**STIPULATION AND [PROPOSED]
ORDER RE: CONSENT JUDGMENT**

1. INTRODUCTION

1.1 **Plaintiff and Defendant.** This Consent Judgment is entered into by and between plaintiff Whitney Leeman (hereafter "Leeman" or "Plaintiff") and defendant Signature Housewares, Inc., ("Signature" or "Defendant"), with Plaintiff and Defendant collectively referred to as the "Parties" and Leeman and Signature each being a "Party."

1.2 **Plaintiff.** Leeman is an individual residing in Northern California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.3 **General Allegations.** Plaintiff alleges that Defendant has distributed and/or sold in the State of California certain tableware products with colored artwork, designs or markings on the exterior surface with materials in that colored artwork, designs or markings that contain lead and/or cadmium, which are listed pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.*, also known as Proposition 65, to cause birth defects and other reproductive harm. Lead (and/or lead compounds) and cadmium shall be referred to herein as "Listed Chemicals."

1.4 **Product Descriptions.** The products that are covered by this Consent Judgment are defined as follows: ceramic mugs and other glass and ceramic tableware items sold or distributed by Defendant in California with colored artwork, designs or markings on the exterior surface including, by way of example and without limitation, products contained in the items listed at Exhibit A. Such products collectively are referred to herein as the "Products."

1.5 **Notices of Violation.** Beginning on September 3, 2004, Leeman served Defendant and various public enforcement agencies with documents, entitled "60-Day Notice of Violation" ("Notice") that provided Defendant and such public enforcers with notice that alleged that Defendant was in violation of Health & Safety Code § 25249.6 for failing to warn purchasers that certain products that it sold expose users in California to the Listed Chemicals.

1.6 **Complaint.** On December 8, 2004, Leeman, in the interest of the general public in California, filed a complaint (hereafter referred to as the "Complaint" or the "Action") in the Superior Court for the City and County of San Francisco against Defendant and Does 1 through

150, alleging violations of Health & Safety Code § 25249.6 based on the alleged exposures to one or more of the Listed Chemicals contained in certain products sold by Defendant.

1 **1.7 No Admission.** Defendant denies the material factual and legal allegations
2 contained in Plaintiff's Notice and Complaint and maintains that all products that it has sold and
3 distributed in California including the Products have been and are in compliance with all laws.
4 Nothing in this Consent Judgment shall be construed as an admission by Defendant of any fact,
5 finding, issue of law, or violation of law, nor shall compliance with this Agreement constitute or
6 be construed as an admission by Defendant of any fact, finding, conclusion, issue of law or
7 violation of law. However, this section shall not diminish or otherwise affect the obligations,
8 responsibilities and duties of Defendant under this Consent Judgment.

9 **1.8 Consent to Jurisdiction.** For purposes of this Consent Judgment only, the Parties
10 stipulate that this Court has jurisdiction over the allegations of violations contained in the
11 Complaint and personal jurisdiction over Defendant as to the acts alleged in the Complaint, that
12 venue is proper in the County of San Francisco, and that this Court has jurisdiction to enter this
13 Consent Judgment and to enforce the provisions thereof.

14 **1.9 Effective Date.** For purposes of this Consent Judgment, "Effective Date" shall be
15 June 15, 2005.

16 **2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

17 **2.1 Warning Obligations**

18 **(a) Required Warnings.** As of the Effective Date, Defendant shall not ship,
19 distribute or offer for sale in California any Products containing one or more the Listed Chemicals
20 (or supply any Products containing one or more of the Listed Chemicals to any entity for
21 distribution, sale or use in California) unless warnings are given in accordance with one or more
22 provisions in subsection 2.2 below.

23 **(b) Exceptions.** The warning requirements set forth in subsections 2.1(a) and
24 2.2 below shall not apply to:

25 **(i)** any Products manufactured before the Effective Date; or
26

(ii) Reformulated Products as defined in section 2.3.

2.2 **Clear and Reasonable Warnings**

(a) **Product Labeling.** A warning may be given by affixing the following language to the packaging, labeling or directly on a Product by Defendant, its agents, the manufacturer, the importer, the distributor, or the retailer of the Product that states:

WARNING: The materials used as colored decorations on the exterior of this product contain lead and/or cadmium, chemicals known to the State of California to cause birth defects or other reproductive harm.

Warnings issued for Products pursuant to this subsection shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use or purchase. For purposes of this subsection, a warning statement or sticker placed on the bottom of the product packaging is not an adequate warning. Similarly, for purposes of this Consent Judgment, a warning insert that is placed inside the product packaging that is not intended to be opened prior to leaving the retail establishment is deemed not reasonably calculated to transmit the health hazard warning to the individual prior to purchase.

Any changes to the language or format of the warning required by this subsection shall only be made following: (1) written approval from the California Attorney General's Office, provided that written notice of at least fifteen (15) days is given to Plaintiff for the opportunity to comment; or (2) Court approval.

(b) **Point-of-Sale Warnings.** Defendant may satisfy its warning obligations, where applicable, by arranging for signs to be posted at retail outlets or other locations in the State of California at which Products are sold directly to individuals, in accordance with the terms specified in subsections 2.2(b)(i), 2.2(b)(ii) and 2.2(b)(iii).

(i) Point-of-Sale warnings may be provided through one or more signs posted at or near the point of sale or display of the Products that state:

1 **WARNING: The materials used as colored decorations on the**
2 **exterior of this [glass or ceramic] product**
3 **contain lead and/or cadmium, chemicals known**
4 **to the State of California to cause birth defects**
5 **or other reproductive harm.**

6 Where Covered Products are sold in proximity to other like items that do not require a
7 warning (e.g., Reformulated Products as defined in section 2.3), the following statement must be
8 used:¹

9 **WARNING: The materials used as colored decorations on the**
10 **exterior of the following glass and/or ceramic**
11 **products sold in this store contain lead and/or**
12 **cadmium, chemicals known to the State of**
13 **California to cause birth defects or other**
14 **reproductive harm:**

15 ***[DISPLAY LIST OF EACH SPECIFIC PRODUCT FOR***
16 ***WHICH WARNING IS REQUIRED]***

17 (ii) A point-of-sale warning provided pursuant to subsection 2.2(b)(i)
18 shall be prominently placed with such conspicuousness as compared with other words,
19 statements, designs, or devices as to render it likely to be read and understood by an ordinary
20 individual under customary conditions of purchase and shall be placed or written in a manner
21 such that the consumer understands to which *specific* Products the warnings apply so as to
22 minimize, if not eliminate, the chances that an overwarning situation will arise.

23 (iii) If Signature intends to utilize point-of-sale warnings to comply with
24 this Consent Judgment, it must provide advanced notice to each entity to whom it ships the
25 Products for sale in California and expects to use point-of-sale warning signs and obtain the
26 written consent of such entity that it will transmit the warning sign to its customers as required in
27 section 2.2 herein before shipping Products requiring a warning unless warnings will be provided
28 for such products pursuant to subsection 2.2(a). Such notice shall include specific posting
 instructions and any required warning materials (including, as appropriate, signs and/or stickers).

¹ For purposes of this Agreement, "sold in proximity" shall mean that another product is offered for sale close enough to the warning sign that an individual could not reasonably determine which product is subject to the warning).

1 Signature shall not be found to have violated this Consent Judgment if it has complied with the
2 terms of this Consent Judgment and has transmitted the requisite warnings in the manner provided
3 herein.

4 (iv) Any changes to the language or format of the warning required for
5 Products by this subsection shall only be made following: (1) written approval from the
6 California Attorney General's Office, provided that written notice of at least fifteen (15) days is
7 given to Plaintiff for the opportunity to comment; or (2) Court approval.

8 (c) **Internet Sales**

9 For Products that require a warning pursuant to this Consent Judgment and that are
10 sold by Defendant from the Internet to a California address, a warning containing the language in
11 subsection 2.2 shall be included on the website pursuant to subsection 2.2(a), and in the manner
12 prescribed in subsection 2.2(c)(i) below. Any warnings given on the website shall identify the
13 *specific* Products so as to minimize, if not eliminate, the chances that an "overwarning" situation
14 will arise.

15 (i) **Internet Web Sites**

16 The warning text set forth in Section 2.2(a), or a link to a page containing
17 such warning text, shall be displayed either (a) on the same page on which a Product is displayed,
18 (b) on the same page as any order form for a Product, (c) on the same page as the price for any
19 Product, (d) on one or more pages displayed to a purchaser over the Internet or via electronic mail
20 during the checkout and order confirmation process for sale of a Product, or (e) in any manner
21 such that is likely to be read and understood by an ordinary individual under customary conditions
22 of purchase of a Product, including the same language as that appearing in subsection 2.2. If a
23 link is used, it shall state "Warning information for California residents," and shall be of a size
24 equal to the size of other links on the page. No warning shall be required under this subsection if
25 Signature does not sell Products via the Internet to California addresses.

26 (ii) Any changes to the language or format of the warning required for
27 Products by this subsection shall only be made following: (1) written approval from the
28

California Attorney General's Office, provided that written notice of at least fifteen (15) days is given to Plaintiff for the opportunity to comment; or (2) Court approval.

1 **2.3 Reformulation Standards.** The following subsections 2.3.1, 2.3.2 and 2.3.3 set
2 forth the specifications which the Products must meet in order to be sold without a Proposition 65
3 warning. For purposes of this section, the following definitions apply:

5 exterior surface of the Product.

6 “Lip and Rim Area” is defined as the interior and exterior top 20 millimeters of a
7 hollowware Product, as defined by American Society of Testing and Materials Standard Test
8 Method C927-99.

9 “No Detectable lead or cadmium” shall mean that neither lead nor cadmium is detected at
10 a level above .02% (for lead) or .08% (for cadmium) by weight, respectively, using a sample size
11 of the materials in question measuring approximately 50-100 mg and a test method of sufficient
12 sensitivity to establish a limit of quantitation of less than 200 ppm.²

14 described in section 2.3 as set forth below.

15 **2.3.1 Food and Beverage Use Glassware Products.** Any glassware Product

20 to be considered a Reformulated Product.

21 **(a) Wipe Test-Based Standard.** The Product must produce a test result no

23 decorated portions of the exterior surface of the Product performed as outlined in NIOSH method
24

25 ² If the decoration is tested after it is affixed to the Product, the percentage of the Listed Chemical by weight must
26 relate only to the decorating material and must not include any quantity attributable to non-decorating material (e.g.

14 If the Product is decorated in the Lip and Rim Area, it must satisfy subsection 2.3.2(d) to
15 be considered a Reformulated Product.

16 (a) **Wipe Test-Based Standard.** The Product must produce a test result no

19 no. 9100.

20 (b) **Decorating Material Content-Based Standard.** The Exterior
21 Decorations, exclusive of the Lip and Rim Area, must only utilize decorating materials that
22 contain six one-hundredths of one percent (0.06%) lead by weight or less AND forty-eight one-
23 hundredths of one percent (0.48%) cadmium by weight or less, as measured either before or after
24

25 ² If the decoration is tested after it is affixed to the Product, the percentage of the Listed Chemical by weight must
26 relate only to the decorating material and must not include any quantity attributable to non-decorating material (e.g.

the material is fired onto (or otherwise affixed to) the Product, using EPA Test Method 3050B.³

1 (c) **Total Acetic-Acid Immersion Test Based Standard.** The Product must
2 achieve a result of 0.99 ppm or less for lead and 7.92 ppm or less for cadmium after correction for
3 internal volume when tested according to the ASTM C927-99 test method, modified for total
4 immersion with results corrected for internal volume.⁴

5 (d) **Lip and Rim Area Exterior Decoration.** If the Product contains Exterior
6 Decorations in the Lip and Rim Area:

7 (i) Any Exterior Decorations that extend into the Lip and Rim Area
8 must only utilize decorating materials that contain No Detectable lead or cadmium; *or*

9 (ii) The Product must yield a test result showing a concentration level

23 _____
24 ³ See footnote 2 above.

25 ⁴ Because this method requires correction for internal volume, this method and subsections 2.3.2 (c) and 2.3.2(d)(ii)
are only appropriate for ceramic hollowware.

26 ⁵ This method and subsections 2.3.2(c) and 2.3.2(d)(ii) are only appropriate for ceramic hollowware.

1 of these funds remitted to the State of California's Office of Environmental Health Hazard

3 Safety Code § 25249.12(d). Plaintiff shall bear all responsibility for apportioning and paying to
4 the State of California the appropriate sums paid in accordance with this section.

4 **4. REIMBURSEMENT OF FEES AND COSTS**

5 The Parties acknowledge that Plaintiff and her counsel offered to resolve this dispute
6 without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving
7 this fee issue to be resolved after the material terms of the agreement had been settled. Defendant
8 then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms
9 had been finalized. The Parties then attempted to (and did) reach an accord on the compensation
10 due to Plaintiff and her counsel under the private attorney general doctrine codified at Code of
11 Civil Procedure § 1021.5 for all work performed through the Effective Date of the Agreement.
12 Under the private attorney general doctrine codified at Code of Civil Procedure §1021.5,
13 Defendant shall reimburse Plaintiff and her counsel for fees and costs, incurred as a result of
14 investigating, bringing this matter to Defendant's attention, litigating and negotiating a settlement

It is specifically understood and agreed that the Parties intend that Defendant's compliance with the terms of this Consent Judgment resolves all issues and liability, now and in the future (so long as Defendant complies with the terms of the Consent Judgment) concerning Defendant and the Defendant's Releasees' compliance with the requirements of Proposition 65 as to the Listed

Chemicals in the Products.

1 5.2 **Defendant's Release of Plaintiff.** Defendant and Defendant Releasees waive all rights to

15 **8. ATTORNEYS' FEES**

16 In the event that a dispute arises with respect to any provision(s) of this Consent
17 Judgment, the prevailing party shall, except as otherwise provided herein, be entitled to recover

19 dispute.
20

21 **9. GOVERNING LAW**

22 The terms of this Consent Judgment shall be governed by the laws of the State of
23 California and apply within the State of California. In the event that Proposition 65 is repealed or
24 is otherwise rendered inapplicable by reason of law generally, or as to the Products specifically,
25 then Defendant shall have no further obligations pursuant to this Consent Judgment with respect
26 to, and to the extent that, those Products are so affected.

10. **NOTICES**

All correspondence and notices required to be provided pursuant to this Consent Judgment shall be in writing and personally delivered or sent by: (i) first-class, registered, certified mail, return receipt requested or (ii) overnight courier on either Party by the other at the addresses listed below.
