CASE NO. BC365839

~~PROPOSED~~ ORDER APPROVING
SETTLEMENT AND JUDGMENT
BETWEEN PLAINTIFF CONSUMER
ADVOCACY GROUP, INC. AND
DEFENDANT WON. INC.

Judge: Anthony J. Mohr

Place: Dept. 309

Date: August 2, 2007

Time: 10:00 a.m.

Action Filed: February 6, 2007

22
23 On August 2, 2007, at 10:00 a.m., the Honorable Anthony J. Mohr, in Department 309 of
24 this Court, heard the motion for judicial approval of settlement of action between plaintiff,
25 Consumer Advocacy Group, Inc. ("CAG"), on one hand, and, defendant, Won, Inc., on the
26 other. Appearances are in the record. The Court, having considered the documents filed in
27

1 connection with this matter and the arguments of counsel, has arrived at the following
2 conclusions and SO ORDERS:

3
4 A. On February 6, 2007, CAG commenced this action in Los Angeles Superior Court on
5 behalf of itself, and suing in the public interest pursuant to Health and Safety Code section
6 25249.7, subdivision (d).

7 B. CAG and Won, Inc. have executed a Settlement Agreement Between Consumer
8 Advocacy Group, Inc. and Won, Inc. ("Proposed Settlement"), fully executed as of May 31,
9 2007, attached to this order as Exhibit A, which CAG submitted to this Court for approval
10 pursuant to Proposition 65 (Health & Saf. Code, §§ 25249.5 et seq.).

11
12 C. This Court has considered the Proposed Settlement and determined that it represents a
13 fair, reasonable, and adequate settlement between CAG and Won, Inc.

14 **FINDINGS OF FACT AND ORDER APPROVING PROPOSED SETTLEMENT**

15
16 1. The Proposed Settlement attached as Exhibit A provides that Won, Inc. will:

- 17
- 18 • Change its business practices in order to reduce exposures of Proposition 65-listed
19 chemicals to its employees and the public;
 - 20 • Provide warnings to its employees that satisfy the "clear and reasonable" warning
21 requirement under Proposition 65;
 - 22 ▪ Pay CAG \$4,500 for its attorney fees and costs; and
 - 23 ▪ Pay \$500 to an entity, CAG, in lieu of a civil penalty.

24 2. The court grants the Motion for Judicial Approval of Settlement between CAG
25 and Won, Inc. in its entirety pursuant to Health and Safety Code section 25249.7, subdivision
26 (f)(4) after making the following findings.
27
28

- 1 a. CAG followed all procedural rules in seeking approval of the Proposed
2 Settlement;
3
4 b. The Proposed Settlement properly requires Proposition 65 compliant warnings
5 for extant exposures to Proposition 65-listed chemicals;
6
7 c. The award of \$4,500 in attorney fees and costs as set forth in the Proposed
8 Settlement is appropriate and reasonable under California law given the total
9 fees and costs incurred by CAG and its counsel of record in prosecuting this
10 action;
11
12 d. The Proposed Settlement provides that Won. Inc. will pay \$500 to an entity,
13 Consumer Advocacy Group, Inc., in lieu of a civil penalty that is proper in
14 light of the criteria set forth in California Code of Regulations, title 11, section
15 3203, subdivision (b).;
16
17 e. The terms of the Proposed Settlement are in the public interest consistent with
18 Health and Safety Code section 25249.7, subdivision (d); and
19
20 f. CAG adequately represented the public interest in entering into the Proposed
21 Settlement.

22 **JUDGMENT**

- 23 1. The Court approves the [Proposed] Settlement, an executed copy of which is attached as
24 Exhibit A, as the Judgment of this Court resolving this action between plaintiff,
25 Consumer Advocacy Group, Inc., on one hand, and defendant, Won. Inc., on the other.
26
27 2. The Court Clerk is to enter this Judgment as the Judgment of the Court as to defendant,
28 Won. Inc.
3. ~~Won. Inc. is dismissed with prejudice from this action.~~ *The court retains jurisdiction to monitor and supervise compliance with the settlement.*

1 4. Except as otherwise set forth in the Proposed Settlement, each party shall bear its own
2 attorney fees and costs.

SETTLEMENT AGREEMENT

BETWEEN

CONSUMER ADVOCACY GROUP, INC.

AND

WON, INC.

Consumer Advocacy Group, Inc., on behalf of itself and suing in the public interest pursuant to Health and Safety Code section 25249.7, subdivision (d), ("CAG"), and Won, Inc. enter into this agreement ("Settlement Agreement") to settle the case entitled *Consumer Advocacy Group, Inc. v. Chandler's Roofing, Inc., et al.* filed on February 6, 2007, and pending in the Superior Court of California for the County of Los Angeles Case No. BC365839 ("Lawsuit"), as follows:

1.0 Introduction

1.1 CAG is an entity based in Los Angeles, California that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances found in consumer and industrial products.

1.2 CAG alleges that Won, Inc. is a company that employs ten or more persons and acts primarily as a roofing contractor. Won, Inc. disputes this.

1.3 CAG alleges that Won, Inc. uses roofing materials, some of which contain asphalt or coal tar, the use of which is alleged to expose persons to acetaldehyde; arsenic (inorganic arsenic compounds); benz[a]anthracene; benzene; benzo[a]pyrene; benzo[b]fluoranthene; benzo[k]fluoranthene; beryllium and beryllium compounds; 1,3-butadiene; cadmium and cadmium compounds; carbazole; chromium (hexavalent compounds); chrysene; dibenz[a,j]acridine; dibenz[a,h]anthracene; dibenzo[a,e]pyrene; dibenzo[a,h]pyrene; dibenzo[a,i]pyrene; dibenzo[a,l]pyrene; dichloromethane (methylene chloride); formaldehyde (gas); indeno[1,2,3-cd]-pyrene; lead and lead compounds; 5-methylchrysene; nickel and nickel compounds; silica, crystalline; tetrachloroethylene (perchloroethylene); toluene diisocyanate; trichloroethylene; carbon disulfide; mercury and mercury compounds; and toluene (collectively, "Covered Chemicals"). Won, Inc. disputes this.

1.4 The Covered Chemicals are substances listed in the regulations promulgated under the California Safe Drinking Water and Toxic Enforcement Act, Health and Safety Code sections 25249.5 et seq. ("Proposition 65") as chemicals known to the State of California to cause cancer and/or reproductive harm.

1.5 On February 8, 2006, CAG served public enforcement agencies and Won, Inc. with a document entitled "60-Day Notice of Violation" ("Notice"). The Notice alleged that Won, Inc. had violated Proposition 65 by failing to warn its employees and other persons in California that some of the roofing materials used by Won, Inc. expose those persons to the Covered Chemicals.

1.6 On February 6, 2007, CAG filed the Lawsuit alleging Won, Inc. violated Proposition 65 by exposing employees and other persons to Covered Chemicals contained in certain roofing products without providing "clear and reasonable" warnings. Such alleged exposures constitute "consumer product," "occupational" and "environmental" exposures within the meaning of the Proposition 65 implementing regulations set forth at California Code of Regulations, title 22, section 12601, subdivisions (b), (c) and (d), respectively. Won, Inc. denies the material allegations of the Lawsuit, and denies liability for the cause of action alleged in the complaint.

1.7 For purposes of this Settlement Agreement only, the parties stipulate that this Court has jurisdiction: (i) over the allegations of violations contained in the CAG Complaint and Notice, (ii) over Won, Inc. as to the acts alleged, and (iii) to enter judgment based on this Settlement Agreement.

1.8 The parties enter into this Settlement Agreement pursuant to a settlement of certain disputed claims between the parties as alleged in the CAG Complaint and Notice for the purpose of avoiding prolonged and costly litigation between the parties hereto.

1.9 CAG and Won, Inc. ("Parties") enter into this Settlement Agreement to settle disputed claims between the Parties.

1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law, including, but not limited to, any admission concerning the meaning of the terms "knowingly and intentionally expose" or "clear and reasonable warning" as used in Health and Safety Code section 25249.6. Nothing in this Settlement Agreement, nor compliance with the terms of this Settlement Agreement, shall constitute or be construed as evidence of an admission or evidence of fault, wrongdoing, or liability by Won, Inc., its officers, directors, employees, or parent, subsidiary or affiliated corporations, in any administrative or judicial proceeding or litigation in any forum. Except for the cause of action and allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy,

argument, or defense that CAG and Won, Inc. may have against one another in any other pending legal proceeding.

2.0 Release

2.1 Upon judicial approval of the settlement between the parties and the expiration of time in which to appeal the same, CAG releases and discharges Won, Inc., its affiliates, subsidiary and parent corporations, and/or their affiliated companies, and each of their officers, directors, agents, servants, partners, stockholders, attorneys, employees, representatives, and each of their respective successors and assigns (collectively, the "Released Parties") from all known and unknown rights, claims, causes of action, damages, suits, penalties, liabilities, injunctive relief, declaratory relief, and attorneys' fees, costs and expenses related to or arising out of the facts and claims alleged in the Lawsuit. Without limiting the foregoing, the Parties intend the scope of this release to cover all Claims Covered (as defined in Section 3.1 below) as to the Released Parties put in controversy by the Lawsuit.

2.2 CAG is aware of the contents of Section 1542 of the Civil Code of California. CAG acknowledges that the claims released in section 2.1 above may include unknown claims and waives Section 1542 as to any such unknown claims. Section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

CAG acknowledges and understands the significance and consequences of this specific waiver of Civil Code Section 1542.

3.0 Claims Covered

3.1 This Settlement Agreement is a final and binding resolution between the CAG and the Released Parties of the following claims and causes of action:

All claims that were or could have been asserted in the Lawsuit arising out of allegations that the Released Parties violated Proposition 65 or any other statutory or common law, because of alleged failures to provide clear and reasonable warnings, pursuant to Proposition 65, that roofing operations cause exposure to materials containing asphalt, coal tar, or their constituents.

4.0 Defendant's Duties

4.1 Won, Inc. agrees to provide Proposition 65 warnings and to take actions intended to prevent, reduce, or mitigate exposure to the Covered Chemicals arising from using roofing products, in the manner prescribed below. Within ninety days after entering into this Settlement Agreement, Won, Inc. shall provide Proposition 65 warnings to its California employees who use roofing products containing Covered Chemicals by incorporating such warnings into the chemical hazard warnings and training provided in its hazard communication training plans, as part of compliance with the California Hazard Communication Standard under California Code of Regulations, title 8, section 5194.

4.2 Within ninety days after entering into this Settlement Agreement, Won, Inc. shall post a Proposition 65 warning sign conspicuously at each of its places of business where employees who handle roofing products containing Covered Chemicals are likely to see and read the warning sign, such as a locker room where employees store their gear or near a time clock that employees use regularly. For the purposes of this Settlement Agreement, such places of business shall not include job sites at which Won, Inc. performs services, but which are not owned and operated by Won, Inc. The Proposition 65 warning sign shall set forth the following warning statement:

WARNING: This area contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Asphalt, coal tar, and other roofing or waterproofing materials contain chemicals known to the State of California to cause cancer and/or reproductive hazards. Exposure to these chemicals occurs during the installation, repair or removal of roofing and waterproofing materials containing asphalt, coal tar, or other bituminous binders and other types of roofing or waterproofing materials. Exposures may occur not only from the roofing or waterproofing materials you are working with but also from the solvents, mastics, cements, sealants, caulking compounds and other products and equipment that may be used in the operation. Always familiarize yourself with the hazards of the materials and equipment you are using and follow the precautions indicated on product labels, Material Safety Data Sheets and your health and safety training program.

The parties agree that this warning shall be deemed "clear and reasonable" for purposes of Proposition 65 for any chemical contained in roofing products or to which exposure occurs from use of roofing products.

4.3 CAG maintains that environmental and consumer product exposures occur because of the presence of Covered Chemicals in certain roofing products, and that warnings for such exposures are required. Won, Inc. disputes this. In recognition of the measures adopted below and the effect those measures will have, the parties agree that warnings for consumer product exposures and environmental exposures are not required.

4.3 The parties agree that Won, Inc. shall institute certain measures to reduce or mitigate occupational, environmental, or consumer exposures to the Covered Chemicals arising from the use of certain roofing products. The parties agree to these measures with the mutual understanding and expectation that such measures will reduce and mitigate exposure to the Covered Chemicals arising from the use of certain roofing products to or within the levels such that warnings for "consumer product" or "environmental" exposures would not be required. Beginning within ninety days after entering into this Settlement Agreement, Won, Inc. shall do the following:

- 4.3.1 Ensure that Heating and Delivery Equipment with a capacity greater than 200 gallons will have operational thermostatic heating controls.
- 4.3.2 Incorporate the following instructions in its chemical hazard training plan for employees, as part of its compliance with the California Hazard Communication Standard, set forth at California Code of Regulations, title 8, section 5194.
 - 4.3.2.1 Employees shall restrict access to Heating and Delivery Equipment in which roofing products are heated for application to those employees whose job responsibilities require them to be present.
 - 4.3.2.2 Employees shall not heat any roofing product to a temperature that is higher than the manufacturer's specifications for that material.
 - 4.3.2.3 Employees shall verify the temperature of heated roofing products with a thermometer on a regular basis, to ensure that roofing products are not heated higher than the applicable manufacturer's specifications.
 - 4.3.2.4 Employees will work upwind from Heating and Delivery Equipment whenever it is practical to do so.
 - 4.3.2.5 Employees will keep kettle lids closed except when necessary to: (i) add or remove roofing product from the kettles, (ii) check the temperature of the roofing product in the kettles; (iii) the check the volume or quality of the roofing product in the kettles; or (iv) perform similar activities.

- 4.3.2.6 Employees shall position Heating and Delivery Equipment as close to the point of application as practical in order to minimize heat loss.

Won, Inc. shall train its employees in the health hazards of roofing products in their work area(s), and the measures that they can take to protect themselves from these hazards, including specific procedures that the employer has implemented to protect employees from exposure to hazardous substances, such as appropriate work practices, emergency procedures, and use of personal protective equipment. Won, Inc. shall periodically monitor its employees' conduct to promote full compliance with all the requirements of this paragraph.

5.0 Payments

5.1 Defendants' Payment in Lieu of Civil Penalties. Within fifteen days following entry of judgment in the Lawsuit as based on this Settlement Agreement, Won, Inc. shall pay to CAG, a corporation commenced for the purpose of furthering environmental causes, the sum of \$500.00. Payment shall be made to "Consumer Advocacy Group, Inc." CAG will use the payment for such projects and purposes related to environmental protection, worker health and safety, or reduction of human exposure to hazardous substances (including administrative and litigation costs arising from such projects), as CAG may choose. CAG agrees to provide its address and federal tax identification number to Won, Inc. prior to such payment.

5.2 Payment to Yeroushalmi & Associates. Within fifteen days following entry of judgment in the Lawsuit as based on this Settlement Agreement, Won, Inc. will pay \$4,500.00 to CAG for its attorney fees and costs. The check shall be made payable to "Yeroushalmi & Associates." CAG represents and warrants that CAG has authorized the payment of attorney fees and costs, and that the payment and any application and/or distribution of such payment will not violate any agreement between CAG and its attorneys or with any other person or entity. CAG releases and agrees to hold harmless the Released Parties with regard to any issue concerning the allocation and/or distribution of the amount paid under this section. Yeroushalmi & Associates agrees to provide its address and federal tax identification number to Won, Inc. prior to such payment.

6.0 Authority To Enter Into Settlement Agreement

6.1 CAG represents that its signatory to this Settlement Agreement has the authority to enter into this Settlement Agreement on behalf of CAG and to bind legally CAG. Won, Inc. represents that its signatory to this Settlement Agreement has the authority to enter into this Settlement Agreement on behalf of Won, Inc. and to bind legally Won, Inc.

7.0 Attorney General Review

7.1 Consistent with section 3003(a) of Title 11 of the California Code of Regulations, CAG shall submit this Settlement Agreement to the Attorney General's Office for review within five days of the Parties' execution of this Settlement Agreement.

8.1 This Settlement Agreement may be executed in counterparts, which taken together shall be deemed to constitute the same document. A facsimile signature shall be as valid as the original.

9.0 Entry of Judgment Pursuant to Settlement Agreement Required

9.1 CAG shall submit this Settlement Agreement to the Court for consideration as required by Health and Safety Code section 25249.7, subdivision (f)(4). CAG will provide the Court with the necessary information to allow the Court to make the findings required by Health and Safety Code section 25249.7, subdivision (f)(4)(A)-(C).

9.2 If a Party determines, consistent with Section 9.1 above, not to submit this Settlement Agreement to the Court for approval, or to withdraw the same, that Party shall provide written notice of that fact to all Parties.

9.3 This Settlement Agreement shall be void in the event the Court does not approve this settlement as required by Health and Safety Code section 25249.7, subdivision (f)(4)(A)-(C).

10.0 Entire Agreement

10.1 This Settlement Agreement contains the sole and entire agreement and understanding of the Parties with respect to the entire subject matter hereof, and all related prior discussions, negotiations, commitments, and understandings.
