Deputy Clerk

1. INTRODUCTION

1.1 On or about June 27, 2005, the Mateel Environmental Justice Foundation ("MEJF") and its attorneys, Klamath Environmental Law Center ("KELC"), sent 60 Day Notice Letters to the Office of the California Attorney General of the State of California ("California Attorney General"), all California counties' District Attorneys and all City Attorneys of California cities with populations exceeding 750,000, (collectively, "Public Enforcers"), charging certain businesses with violating the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code Section 25249.5 et seq. ("Proposition 65"), in their manufacture, distribution and/or sale of wires and cables coated with polyvinyl chloride ("PVC"). Specifically, MEJF charged that persons handling the PVC-coated wires and cables (hereinafter sometimes referred to as the "Cords") were exposed to certain chemicals, listed under Proposition 65, including, cadmium, hexavalent chromium, vinyl chloride, lead and lead compounds, lead acetate, lead phosphate, lead subacetate and di(2ethylhexyl) phthalate.

1.2 On or about November 10, 2005, MEJF ("Plaintiff"), acting on behalf of itself, the public interest, and the general public for the matters described in the Notice Letter, filed a Complaint for civil penalties and injunctive relief ("Complaint") in the San Francisco Superior Court, fashioned, *MATEEL ENVIRONMENTAL JUSTICE FOUNDATION v. ALERT STAMPING AND MANUFACTURING COMPANY, INC.*, Case No. 446585 based on the Notice Letter. The Complaint alleged, among other things, that ALERT STAMPING AND MANUFACTURING COMPANY, INC., ("Alert Stamping" or "Settling Defendant") violated Proposition 65 and California Business & Professions Code Section 17200 et seq. (the "Unfair Competition Act") by manufacturing, marketing and/or distributing to California residents products that are themselves or which incorporate wires and cables that are PVC-coated and failing to provide clear and reasonable warnings to California residents who handle and use such products that the handling and use of those products in their normally intended manner will cause those persons to be exposed to Proposition 65 Chemicals.

1.3 Plaintiff and Settling Defendant are, for purposes of this Consent Judgment, collectively referred to as the "Parties," with each of them a "Party".

1.4 For purposes of this Consent Judgment, the term "Covered Products" means products
2 that are themselves, or that incorporate, utilize, or have appended to them, Cords, and that are
3 manufactured, distributed, marketed or sold by the Settling Defendant. The term Covered Products
4 includes both such products that are subject to the Warning Requirements of Section 7, and those that
5 are not, including those products that are exempted from the warning requirements of this Consent
6 Judgment pursuant to Sections 7.1 or 7.3. The term "Covered Products" also includes products
7 which are manufactured, distributed, marketed and/or sold by the Settling Defendant either under its
8 own name or brand or under the name or brand of another (e.g., privately labeled products).

1.5 For purposes of this Consent Judgment only, the Settling Defendant admits that: (a) it
9 is a business that employs more than ten persons and manufactures, distributes and/or sells Covered
10 Products into the State of California; (b) the Covered Products contain one or more Proposition 65
11 Chemicals; and (c) Proposition 65 Chemicals are chemicals listed under Proposition 65 as being
12 known to the State of California to cause cancer and/or reproductive toxicity.

1.6 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
13 jurisdiction over the allegations of violations contained in the Complaints and personal jurisdiction
14 over the Settling Defendant as to the acts alleged in the Complaints, that venue is proper in the
15 County of San Francisco and that this Court has jurisdiction to enter this Consent Judgment as a full
16 settlement and resolution of the allegations contained in the Complaints and Notice Letters and of all
17 claims which were or could have been raised by any person or entity based in whole or in part,
18 directly or indirectly, on the facts alleged therein, arising therefrom or related thereto.

1.7 The Parties enter into this Consent Judgment pursuant to a full and final settlement of
19 any and all claims between the Parties for the purpose of avoiding prolonged litigation. This Consent
20 Judgment shall not constitute an admission with respect to any material allegation of the Complaints,
21 each and every allegation of which the Settling Defendant denies; nor may this Consent Judgment or
22 compliance with it be used as evidence of any wrongdoing, misconduct, culpability or liability on the
23 part of any Settling Defendant. The Settling Defendant maintains that its Covered Products have at
24 all times complied with all applicable laws, including Proposition 65.

2. SETTLEMENT PAYMENT

2.1 In settlement of all of the claims referred to in this Consent Judgment against the Settling Defendant:

(a) The Settling Defendant shall pay \$40,000 (forty thousand dollars). The payments required by the preceding sentence may be made payable to KELC and shall subsequently and within a commercially reasonable time be divided by KELC as follows: (i) fifty percent (50%) shall be paid to KELC for attorneys fees and costs incurred by KELC on behalf of Plaintiff in investigating this matter and negotiating this Consent Judgment on behalf of itself and the general public, (ii) fifty percent (50%) shall, subject to Paragraph 2.2 below, be distributed by KELC at the direction of MEJF among the following non-profit organizations: Californians for Alternatives to Toxics; the Center for Ethics and Toxics, a project of the Tides Foundation; the Center on Race, Poverty and the Environment; the Ecological Rights Foundation; the Environmental Protection Information Center; the Golden Gate University School of Law Environmental Litigation Clinic; KPFA Radio; and Pacifica Reporters Against Censorship.

(b) The total amount of \$40,000 shall be made in four payments of \$10,000 each according to the following schedule: The first payment shall be lodged or otherwise deposited with counsel for Settling Defendant within 30 days of this Consent Judgment being signed, and sent, overnight mail, by defense counsel to Klamath Environmental Law Center, on or within 3 business days of the date the Consent Judgment being approved and entered by the court. The second payment shall be sent, by overnight mail to Klamath Environmental Law Center so as to arrive on or before July 1, 2006. The third payment shall be sent, by overnight mail to Klamath Environmental Law Center so as to arrive on or before October 1, 2006. The fourth payment shall be sent, by overnight mail to Klamath Environmental Law Center so as to arrive on or before January 1, 2007.

2.2 MEJF and KELC represent and warrant that each of the organizations identified in Paragraph 2.1(a)(ii) above is a tax exempt, section 501(c)(3) non-profit organization and that funds distributed to these organizations pursuant to this Consent Judgment may only be spent to reduce harm from toxic chemicals, or to increase consumer, worker and community awareness of health hazards posed by lead and other toxic chemicals.

2.3 Except as specifically provided in this Consent Judgment, each side shall bear its own costs and attorney's fees.

3. ENTRY OF CONSENT JUDGMENT

The Parties request that the Court promptly enter this Consent Judgment and waive their respective rights to a hearing or trial on the allegations of the Complaint.

4. MATTERS COVERED BY THIS CONSENT JUDGMENT

4.1 For purposes of Section 4 of this Consent Judgment, the term Settling Defendant shall include the Settling Defendant, as defined above, and its past, present and future parents, divisions, subdivisions, brands, subsidiaries and affiliates and the predecessors, successors and assigns of any of them as well as their past, present and future officers, directors, employees, agents, attorneys, representatives, shareholders and assigns. For purposes of Section 4, the term Settling Defendant shall also be deemed to include the Settling Defendant's supplier of Covered Products, but only with respect to those Covered Products that such supplier manufactures for the Settling Defendant. The preceding sentence shall not apply with respect to a supplier who ships Covered Products directly to a consumer at the request of the Settling Defendant, where a warning is provided to address the obligations of this Consent Judgment solely pursuant to Section 7.5(e) below. A list delineating some, but not necessarily all, of the names of the various business entities and brands or product types referred to in this Paragraph and in existence on or before the date of this Consent Judgment is attached hereto as Exhibit C.

4.2 As to Covered Products, this Consent Judgment is a final and binding resolution between Plaintiff acting on behalf of itself and, (as to those matters referenced in the Notice Letters) in the public interest pursuant to Health and Safety Code Section 25249.7(d) and the general public pursuant to Business and Professions Code Section 17204 and the Settling Defendant of: (a) any

violation of Proposition 65; or, (b) with respect to exposures to the Proposition 65 Chemicals associated with the use of Covered Products, the Unfair Competition Act; or (c) with respect to exposures to the Proposition 65 Chemicals associated with the use of Covered Products, any other statutory or common law claim, to the fullest extent that any such claims were or could have been asserted by any person or entity against the Settling Defendant based on its or their exposure of persons to chemicals contained in or otherwise associated with the use of Covered Products manufactured, sold or distributed by, for or on behalf of the Settling Defendant and/or their alleged failure to provide a clear and reasonable warning of such exposure to such individuals; or (d) as to exposures to chemicals contained in or otherwise associated with the use of Covered Products, any other claim based in whole or part on the facts alleged in the Complaints or Notice Letters, whether based on actions or omissions committed by the Settling Defendant or any other entity within the Settling Defendant's chain of distribution, including, but not limited to, customers, wholesale or retail sellers or distributors and any other person in the course of doing business ("Downstream Entity").

4.3 As to any claims, violations (except violations of this Consent Judgment), actions, damages, costs, penalties, or causes of action which may arise or have arisen after the original date of entry of this Consent Judgment, compliance by the Settling Defendant with the terms of this Consent Judgment shall be deemed to constitute its full and complete compliance with Proposition 65 and the Unfair Competition Act with respect to the provision of warnings for chemicals contained in or otherwise associated with the use of Covered Products, provided that the concentrations of those chemicals other than lead are materially similar to that associated with the Covered Products with respect to Proposition 65 at the time this Consent Judgment is entered.

4.4 Notwithstanding Sections 4.2 or 4.3 above, as to all customers, distributors, wholesalers, retailers or any other Downstream Entity, except as otherwise indicated in Sections 4.5 and 4.6 below, which may in the course of doing business use, maintain, distribute, or sell Covered Products which are manufactured, distributed or sold by the Settling Defendant (including Covered Products which are privately labeled by the Settling Defendant for a Downstream Entity), Plaintiff (acting on behalf of itself and, as to those matters raised in the Notice Letters, on behalf of the general public) waives all rights to institute any form of legal action whether under Proposition 65 or the

Unfair Competition Act or otherwise, arising out of or resulting from or related directly or indirectly to, in whole or in part, exposure to, or otherwise associated with the use of and alleged failure to warn with respect to Proposition 65 Chemicals contained in Covered Products.

4.5 Nothing in this Consent Judgment shall be deemed to release, from past liability under Proposition 65 or any other statute or regulation (except from liability for occupational exposures under the circumstances set forth in Sections 4.6, 7.5 and 7.6 of this Consent Judgment), any entity which incorporates Cords obtained from the Settling Defendant into a Covered Product the entity manufactures or distributes for sale to retail consumers, unless such entity is itself a Settling Defendant; nor shall any such entity which is not itself a Settling Defendant be entitled to utilize or otherwise rely on the provisions of this Consent Judgment. Notwithstanding the preceding sentence, however, compliance with the terms of Section 7 of this Consent Judgment by an entity that incorporates Cords obtained from the Settling Defendant into a Covered Product it manufactures or distributes for sale to retail consumers, shall be deemed to constitute compliance with Proposition 65 with respect to Covered Products it sells in the future.

4.6 Nothing in this Consent Judgment shall be deemed to require an out of state manufacturer of Covered Products to provide a Proposition 65 warning for occupational exposures occurring within the State of California. Nothing in this Consent Judgment will be deemed to release a California employer from liability for failure to comply with its obligations, if any, to provide warnings under Proposition 65 for the exposures of its employees to chemicals contained in or otherwise associated with Non-Retail Covered Products (as defined in Section 7.6 below) unless such employer makes Proposition 65 warning information available to its employees in the manner specified in Section 7.6 below or as otherwise permitted by 8 Cal. Code Regs. § 5194.

4.7 In furtherance of the foregoing, Plaintiff hereby waives any and all rights and benefits which it now has, or in the future may have, conferred upon it by virtue of the provisions of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE

MATERIALLY AFFECTED HIS SETTLEMENT WITH THE
DEBTOR.

2 Plaintiff understands and acknowledges that the significance and consequence of its waiver of
3 California Civil Code Section 1542 is that even if Plaintiff and/or, with respect to the matters raised
4 in the Notice Letters, any person or entity on whose behalf they purport to act or could act, suffers
5 future damages or harm arising out of, resulting from, or related directly or indirectly to, in whole or
6 in part, the matters covered in Sections 4.2, 4.3 and 4.4 above ("Damages"), Plaintiff and any person
7 or entity on whose behalf they purport to act or could act, will not be able to make any claim for such
8 Damages against the Settling Defendant or any of its customers, distributors, wholesalers, retailers, or
9 any other person in the course of doing business who may use, maintain, distribute or sell the
10 Covered Products. Furthermore, Plaintiff acknowledges that it intends these consequences for any
11 such Damages which may exist as of the date of this release but which Plaintiff does not know exist,
12 and which, if known, would materially affect its decision to enter into this Consent Judgment,
13 regardless of whether its lack of knowledge is the result of ignorance, oversight, error, negligence, or
14 any other cause, no matter how justifiable such cause may be.

15 4.8 The Settling Defendant waives all rights to institute any form of legal action against
16 Plaintiff, its officers, directors, attorneys, consultants and representatives for all legal actions
17 undertaken or statements made in the course of such legal actions to seek enforcement of this action
18 and judgment.

19 5. ENFORCEMENT OF JUDGMENT

20 5.1 The terms of this Consent Judgment shall be enforced exclusively by the Parties
21 hereto by means of noticed motion or order to show cause before the Superior Court of San Francisco
22 County.

23 6. MODIFICATION OF JUDGMENT

24 6.1 This Consent Judgment may be modified only upon written agreement of the Parties
25 and upon entry of a modified amended Consent Judgment by the Court, or upon motion of any Party
26 as provided by law and upon entry of a modified amended Consent Judgment by the Court.

27 Notwithstanding the immediately preceding sentence or any other term or provision of this Consent
28

Judgment, if Plaintiff or any affiliated entity, or the California Attorney General, enters into, or
2 agrees to in writing, or is otherwise bound by injunctive relief terms or provisions relating to the
3 provision of Proposition 65 warnings for Covered Products, with regard to their Cords, which, taken
4 together, are more favorable to the defendant(s) than the terms or provisions that this Consent
5 Judgment provide for a Covered Product of like kind and characteristics with respect to its
6 thermoset/thermoplastic-coated electrical cord and use, the terms of injunctive relief provided for in
7 Section 7 of this Consent Judgment shall automatically be deemed to have been modified to add such
8 more favorable terms or provisions as an option which the Settling Defendant may elect for
9 compliance with this Consent Judgment.

10 7. INJUNCTIVE RELIEF

11 7.1 Covered Products shall be deemed to comply with Proposition 65 and be exempt
12 from any Proposition 65 warning requirements if the Cords that are sold as a part of or in association
13 with those Covered Products meet the following criteria: (a) the surface contact layer of the Cords
14 shall have no lead as an intentionally added constituent; and (b) the surface contact layer of the Cords
15 shall have lead content by weight of no more than 0.03% (300 parts per million, or "300 ppm"). The
16 Settling Defendant may comply with the above requirements by relying on information obtained from
17 its suppliers regarding the content of the surface contact layer of the Cords, provided such reliance is
18 in good faith. Obtaining test results showing that the lead content is no more than 0.03%, using a
19 method of sufficient sensitivity to establish a limit of quantification (as distinguished from detection)
20 of less than 300 ppm shall be deemed to establish good faith reliance. Provided that the level of
21 quantitation requirement set forth in the preceding sentence is met, the test protocol and methods
22 described on Exhibit D hereto may be relied on. Nothing in the preceding two sentences shall
23 preclude a Settling Defendant from establishing good faith reliance by an alternative means.

24 7.2 Covered Products manufactured and shipped for distribution to or sale in California
25 on or after the Effective Date that do not meet the warning exemption standard set forth in
26 Section 7.1 of this Consent Judgment and are not exempt pursuant to Section 7.3 shall be
27 accompanied by a warning as described in Section 7.4 below. For purposes of this Section, 90 days
28 after the entry of this Consent Judgment shall be considered the "Effective Date."

1 7.3 The following Covered Products are deemed to be exempt from any Proposition 65
2 warning requirements with respect to Cords: (a) Covered Products which because of their size,
3 weight or function have Cords that are handled only infrequently (such as upon their installation in a
4 setting where they are not typically plugged and unplugged) ("Infrequently Handled Products");
5 (b) those Covered Products that: (i) are sold at retail before the Effective Date; or (ii) are distributed
6 or shipped for sale outside the State of California; (c) Covered Products that use Cords only as
7 internal components not normally accessible to the consumer during ordinary use; and/or (d) Covered
8 Products which contain the Proposition 65 Chemical only as part of the inner conductor or other
9 component not normally accessible to the consumer during ordinary use. Exhibit E contains a list of
10 Covered Products/Product types that are deemed to meet the criteria for Infrequently Handled
11 Products set forth in this Section 7.3 and are therefore exempt. Plaintiffs have previously provided
12 the California Attorney General's Office and the Settling Defendant with a list of Covered
13 Products/Product types that are deemed not to meet the criteria for Infrequently Handled Products set
14 forth in this Section 7.3 and therefore are not exempt ("Non-Exempt Products List"). Exhibit E and
15 the Non-Exempt Products List may be used as guidance in determining whether other Covered
16 Products meet these criteria; Exhibit E and the Non-Exempt Products List may also be used by the
17 Parties in the course of dispute resolution pursuant to Section 9. The Parties acknowledge that
18 common usage of the terms "portable" and "non-portable" do not affect the classification of any
19 Covered Products under this Consent Judgment. Covered Products may be considered Infrequently
20 Handled Products regardless of their weight or the likelihood that they may be used while moving,
21 whether that be on a person, in a car, on an airplane or otherwise.

22 7.4 Should the Settling Defendant's Covered Products require Proposition 65 warnings
23 under Section 7.2, the Settling Defendant shall, except as otherwise provided in Section 7.5 below,
24 either provide one of the warnings described below or any other Proposition 65 warning that has been
25 reviewed and approved in writing by the California Attorney General for use with Covered Products
26 regarding their thermoset/thermoplastic-coated wires and/or cables:

1 “WARNING: This product contains chemicals, including lead, known to the State of
2 California to cause [cancer, and] birth defects or other reproductive harm. *Wash*
3 *hands after handling.*”

4 or

5 “WARNING: Handling the cord on this product will expose you to lead, a chemical
6 known to the State of California to cause [cancer, and] birth defects or other
7 reproductive harm. *Wash hands after handling.*”

8 or

9 “WARNING: The power cord on this product contains lead, a chemical known to the
10 State of California to cause [cancer, and] birth defects or other reproductive harm.
11 *Wash hands after handling.*”

12
13 The word “WARNING” shall be in all capital letters and in bold typeface. The hand-washing
14 admonition shall be in bold typeface and italicized. Inclusion of the bracketed words “cancer, and” in
15 the above warning shall be at the Settling Defendant’s option.

16 7.5. Unless otherwise indicated herein, the warning required or authorized in Sections 7.4
17 shall be given by having it: (a) affixed to the Covered Product itself or to the unit package of such
18 Covered Product; (b) printed on the Covered Product itself or on the unit package of such Covered
19 Product; (c) displayed on an internet site for those units of Covered Products sold on the internet;
20 (d) included in the owner’s manual if the conditions set forth in Section 7.9 below are satisfied
21 (“Owner’s Manual Warning”); or, (e) printed on the invoice issued directly to the consumer by the
22 Settling Defendant to confirm the sale, where the Settling Defendant sells Covered Products directly
23 to consumers by telephone, mail order, or internet sale, but never has physical possession of the
24 Covered Product or its packaging.

25 7.6. If the warning is printed on the product, package label, or invoice, then the warning
26 shall be contained in the same section of the label that contains other safety warnings, if any,
27 concerning the use of the Covered Product or near its displayed price and/or UPC code. Such
28 warning shall be prominently affixed to or printed on each such Covered Product, its label or package

1 or invoice, and displayed with such conspicuousness, as compared with other words, statements,
2 designs, or devices on such Covered Product, its label, package or display or invoice as to render it
3 likely to be read and understood by an ordinary individual under customary conditions of purchase or
4 use. With respect to the preceding sentence, the type size of any warning required by paragraph 7.4
5 must be legible, but otherwise need not be larger than any other warning language used in
6 conjunction with the Covered Product in question and its relative size may take into account the
7 nature, immediacy, and acuteness of the risks for which other warnings are given. If the size of a
8 Covered Product and its packaging is such that a warning required by this Consent Judgment cannot
9 physically be printed on its non-transparent portion in a legible size, the warning may be printed on a
10 separate piece of paper or cardstock and inserted into the Covered Product's packaging, provided that
11 i) the cardstock or paper containing the warning is not white or uncolored and contains only the
12 warning language, and ii) a substantial portion of the exterior of the packaging material is
13 transparent.

14 7.7 If a warning is provided on the internet pursuant to (c) above, the warning message
15 shall be displayed (or, upon the internet site user's identification as a California resident, such as
16 when the user types in a zip code, automatically appear) either: (a) on the same page on which the
17 Covered Product is displayed, (b) on the same page as the order form for the Covered Product, or (c)
18 on the same page as the price for the Covered Product.

19 7.8 If the warning is given in the owners manual pursuant to Section 7.9 below, it shall be
20 located in one of the following places in the manual: the outside of the front cover; the inside of the
21 front cover; the first page other than the cover; or the outside of the back cover. The warning shall be
22 printed or stamped in the manual or contained in a durable label or sticker affixed to the manual in a
23 font no smaller than the font used for other safety warnings in the manual. Alternatively, the warning
24 may be included in a safety warning section of the owner's manual consistent with specifications
25 issued by Underwriters Laboratories.

26 7.9 A warning in the owner's manual of a Covered Product may be used to satisfy the
27 warning requirements of this Section 7 only under the following circumstances: the Covered Product
28 (i) may cause serious injury or bodily harm (other than by means of fire or electrocution) unless used

1 as directed; or (ii) is sophisticated, difficult to understand or install, set-up, or assemble; or (iii) has
2 one or more features a consumer must read about in order to know how to program or use the
3 Covered Product. However, a Covered Product may not utilize an owner's manual warning if it
4 meets the following criteria: (a) the Covered Product is unlikely to cause serious injury or bodily
5 harm other than by means of fire or electrocution; (b) the Covered Product is easily assembled or
6 programmed by an ordinary consumer without need to reference instructions; and (c) fundamental
7 operation of the Covered Product is easily understood and commonly performed by an ordinary
8 consumer without training or need to reference operating instructions. Exhibit F contains a list of
9 Covered Products/product types for which Owner's Manual Warnings are deemed to be an allowable
10 method of communicating the warnings required by this Section 7. Plaintiffs have previously
11 provided the California Attorney General's Office and the Settling Defendant with a list of Covered
12 Products/product types for which Owner's Manual Warnings are deemed not to be an allowable
13 method of communicating the warnings required by this Section 7 (the "Non-Owner's Manual
14 Product List"). Exhibit F and the Non-Owner's Manual Product List may be used as guidance in
15 determining whether the criteria for use of owner's manual warnings set forth in this Section are
16 satisfied. Exhibit F and the Non-Owner's Manual Products List may also be used by the Parties in
17 the course of dispute resolution pursuant to Section 9.

18 7.10 The Settling Defendant may provide an Owner's Manual Warning on any Covered
19 Products/product types, except for those listed on the Non-Owner's Manual Product List, that satisfy
20 the criteria in Section 7.9, whether or not that Covered Product or product type is listed on Exhibit F.
21 Settling Defendant shall provide to Plaintiff, by certified mail or other confirmable delivery, a list of
22 those Covered Products for which an owners manual warning is proposed to be given. Plaintiff shall,
23 within 60 days, notify Settling Defendant as to whether Plaintiff agrees that an owner's manual
24 warning is appropriate. In the event that Plaintiff determines that an Owner's Manual Warning is not
25 appropriate, it shall provide a written explanation of the basis therefore. In the event that the Settling
26 Defendant disagrees with Plaintiff's determination the settling defendant may elect to invoke the
27 Dispute Resolution process provided for in Section 9 hereof. Products not existing as of the
28 Effective Date that are introduced for sale after January 1, 2009 may use a owner's manual warning if

1 approved in writing by the California Attorney General's office, following 60 days prior notice to
2 Plaintiff.

3 7.11 The requirement for product labeling, set forth herein, is imposed pursuant to the
4 terms of this Consent Judgment. The Parties recognize that product labeling is not the exclusive
5 method of providing a warning under Proposition 65 and its implementing regulations.

6 8. **ADDED INFREQUENTLY HANDLED PRODUCTS**

7 8.1 Exhibit E contains a list of Infrequently Handled Products that are deemed to meet
8 the criteria of Section 7.3(a) and, therefore, deemed to be exempt from Proposition 65 warning
9 requirements. The Products appearing on Exhibit E and the Non-Exempt Products List may be used
10 as guidance to interpret the criteria of Section 7.3(a). A Covered Product not appearing on the Non-
11 Exempt Products List, is exempt if it meets the criteria of Section 7.3(a) whether or not it appears on
12 Exhibit E.

13 8.2 At least 60 days prior to retail sale, Settling Defendant shall provide to Plaintiff by
14 certified mail or other confirmable delivery, a list of those Covered Products which do not exist as of
15 the Effective Date for which Settling Defendant contends are infrequently handled products for which
16 no warning is required. Plaintiff shall, within 60 days, notify Settling Defendant as to whether
17 Plaintiff agrees that that the Covered Product is infrequently handled and does not require a warning.
18 In the event that Plaintiff determines that a warning is required it shall provide a written explanation
19 of the basis therefore. In the event that the Settling Defendant disagrees with Plaintiff's
20 determination the settling defendant may elect to invoke the Dispute Resolution process provided for
21 in Section 9 hereof. Products not existing as of the Effective Date that are introduced for sale after
22 January 1, 2008 may be sold without a warning because they are infrequently handled if so approved
23 in writing by the California Attorney General's office, following 60 days prior notice to Plaintiff.

24 9. **DISPUTE RESOLUTION**

25 9.1 Wherever this Consent Judgment provides that the Settling Defendant may invoke
26 the Dispute Resolution process or file a motion to have the Court resolve an issue, the Settling
27 Defendant seeking a resolution shall first mail (by certified mail) and fax a notice to Plaintiff, setting
28

1 forth the dispute and the basis for the Party's position. The Parties interested in the dispute shall then
2 meet and confer in good faith within sixty (60) days to determine whether the dispute may be
3 resolved in order to avoid further litigation of the issue, unless both Parties waive, in writing, notice
4 and the opportunity to meet and confer. In the event that Plaintiff fails to meet and confer within the
5 sixty (60) day period, the Settling Defendant's position shall be deemed to have prevailed. In the
6 event that, after meeting and conferring, Plaintiff disapproves or disagrees with a position taken by
7 the Settling Defendant, Plaintiff shall notify the Settling Defendant in writing, sent by an overnight
8 delivery service requiring a signature upon delivery, within 14 (fourteen) days of meeting and
9 conferring. Should the Plaintiff do so and should the Settling Defendant wish to pursue its position,
10 the Settling Defendant shall then seek to have the California Attorney General concur with the
11 Settling Defendant's position. If the California Attorney General concurs in writing with the Settling
12 Defendant, the Settling Defendant shall provide notice thereof to Plaintiff and the Settling
13 Defendant's view shall prevail. If, however, the California Attorney General does not concur with

EDWARD G. WEIL
DEPUTY ATTORNEY GENERAL
OFFICE OF THE ATTORNEY GENERAL
P.O. BOX 70550
OAKLAND CA 94612-0550

Greetings:

This office and the Mateel Environmental Justice Foundation ("Mateel") hereby give you notice that the private businesses on the attached service list are in violation of Cal. Health & Safety Code § 25249.6. This office and Mateel are both private enforcers of Proposition 65, both organizations may be reached at the below listed address and telephone number, I may be considered a "responsible individual" at both organizations, and I may be contacted at the same address and telephone number. The above referenced violations occur when California residents come into contact with thermoset/thermoplastic-coated wires, cables, and/or cords/cord sets, including PVC-coated wires, cords/cord sets, plugs and connectors, and both SPT and HPN cords/cord sets (hereinafter collectively "Cords"). These businesses market products with, or that are themselves, Cords. Some examples of the specific types of products that incorporate Cords are those listed in the attached Product List. Though a specific model or SKU or product number is given as an example, this notice pertains to all models, and all variations, of the specific type of product of which the named model is an example. Handling of, and contact with, these Cords exposes people to acrylonitrile, antimony trioxide, arsenic, 1,3 butadiene, carbon tetrachloride, carbon black extracts, chlorinated paraffins, chloroform, ethyl acrylate, ethylene thiourea, nickel, toluene, cadmium, hexavalent chromium, vinyl chloride, lead and lead compounds, lead acetate, lead phosphate, lead subacetate, and di(2ethylhexyl) phthalate. Handling Cords causes these chemicals to come off the coating of the Cords and to be transferred to the skin of the person handling the Cords. These chemicals are then ingested through hand-to-mouth contact and hand-to-food-to-mouth and hand-to-cigarette-to-mouth behavior. These chemicals are also absorbed through the skin, through mucous membranes and enter the body through cuts, punctures and abrasions. Smokers also inhale those chemicals transferred from hands to cigarettes. People are thus exposed to these chemicals via the ingestion, inhalation, dermal absorption, mucous membrane absorption and subcutaneous routes. These exposures (and resulting violations) occur occupationally, environmentally, and as the result of the sale of consumer products and services. In occupational settings, the type of work that is done during which the above-referenced exposures occur is the handling of, and contact with, Cords, including during the manufacture, installation, maintenance, handling and/or use of electrical equipment to which these Cords are attached. As described above, the exposures that are the subject of this notice occur via the dermal absorption, inhalation, ingestion and subcutaneous routes. These violations are alleged for occupational exposures as well as for consumer and environmental exposures. We do not, however, allege occupational exposure violations as to any of these products these companies makes outside of California, except as to workplaces these companies itself maintain in California. These violations have occurred every day since at least June 27, 2002 and will continue every day until reasonable warnings are given to those people exposed. Environmental exposure violations occur in every county of the State and occur both on and off the property of the aforementioned private businesses.

Cordially,

William Verick

CERTIFICATE OF MERIT

I, William Verick, hereby declare: This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the parties identified in the notices have violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings. I am the attorney for the noticing party. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the person(s) consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: June 27, 2005

William Verick

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliances in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

CERTIFICATE OF SERVICE

I, Alison Nichols, declare:

If called, I could and would testify as follows: I am over eighteen. My business address is 424 First Street, Eureka, California, 95501.
