profit corporation ("CEH") provided a "Notice of Violation of Proposition 65" to the California
Attorney General, the District Attorneys of every county in California, the City Attorneys of every
California city with a population greater than 750,000, and to 99¢ Only Stores, Aldo Group, Inc.

2 and The TJX Companies, Inc., The Talbots, Inc. (noticed as "Talbot's, Inc."), and ValueVision
3 Media, Inc. ("Settling Defendants") regarding the presence of lead in jewelry sold, manufactured
4 and/or distributed by Settling Defendants.

5 1.2 On May 12, 2006, CEH filed an action entitled *Center For Environmental Health*
6 *v. Nadri, et al.* (Alameda Superior Court Case No. RG 06-269531), which action was later
7 consolidated with three other actions including the lead case entitled *People v. Burlington Coat*
8 *Factory et al.* (Alameda Superior Court Case No. RG 04-162075).

9 1.3 On February 21, 2006, upon noticed motion, the Court entered a Consent Judgment
10 against a group of other defendants in the consolidated actions (the "Master Consent Judgment").

11 1.4 On June 15, 2006, upon noticed motion, the Court amended the Master Consent
12 Judgment by entering an Amended Consent Judgment in the consolidated actions (the "Amended
13 Master Consent Judgment").

14 1.5 On September 21, 2006, February 17, 2007, and July 19, 2007, the Complaint in
15 the *Center For Environmental Health v. Nadri, et al.* action was amended to name additional
16 defendants, including the Settling Defendants.

17 1.6 Each of the Settling Defendants is a corporation that employs 10 or more persons,
18 and which manufactures, distributes and/or sells Covered Products in the State of California.

19 1.7 For purposes of this Consent Judgment only, CEH and the Settling Defendants (the
20 "Parties") stipulate that this Court has jurisdiction over the allegations of violations contained in
21 the Complaint and personal jurisdiction over Settling Defendants as to the acts alleged in the
22 Complaint, that venue is proper in the County of Alameda, and that this Court has jurisdiction to
23 enter this Consent Judgment as a full and final resolution of all claims which were or could have
24 been raised in the Complaint based on the facts alleged therein with respect to Covered Products
25 manufactured, distributed, and/or sold by the Settling Defendants.

26 1.8 CEH and Settling Defendants enter into this Consent Judgment as a full and final
27 settlement of all claims that were raised in the Complaint, or which could have been raised in the
28 Complaint, arising out of the facts or conduct related to Settling Defendants alleged therein. By

1 execution of this Consent Judgment and agreeing to comply with its terms, the Parties do not
2 admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law
3 suggesting or demonstrating any violations of Proposition 65 or any other statutory, common law
4 or equitable requirements relating to lead in jewelry. Nothing in this Consent Judgment shall be
5 construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of
6 law, nor shall compliance with the Consent Judgment constitute or be construed as an admission
7 by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this
8 Consent Judgment shall prejudice, waive or impair any right, remedy, argument or defense the
9 Parties may have in this or any other or future legal proceedings. This Consent Judgment is the
10 product of negotiation and compromise and is accepted by the Parties for purposes of settling,
11 compromising, and resolving issues disputed in this action.

7 time by a single extension of an additional 15 days by writing to the requesting party. The fact
8 that the Attorney General provides a written non-objection shall not be construed as endorsement
9 of or concurrence in an enforcement action. Any written non-objection shall be admissible in
10 court only if Settling Defendants challenges the right of CEH to enforce this Consent Judgment for
11 failure to obtain the written non-objection.

12 4.2 For purposes of this Section 4 only, the term "Settling Defendant" includes a
13 Person that was a party to the Amended Master Consent Judgment or to a consent judgment that

20 Notice of Violation, the Settling Defendant shall provide written notice to the Notifying Person
21 whether it elects to contest the allegations contained in a Notice of Violation ("Notice of
22 Election").

23 4.3.3.1 If a Notice of Violation is contested the Notice of Election shall
24 include all then-available documentary evidence regarding the alleged violation, including all test
25 data, if any. If the Settling Defendant or the Notifying Person later acquires additional test or
26 other data regarding the alleged violation, it shall notify the other party and promptly provide all
27 such data or information to the party. Any test data used to rebut a Notice of Violation shall meet
28 the criteria of Exhibit C.

1 4.3.3.2 If a Notice of Violation is not contested, the Notice of Election shall
2 include a description of Settling Defendant's corrective action pursuant to Section 4.3.6. The

8 Person, the Attorney General, Settling Defendant, and all affected Settling Defendants shall meet
9 and confer to attempt to resolve their dispute. Within 30 days of serving a Notice of Election
10 contesting a Notice of Violation, and if no enforcement action has been filed, the Settling
11 Defendant may withdraw the original Notice of Election contesting the violation and serve a new
12 Notice of Election conceding the violation. If no informal resolution of a Notice of Violation
13 results, the Notifying Person may by motion or order to show cause before the Superior Court of
14 Alameda, seek to enforce the terms and conditions contained in this Consent Judgment. In any
15 such proceeding, the Attorney General and CEH may seek whatever fines, costs, penalties, or
16 remedies are provided by law for failure to comply with the Consent Judgment.

17 4.3.5 **Non-Contested Matters.** If the Settling Defendant elects not to contest
18 the allegations in a Notice of Violation, it shall undertake corrective action pursuant to Section
19 4.3.6 and shall make any contributions required by Section 4.3.7.

20 4.3.6 **Corrective Action in Non-Contested Matters.** If the Settling Defendant
21 elects not to contest the allegation, it shall include in its Notice of Election a detailed description
22 of corrective action that it has undertaken or proposes to undertake to remove the Covered
23 Product(s) identified in the Notice of Violation for sale in California. Corrective action must
24 include instructions to Settling Defendant's stores to cease offering the Covered Product(s)
25 identified in the Notice of Violation for sale in California as soon as practicable. The Settling
26 Defendant shall make available to the Notifying Person for inspection and/or copying records and
27 correspondence regarding the corrective action. If there is a dispute over the corrective action, the

8 4.3.7.2 If the Settling Defendant serves a Notice of Election not to contest
9 the allegations in a Notice of Violation more than 15 days but less than 31 days after receipt of the
10 Notice of Violation, the Settling Defendant shall make a required contribution in the amount of
11 \$2,500.00 for each Supplier from whom it purchased the Covered Product(s) identified in any
12 Notices of Violation served within a 30-day period. The Settling Defendant is not required to
13 make any payment pursuant to this Section for a Notice of Violation that is served less than six
14 months after the applicable Final Compliance Date.

15 4.3.7.3 If the Settling Defendant withdraws a Notice of Election contesting
16 the violation and serves a new Notice of Election not to contest the allegations in a Notice of
17 Violation within 60 days after receipt of the Notice of Violation, and before any enforcement
18 action concerning the violations alleged in the Notice of Violation is filed, the Settling Defendant

13 be limited to \$15,000 for each 30-day period.

14 4.3.7.6 If a Settling Defendant has paid either of the payments set forth in
15 Sections 4.3.7.2 and 4.3.7.3 more than six times in any 18-month period, or more than three times
16 in any 12-month period for Covered Products sold to the Settling Defendant from the same
17 Supplier then, at the Notifying Person's option, the Notifying Person may seek whatever fines,
18 costs, penalties, or remedies are provided by law for failure to comply with the Consent Judgment.

19 4.3.8 **Limitation on Liability.** A Settling Defendant's liability when it elects
20 not to contest a Notice of Violation shall be limited to the contributions required by Section 4.3.7.

21 5. PAYMENTS

22 5.1 **Payments From Settling Defendants.** Within seven days of the initial entry of
23 this Consent Judgment, Settling Defendants shall jointly pay a total of \$550,000 as a settlement
24 payment. This total shall be paid in three separate checks delivered to the offices of the Lexington
25 Law Group, LLP and made payable and allocated as follows:

26 5.1.1 Settling Defendants shall pay the sum of \$14,000 as a civil penalty
27 pursuant to Health & Safety Code §25249.7(b), such money to be apportioned by CEH in
28

1 accordance with Health & Safety Code §25249.12. The \$14,000 penalty check shall be made
2 payable to the Center For Environmental Health.

3 5.1.2 Settling Defendants shall pay the sum of \$174,500 as payment to CEH in
4 lieu of penalty pursuant to Health & Safety Code section 25249.7(b), and California Code of
5 Regulations, title 11, section 3203(b). This payment in lieu of penalty check shall be made
6 payable to the Center For Environmental Health. CEH will use such funds to continue its work
7 educating and protecting people from exposures to toxic chemicals, including heavy metals. In
8 addition, CEH may use a portion of such funds to monitor compliance with the reformulation
9 requirements of this and other similar Consent Judgments, to purchase and test jewelry, and to
10 prepare and compile the information and documentation necessary to support a Notice of
11 Violation.

12 5.1.3 Settling Defendants shall pay the sum of \$361,500 as reimbursement of
13 reasonable attorneys' fees and costs. The attorneys' fees and cost reimbursement check shall be
14 made payable to the Lexington Law Group, LLP.

15 **6. MODIFICATION AND DISPUTE RESOLUTION**

16 6.1 **Modification.** This Consent Judgment may be modified from time to time by
17 express written agreement of the Parties, with the approval of the Court, or by an order of this
18 Court upon motion and in accordance with law. In addition, this Consent Judgment may be
19 amended pursuant to the procedure set forth in the Stipulation and Order For Entry Of Judgment,
20 Opt-In Procedure And Future Amendment Of Consent Judgment.

21 6.2 **Subsequent Legislation.** If, subsequent to the Effective Date, legislation is
22 adopted that addresses the lead content of Covered Products sold in California, any Party shall be
23 entitled to request that the Court modify this Consent Judgment for good cause shown.

24 6.3 **Modification of Amended Master Consent Judgment.** Upon the entry of any
25 order amending Sections 2, 3 or 4 of the Amended Master Consent Judgment, the corresponding
26 terms of Section 2, 3 or 4 of this Consent Judgment shall be deemed amended, so that the
27 injunctive terms contained in Sections 2, 3 and 4 of this Consent Judgment remain "substantially
28 identical terms as provided in Sections 2, 3 and 4 of the amended consent judgment," as those

1 terms are used in Health & Safety Code §25214.3(d). A Settling Defendant's obligation to
2 undertake additional injunctive relief under Section 3.5 shall not be subject to amendment under
3 this section, and may not be modified absent stipulation of the parties or court order.

4 6.4 **Reopeners.** The Parties may seek to reopen the requirements of Section 3 as to
5 Covered Products other than Children's Products as follows:

6 6.4.1 **Limited Reopener of Component Designation for Certain**
7 **Components.** The parties acknowledge that the materials described in Sections 3.2.1.8 and
8 3.2.1.9 are not generally known to contain or expose users to lead and, as such, have been
9 designated as Class 1 Components. CEH, with the written non-opposition of the Attorney
10 General, may seek to modify this Consent Judgment by seeking the re-designation of any material
11 described in Sections 3.2.1.8 and 3.2.1.9 from Class 1 Component to a Class 2 Component with a
12 lead standard for such material, if, subsequent to the Effective Date, CEH obtains information that
13 demonstrates that such material contains lead and that the use of the material in any Covered
14 Product exposes users of the Covered Product to lead in an amount greater than 0.5 micrograms
15 per day.

16 6.4.2 **Reopener for Class 3 Components.** Any Party may seek to modify this
17 Consent Judgment by seeking to designate a Class 3 Component as a Class 1 Component or as a
18 Class 2 Component with a lead specification standard.

19 6.4.3 **Required Showing to Obtain Reopeners.** A reopener pursuant to
20 Sections 6.4.1 or 6.4.2 shall be granted if the court finds the following:

21 6.4.3.1 A Class 3 Component shall be redesignated as a Class 1 Component
22 if the moving party demonstrates that such material does not contain lead, or that the use of the
23 material in any Covered Product does not expose users of the Covered Product to lead in an
24 amount greater than 0.5 micrograms per day.

25 6.4.3.2 A Class 3 Component, and the materials described in Sections
26 3.2.1.8 and 3.2.1.9, shall be redesignated as a Class 2 Component with a lead specification
27 standard if the moving party demonstrates that use of such material at or below the standard does
28

1 not expose average users of the Covered Product to lead in an amount greater than 0.5 micrograms
2 per day.

3 6.5 **Notice; Meet and Confer.** Any Party seeking to modify this Consent Judgment
4 shall attempt in good faith to meet and confer with all affected Parties prior to filing a motion to
5 modify the Consent Judgment.

6 **7. CLAIMS COVERED AND RELEASE**

7 7.1 This Consent Judgment is a full, final, and binding resolution between CEH and
8 Settling Defendants and their parents, shareholders, divisions, subdivisions, subsidiaries, partners,
9 sister companies and their successors and assigns ("Defendant Releasees"), and all entities other
10 than as listed on Exhibit E to whom they distribute or sell Covered Products, including but not
11 limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and
12 licensees ("Downstream Defendant Releasees"), of any violation of Proposition 65 or any other
13 statutory or common law claims that have been or could have been asserted in the public interest
14 against Settling Defendants, Defendant Releasees, and Downstream Defendant Releasees,
15 regarding the failure to warn about exposure to lead arising in connection with Covered Products
16 manufactured, distributed, or sold by Settling Defendants prior to the Effective Date.

17 7.2 CEH, for itself and acting on behalf of the public interest pursuant to Health and
18 Safety Code § 25249.7(d), releases, waives, and forever discharges any and all claims against
19 Settling Defendants, Defendant Releasees, and Downstream Defendant Releasees arising from any
20 violation of Proposition 65 or any other statutory or common law claims that have been or could
21 have been asserted in the public interest regarding the failure to warn about exposure to lead
22 arising in connection with Covered Products manufactured, distributed or sold by Settling
23 Defendants prior to the Effective Date.

24 7.3 Compliance with the terms of this Consent Judgment by a Settling Defendant and
25 its Defendant Releasees shall constitute compliance with Proposition 65 by that Settling
26 Defendant, its Defendant Releasees and their Downstream Defendant Releasees with respect to
27 any alleged failure to warn about Lead in Covered Products manufactured, distributed or sold by
28 such Settling Defendant after the Effective Date.

1 7.4 Nothing in this Section 7 shall apply to any Supplier that is not a Settling
2 Defendant unless such Supplier is a parent, subsidiary, or sister company of a Settling Defendant.

3 **8. PROVISION OF NOTICE**

4 8.1 When any party is entitled to receive any notice under this Consent Judgment, the
5 notice shall be sent by certified mail and electronic mail to the Party(ies) identified in Exhibit D.
6 Any party may modify the person and address to whom the notice is to be sent by sending each
7 other party notice by certified mail and/or other verifiable form of written communication.

8 **9. COURT APPROVAL**

9 9.1 This Consent Judgment shall become effective upon entry by the Court (the
10 “Effective Date”). CEH shall prepare and file a Motion for Approval of this Consent Judgment
11 and the Initial Settling Defendants shall support approval of such Motion.

12 9.2 If this Consent Judgment is not entered by the Court, it shall be of no force or effect
13 and shall not be introduced into evidence or otherwise used in any proceeding for any purpose.

14 **10. GOVERNING LAW AND CONSTRUCTION**

15 10.1 The terms of this Consent Judgment shall be governed by the laws of the State of
16 California.

17 10.2 The Parties, including their counsel, have participated in the preparation of this
18 Consent Judgment and this Consent Judgment is the result of the joint efforts of the Parties. This
19 Consent Judgment was subject to revision and modification by the Parties and has been accepted
20 and approved as to its final form by all Parties and their counsel. Accordingly, any uncertainty or
21 ambiguity existing in this Consent Judgment shall not be interpreted against any Party as a result
22 of the manner of the preparation of this Consent Judgment. Each Party to this Consent Judgment
23 agrees that any statute or rule of construction providing that ambiguities are to be resolved against
24 the drafting Party should not be employed in the interpretation of this Consent Judgment and, in
25 this regard, the Parties hereby waive California Civil Code section 1654.

26 **11. ATTORNEY’S FEES**

27 11.1 A party who unsuccessfully brings or contests an action arising out of this Consent
28 Judgment shall be required to pay the prevailing party’s reasonable attorney’s fees and costs

1 unless the unsuccessful party has acted with substantial justification. For purposes of this Consent
2 Judgment, the term substantial justification shall carry the same meaning as used in the Civil
3 Discovery Act of 1986, Code of Civil Procedure §§ 2016.010, et seq.

4 11.2 Notwithstanding Section 11.1, a party who prevails in a contested enforcement
5 action brought pursuant to Section 4 may seek an award of attorneys' fees pursuant to Code of
6 Civil Procedure § 1021.5 against a party that acted with substantial justification. The party
7 seeking such an award shall bear the burden of meeting all of the elements of § 1021.5, and this
8 provision shall not be construed as altering any procedural or substantive requirements for
9 obtaining such an award.

10 11.3 Nothing in this Section 11 shall preclude a Party from seeking an award of
11 sanctions pursuant to law.

12 **12. ENTIRE AGREEMENT**

13 12.1 This Consent Judgment contains the sole and entire agreement and understanding
14 of the Parties with respect to the entire subject matter hereof, and any and all prior discussions,
15 negotiations, commitments, or understandings related thereto, if any, are hereby merged herein
16 and therein. There are no warranties, representations, or other agreements between the Parties
17 except as expressly set forth herein. No representations, oral or otherwise, express or implied,
18 other than those specifically referred to in this Consent Judgment have been made by any Party
19 hereto. No other agreements not specifically contained or referenced herein, oral or otherwise,
20 shall be deemed to exist or to bind any of the Parties hereto. No supplementation, modification,
21 waiver, or termination of this Consent Judgment shall be binding unless executed in writing by the
22 Party to be bound thereby. No waiver of any of the provisions of this Consent Judgment shall be
23 deemed or shall constitute a waiver of any of the other provisions hereof whether or not similar,
24 nor shall such waiver constitute a continuing waiver.

25 **13. RETENTION OF JURISDICTION**

26 13.1 This Court shall retain jurisdiction of this matter to implement or modify the
27 Consent Judgment.

28

1 **14. AUTHORITY TO STIPULATE TO CONSENT JUDGMENT**

5 **15. NO EFFECT ON OTHER SETTLEMENTS**

1 **EXHIBIT B (BEST MANAGEMENT PRACTICES FOR PLATING FACILITIES)**

2 **PRE-PLATING PROCEDURE**

3 The pieces must be cleaned. Any polishing compound must be removed before plating by
4 cleaning with aqueous cleaning solution or solvent and rinsed with water.

5 The pieces must be activated.

6 The pieces must be rinsed in clean water before plating.

7 **PLATING BATH MAINTENANCE**

8 The temperature of each plating bath must be controlled to the appropriate temperature in
9 accordance with the recommendations of the equipment and plating chemical suppliers.

10 The nickel and nickel-substitute tanks must be agitated or aerated in accordance with the
11 chemical suppliers' recommendations.

12 All baths must be filtered continuously during plating and filters changed at least than
13 monthly.

14 pH must be measured each day of plating and adjusted within the chemical supplier's
15 recommendations.

16 All plating employees must be trained on the use of the equipment in accordance with
17 recommendation of equipment manufacturer and plating chemical suppliers.

18 The plating baths must be maintained in accordance with the plating chemical suppliers
19 recommendations.

20 Plating tanks must be swept at least weekly.

21 Anodes must be inspected monthly in accordance with the anode supplier's
22 recommendations.

1 **PLATING PROCEDURES**

2 Substantial pieces such as pendants, drops, and rings without prongs or other such feature
3 shall be plated with at least 15 minutes combined plating with copper (copper strike and/or acid
4 copper), nickel or nickel substitute, and/or finish coat. The pieces will also be rinsed between
5 plating tanks. Finish decorative coatings include brass, bronze, copper, gold, gun metal, hematite,
6 imitation rhodium, matt finish, palladium, platinum, rhodium, or silver. If desired, plated pieces
7 can be treated to produce other finishes such as matt, oxidized, or smut black finishes.

8 Mechanical, functional (e.g., lobster claws, spacers, mechanical closures, connectors), or
9 fine pieces such as prongs and fine chains may be plated to cover the exposed surface consistent
10 with good manufacturing practices for appearance and function. Components that articulate
11 closely together such as snake chain and tight hinges or that need to be manipulated into position
12 will be plated to prevent binding, stiffness, and cracking of plating.

COMPONENT	NOTES AND EXCEPTIONS
Metals plated with suitable undercoats and finish coats	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be 0.050 g to 1 g. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.1% for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Unplated metal and metal substrates not defined as Class 1 Components.	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be 0.050 g to 1 g. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.01% for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Polyvinyl chloride (PVC)	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be a minimum of 0.05 g if using microwave digestion or 0.5 if using hot plate digestion, and should be chopped or comminuted prior to digestion. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.001% (10 ppm) for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Non-PVC Plastic/Rubber (e.g., acrylic, polystyrene, plastic beads/stones).	Digestion using hot concentrated nitric acid with optional hydrochloric acid and optional hydrogen peroxide. Sample size should be a minimum of 0.05 g if using microwave digestion or 0.5 if using hot plate digestion and should be chopped or comminuted prior to digestion. Plastic beads or stones should be crushed prior to digestion. Digested samples may require dilution prior to analysis. Digestion and analysis should achieve a reported detection limit no greater than 0.001% (10 ppm) for samples. Any necessary dilutions shall be made to assure that measurements are made within the calibrated range of the analytical instrument.
Coatings on Glass and Plastic Pearls.	The coating of glass or plastic beads should be scraped onto a surface free of dust, such as a clean weighing paper or pan, using a clean stainless steel razor blade or other clean sharp instrument that will not contaminate the sample with lead. The razor blade or sharp instrument should be rinsed with deionized water, wiped to remove particulate matter, rinsed again, and dried between samples. Weigh the scrapings. A minimum of 50 mg of scraped

If less than 50 mg of scraped coating is obtained from an individual pearl, then multiple pearls from that sample must be scraped and composited to obtain a sufficient sample amount. The number of pearls used to make the composite must be noted. Avoid inclusion of the substrate pearl material in the scrapings. Digest the scrapings according to USEPA Method 3050B or 3051 or equivalent procedure for hot acid digestion in preparation for trace lead analysis. Dilute the digestate in the minimum volume practical for analysis. Analyze the digested sample according to specification of Exhibit C (approved, validated methodology for inductively-coupled plasma mass spectrometry). A reporting limit of 0.001% (10 ppm) in the coating must be obtained for the analysis. The sample result must be reported within the calibrated range of the instrument. If the initial test of the sample is above the highest calibration standard, then the sample must be diluted and re-analyzed within the calibrated range of the instrument.</p>
