1.1 <u>Plaintiff</u>. Plaintiff Consumer Advocacy Group, Inc. ("Plaintiff" or "CAG"), on its own behalf and as a representative of the People of the State of California, is a non-profit public interest corporation.

- 1.2 <u>Defendant</u>. Starbucks Corporation ("Starbucks") owns, operates, and/or manages coffee houses ("Stores") throughout California.
- 1.3 Parties. CAG and the Starbucks are collectively referred to herein as the "Parties."
- 1.4 <u>Covered Properties.</u> The properties owned, operated and managed by Starbucks located in the State of California at which Starbucks permits (or does not otherwise prohibit) smoking at an outdoor seating area immediately adjacent to the property, which seating area is under Starbucks Corporation's control, are referred to collectively as the "Covered Properties."
- 1.5 <u>Proposition 65</u>. Health & Safety Code sections 25249.5 *et seq.* ("Proposition 65") prohibits, among other things, a company consisting of ten or more employees from knowingly and intentionally exposing an individual to chemicals that are known to the State of California to cause cancer and/or birth defects or other reproductive harm without first providing a clear and reasonable warning to such individuals. Exposures can occur as a result of a consumer product exposure, an occupational exposure or an environmental exposure.
- 1.6 <u>Proposition 65 Chemicals</u>. The State of California has officially listed various chemicals pursuant to Health & Safety Code section 25249.8 as chemicals known to the State of California to cause cancer and/or reproductive toxicity.
- 1.7 <u>The Present Dispute.</u> This Consent Judgment pertains to Consumer Advocacy Group, Inc. v. Starbucks Corporation, et al., Los Angeles County Superior Court Case No. BC409021, complaint filed on March 5, 2009 ("the Action").
 - 1.8 Plaintiff's 60-day Notices.
- 1.8.1 More than sixty days prior to filing the Action, on or about February 8, 2008, CAG served public enforcement agencies and Starbucks with a document titled "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement

Act of 1986" under Health & Safety Code Section 25249.6 ("First Notice"). The First Notice alleged that certain of Starbucks' stores located in San Francisco and Los Angeles counties contained outdoor seating areas immediately adjacent to the store, and that such areas were within Starbucks' control. CAG further alleged that the smoking of tobacco was not expressly prohibited by Starbucks in these outdoor areas, that Starbucks did not conspicuously post "no smoking" signs, and that Starbucks violated Proposition 65 by failing to warn members of the public and its employees of the second-hand tobacco smoke. CAG alleged that tobacco smoke contains the following chemicals known to the State to cause cancer or reproductive harm ("Noticed Chemicals").

- 1.8.2 Also more than sixty days prior to filing the Action, on or about August 11, 2008, CAG issued a second "Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" covering all Starbucks company-owned store located in the State of California at which Starbucks permits (or does not otherwise prohibit) smoking at an outdoor seating area immediately adjacent to the store, which area is allegedly part of the premises leased by Starbucks or otherwise under Starbucks' control, alleging substantially the same violation as alleged in the First Notice ("Second Notice"). The First Notice and Second Notice are collectively referred to as the "Notices." This Consent Judgment covers the Noticed Chemicals. CAG subsequently filed the instant Action against Starbucks, which asserts the Proposition 65 violation alleged in the Notices.
- 1.9 Purpose of Consent Judgment. The parties enter into this Consent Judgment pursuant to a settlement of certain disputed claims as alleged in the Complaint for the purpose of avoiding prolonged and costly litigation. Parties wish to resolve completely and finally the issues raised by the Notices and the Action pursuant to the terms and conditions described herein. In entering into this Consent Judgment, the Parties recognize that this Consent Judgment is a full and final settlement of all claims related to tobacco products, tobacco smoke, and secondhand tobacco smoke (and their constituent chemicals) that were raised or that could have been raised in the Notices and/or the Action. CAG and Starbucks also intend for this Consent Judgment to provide, to the maximum extent permitted by law, res judicata and/or collateral

estoppel protection for Starbucks, against any and all other claims based upon the same or similar allegations as to the Noticed Chemicals.

- 1.10 <u>No Admission.</u> Nothing in this Consent Judgment shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law.
- 1.11 Effective Upon Final Determination. Starbucks Corporation's willingness to enter into this Consent Judgment is based upon the understanding that this Consent Judgment will fully and finally resolve all claims related to tobacco products, tobacco smoke and secondhand tobacco smoke (and their constituent chemicals), brought by CAG, and that this Consent Judgment will have *res judicata* and/or collateral estoppel effect to the extent allowed by law with regard to any alleged violations of Proposition 65 by Starbucks.

2.0 JURISDICTION

- 2.1 <u>Subject Matter Jurisdiction.</u> For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over the allegations and claims alleged in the Action.
- 2.2 <u>Personal Jurisdiction</u>. For purposes of this Consent Judgment only, the Parties stipulate that this Court has personal jurisdiction over Starbucks as to the acts and claims alleged in the Action.
- 2.3 <u>Venue</u>. For purposes of this Consent Judgment only, the Parties stipulate that venue for resolution of the allegations and claims asserted in the Action is proper in the County of Los Angeles.
- 2.4 <u>Jurisdiction to Enter Consent Judgment</u>. The Parties stipulate and agree that this Court has jurisdiction to enter this Consent Judgment as a full and final settlement and resolution of the allegations contained in the Notices, the Action, and of all claims that were or that could have been raised based on the facts alleged therein or arising therefrom

3.0 REMEDIES

3.1 <u>Obligations and Duties.</u> As to all Covered Properties, Starbucks agrees as follows:

Starbucks agrees, promises, represents, and warrants that, on or before June 6, 2010, Starbucks will make the outdoor seating areas of all Covered Properties located throughout the State of California smoke free, and smoking will be prohibited in those locations.

4.0 ATTORNEY FEES AND COSTS

- 4.1 Payment to Yeroushalmi & Associates. Starbucks shall pay CAG \$30,000.00 for its attorney fees and costs incurred in this matter. The check shall be to "Yeroushalmi & Associates." CAG represents and warrants that CAG has authorized the payment of attorney fees and costs, and that the payment and any application or distribution of such payment will not violate any agreement between CAG and its attorneys with any other person or entity. CAG releases and agrees to hold harmless the Released Parties with regard to any issue concerning the allocation or distribution of the amount paid under this section. Yeroushalmi & Associates shall provide its address and federal tax identification number to Starbucks prior to such payment.
- 4.2 <u>Timing of Payments</u>. The payment described above shall be made in full to the respective recipients within ten (10) days of the approval date of this Consent Judgment.

5.0 RELEASES AND CLAIMS COVERED

5.1. Effect of Judgment. This Judgment is a full and final judgment with respect to any claims regarding the Noticed Chemicals that were asserted or that could have been asserted in the Action and/or the Notices against the Released Parties (as defined in paragraph 5.2 below), including, but not limited to: (a) claims for any violation of Proposition 65 by the Released Parties and each of them, including but not limited to, claims arising from consumer product exposures to the Noticed Chemicals, wherever occurring and to whomever occurring, through and including the date upon which this Consent Judgment becomes final, including all appeals; and (b) the Released Parties' continuing responsibility to provide the warnings mandated by Proposition 65.

- 5.2 Release. Except for such rights and obligations as have been created under this Consent Judgment, Plaintiff, on its own behalf and in the interests of the public pursuant to Health & Safety Code section 25249.7(d), with respect to the matters regarding the Noticed Chemicals alleged in the Notices and the Action, does hereby fully, completely, finally and forever release, relinquish and discharge: (a) Starbucks Corporation; (b) the past, present, and future owners, lessors, sublessors, managers, franchisors, franchisees, wholesalers, distributors and operators of (and any others with any interest in) the sites identified in the Notices, all Covered Properties, and all Stores affiliated with the parties identified in (a) above; and (c) the respective past, present, and future officers, directors, shareholders, affiliates, members, joint venturers, partners, agents, principals, employees, attorneys, parents, subsidiaries, owners, sisters or other related entities, successors, and assigns of the persons and entities described in (a) and (b) above (the parties identified in (a), (b), and (c) above are collectively referred to as the "Released Parties") of and from all claims, actions, causes of action, suits, demands, rights, debts, agreements, promises, liabilities, damages, penalties, royalties, fees, accountings, costs and expenses, whether known or unknown, suspected or unsuspected, of any nature whatsoever that Plaintiff has or may have against the Released Parties, arising directly or indirectly out of any fact or circumstance occurring prior to the date upon which this Consent Judgment becomes final (including all appeals), relating to any actual or alleged violation of Proposition 65 by the Released Parties and their respective agents, servants and employees that were or could have been raised in the Notices and/or the Action (the "Released Claims"). In sum, the Released Claims include all allegations made, or that could have been made, by Plaintiff with respect to the Noticed Chemicals relating to Proposition 65.
- 5.3 Intent of Parties. It is the intention of the Parties to this Release that, upon entry of judgment and conclusion of any and all appeals or litigation relating to this Consent Judgment, that this Consent Judgment shall be effective as a full and final accord and satisfaction and release of each and every Released Claim. In furtherance of this intention, Plaintiff acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

27

28

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Plaintiff waives and relinquishes all of the rights and benefits that Plaintiff has or may have under Civil Code section 1542 (as well as any similar rights and benefits which it may have by virtue of any statute or rule of law in any other state or territory of the United States). Plaintiff acknowledges that it may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true with respect to the subject matter of this Consent Judgment and the Released Claims, and that notwithstanding the foregoing, it is Plaintiff's intention to fully, finally, completely and forever settle and release all Released Claims, and that in furtherance of such intention, the release here given shall be and remain in effect as a full and complete general release, notwithstanding the discovery or existence of any such additional or different facts.

5.4 Plaintiff's Ability to Represent the Public. Plaintiff hereby warrants and represents to Defendant and the Released Parties that (a) Plaintiff has not previously assigned any Released Claim; and (b) Plaintiff has the right, ability and power to release each Released Claim.

Plaintiff further represents and warrants that it is a public benefit corporation formed for the specific purposes of (a) protecting and educating the public as to harmful products and activities; (b) encouraging members of the public to become involved in issues affecting the environment and the enforcement of environmental statutes and regulations including, but not limited to, Proposition 65; and (c) instituting litigation to enforce the provisions of Proposition 65.

5.5 No Further Force and Effect. In the event that (a) the Court denies the Parties' Joint Motion to Approve the Consent Judgment pursuant to Health & Safety Code section

25249.7(f)(4) as amended; or (b) a decision by the Court to approve the Consent Judgment is appealed and overturned by another Court, then upon notice by any Party hereto to any other Party hereto, this Consent Judgment shall be of no further force or effect and the Parties shall be restored to their respective rights and obligations as though this Consent Judgment had not been executed by the Parties.

6.0 PRECLUSIVE EFFECT OF CONSENT JUDGMENT

- 6.1 <u>Entry of Judgment.</u> Entry of judgment by the Court pursuant to this Consent Judgment shall, *inter alia*:
- 6.1.1 Constitute full and fair adjudication of all claims against Starbucks, including, but not limited to, all claims set forth in the Action based upon alleged violations of Proposition 65, as well as any other statute, provision of common law or any theory or issue which arose from Starbucks's actual or alleged failure to provide warnings regarding consumer exposure to tobacco products, tobacco smoke and secondhand tobacco smoke (and its constituent chemicals) which are known to the State of California to cause cancer, birth defects and/or other reproductive harm;
- and/or the doctrine of mootness, from prosecuting against any Released Party any claim with respect to the Noticed Chemicals alleged in the Notices and the Action, and based upon alleged violations of (a) Proposition 65; or (b) any other statute, provision of common law or any theory or issue which arose or may arise from the alleged failure to provide warnings of exposure to tobacco products, tobacco smoke, and secondhand tobacco smoke (and its constituent chemicals), which are known to the State of California to cause cancer, birth defects, and/or other reproductive harm.

7.0 DISPUTES UNDER THE CONSENT JUDGMENT

7.1 <u>Disputes.</u> In the event that a dispute arises with respect to either Party's compliance with the terms of this Consent Judgment, the Parties shall meet, either in person or by telephone, and endeavor to resolve the dispute in an amicable manner. No action may be taken to enforce the provisions of this Judgment absent such a good faith effort to resolve the

28

dispute prior to the taking of such action. In the event that legal proceedings are initiated to enforce the provisions of this Judgment, however, the prevailing party in such proceeding may seek to recover its costs and reasonable attorneys' fees. As used herein, the term "prevailing party" means a party that is successful in obtaining relief more favorable to it than the relief that the other party was amenable to providing during the parties' good faith attempt to resolve the dispute that is the subject of such enforcement action.
