~~PROPOSED~~ AMENDED CONSENT  
JUDGMENT

AND RELATED CONSOLIDATED CASES.

This Amended Consent Judgment ("Consent Judgment") supercedes the Consent Judgment entered in these consolidated cases on February 21, 2006, and is entered by the Court pursuant to the Attorney-General's Motion to Amend Consent Judgment, filed on May 19, 2006. The Amended Consent Judgment reflects the addition of seventeen parties as Add-On Defendants, the substitution of a party, two minor modifications to the standards for Children's Jewelry, and the clarification of testing protocols in Exhibit D. The amended provisions appear in Sections 2.1, 3.1, 3.3.4, 3.3.5, and 5.2, and Exhibits A, C, D, and F. Exhibits G and H are new.

1     **1.     INTRODUCTION**

2             1.1     On June 23, 2004, plaintiffs the Attorney General of the State of California, on  
3     behalf of the People of the State of California ("People"), and the Center for Environmental Health  
4     ("CEH"), filed complaints for civil penalties and injunctive relief in this Court. On August 10,  
5     2004, plaintiff As You Sow ("AYS") filed a similar complaint. The complaints allege that the  
6     defendants violated the Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition  
7     65") and the Unfair Competition Law by selling jewelry that contains lead, a chemical known to  
8     the State of California to cause cancer and birth defects or other reproductive harm, without  
9     providing a clear and reasonable warnings that use of the jewelry would result in exposure to lead.

10            1.2     On August 27, 2004, the People amended their complaint to substitute the true  
11     name of a "Doe" defendant and dismissed a defendant. The following defendants were named and  
12     appeared in the People's amended complaint: Burlington Coat Factory Warehouse Corporation;  
13     CBI Distributing Corp; Claire's Boutiques, Inc.; Express, LLC; Federated Department Stores,  
14     Inc.; J. C. Penney Corporation, Inc.; Kmart Corporation; Macy's West, Inc.; Mervyn's;  
15     Nordstrom, Inc; Ross Stores, Inc.; Sears, Roebuck and Company; Target Corporation; and Toys  
16     "R" Us, Inc. On January 25, 2006, the People amended their complaint to add the following  
17     defendants Adina Inc.; Arden Jewelry Manufacturing Company, Inc.; Ballet Jewels L.L.C.;  
18     Bernardo Manufacturing; Buy-Rite Costume Jewelry, Inc. and Buy-Rite Designs, Inc.; Carol  
19     Dauplaise Ltd.; Carol for Eva Graham, Inc.; Carole Inc.; Retail Brand Alliance, Inc. d/b/a Carolee;  
20     Catherine Stein Designs, Inc.; Crimson Rose Accessories, Inc.; Danecraft, Inc.; Erica Lyons;  
21     FAD Treasures; F.A.F, Inc.; Fashion Accents, Inc.; Fiesta Jewelry, Inc.; Finesse Novelty Corp.,  
22     d/b/a Accessory Solutions, Ambiance Accessory, and Jewelry Sales; Gigi Accessories; Habitat,

27     Holding Company (but see *infra*, Section 1.2.2); Vetta Jewelry, Inc.; and Victoria + Co. LTD  
28     ("Initial Settling Vendors"). In addition, on January 25, 2006, the People amended their complaint

1 to add as named defendants the entities listed on Exhibit A as "Affiliate Settling Defendants."  
2 Wal-Mart Stores, Inc. ("Wal-Mart") also was named in the People's complaint, but it is not a party  
3 to this Consent Judgment. (But see *infra*, Section 1.2.4.)

14 defendants.

15 1.2.2 TSI Holding Company was an Initial Settling Vendor under the Consent  
16 Judgment that the Court approved on February 21, 2006. However, the People subsequently  
17 learned that the entity that should have been named in the complaint and the Consent Judgment is  
18 Roman Company, a wholly-owned subsidiary of TSI Holding Company. Therefore, the People's  
19 complaint is hereby deemed amended to name Roman Company; TSI Holding Company is hereby  
20 dismissed from *People v. Burlington Coat Factory Warehouse Corp. et al* (Case No.  
21 RG04162075) without prejudice; and the Consent Judgment and exhibits are hereby amended to  
22 replace TSI Holding Company with Roman Company as an Initial Settling Vendor. An executed

28 Wal-Mart, the Court entered a separate judgment against Wal-Mart. The Wal-Mart judgment

1 incorporates the terms of the Consent Judgment entered on February 21, 2006 and provides that  
2 Wal-Mart shall be treated as an Initial Settling Defendant, as that term is used therein.

3 1.3 On October 15, 2004, CEH filed its First Amended Complaint. Since that date,  
4 CEH has further amended its First Amended Complaint to substitute the true name of several

22 Defendants, the defendants named in CEH's complaint or any amendment thereto, that have not  
23 been dismissed, are referred to herein as "CEH Defendants."

24 1.4 The cause of action against the following CEH Defendants was limited to alleged  
25 violations of the Unfair Competition Law: Burlington Coat Factory Warehouse Corporation; CBI

15   more persons, or employed 10 or more persons at some time relevant to the allegations of the  
16   complaint, and which manufactures, distributes and/or sells Covered Products in the State of  
17   California or has done so in the past.

18          1.10   For purposes of this Consent Judgment only, the parties stipulate that this Court has  
19   jurisdiction over the allegations of violations contained in the Complaints and personal jurisdiction  
20   over each Settling Defendant as to the acts alleged in the Complaints, venue is proper in the

23   the facts alleged therein.

24          1.11   The People, CEH, AYS, and Settling Defendants enter into this Consent Judgment  
25   as a full and final settlement of all claims that were raised in the Complaints, or which could have  
26   been raised in the Complaints, arising out of the facts or conduct alleged therein. By execution of  
27   this Consent Judgment and agreeing to comply with its terms, the Parties do not admit any facts or  
28   conclusions of law, including, but not limited to, any facts or conclusions of law suggesting or

1 demonstrating any violations of Proposition 65, the Unfair Competition Act or any other statutory,  
2 common law or equitable requirements relating to chromium, lead and/or nickel in jewelry.  
3 Nothing in this Consent Judgment shall be construed as an admission by the Parties of any fact,  
4 conclusion of law, issue of law or violation of law, nor shall compliance with the Consent  
5 Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law,  
6 issue of law, or violation of law. Nothing in this Consent Judgment shall prejudice, waive or  
7 impair any right, remedy, argument or defense the Parties may have in this or any other or future

12 motion or application for an order to show cause before this Court, enforce the terms and  
13 conditions contained in this Consent Judgment, subject to the following:

14                   4.1.1   Any action to enforce the terms of Section 3 of this Consent Judgment

27 The fact that the Attorney General provides a written non-objection shall not be construed as  
28 endorsement of or concurrence in an enforcement action. Any written non-objection shall be

1 admissible in court only if a Settling Defendant challenges the right of CEH or AYS to enforce  
2 this Consent Judgment for failure to obtain the written non-objection.

3 4.2 Enforcement of Materials Violation.

4 4.2.1 Notice of Violation. In the event that, at any time following the  
5 Compliance Date, the Attorney General, CEH, or AYS ("Notifying Person") identifies one or

17 the date the alleged violation(s) was or were observed.

18 4.2.2.3 The Notice of Violation shall, at a minimum, set forth for each

23 laboratory reports, quality assurance reports and quality control reports associated with testing of  
24 the Covered Products. Such Notice of Violation shall be based upon test data that meets the

26 Violation.

27 4.2.2.4 The Notifying Person shall promptly make available for inspection  
28 and/or copying upon request all supporting documentation related to the testing of the Covered

1 Products and associated quality control samples, including chain of custody records, all laboratory

12           4.2.3.1   If a Notice of Violation is contested the Notice of Election shall  
13 include all then-available documentary evidence regarding the alleged violation, including all test  
14 data, if any. If a Settling Defendant or Notifying Person later acquires additional test or other data  
15 regarding the alleged violation, it shall notify the other party and promptly provide all such data or  
16 information to the party. Any test data used to rebut a Notice of Violation shall meet the criteria  
17 of Exhibit D.

26 to resolve their dispute. Within 30 days of serving a Notice of Election contesting a Notice of  
27 Violation, and if no enforcement action has been filed, the Settling Defendant may withdraw the  
28 original Notice of Election contesting the violation and serve a new Notice of Election conceding

1 the violation. If no informal resolution of a Notice of Violation results, the Notifying Person may  
2 by motion or order to show cause before the Superior Court of Alameda, seek to enforce the terms  
3 and conditions contained in this Consent Judgment. In any such proceeding, the Attorney  
4 General, CEH, and AYS may seek whatever fines, costs, penalties, or remedies are provided by  
5 law for failure to comply with the Consent Judgment.

6 4.2.5 **Non-Contested Matters.** If the Settling Defendant elects not to contest  
7 the allegations in a Notice of Violation, it shall undertake corrective action pursuant to Section  
8 4.2.6 and shall make any contributions required by Section 4.2.7.

9 4.2.6 **Corrective Action in Non-Contested Matters.** A Settling Defendant that  
10 elects not to contest the allegation shall include in its Notice of Election a detailed description of  
11 corrective action that it has undertaken or proposes to undertake to remove the Covered Product(s)  
12 identified in the Notice of Violation for sale in California. Corrective action must include  
13 instructions to the Settling Defendant's stores and/or its customers that offer the Covered Product  
14 for sale to consumers to cease offering the Covered Product(s) identified in the Notice of Violation  
15 for sale in California as soon as practicable. The Settling Defendant shall make available to the  
16 Notifying Person for inspection and/or copying records and correspondence regarding the

24 not be required to make any contributions pursuant to this Section.

25 4.2.7.2 If the Settling Defendant serves a Notice of Election not to contest  
26 the allegations in a Notice of Violation more than 15 days but less than 31 days after receipt of the  
27 Notice of Violation, the Settling Defendant shall make a required contribution in the amount of  
28 \$2,500.00 for each Supplier from whom it purchased the Covered Product(s) identified in any

1 Notices of Violation served within a 30-day period. A Settling Defendant retailer is not required

13           **6.4.3.2** A Class 3 Component, and the materials described in Sections  
14 3.2.1.8 and 3.2.1.9, shall be redesignated as a Class 2 Component with a lead specification  
15 standard if the moving party demonstrates that use of such material at or below the standard does  
16 not expose average users of the Covered Product to lead in an amount greater than 0.5 micrograms  
17 per day.

18           **6.5 Extension of Shipping Compliance Date.** A Settling Defendant that is a Supplier  
19 may request an extension of any Shipping Compliance Date applicable to a Covered Product  
20 under Section 3 if the Supplier can demonstrate to the Attorney General that it cannot comply with  
21 the Shipping Compliance Date despite all commercially reasonable efforts to comply. Any  
22 extension provided pursuant to this Section shall be conditioned upon a showing that any retailers  
23 to whom the Supplier will sell the Covered Product will be able to comply with the applicable  
24 Final Compliance Date(s), and all such retailers shall be considered affected Parties under  
25 Section 6.6.

26           **6.6 Notice; Meet and Confer.** Any Party seeking to modify this Consent Judgment  
27 shall attempt in good faith to meet and confer with all affected Parties prior to filing a motion to  
28 modify the Consent Judgment.

1     **7.     CLAIMS COVERED AND RELEASE**

2           7.1     This Consent Judgment is a full, final, and binding resolution between the People,  
3     CEH, AYS, and Settling Defendants, their parents, shareholders, divisions, subdivisions,  
4     subsidiaries, partners, sister companies and their successors and assigns ("Defendant Releasees"),  
5     and all entities to whom they distribute or sell Covered Products, including but not limited to  
6     distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees  
7     ("Downstream Defendant Releasees"), of any violation of Proposition 65, Business & Professions  
8     Code sections 17200 et seq., or any other statutory or common law claims that have been or could  
9     have been asserted in the public interest or on behalf of the general public against Settling  
10    Defendants, Defendant Releasees, and Downstream Defendant Releasees, regarding the failure to  
11    warn about exposure to chromium, lead, and nickel arising in connection with Covered Products  
12    manufactured, distributed, or sold by Settling Defendants prior to the Effective Date, or any claim  
13    based on the facts or conduct alleged in the Complaint, or facts similar to those alleged, whether  
14    based on actions committed by Settling Defendants, Defendant Releasees, or Downstream  
15    Defendant Releasees. Compliance with the terms of this Consent Judgment by Settling  
16    Defendants and Defendant Releasees, resolves any issue from the Effective Date into the future  
17    concerning compliance by Settling Defendants, Defendant Releasees and Downstream Defendant  
18    Releasees regarding failure to warn about exposure to chromium, lead, and nickel arising in  
19    connection with Covered Products manufactured, distributed or sold by Settling Defendants after  
20    the Effective Date. This Section shall not apply to any Supplier that is not a Settling Defendant  
21    unless such Supplier is a parent, subsidiary, or sister company of a Settling Defendant.

22           7.2     The People, CEH, and AYS, for themselves and acting on behalf of the public  
23    interest pursuant to Health and Safety Code § 25249.7(d) and the general public pursuant to  
24    Business and Professions Code § 17204, release, waive, and forever discharge any and all claims  
25    against each Settling Defendant, Defendant Releasee, and Downstream Defendant Releasee  
26    arising from any violation of Proposition 65, Business & Professions Code sections 17200 et seq.,  
27    or any other statutory or common law claims that have been or could have been asserted in the  
28    public interest or on behalf of the general public regarding the failure to warn about exposure to

1 chromium, lead, and nickel arising in connection with Covered Products manufactured, distributed  
2 or sold by Settling Defendants prior to or after the Effective Date, or any claim based on the facts  
3 or conduct alleged in the Complaint, or facts similar to those alleged. This Section shall not apply  
4 to any Supplier that is not a Settling Defendant unless such Supplier is a parent, subsidiary, or  
5 sister company of a Settling Defendant.

6 7.3 A Covered Product sold by a Related Company identified on Exhibit A that  
7 complies with the standards set forth in Section 3.2 shall be deemed to be sold in compliance with  
8 the warning requirement of Proposition 65 for chromium, lead, and nickel.

9 7.4 Nothing in this Section 7 shall release, or in any way affect any rights that any  
10 Settling Defendant might have against any other party, whether or not that party is a Settling  
11 Defendant.

## 12 8. PROVISION OF NOTICE

13 8.1 When any party is entitled to receive any notice under this Consent Judgment, the  
14 notice shall be sent by certified mail and electronic mail to the Party(ies) identified in Exhibit F.  
15 Any party may modify the person and address to whom the notice is to be sent by sending each  
16 other party notice by certified mail and/or other verifiable form of written communication.

## 17 9. COURT APPROVAL

18 9.1 This Consent Judgment shall become effective upon entry by the Court (the  
19 "Effective Date").

20 9.2 If this Consent Judgment is not entered by the Court, it shall be of no force or effect  
21 and shall not be introduced into evidence or otherwise used in any proceeding for any purpose.

## 22 10. GOVERNING LAW AND CONSTRUCTION

23 10.1 The terms of this Consent Judgment shall be governed by the laws of the State of  
24 California.

25 10.2 The Parties, including their counsel, have participated in the preparation of this  
26 Consent Judgment and this Consent Judgment is the result of the joint efforts of the Parties. This  
27 Consent Judgment was subject to revision and modification by the Parties and has been accepted  
28 and approved as to its final form by all Parties and their counsel. Accordingly, any uncertainty or  
35025277.2

1 ambiguity existing in this Consent Judgment shall not be interpreted against any Party as a result  
2 of the manner of the preparation of this Consent Judgment. Each Party to this Consent Judgment  
3 agrees that any statute or rule of construction providing that ambiguities are to be resolved against  
4 the drafting Party should not be employed in the interpretation of this Consent Judgment and, in  
5 this regard, the Parties hereby waive California Civil Code section 1654.

6 **11. ATTORNEY'S FEES**

7 11.1 A party who unsuccessfully brings or contests an action arising out of this Consent  
8 Judgment shall be required to pay the prevailing party's reasonable attorney's fees and costs  
9 unless the unsuccessful party has acted with substantial justification. For purposes of this Consent  
10 Judgment, the term substantial justification shall carry the same meaning as used in the Civil  
11 Discovery Act of 1986, Code of Civil Procedure §§ 2016, et seq.

12 11.2 Notwithstanding Section 11.1, a party who prevails in a contested enforcement  
13 action brought pursuant to Section 4 may seek an award of attorney's fees pursuant to Code of  
14 Civil Procedure § 1021.5 against a party that acted with substantial justification. The party  
15 seeking such an award shall bear the burden of meeting all of the elements of § 1021.5, and this  
16 provision shall not be construed as altering any procedural or substantive requirements for  
17 obtaining such an award.

18 11.3 Nothing in this Section 11 shall preclude a Party from seeking an award of  
19 sanctions pursuant to law.

20 **12. ENTIRE AGREEMENT**

21 12.1 This Consent Judgment contains the sole and entire agreement and understanding  
22 of the Parties with respect to the entire subject matter hereof, and any and all prior discussions,  
23 negotiations, commitments, or understandings related thereto, if any, are hereby merged herein  
24 and therein. There are no warranties, representations, or other agreements between the Parties  
25 except as expressly set forth herein. No representations, oral or otherwise, express or implied,  
26 other than those specifically referred to in this Consent Judgment have been made by any Party  
27 hereto. No other agreements not specifically contained or referenced herein, oral or otherwise,  
28 shall be deemed to exist or to bind any of the Parties hereto. No supplementation, modification,

1 waiver, or termination of this Consent Judgment shall be binding unless executed in writing by the  
2 Party to be bound thereby. No waiver of any of the provisions of this Consent Judgment shall be  
3 deemed or shall constitute a waiver of any of the other provisions hereof whether or not similar,  
4 nor shall such waiver constitute a continuing waiver.

5 **13. RETENTION OF JURISDICTION**

6 13.1 This Court shall retain jurisdiction of this matter to implement or modify the  
7 Consent Judgment.

8 **14. AUTHORITY TO STIPULATE TO CONSENT JUDGMENT**

9 14.1 Each signatory to this Consent Judgment certifies that he or she is fully authorized  
10 by the party he or she represents to stipulate to this Consent Judgment and to enter into and  
11 execute the Consent Judgment on behalf of the party represented and legally to bind that party.

12 **15. EXECUTION IN COUNTERPARTS**

13 15.1 The stipulations to this Consent Judgment may be executed in counterparts and by  
14 means of facsimile, which taken together shall be deemed to constitute one document.

**PLATING PROCEDURES**

Substantial pieces such as pendants, drops, and rings without prongs or other such feature shall be plated with at least 15 minutes combined plating with copper (copper strike and/or acid copper), nickel or nickel substitute, and/or finish coat. The pieces will also be rinsed between plating tanks. Finish decorative coatings include brass, bronze, copper, gold, gun metal, hematite, imitation rhodium, matt finish, palladium, platinum, rhodium, or silver. If desired, plated pieces can be treated to produce other finishes such as matt, oxidized, or smut black finishes.

Mechanical, functional (e.g., lobster claws, spacers, mechanical closures, connectors), or fine pieces such as prongs and fine chains may be plated to cover the exposed surface consistent with good manufacturing practices for appearance and function. Components that articulate closely together such as snake chain and tight hinges or that need to be manipulated into position will be plated to prevent binding, stiffness, and cracking of plating.

**EXHIBIT D (TESTING PROTOCOLS)**

The following test methods must be used to determine compliance with the lead standards set forth in this Consent Judgment. A material shall not meet the applicable lead standard if the mean lead level of: (1) one or two samples exceeds 300% of the component specification limit; (2) three samples exceeds 200% of the component specification limit; or (3) four or more samples exceeds the component specification limit.

Laboratory sample preparation protocols specific for testing the lead content of jewelry components are not readily available. The sample preparation method used in USEPA Method 3050B or Method 3051 shall be followed, as modified in the following table for use with jewelry samples. The laboratory should make every effort to assure that samples removed from jewelry pieces are representative of the component to be tested, and are free of contamination from extraneous dirt and material not related to the jewelry component to be tested. All jewelry component samples shall be washed prior to testing using standard laboratory detergent, rinsed with laboratory reagent grade deionized water, and dried in a clean ambient environment. If components must be cut or scraped to obtain a sample, then metal snips, scissors, or other cutting tools used must be made of stainless steel and washed and rinsed before each use and between samples.

Samples should be digested in containers that are known to be free of lead using acids that are not contaminated by lead. Analytical Reagent grade digestion acids and reagent grade deionized water are required. Method Blanks, consisting of all reagents used in sample preparation handled, digested and made to volume in the same exact manner and in the same container type as samples, shall be tested with each group of 20 or fewer samples tested. The results for the Method Blank shall be reported with each group of sample results, and shall be below the stated reporting limit for sample results to be considered valid.

All jewelry components samples shall be prepared for testing in accordance with USEPA Method 3050B or 3051, with the following additional notes and exceptions:

COMPONENT	NOTES AND EXCEPTIONS
Metals plated with suitable undercoats and finish coats	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be 0.050 g to 1 g. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.1% for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Unplated metal and metal substrates not defined as Class 1 Components.	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be 0.050 g to 1 g. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.01% for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Polyvinyl chloride (PVC)	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be a minimum of 0.05 g if using microwave digestion or 0.5 if using hot plate digestion, and should be chopped or comminuted prior to digestion. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.001% (10 ppm) for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Non-PVC Plastic/Rubber (e.g., acrylic, polystyrene, plastic beads/stones).	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be a minimum of 0.05 g if using microwave digestion or 0.5 if using hot plate digestion and should be chopped or comminuted prior to digestion. Plastic beads or stones should be crushed prior to digestion. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.001% (10 ppm) for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Coatings on Glass and Plastic Pearls.	The coating of glass or plastic beads should be scraped onto a surface free of dust, such as a clean weighing paper or pan, using a clean stainless steel razor blade or other clean sharp instrument that will not contaminate the sample with lead. The razor blade or sharp instrument should be rinsed with deionized water, wiped to remove particulate matter, rinsed again, and dried between

If less than 50 mg of scraped coating is obtained from an individual pearl, then multiple pearls from that sample must be scraped and composited to obtain a sufficient sample amount. The number of pearls used to make the composite must be noted. Avoid inclusion of the substrate pearl material in the scrapings. Digest the scrapings according to USEPA Method 3050B or 3051 or equivalent procedure for hot acid digestion in preparation for trace lead analysis. Dilute the digestate in the minimum volume practical for analysis. Analyze the digested sample according to specification of Exhibit D (approved, validated methodology for inductively-coupled plasma mass spectrometry). A reporting limit of 0.001% (10 ppm) in the coating must be obtained for the analysis. The sample result must be reported within the calibrated range of the instrument. If the initial test of the sample is above the highest calibration standard, then the sample must be diluted and re-analyzed within the calibrated range of the instrument.</p>
