1. The health hazard warning required by the Consent Judgment complies with Health & Safety Code section 25249.7;
2. The reimbursement of fees and costs to be paid pursuant to the parties' Consent Judgment is reasonable under California law; and
3. The civil penalty amount to be paid pursuant to the parties' Consent Judgment is reasonable.

IT IS SO ORDERED.

UNLIMITED JURISDICTION

~~PROPOSED~~ CONSENT
JUDGMENT

Dept: 17
Judge: Hon. Steven A. Brick
Action Filed: December 12, 2007
Trial Date: Not Set

1 **I. INTRODUCTION**

2 **A. Parties**

3 This Settlement Agreement and [Proposed] Consent Judgment (also referred to herein as
4 "Consent Judgment" or "Agreement") is entered into by and between Plaintiff, Jamie Te'o
5 ("Plaintiff" or "Te'o"), and Defendants eCost.com, Inc. and PFSweb, Inc. ("eCost," "PFSweb," or,
6 collectively "Defendants"), with Te'o and Defendants together being referred to as the "Parties."

7 **B. Plaintiff**

8 Te'o is an individual residing in San Francisco County in the State of California who seeks to
9 promote awareness of exposure to toxic chemicals and improve human health by reducing or
10 eliminating hazardous substances contained in various consumer and commercial products.

11 **C. Defendants**

12 Defendants employ ten or more persons and are persons in the course of doing business for
13 purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety
14 Code §§ 25249.6 et seq. ("Proposition 65").

15 **D. General Allegations**

16 Plaintiff alleges that Defendants have distributed and/or sold motherboards and other
17 electronic circuitry products with solder containing lead in the State of California without providing
18 the requisite warnings for lead exposure required by Proposition 65. Lead is a substance listed
19 pursuant to Proposition 65 as known to the State of California to cause birth defects and other
20 reproductive harm.¹ Lead is referred to herein as the "Listed Chemical."

21 **E. Product Description**

22 The products covered by this Consent Judgment are defined as follows: (a) motherboards,
23 main boards and various other circuit boards (collectively referred to herein for simplicity as
24 "motherboards") with lead-containing solder and components, and (b) Peripheral Component

25 ¹ Lead is also listed as a Proposition 65 carcinogen; however, the State has adopted a safe harbor
26 exposure level for lead as a carcinogen (15 µg/day) that is significantly higher than the level it has
27 identified for lead as a reproductive toxicant under Proposition 65 (.5 µg/day), such that Parties are in
28 agreement that only Proposition 65's requirements regarding reproductive toxicity are potentially
relevant here.

1 Interconnect ("PCI") cards including graphics cards, video cards, network cards, and other various
2 devices that connect to a computer via a PCI interconnect or slot, where those cards and devices have
3 lead-solder containing components. Examples of forms of solder include, but are not limited to,
4 solder, solder balls, solder spheres, solder paste, wave solder, solder joints, die bumps, and flip-chip
5 bumps. All such motherboards and PCI cards with lead-containing solder are referred to herein as
6 "Products."

7 **F. Notices of Violation**

8 On August 30, 2007, Te'o served Defendants, and all public enforcers entitled to receive it
9 pursuant to Health and Safety Code section 25249.7(d), with a document entitled "60-Day Notice of
10 Violation" ("Notice"), which provided Defendants and public enforcers with notice that Plaintiff
11 intended to file and prosecute a lawsuit at the expiration of the 60-day notice period alleging that
12 Defendants were in violation of California Health and Safety Code section 25249.6 for failing to
13 warn consumers, workers, and others that the Products that Defendants sold exposed users in
14 California to the Listed Chemical. Within fifteen (15) days following his execution of this Consent
15 Judgment, Te'o will have served Defendants and the required public enforcement agencies with
16 documents entitled "Supplemental Notice of Violation" ("Supplemental Notice") expressly alleging
17 that Defendants are in violation of Health and Safety Code section 25249.6 with respect to exposures
18 to the Listed Chemical arising from various motherboards and PCI cards. Defendants shall use their
19 best efforts to provide Te'o with information necessary for him to issue them a Supplemental Notice
20 and support a Certificate of Merit related thereto.

21 **G. Complaint**

22 On December 12, 2007, in the absence of public prosecutor action, Te'o, who is acting in the
23 interest of the general public in California, filed a complaint ("Complaint" or "Action") in the
24 Superior Court in and for the County of Alameda a against Defendants, and DOES 1 through 150,
25 *Te'o v. eCost.com*, Alameda County Superior Court Case No. RG 07360982, alleging violations of
26 California Health and Safety Code section 25249.6, based on the alleged exposures to the Listed
27 Chemical contained in the Products Defendants sold. The Complaint shall be deemed amended by
28 this Consent Judgment to include the allegations in the Supplemental Notice on the sixty-sixth day

1 following the issuance of the Supplemental Notice if an authorized public prosecutor has not, prior to
2 that date, filed a Proposition 65 enforcement action as to the Listed Chemical in the additional
3 Products addressed in the Supplemental Notice; the definitions of Products under this Consent
4 Judgment shall also not be deemed to include the additional Products addressed in the Supplemental
5 Notice until that time.

6 **H. No Admission**

7 Defendants deny the material factual and legal allegations contained in Te'o's Notice and
8 Complaint and maintain that all products they have sold in and/or distributed for sale or use in
9 California have been and are in compliance with all laws. Nothing in this Consent Judgment shall be
10 construed as an admission by Defendants of any fact, finding, issue of law, or violation of law, nor
11 shall compliance with this Consent Judgment constitute or be construed as an admission by
12 Defendants of any fact, finding, conclusion, issue of law, or violation of law, such being specifically
13 denied by Defendants. However, this Paragraph shall not diminish or otherwise affect Defendants'
14 obligations, responsibilities, and duties under this Consent Judgment.

15 **I. Consent to Jurisdiction**

16 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
17 jurisdiction over Defendants as to the allegations contained in the Complaint, that venue is proper in
18 the County of Alameda, and that this Court has jurisdiction to enter and enforce the provisions of this
19 Consent Judgment.

20 **J. Effective Date**

21 For purposes of this Settlement Agreement, the term "Effective Date" shall mean July 15,
22 2008.

23 **II. INJUNCTIVE RELIEF: WARNINGS**

24 After the Effective Date, Defendants shall not sell or ship, in California, Products containing
25 the Listed Chemical unless such Products are sold or shipped with the clear and reasonable warning
26 set out in Section II.A or exempted pursuant to Section II.B.
27
28

1 **A. Product Warnings**

2 Any warning issued for Products pursuant to this section shall be prominently placed with
3 such conspicuousness as compared with other words, statements, designs, or devices as to render it
4 likely to be read and understood by an ordinary individual under customary conditions before
5 purchase or, for Products shipped directly to an individual in California or used in the workplace in
6 California, before use.

7 Where required under this Consent Judgment, Defendants may satisfy their Proposition 65
8 warning obligations for Products sold to California residents or businesses by providing a warning on
9 the website, provided the warning appears either: (a) on the same web page on which Products are
10 displayed with features described and related details provided; (b) on the same web page as the order
11 form for Products; (c) on the same page as the price for Products; or (d) on one or more web pages
12 displayed to a purchaser during the checkout process. The following warning statement shall be used
13 and shall appear in any of the above instances adjacent to or immediately following the display,
14 description, or price of the Product for which it is given in the same type size or larger as the product
15 description text:

16 **WARNING:** Products with exposed solder may contain lead, a
17 chemical known to the State of California to cause birth
18 defects and other reproductive harm. Please wash hands
after handling internal components and circuit boards and
avoid inhalation of fumes if heating the solder.

19 **B. Exceptions To Warning Requirements**

20 The warning requirements set forth in Section II.A shall not apply to:

- 21 (i) Products (a) manufactured before June 1, 2008 or (b) which are offered as a part for
22 any such Products;
- 23 (ii) Any Products in which the only possible point of exposure to the Listed Chemical is
24 embedded in a manner that a consumer or worker would not come into contact with
25 the Listed Chemical under any reasonably anticipated use, such as Products which are
26 not expected to be serviced by employees or users other than those with specialized
27 information technology and related occupational health and safety training, including
28 servers, storage or storage and array systems, port replicators, and network

1 infrastructure equipment for switching, signaling and transmission as well as network
2 management for telecommunications that serve a business's internal non-consumer
3 market.

4 (iii) Any Products for which manufacturers provide a Proposition 65 warning label
5 regarding the Listed Chemical.

6 **III. MONETARY PAYMENTS**

7 **A. Penalties Pursuant to Health & Safety Code § 25249.7(b)**

8 Pursuant to Health and Safety Code section 25249.7(b), the civil penalties shall be paid as
9 follows:

10 (a) Defendants eCost and PFSweb shall collectively pay a total amount of \$1,000.²

11 All payments made pursuant to this Section III.A shall be payable to the "HIRST &
12 CHANLER LLP in Trust For Jamie Te'o" and shall be delivered to Plaintiff's counsel at the following
13 address on or before August 1, 2008:

14 HIRST & CHANLER LLP
15 Attn: Proposition 65 Controller
16 2560 Ninth Street
17 Parker Plaza, Suite 214
Berkeley, CA 94710-2565

18 **B. Apportionment of Penalties Received**

19 All penalty monies received shall be apportioned by Te'o in accordance with Health & Safety
20 Code section 25192, with 75% of these funds remitted by Te'o to the State of California's Office of
21 Environmental Health Hazard Assessment and the remaining 25% of these penalty monies retained
22 by Te'o as provided by Health & Safety Code section 25249.12(d). Te'o shall bear all responsibility
23 for apportioning and paying to the State of California the appropriate civil penalties paid in
24 accordance with this Section.

25
26 ² The statutory penalty amount to be paid by Defendants represents the net of a gross \$2,500 civil
27 penalty amount, reduced by \$1,500 due to its voluntary cooperation with Te'o in resolving this matter
28 and the fact that it only sold one unit of the product listed in the original 60-day Notice letter.

1 **IV. REIMBURSEMENT OF FEES AND COSTS**

2 The Parties acknowledge that Plaintiff and his counsel offered to resolve this dispute without
3 reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee
4 issue to be resolved after the material terms of the agreement had been settled. Defendant then
5 expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been
6 finalized. The Parties then attempted to (and did) reach an accord on the compensation due to
7 Plaintiff and his counsel under the private attorney general doctrine codified at Code of Civil
8 Procedure section 1021.5 for all work performed through the Court's approval of this mutual
9 agreement. Defendant shall reimburse Plaintiff and his counsel for fees and costs incurred as a result
10 of investigating, bringing this matter to Defendant's attention, and litigating and negotiating a
11 settlement in the public interest and seeking the Court's approval of the settlement agreement.
12 Defendants shall pay Te'o and his counsel \$20,000 for all attorneys' fees, expert and investigation
13 fees, litigation, and related costs. Defendant shall issue a separate 1099 for fees and costs (EIN: 20-
14 3929984). The check shall be made payable to HIRST & CHANLER LLP and shall be delivered on
15 or before August 1, 2008, at the following address:

16
17 HIRST & CHANLER LLP
18 Attn: Proposition 65 Controller
19 455 Capitol Mall, Suite 605
20 Sacramento, CA 95814

21 **V. RELEASE OF ALL CLAIMS**

22 **A. Release of Defendant and Downstream Customers**

23 In further consideration of the promises and agreements herein contained, and for the
24 payments to be made pursuant to Sections III and IV, Te'o, on behalf of himself, his past and current
25 agents, attorneys, successors, and/or assignees, and acting in a representative capacity on behalf of
26 the general public, hereby waives all rights to institute or participate in, directly or indirectly, any
27 form of legal action and releases all claims, including, without limitation, all actions, and causes of
28 action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties,
losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees)

1 of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "claims"),
2 against Defendants and each of their downstream customers, owners, purchasers, users, parent
3 companies, corporate affiliates, subsidiaries, successors and assigns, and their respective officers,
4 directors, attorneys, representatives, shareholders, agents, and employees, sister and parent entities,
5 and, with respect to original equipment manufacturers and distributors. This release is limited to
6 those claims that arise under Proposition 65, as such claims relate to Defendant's alleged failure to
7 warn about exposures to the Listed Chemical contained in the Products.

8 The Parties further understand and agree that, except as provided for above, this release shall
9 not extend upstream to any entities that manufactured the Products or any component parts thereof, or
10 any distributors or suppliers who sold the Products or any component parts thereof to Defendants.
11 The foregoing is not, however, intended to limit any release set forth in, or direct or indirect effect of,
12 prior settlements or judgments Plaintiff or other enforcers of Proposition 65 have entered into with
13 such upstream entities in terms of their application to any claims that have been or which may in the
14 future be alleged against any defendant with respect to the Listed Chemical in any Products sold by
15 such upstream entities to such defendant. This Agreement also does not release any downstream
16 party (including integrators and retailers) that either caused exposure to the Listed Chemical from
17 Products not supplied by Defendants or, as to the future, fails to transmit the requisite warnings
18 provided by Defendants in the manner set forth in Section II.A of in this Agreement.

19 This Consent Judgment is also a full, final and binding resolution between Plaintiff, acting on
20 behalf of the public interest pursuant to California Health & Safety Code section 25249.7(d), on the
21 one hand, and the Defendants and their releasees, on the other hand, of any violation of
22 Proposition 65 and of all claims made or which could have been made in the Notice, Supplemental
23 Notice, and/or Complaint based on the facts asserted therein for Defendants' alleged failure to
24 provide warnings for exposure to the Listed Chemical in motherboards and PCI cards (as defined in
25 Paragraph I.E above). Compliance by Defendants with the terms of this Consent Judgment resolves
26 any issue, now and in the future, concerning compliance by Defendants and their releasees, with the
27 requirements of Proposition 65 as to warnings for exposure to the Listed Chemical in motherboards
28 and PCI cards (as defined in Paragraph I.E above).

1 **B. Defendants' Release of Te'o**

2 Defendants waive any and all claims against Te'o, his attorneys, and other representatives for
3 any and all actions taken or statements made (or those that could have been taken or made) by Te'o
4 and his attorneys and other representatives, whether in the course of investigating claims or otherwise
5 seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

6 **VI. COURT APPROVAL**

7 This Agreement is not effective until it is approved and entered by the Court and shall be null
8 and void if, for any reason, it is not approved and entered by the Court within one year after it has
9 been fully executed by all Parties, in which event any monies that have been provided to Plaintiff or
10 his counsel, pursuant to Section III and/or Section IV above, shall be refunded within fifteen (15)
11 days after the earlier of Plaintiff (a) receiving written notice that the Court will not approve the
12 settlement, or notice to that effect; or (b) receiving written notice from Defendants that the one-year
13 period has expired.

14 **VII. SEVERABILITY**

15 If, subsequent to court approval of this Agreement, any of the provisions of this Agreement
16 are held by a court to be unenforceable, the validity of the enforceable provisions remaining shall not
17 be adversely affected.

18 **VIII. ATTORNEYS' FEES**

19 In the event a dispute arises with respect to any provision of this Agreement, the prevailing
20 party shall, except as otherwise provided herein, be entitled to recover reasonable costs and attorneys'
21 fees incurred in connection with such dispute.

22 **IX. GOVERNING LAW**

23 The terms of this Agreement shall be governed by the laws of the State of California and
24 apply within the State of California. In the event Proposition 65 is repealed or is otherwise rendered
25 inapplicable by reason of law generally, or as to the Products, Defendant shall have no further
26 obligations pursuant to this Agreement with respect to, and to the extent that, the Products are so
27 affected.

1 X. NOTICES

2 Unless specified herein, all correspondence and notices required to be provided pursuant to
3 this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class,
4 (registered or certified mail) return receipt requested; or (ii) overnight courier on any Party by the

25 deemed an original, and all of which, when taken together, shall constitute one and the same

4 **XIII. ADDITIONAL POST EXECUTION ACTIVITIES**

5 Te'o and Defendants agree to mutually employ their best efforts to support the entry of this
6 Agreement as a Consent Judgment and obtain approval of it by the Court in a timely manner. The
7 Parties acknowledge that, pursuant to Health and Safety Code section 25249.7, a noticed motion is
8 required to obtain judicial approval of this Agreement. Accordingly, the Parties agree to file a Joint
9 Motion to Approve the Agreement (the "motion"), which shall be prepared by Plaintiff's counsel and
10 reviewed by Defendants' counsel prior to filing with the Court. Defendants shall have no additional
11 responsibility to Plaintiff's counsel pursuant to Code of Civil Procedure section 1021.5 or otherwise
12 with regard to reimbursement of any fees and costs incurred with respect to the preparation and filing
13 of the motion or with regard to Plaintiff's counsel appearing for a hearing thereon.

14 **XIV. MODIFICATION**

15 This Agreement may be modified only: (1) by written agreement of the Parties and upon
16 entry of a modified Settlement Agreement by the Court thereon; or (2) upon a successful motion of
17 any Party and entry of a modified Settlement Agreement by the Court. The Attorney General shall be
18 served with notice of any proposed modification to this Agreement at least fifteen (15) days in
