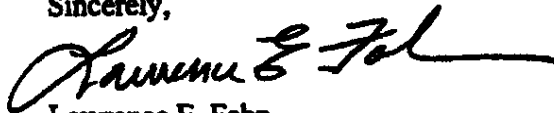

Notice of Violation of California Health & Safety §25249.5 et seq.
May 19, 1999
Page 2

Exposures to lead and lead compounds, arsenic, and mercury and mercury compounds from use of the traditional Chinese and other patent medicines enumerated in Exhibit A are via the ingestion, dermal absorption, and inhalation routes depending on each medicine's particular application. The businesses listed on the Certificate of Service did not and do not provide people with clear and reasonable warnings of such exposures as required by §25249.6. These violations have occurred every day since at least May 1995 and will continue every day until clear and reasonable warnings are provided.

Please direct all communications regarding this notice to AYS' counsel, Fredric Evenson, Public Interest Lawyers Group, The Presidio Building 1004, P.O. Box 29921, San Francisco, California 94129-0921. The telephone number is (415) 561-2222.

Sincerely,

Lawrence E. Fahn
Executive Director, As You Sow

NOTICE OF VIOLATION OF CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.

Dear Ms. Lau and Public Enforcement Agencies:

As You Sow ("AYS") is a non-profit foundation organized under California's Non-Profit Public Benefit Corporation Law. AYS is dedicated to, among other causes, the protection of the environment, the promotion of human health, the improvement of worker and consumer safety, and environmental education.

AYS has documented violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986 ("Proposition 65"), codified at Health & Safety Code §25249.5 *et seq.* This letter serves to provide AYS' notification of these violations to the public enforcement agencies and to the violator. Pursuant to §25249.7(d) of the statute, AYS intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

A summary of the statute and its implementing regulations, which was prepared by the lead agency designated under the statute, is enclosed with the copy of this notice served upon the violator. The specific details of the violations that are the subject of this notice are provided below.

The name of the violator covered by this notice is **MAYWAY CORPORATION** ("MAYWAY"). These violations involve lead, lead compounds, mercury, mercury compounds and arsenic, found in the type of consumer products described below. On February 27, 1987, the State of California officially listed lead as a chemical known to cause reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer. On July 1, 1990, the State of California officially listed mercury and mercury compounds as chemicals known to cause reproductive toxicity. On May 1, 1997, the State of California officially listed arsenic (inorganic oxides) as a chemical known to cause reproductive toxicity. On February 27, 1987, the State of California officially listed arsenic as a chemical known to cause cancer.

The products covered by this notice are traditional patent medicines that are imported, exported, manufactured, packaged, distributed, marketed and/or sold by MAYWAY, including, but not limited to: Kan Gu Zeng Sheng Pian, Fargelin for Piles, Compound Prescribed Watermelon Frost, Tian Wang Bu Xin Dan, Kai Kit Wan, Kai Yeung Pill, Anshen Buxin Wan, San Shedan Chuanbei Ye and Emperor's Tea Pill.

Notice of Violation of California Health & Safety Code §25249.5 et seq.

June 29, 2000

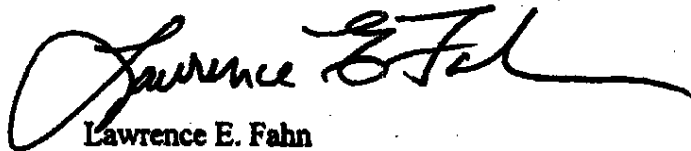

Page 2

These toxic exposures have occurred and continue to occur primarily through the ingestion exposure route, but also may occur through inhalation and/or and dermal contact, depending on each medicine's particular application. These ongoing violations have occurred every day since at least June 30, 1996, and will continue every day until clear and reasonable warnings are provided or until these deleterious chemicals are removed from the products. This notice of violation supplements the previous notice issued by AYS against MAYWAY on May 19, 1999.

In keeping with its public interest mission and to expeditiously rectify these ongoing violations of California law, AYS is interested in seeking a constructive resolution of this matter without engaging in costly and protracted litigation. Please direct all communications regarding this notice to AYS' counsel in this matter:

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.**

Dear Ms. Lau and Public Enforcement Agencies:

As You Sow ("AYS") is a non-profit foundation organized under California's Non-Profit Public Benefit Corporation Law. AYS is dedicated to, among other causes, the protection of the environment, the promotion of human health, the improvement of worker and consumer safety, and environmental education.

AYS has documented violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986 ("Proposition 65"), codified at Health & Safety Code §25249.5 *et seq.* This letter serves to provide AYS' notification of these violations to the public enforcement agencies and to the violator. Pursuant to §25249.7(d) of the statute, AYS intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

A summary of the statute and its implementing regulations, which was prepared by the lead agency designated under the statute, is enclosed with the copy of this notice served upon the violator. The specific details of the violations that are the subject of this notice are provided below.

The name of the violator covered by this notice is **MAYWAY CORPORATION** ("MAYWAY"). These violations involve cadmium, cadmium compounds, lead, lead compounds, mercury, mercury compounds and arsenic found in the types of consumer products described below and in Exhibit A hereto. On October 1, 1987, the State of California officially listed cadmium and cadmium compounds as chemicals known to cause cancer. On May 1, 1997, the State of California officially listed cadmium as a chemical known to cause reproductive toxicity. On February 27, 1987, the State of California officially listed lead as a chemical known to cause reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer. On July 1, 1990, the State of California officially listed mercury and mercury compounds as chemicals known to cause reproductive toxicity. On May 1, 1997, the State of California officially listed arsenic (inorganic oxides) as a chemical known to cause reproductive toxicity. On February 27, 1987, the State of California officially listed arsenic as a chemical known to cause cancer. This notice covers each of the products set forth in Exhibit A and described below with respect to each of the above-referenced chemicals.

The products covered by this notice are herbs and herbals products, traditional patent medicines, bulk herbs, infusions, extracted powders, tea pills, traditional pills, patent formulas, teas, bulk teas, liquid herbal extracts, capsules, plasters and ointments that are imported, exported, manufactured, packaged, distributed, marketed and/or sold by MAYWAY. (See, Exhibit A).

MAYWAY CORP.

Chinese Herbs & Herbal Products since 1969.

Dear Mayway Customer:

California Proposition 65 (Health & Safety Code § 25249.5 et seq.) requires that products, which contain heavy metals above a legally mandated level, contain a clear and reasonable warning to the consumer. Herbal products have been found to contain lead, mercury, arsenic, or cadmium, which require California Proposition 65 warnings.

Mayway has entered into a Consent Decree, in which we have agreed to provide a California Proposition 65 warning on all of our products until we have established which products may be exempt from such a warning. You had purchased our products for resale within a six-month period prior to the Consent Decree being entered and we have agreed to provide you with sufficient labels so that you may affix them to our products that have not yet been sold. The law requires that these products be labeled, and cannot be sold without the warning label, and those who do may be subject to penalties.

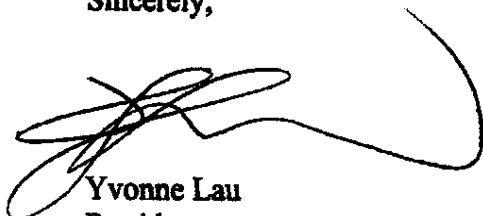

We apologize for this inconvenience and assure you that all products now being sold in California contain the required California Proposition 65 warning.

If you are purchasing herbal products from other manufacturers whose products don't have a California Proposition 65 Warning, we recommend that you contact the manufacturer and determine if the products have been tested for heavy metals and if it can be demonstrated that the levels of heavy metals are below Proposition 65's legally mandated levels.

If you need more labels or have questions please contact Laura Stropes at 800-262-9929 ext 135 or by email: laura@mayway.com.

Thank you for your attention and continued support.

Sincerely,

Yvonne Lau
President
