MATEEL ENVIRONMENTAL JUSTICE
FOUNDATION,

Plaintiff,

v.

SENCO PRODUCTS, et al.,

Defendants.

Case No. 436587

^(ak)
[PROPOSED] CONSENT JUDGMENT
AS TO SENCO PRODUCTS, INC.

1 1. INTRODUCTION

2 1.1 On or about June 4, 2004, the Mateel Environmental Justice Foundation (“MEJF”)
3 and its attorneys, Klamath Environmental Law Center (“KELC”) sent a 60 Day Notice Letter to the
4 Office of the California Attorney General of the State of California (“California Attorney General”),
5 all California counties’ District Attorneys and all City Attorneys of California cities with populations
6 exceeding 750,000, (collectively, “Public Enforcers”), charging certain businesses with violating the
7 Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code
8 Section 25249.5 et seq. (“Proposition 65”), in their manufacture, distribution and/or sale of wires and
9 cables coated with polyvinyl chloride (“PVC”). Specifically, MEJF charged that persons handling
10 the PVC-coated wires and cables were exposed to certain chemicals, listed under Proposition 65,
11 including cadmium, hexavalent compounds of chromium, vinyl chloride, lead and lead compounds,
12 lead acetate, lead phosphate, lead subacetate and di(2ethylhexyl) phthalate.

13 1.2 On or about November 23, 2004, MEJF (“Plaintiff”), acting on behalf of itself, the
14 public interest, and the general public for the matters described in the Notice Letter, filed a Complaint
15 for civil penalties and injunctive relief (“Complaint”) in the San Francisco Superior Court, fashioned,
16 *MATEEL ENVIRONMENTAL JUSTICE FOUNDATION v. SENCO PRODUCTS, et al.*, Case No.
17 436587, based on the Notice Letter. The Complaint alleged, among other things, that SENCO
18 PRODUCTS, INC., (“Settling Defendant”) violated Proposition 65 and California Business &
19 Professions Code Section 17200 et seq. (the “Unfair Competition Act”) by manufacturing, marketing
20 and/or distributing to California residents products that are themselves or which incorporate wires
21 and cables that are PVC-coated and failing to provide clear and reasonable warnings to California
22 residents who handle and use such products that the handling and use of those products in their
23 normally intended manner will cause those persons to be exposed to Proposition 65 Chemicals.

24 1.3 Plaintiff and Settling Defendant are, for purposes of this Consent Judgment,
25 collectively referred to as the “Parties,” with each of them a “Party”.

26 1.4 For purposes of this Consent Judgment, the term “Covered Products” means products
27 that are themselves, or that incorporate, utilize, or have appended to them, PVC cords, and that are
28 manufactured, distributed, marketed or sold by the Settling Defendant. The term Covered Products

1 includes both such products that are subject to the Warning Requirements of Section 7, and those that
2 are not, including those products that are exempted from the warning requirements of this Consent
3 Judgment pursuant to Sections 7.1 or 7.3. The term "Covered Products" also includes products
4 which are manufactured, distributed, marketed and/or sold by the Settling Defendant either under its
5 own name or brand or under the name or brand of another (e.g., privately labeled products).

6 1.5 For purposes of this Consent Judgment only, the Settling Defendant admits that: (a) it
7 is a business that employs more than ten persons and manufactures, distributes and/or sells Covered
8 Products into the State of California; (b) the Covered Products contain one or more Proposition 65
9 Chemicals; and (c) Proposition 65 Chemicals are chemicals listed under Proposition 65 as being
10 known to the State of California to cause cancer and/or reproductive toxicity.

11 1.6 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
12 jurisdiction over the allegations of violations contained in the Complaints and personal jurisdiction
13 over the Settling Defendant as to the acts alleged in the Complaints, that venue is proper in the
14 County of San Francisco and that this Court has jurisdiction to enter this Consent Judgment as a full
15 settlement and resolution of the allegations contained in the Complaints and Notice Letters and of all
16 claims which were or could have been raised by any person or entity based in whole or in part,
17 directly or indirectly, on the facts alleged therein, arising therefrom or related thereto.

18 1.7 The Parties enter into this Consent Judgment pursuant to a full and final settlement of
19 any and all claims between the Parties for the purpose of avoiding prolonged litigation. This Consent
20 Judgment shall not constitute an admission with respect to any material allegation of the Complaints,
21 each and every allegation of which the Settling Defendant denies; nor may this Consent Judgment or
22 compliance with it be used as evidence of any wrongdoing, misconduct, culpability or liability on the
23 part of any Settling Defendant. The Settling Defendant maintains that its Covered Products have at
24 all times complied with all applicable laws, including Proposition 65.

25 2. **SETTLEMENT PAYMENT**

26 2.1 In settlement of all of the claims referred to in this Consent Judgment against the
27 Settling Defendant:

28

1 (a) The Settling Defendant shall pay, within thirty (30) days of entry of this Consent
2 Judgment, \$30,000 (thirty thousand dollars). The payments required by the preceding sentence may
3 be made payable to KELC and shall subsequently and within a commercially reasonable time be
4 divided by KELC as follows: (i) \$15,000 (fifteen thousand dollars) shall be paid to KELC for
5 attorneys fees and costs incurred by KELC on behalf of Plaintiff in investigating this matter and
6 negotiating this Consent Judgment on behalf of itself and the general public, (ii) \$7,500 (seven
7 thousand five hundred dollars) each shall paid to the following two organizations: Californians for
8 Alternatives to Toxics and the Ecological Rights Foundation.

9 2.2 MEJF and KELC represent and warrant that each of the organizations identified in
10 Paragraph 2.1(a)(ii) above is a tax exempt, section 501(c)(3) non-profit organization and that funds
11 distributed to these organizations pursuant to this Consent Judgment may only be spent to reduce
12 harm from toxic chemicals, or to increase consumer, worker and community awareness of health
13 hazards posed by lead and other toxic chemicals.

14 2.3 Except as specifically provided in this Consent Judgment, each side shall bear its own
15 costs and attorney's fees.

16 3. **ENTRY OF CONSENT JUDGMENT**

17 The Parties request that the Court promptly enter this Consent Judgment and waive their
18 respective rights to a hearing or trial on the allegations of the Complaint.

19 4. **MATTERS COVERED BY THIS CONSENT JUDGMENT**

20 4.1 For purposes of Section 4 of this Consent Judgment, the term Settling Defendant shall
21 include the Settling Defendant, as defined above, and its past, present and future parents, divisions,
22 subdivisions, brands, subsidiaries and affiliates and the predecessors, successors and assigns of any of
23 them, as well as their past, present and future officers, directors, employees, agents, attorneys,
24 representatives, shareholders and assigns. For purposes of Section 4, the term Settling Defendant
25 shall also be deemed to include the Settling Defendant's supplier of Covered Products, but only with
26 respect to those Covered Products that such supplier manufactures for the Settling Defendant. The
27 preceding sentence shall not apply with respect to a supplier who ships Covered Products directly to a
28 consumer at the request of the Settling Defendant, where a warning is provided to address the

1 obligations of this Consent Judgment solely pursuant to Section 7.5(e) below. A list delineating
2 some, but not necessarily all, of the names of the various business entities and brands or product
3 types referred to in this Paragraph and in existence on or before the date of this Consent Judgment is
4 attached hereto as Exhibit C.

5 4.2 As to Covered Products, this Consent Judgment is a final and binding resolution
6 between Plaintiff acting on behalf of itself and, (as to those matters referenced in the Notice Letters)
7 in the public interest pursuant to Health and Safety Code Section 25249.7(d) and the general public
8 pursuant to Business and Professions Code Section 17204 and the Settling Defendant of: (a) any
9 violation of Proposition 65; or, (b) with respect to exposures to the Proposition 65 Chemicals
10 associated with the use of Covered Products, the Unfair Competition Act; or (c) with respect to
11 exposures to the Proposition 65 Chemicals associated with the use of Covered Products, any other
12 statutory or common law claim, to the fullest extent that any such claims were or could have been
13 asserted by any person or entity against the Settling Defendant based on its or their exposure of
14 persons to chemicals contained in or otherwise associated with the use of Covered Products
15 manufactured, sold or distributed by, for or on behalf of the Settling Defendant and/or their alleged
16 failure to provide a clear and reasonable warning of such exposure to such individuals; or (d) as to
17 exposures to chemicals contained in or otherwise associated with the use of Covered Products, any
18 other claim based in whole or part on the facts alleged in the Complaints or Notice Letters, whether
19 based on actions or omissions committed by the Settling Defendant or any other entity within the
20 Settling Defendant's chain of distribution, including, but not limited to, customers, wholesale or retail
21 sellers or distributors and any other person in the course of doing business ("Downstream Entity").

22 4.3 As to any claims, violations (except violations of this Consent Judgment), actions,
23 damages, costs, penalties, or causes of action which may arise or have arisen after the original date of
24 entry of this Consent Judgment, compliance by the Settling Defendant with the terms of this Consent
25 Judgment shall be deemed to constitute its full and complete compliance with Proposition 65 and the
26 Unfair Competition Act with respect to the provision of warnings for chemicals contained in or
27 otherwise associated with the use of Covered Products, provided that the concentrations of those
28

1 chemicals other than lead are materially similar to that associated with the Covered Products with
2 respect to Proposition 65 at the time this Consent Judgment is entered.

3 4.4 Notwithstanding Sections 4.2 or 4.3 above, as to all customers, distributors,
4 wholesalers, retailers or any other Downstream Entity, except as otherwise indicated in Sections 4.5
5 and 4.6 below, which may in the course of doing business use, maintain, distribute, or sell Covered
6 Products which are manufactured, distributed or sold by the Settling Defendant (including Covered
7 Products which are privately labeled by the Settling Defendant for a Downstream Entity), Plaintiff
8 (acting on behalf of itself and, as to those matters raised in the Notice Letters, on behalf of the general
9 public) waives all rights to institute any form of legal action whether under Proposition 65 or the
10 Unfair Competition Act or otherwise, arising out of or resulting from or related directly or indirectly
11 to, in whole or in part, exposure to, or otherwise associated with the use of and alleged failure to warn
12 with respect to Proposition 65 Chemicals contained in Covered Products.

13 4.5 Nothing in this Consent Judgment shall be deemed to release, from past liability
14 under Proposition 65 or any other statute or regulation (except from liability for occupational
15 exposures under the circumstances set forth in Sections 4.6, 7.5 and 7.6 of this Consent Judgment),
16 any entity which incorporates PVC cords obtained from the Settling Defendant into a Covered
17 Product the entity manufactures or distributes for sale to retail consumers, unless such entity is itself a
18 Settling Defendant; nor shall any such entity which is not itself a Settling Defendant be entitled to
19 utilize or otherwise rely on the provisions of this Consent Judgment. Notwithstanding the preceding
20 sentence, however, compliance with the terms of Section 7 of this Consent Judgment by an entity that
21 incorporates PVC cords obtained from the Settling Defendant into a Covered Product it manufactures
22 or distributes for sale to retail consumers, shall be deemed to constitute compliance with Proposition
23 65 with respect to Covered Products it sells in the future.

24 4.6 Nothing in this Consent Judgment shall be deemed to require an out of state
25 manufacturer of Covered Products to provide a Proposition 65 warning for occupational exposures
26 occurring within the State of California. Nothing in this Consent Judgment will be deemed to release
27 a California employer from liability for failure to comply with its obligations, if any, to provide
28 warnings under Proposition 65 for the exposures of its employees to chemicals contained in or

1 otherwise associated with Non-Retail Covered Products (as defined in Section 7.6 below) unless such
2 employer makes Proposition 65 warning information available to its employees in the manner
3 specified in Section 7.6 below or as otherwise permitted by 8 Cal. Code Regs. § 5194.

4 4.7 In furtherance of the foregoing, Plaintiff hereby waives any and all rights and
5 benefits which it now has, or in the future may have, conferred upon it by virtue of the provisions of
6 Section 1542 of the California Civil Code, which provides as follows:

7 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
8 WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO
9 EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE
10 RELEASE, WHICH IF KNOWN BY HIM MUST HAVE
11 MATERIALLY AFFECTED HIS SETTLEMENT WITH THE
12 DEBTOR.

11 Plaintiff understands and acknowledges that the significance and consequence of its waiver of
12 California Civil Code Section 1542 is that even if Plaintiff and/or, with respect to the matters raised
13 in the Notice Letters, any person or entity on whose behalf they purport to act or could act, suffers
14 future damages or harm arising out of, resulting from, or related directly or indirectly to, in whole or
15 in part, the matters covered in Sections 4.2, 4.3 and 4.4 above ("Damages"), Plaintiff and any person
16 or entity on whose behalf they purport to act or could act, will not be able to make any claim for such
17 Damages against the Settling Defendant or any of its customers, distributors, wholesalers, retailers, or
18 any other person in the course of doing business who may use, maintain, distribute or sell the
19 Covered Products. Furthermore, Plaintiff acknowledges that it intends these consequences for any
20 such Damages which may exist as of the date of this release but which Plaintiff does not know exist,
21 and which, if known, would materially affect its decision to enter into this Consent Judgment,
22 regardless of whether its lack of knowledge is the result of ignorance, oversight, error, negligence, or
23 any other cause, no matter how justifiable such cause may be.

24 4.8 The Settling Defendant waives all rights to institute any form of legal action against
25 Plaintiff, its officers, directors, attorneys, consultants and representatives for all legal actions
26 undertaken or statements made in the course of such legal actions to seek enforcement of this action
27 and judgment.

1 5. **ENFORCEMENT OF JUDGMENT**

2 5.1 The terms of this Consent Judgment shall be enforced exclusively by the Parties
3 hereto by means of noticed motion or order to show cause before the Superior Court of San Francisco
4 County.

5 6. **MODIFICATION OF JUDGMENT**

6 6.1 This Consent Judgment may be modified only upon written agreement of the Parties
7 and upon entry of a modified amended Consent Judgment by the Court, or upon motion of any Party
8 as provided by law and upon entry of a modified amended Consent Judgment by the Court.
9 Notwithstanding the immediately preceding sentence or any other term or provision of this Consent
10 Judgment, if Plaintiff or any affiliated entity, or the California Attorney General, enters into, or
11 agrees to in writing, or is otherwise bound by injunctive relief terms or provisions relating to the
12 provision of Proposition 65 warnings for Covered Products, with regard to their PVC cords, which,
13 taken together, are more favorable to the defendant(s) than the terms or provisions that this Consent
14 Judgment provide for a Covered Product of like kind and characteristics with respect to its
15 thermoset/thermoplastic-coated electrical cord and use, the terms of injunctive relief provided for in
16 Section 7 of this Consent Judgment shall automatically be deemed to have been modified to add such
17 more favorable terms or provisions as an option which the Settling Defendant may elect for
18 compliance with this Consent Judgment.

19 7. **INJUNCTIVE RELIEF**

20 7.1 Covered Products shall be deemed to comply with Proposition 65 and be exempt
21 from any Proposition 65 warning requirements if the PVC cords that are sold as a part of or in
22 association with those Covered Products meet the following criteria: (a) the surface contact layer of
23 the PVC cords shall have no lead as an intentionally added constituent; and (b) the surface contact
24 layer of the PVC cords shall have lead content by weight of no more than 0.03% (300 parts per
25 million, or "300 ppm"). The Settling Defendant may comply with the above requirements by relying
26 on information obtained from its suppliers regarding the content of the surface contact layer of the
27 PVC cords, provided such reliance is in good faith. Obtaining test results showing that the lead
28 content is no more than 0.03%, using a method of sufficient sensitivity to establish a limit of

1 quantification (as distinguished from detection) of less than 300 ppm shall be deemed to establish
2 good faith reliance. Provided that the level of quantitation requirement set forth in the preceding
3 sentence is met, the test protocol and methods described on Exhibit D hereto may be relied on.
4 Nothing in the preceding two sentences shall preclude a Settling Defendant from establishing good
5 faith reliance by an alternative means.

6 7.2 Covered Products manufactured and shipped for distribution to or sale in California
7 on or after the Effective Date that do not meet the warning exemption standard set forth in
8 Section 7.1 of this Consent Judgment and are not exempt pursuant to Section 7.3 shall be
9 accompanied by a warning as described in Section 7.4 below. For purposes of this Section, two years
10 after the entry of this Consent Judgment shall be considered the "Effective Date."

11 7.3 The following Covered Products are deemed to be exempt from any Proposition 65
12 warning requirements with respect to PVC cords: (a) Covered Products which because of their size,
13 weight or function have PVC cords that are handled only infrequently (such as upon their installation
14 in a setting where they are not typically plugged and unplugged) ("Infrequently Handled Products");
15 (b) those Covered Products that: (i) are sold at retail before the Effective Date; or (ii) are distributed
16 or shipped for sale outside the State of California; (c) Covered Products that use PVC cords only as
17 internal components not normally accessible to the consumer during ordinary use; and/or (d) Covered
18 Products which contain the Proposition 65 Chemical only as part of the inner conductor or other
19 component not normally accessible to the consumer during ordinary use. Exhibit E contains a list of
20 Covered Products/Product types that are deemed to meet the criteria for Infrequently Handled
21 Products set forth in this Section 7.3 and are therefore exempt.

22 7.4 Should the Settling Defendant's Covered Products require Proposition 65 warnings
23 under Section 7.2, the Settling Defendant shall, except as otherwise provided in Section 7.5 below,
24 either provide one of the warnings described below or any other Proposition 65 warning that has been
25 reviewed and approved in writing by the California Attorney General for use with Covered Products
26 regarding their PVC-coated wires and/or cables:

27
28

1 “**WARNING:** This product contains chemicals, including lead, known to the State of
2 California to cause [cancer, and] birth defects or other reproductive harm. *Wash*
3 *hands after handling.*”

4 or

5 “**WARNING:** Handling the cord on this product will expose you to lead, a chemical
6 known to the State of California to cause [cancer, and] birth defects or other
7 reproductive harm. *Wash hands after handling.*”

8 or

9 “**WARNING:** The power cord on this product contains lead, a chemical known to the
10 State of California to cause [cancer, and] birth defects or other reproductive harm.
11 *Wash hands after handling.*”

12 The word “**WARNING**” shall be in all capital letters and in bold typeface. The hand-washing
13 admonition shall be in bold typeface and italicized. Inclusion of the bracketed words “cancer, and” in
14 the above warning shall be at the Settling Defendant’s option. Notwithstanding any other provision
15 in this Consent Judgment, Settling Defendant on its own accord prior to and during the pendency of
16 this litigation began the process of placing a Proposition 65 warning in the manuals of all its Covered
17 Products. The warning provides:

18 **WARNING:** This product contains one or more chemicals known
19 to the State of California to cause cancer and birth defects or other
20 reproductive harm.

21 In light of the initiative and good faith exhibited by Settling Defendant in implementing this warning,
22 as well as its compliance with Title 22 of the California Code of Regulations Section 12601, the
23 above warning will be sufficient for the purpose of this Consent Judgment until such time that
24 Settling Defendant next revises said manuals in the normal course of its business. When such
25 revision occurs, Settling Defendant will place one of the earlier mentioned warnings contained in
26 Section 7.4 in the revised manual(s). The existing warning and revised warning will be deemed to be
27 in full compliance with this Consent Judgment.

28

1 7.5 Unless otherwise indicated herein, the warning required or authorized in Sections 7.4
2 shall be given by having it: (a) affixed to the Covered Product itself or to the unit package of such
3 Covered Product; (b) printed on the Covered Product itself or on the unit package of such Covered
4 Product; (c) displayed on an internet site for those units of Covered Products sold on the internet;
5 (d) included in the owner's manual if the conditions set forth in Section 7.9 below are satisfied
6 ("Owner's Manual Warning"); or, (e) printed on the invoice issued directly to the consumer by the
7 Settling Defendant to confirm the sale, where the Settling Defendant sells Covered Products directly
8 to consumers by telephone, mail order, or internet sale, but never has physical possession of the
9 Covered Product or its packaging.

10 7.6 If the warning is printed on the product, package label, or invoice, then the warning
11 shall be contained in the same section of the label that contains other safety warnings, if any,
12 concerning the use of the Covered Product or near its displayed price and/or UPC code. Such
13 warning shall be prominently affixed to or printed on each such Covered Product, its label or package
14 or invoice, and displayed with such conspicuousness, as compared with other words, statements,
15 designs, or devices on such Covered Product, its label, package or display or invoice as to render it
16 likely to be read and understood by an ordinary individual under customary conditions of purchase or
17 use. With respect to the preceding sentence, the type size of any warning required by paragraph 7.4
18 must be legible, but otherwise need not be larger than any other warning language used in
19 conjunction with the Covered Product in question and its relative size may take into account the
20 nature, immediacy, and acuteness of the risks for which other warnings are given. If the size of a
21 Covered Product and its packaging is such that a warning required by this Consent Judgment cannot
22 physically be printed on its non-transparent portion in a legible size, the warning may be printed on a
23 separate piece of paper or cardstock and inserted into the Covered Product's packaging, provided that
24 i) the cardstock or paper containing the warning is not white or uncolored and contains only the
25 warning language, and ii) a substantial portion of the exterior of the packaging material is
26 transparent.

1 7.7 If a warning is provided on the internet pursuant to (c) above, the warning message
2 shall be displayed (or, upon the internet site user's identification as a California resident, such as
3 when the user types in a zip code, automatically appear) either: (a) on the same page on which the
4 Covered Product is displayed, (b) on the same page as the order form for the Covered Product, or (c)
5 on the same page as the price for the Covered Product.

6 7.8 If the warning is given in the owners manual pursuant to Section 7.9 below, it shall be
7 located in one of the following places in the manual: the outside of the front cover; the inside of the
8 front cover; the first page other than the cover; or the outside of the back cover. The warning shall be
9 printed or stamped in the manual or contained in a durable label or sticker affixed to the manual in a
10 font no smaller than the font used for other safety warnings in the manual. Alternatively, the warning
11 may be included in a safety warning section of the owner's manual consistent with specifications
12 issued by Underwriters Laboratories.

13 7.9 A warning in the owner's manual of a Covered Product may be used to satisfy the
14 warning requirements of this Section 7 only under the following circumstances: the Covered Product
15 (i) may cause serious injury or bodily harm (other than by means of fire or electrocution) unless used
16 as directed; or (ii) is sophisticated, difficult to understand or install, set-up, or assemble; or (iii) has
17 one or more features a consumer must read about in order to know how to program or use the
18 Covered Product. However, a Covered Product may not utilize an owner's manual warning if it
19 meets the following criteria: (a) the Covered Product is unlikely to cause serious injury or bodily
20 harm other than by means of fire or electrocution; (b) the Covered Product is easily assembled or
21 programmed by an ordinary consumer without need to reference instructions; and (c) fundamental
22 operation of the Covered Product is easily understood and commonly performed by an ordinary
23 consumer without training or need to reference operating instructions. Exhibit F contains a list of
24 Covered Products/product types for which Owner's Manual Warnings are deemed to be an allowable
25 method of communicating the warnings required by this Section 7. Plaintiffs have previously
26 provided the California Attorney General's Office and the Settling Defendant with a list of Covered
27 Products/product types for which Owner's Manual Warnings are deemed not to be an allowable
28 method of communicating the warnings required by this Section 7 (the "Non-Owner's Manual

1 Product List”). Exhibit F and the Non-Owner’s Manual Product List may be used as guidance in
2 determining whether the criteria for use of owner’s manual warnings set forth in this Section are
3 satisfied. Exhibit F and the Non-Owner’s Manual Products List may also be used by the Parties in
4 the course of dispute resolution pursuant to Section 9.

5 7.10 The Settling Defendant may provide an Owner’s Manual Warning on any Covered
6 Products/product types, except for those listed on the Non-Owner’s Manual Product List, that satisfy
7 the criteria in Section 7.9, whether or not that Covered Product or product type is listed on Exhibit F.
8 Settling Defendant shall provide to Plaintiff, by certified mail or other confirmable delivery, a list of
9 those Covered Products for which an owners manual warning is proposed to be given. Plaintiff shall,
10 within 60 days, notify Settling Defendant as to whether Plaintiff agrees that an owner’s manual
11 warning is appropriate. In the event that Plaintiff determines that an Owner’s Manual Warning is not
12 appropriate, it shall provide a written explanation of the basis therefore. In the event that the Settling
13 Defendant disagrees with Plaintiff’s determination the settling defendant may elect to invoke the
14 Dispute Resolution process provided for in Section 9 hereof. Products not existing as of the
15 Effective Date that are introduced for sale after January 1, 2006 may use a owner’s manual warning if
16 approved in writing by the California Attorney General’s office, following 60 days prior notice to
17 Plaintiff.

18 7.11 The requirement for product labeling, set forth herein, is imposed pursuant to the
19 terms of this Consent Judgment. The Parties recognize that product labeling is not the exclusive
20 method of providing a warning under Proposition 65 and its implementing regulations.

21 **8. DISPUTE RESOLUTION**

22 8.1 Wherever this Consent Judgment provides that the Settling Defendant may invoke
23 the Dispute Resolution process or file a motion to have the Court resolve an issue, the Settling
24 Defendant seeking a resolution shall first mail (by certified mail) and fax a notice to Plaintiff, setting
25 forth the dispute and the basis for the Party’s position. The Parties interested in the dispute shall then
26 meet and confer in good faith within sixty (60) days to determine whether the dispute may be
27 resolved in order to avoid further litigation of the issue, unless both Parties waive, in writing, notice
28 and the opportunity to meet and confer. In the event that Plaintiff fails to meet and confer within the

1 sixty (60) day period, the Settling Defendant's position shall be deemed to have prevailed. In the
2 event that, after meeting and conferring, Plaintiff disapproves or disagrees with a position taken by
3 the Settling Defendant, Plaintiff shall notify the Settling Defendant in writing, sent by an overnight
4 delivery service requiring a signature upon delivery, within 14 (fourteen) days of meeting and
5 conferring. Should the Plaintiff do so and should the Settling Defendant wish to pursue its position,
6 the Settling Defendant shall then seek to have the California Attorney General concur with the
7 Settling Defendant's position. If the California Attorney General concurs in writing with the Settling
8 Defendant, the Settling Defendant shall provide notice thereof to Plaintiff and the Settling
9 Defendant's view shall prevail. If, however, the California Attorney General does not concur with
10 the Settling Defendant within ninety (90) days of the date on which the Settling Defendant sought the
11 California Attorney General's concurrence, the Settling Defendant shall have the right to bring the
12 issue to the Court by noticed motion for its de novo review and, provided that it is proceeding in good
13 faith, shall not be subject to further penalties during the pendency of such motion and/or if the motion
14 is not contested by Plaintiff. In the event that the Plaintiff chooses to contest such a motion and
15 prevails, 1) the Settling Defendant shall be deemed to be in compliance with the terms of this
16 Consent Judgment provided that it implements the warning requirements imposed as the result of the
17 Court's determination within ninety (90) days that the Court's determination is final; and 2) Plaintiff
18 may elect to seek to recover its attorney fees incurred in association with such motion as provided for
19 by California Civil Procedure Code Section 1021.5.

20 9. **TERMINATION**

21 The Settling Defendant may elect (but is not required) to terminate its participation in this
22 Consent Judgment beginning on January 31, 2006 or any date thereafter by means of filing with the
23 court and serving on the Plaintiff, the California Attorney General, and counsel of record to the
24 Settling Defendant with a notice of termination. In the event of the exercise of such an election, the
25 Settling Defendant's obligations and rights and benefits hereunder shall immediately be deemed to
26 cease to exist.

27 10. **APPLICATION OF JUDGMENT**

28 The obligations of this Consent Judgment shall apply to and be binding upon all plaintiffs,

1 acting in the public interest pursuant to Health and Safety Code section 25249.7(d) and on behalf of
2 the general public pursuant to Business and Professions Code section 17204, and the Settling
3 Defendant and the successors or assigns of any of them.

4 11. **AUTHORITY TO STIPULATE**

5 Each signatory to this Consent Judgment certifies that he or she is fully authorized by the
6 Party he or she represents to enter into this Consent Judgment and to execute it on behalf of the Party
7 represented and legally to bind that Party.

8 12. **NOTICES**

9 Whenever a notice is called for by this Consent Judgment, it shall be provided to the Settling
10 Defendant at the addresses identified in Exhibit B hereto. If any Party desires to change the
11 individual and/or address designated to receive notice on its behalf, such Party shall provide notice to
12 all other Parties pursuant to the terms of this Section.

13 13. **RETENTION OF JURISDICTION**

14 This Court shall retain jurisdiction of this matter to implement this Consent Judgment.

15 14. **ENTIRE AGREEMENT**

16 This Consent Judgment contains the sole and entire agreement and understanding of the
17 Parties with respect to the entire subject matter hereof, and any and all prior discussions, negotiations,
18 commitments and understandings related hereto. No representations, oral or otherwise, express or
19 implied, other than those contained herein have been made by any Party hereto. No other agreements
20 not specifically referred to herein, oral or otherwise, shall be deemed to exist or to bind any of the
21 Parties.

22 15. **GOVERNING LAW**

23 The validity, construction and performance of this Consent Judgment shall be governed by the
24 laws of the State of California, without reference to any conflicts of law provisions of California law.

28

1 16. COURT APPROVAL

2 If this Consent Judgment is not approved and entered by the Court, or if the entry of this
3 Consent Judgment is successfully challenged, this Consent Judgment shall be of no force or effect,
4 and cannot be used in any proceeding for any purpose.

EXHIBIT C
(Optional List of Certain Brand Names and Product Type)

All PVC-corded and non-pneumatic products manufactured, sourced, distributed or sold by Senco Products, Inc. or related entities including but not limited to the following brands, Cordless, Airfree, KoolGlide and DuraSpin.

1 EXHIBIT D
2 (Exemplar of Optional Testing Protocol)

3
4 Step 1: Cut 3-inch section of a cable that has not previously been used or
5 wiped.

6 Step 2. On multiconductor cables, remove the insulated conductors and any
7 other inner components from the 3-inch section of the cable. On single insulated
8 conductors, remove the metallic conductor from the 3-inch section of the cable.
Place the outer nonmetallic covering into a lead free receptacle (such as a
pre-labeled resealable plastic food storage bag).

9 Step 3. Repeat steps 1 and 2 above for two additional cables such that a
10 total of three samples are produced for laboratory analysis.

11 Step 4. Prepare samples for laboratory analysis according to EPA Method
12 160.4 or 3050, applied in such a manner as to ensure that the sample is completely dissolved
prior to the analysis identified in Step 5.

13 Step 5. Analyze samples for total lead by EPA Method 7420 (AA Flame).

14 Step 6. Compute the arithmetic mean from the three samples.
