20	1. <u>INTRODUCTION</u>		
21	1.1. On July 24, 2008, plaintiff the Ce	nter for Environmental Health ("Plaintiff" or	
22	"CEH"), a non-profit corporation acting in the public interest, filed a complaint titled Center for		
23	Environmental Health v. Beaulieu Group, LLC, et al., Alameda County Superior Court Case		
24	Number 08-400091 (the "CEH Action"), for civil penalties and injunctive relief pursuant to the		
25	provisions of Cal. Health & Safety Code § 25249.5, et seq. ("Proposition 65"). On September 2,		
26	2008, CEH filed the First Amended Complaint ("Complaint") in the CEH Action naming Synthetic		
27	Turf International, LLC ("Defendant" or "STI") as a defendant. CEH and STI are referred to		
28	collectively as the "Parties" and individually as a	"Party."	
	·		

- 1.2. Defendant is a corporation that employs 10 or more persons and that distributes and/or sells Covered Products in the State of California or has done so in the past.
- 1.3. In the course of the CEH Action, Defendant provided information to CEH indicating that Defendant has not manufactured or imported any Covered Products that it distributed or sold to any licensed day care facility, school, public playground or public playing field in California.
- 1.4. On or about June 23, 2008, CEH served Defendant and the appropriate public enforcement agencies with the requisite 60-day Notice (the "Notice") alleging that Defendant was in violation of Proposition 65. CEH's Notice and the Complaint in the CEH Action allege that Defendant exposes people who touch, use or otherwise handle the Covered Products to lead and lead compounds (collectively, "Lead"), chemicals known to the State of California to cause cancer, birth defects and other reproductive harm, without first providing clear and reasonable warning to such persons regarding the carcinogenicity and reproductive toxicity of Lead. The Notice and Complaint allege that Defendant's conduct violates Health & Safety Code § 25249.6, the warning provision of Proposition 65. Defendant disputes such allegations and asserts that all of their Covered Products are safe and comply with all applicable laws.
- 1.5. For purposes of this Consent Judgment as to Synthetic Turf International, LLC ("Consent Judgment") only, the Parties stipulate that this Court has jurisdiction over the subject matter of the violations alleged in CEH's Complaint and personal jurisdiction over Defendant as to the acts alleged in CEH's Complaint, that venue is proper in the County of Alameda, and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all claims which were or could have been raised in the Complaint based on the facts alleged therein.
- 1.6. The Parties enter into this Consent Judgment pursuant to a settlement of certain disputed claims between the Parties as alleged in the Complaint. By executing this Consent Judgment, the Parties do not admit any facts or conclusions of law. It is the Parties' intent that nothing in this Consent Judgment shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall prejudice, waive or impair any

right, remedy, argument or defense the Parties may have in this or any other or future legal proceedings.

#### 2. <u>DEFINITIONS</u>

- 2.1. The "Effective Date" of this Consent Judgment shall be the date on which the Consent Judgment is entered as a judgment by the trial Court.
- 2.2. "Covered Products" shall mean (a) the products listed in Exhibit A to this Consent Judgment and (b) any other artificial turf products that Defendant or the entities listed in Exhibit C may manufacture or sell after the Effective Date.
- 2.3. "Sold in California" means any Covered Product that is sold in the State of California by Defendant or by any, distributor, wholesaler or retailer that is authorized by Defendant, or by any of the entities listed on Exhibit C to this Judgment, to sell the Covered Products. For purposes of this Consent Judgment, the date of sale shall be the later of the following: (a) the date of the sales contract; (b) the date that Defendant or any of the entities listed in Exhibit C transport or dispatch the Covered Product into California; (3) the date that STI or any of the entities listed in Exhibit C deliver, or cause the delivery of, the Covered Product to the installation site.

## 3. INJUNCTIVE RELIEF: LEAD REDUCTION

- 3.1. <u>Immediate Product Reformulation</u>. Immediately upon the Effective Date of this Consent Judgment, STI shall reduce the level of Lead in the Covered Products Sold In California from the current levels to a Level no higher than 100 parts per million ("Initial Compliance Level") as determined pursuant to the testing protocol in Exhibit B.
- 3.2. <u>Further Reductions in Lead Levels in Covered Products</u>. Effective June 15, 2010, Covered Products Sold In California shall meet the following additional requirements (which shall be referred to as the "Further Compliance Level"):
  - (a) No portion of such Covered Product may have lead levels in excess of 50 parts per million, except:
  - (b) Field lines and markings (such as yard lines, goal lines, team names or logos) may not have lead levels in excess of 100 parts per million.

In the event that Covered Products Sold In California violate the Further Compliance Level, STI will (i) consult with the suppliers and technical consultants; (ii) attempt to locate the source of the elevated lead seen in the laboratory results; and (iii) provide the CEH with a report on this investigation and a proposal to prevent the situation from occurring in the future. On approval by the CEH, STI will implement this proposal. In the event that the CEH incurs laboratory costs in reviewing such a proposal, STI will reimburse CEH for reasonable laboratory costs actually incurred.

#### 4. SETTLEMENT PAYMENTS

- 4.1. <u>Civil Penalty</u>. STI shall pay to CEH \$5,000 as a civil penalty pursuant to Health and Safety Code § 25249.7(b). CEH shall apportion the payment in accordance with Health and Safety Code § 25249.12.
- 4.2. Monetary Payment in Lieu of Penalty. STI shall pay to CEH \$17,000 in lieu of any additional civil penalty pursuant to Health and Safety Code § 25249.7(b). CEH shall use such funds to continue its work protecting people from exposures to toxic chemicals. The payment required under this section shall be made payable to CEH.
- 4.3. Attorneys' Fees and Costs. STI shall pay \$38,000 to reimburse CEH and its attorneys for their reasonable investigation fees and costs, attorneys' fees, and any other costs incurred as a result of investigating, bringing this matter to STI's attention, litigating and negotiating a settlement in the public interest. The payment required under this section shall be made payable to Lexington Law Group, LLP.
- 4.4. <u>Delivery of Payments</u>. All payments made pursuant to this Section 6 shall be delivered to the Lexington Law Group, LLP at the address set forth in Section 11 below and shall be delivered within 15 days of entry of this Consent Judgment.

## 5. MODIFICATION OF CONSENT JUDGMENT

5.1. This Consent Judgment may be modified from time to time by express written agreement of the Parties with the approval of the Court; by an order of this Court on noticed motion by CEH or STI in accordance with law; or by the Court in accordance with its inherent authority to modify its own judgments. Grounds for such modification include, but are not limited to, any

2.7

court-approved consent judgment in this action or in the related action entitled *People of the State of California v. Beaulieu Group, LLC, et al.*, Alameda County Superior Court Case No. RG 08-407310, which sets a lead reformulation level less stringent than that in Section 3.1 or 3.2 herein.

5.2. Before filing an application with the Court for a modification to this Consent Judgment, the Party seeking modification shall meet and confer with the other Party to determine whether the modification may be achieved by consent. If a proposed modification is agreed upon, then the Parties will present the modification to the Court by means of a stipulated modification to the Consent Judgment.

## 6. <u>ENFORCEMENT</u>

- 6.1. Any Party may, by motion or application for an order to show cause before this Court, enforce the terms and conditions contained in this Consent Judgment. In any such proceeding, any Party may seek whatever fines, costs, penalties, or remedies are provided by law for failure to comply with the Consent Judgment.
- 6.2. Before instituting any legal proceeding as referenced in Section 6.1, the enforcing Party shall first attempt to meet and confer in good faith with the other Party to resolve the underlying dispute. Furthermore, if CEH alleges that STI or any company listed in Exhibit C has failed to comply with the required terms of this Consent Judgment, CEH shall provide STI with reasonable prior written notice, which shall include evidence supporting CEH's allegations including, but not limited to, test results sufficient to identify the Covered Product(s) at issue. STI and/or such company listed in Exhibit C shall have the right during the meet and confer period to dispute and attempt to resolve CEH's allegations through an informal meet and confer which shall be conducted in good faith.

#### 7. CLAIMS COVERED

7.1. <u>Full and Binding Resolution</u>. Except as reserved in Sections 7.2 and 7.3, CEH, on behalf of itself and its past and current directors, officers, employees, agents, representatives, attorneys, successors, and assigns, and in the interest of the general public, hereby waives all rights to participate in any form of legal action, and releases all claims, actions, suits, liabilities, demands, obligations, damages, costs, fines, penalties, expenses (including but not limited to investigation

fees, expert fees, and attorneys' fees) and losses (collectively, "Claims"), against STI and all of STI's parents, officers, directors, shareholders, divisions, subdivisions, subsidiaries, sister companies, affiliates, franchisees, cooperative members, licensees, distributors, wholesalers, retailers, and customers (collectively, "Defendant Releasees") for failure to provide clear and reasonable warnings of exposure to Lead from the use of the Covered Products, or any other claim based on the facts or conduct alleged in the Complaint, whether based on actions committed by STI or by any other Defendant Releasee (collectively, "Covered Claims"); provided, however, that nothing in this paragraph shall be construed to waive or release any Claims against a Defendant Releasee arising from its failure to comply with Section 3 of this Consent Judgment. This Consent Judgment is a full, final, and binding resolution between CEH and any Defendant Releasee concerning the Covered Claims. Compliance with the terms of this Consent Judgment resolves any issue now, in the past, and in the future, concerning compliance by any Defendant Releasee with the requirements of Proposition 65 arising from exposures to Lead in or from the Covered Products. This Consent Judgment does not resolve any claims that CEH may assert with respect to (i) products other than the Covered Products, or (ii) chemicals other than Lead.

- 7.2. Affiliates and Subsidiaries. A list of the STI's current subsidiaries, sister corporations, and affiliates is attached hereto as Exhibit C. In the event that any company listed in Exhibit C fails to comply with Section 3 (Injunctive Relief: Lead Reduction), then in addition to CEH's other remedies, CEH reserves the right to bring an action, seeking penalties, injunctive and other relief, directly against such company to redress that company's non-compliance, subject to the meet and confer requirements of Section 6.2. In that event, no other Defendant Releasee, including but not limited to STI, shall be liable for any Claims that may arise from or relate to such company's the failure to comply with Section 3 of this Consent Judgment.
- 7.3. <u>Further Reservations:</u> Without limiting the rights reserved to CEH in the preceding paragraphs, CEH also reserves the right to bring actions, seeking penalties, injunctive and other relief, against the following persons:
- (a) <u>Downstream Sellers</u>. Distributors, wholesalers, and/or retailers who, after the Effective Date of this Judgment, sell Covered Products that contain Lead levels in excess of the

applicable levels set forth in Section 3.1 of this Judgment (Injunctive Relief: Lead Reduction); and

- (b) <u>Undisclosed Affiliates</u>. Any affiliate or subsidiary of STI that is not listed on Exhibit C.
- 7.4. Not Applicable to Cushioning and Infill Products. This Consent Judgment does not apply to any cushioning or infill products that are installed under or in connection with the Covered Products but are not attached to the Covered Products ("Cushioning Products"), including, without limitation: granular products, such as crumb and tire crumb, and layered materials such as foam. CEH expressly reserves the right to bring claims against STI, the companies listed on Exhibit C, or any distributors, wholesalers, or retailers of Cushioning Products, for any violation of Proposition 65, the Unfair Competition Law or any other applicable law or regulation, arising from the sale, use of, or exposure to the Cushioning Products.

#### 8. ONGOING INVESTIGATION

8.1. CEH is conducting an ongoing investigation of Lead and other chemicals in artificial turf and related products sold by companies other than STI and the companies listed in Exhibit C. In connection with this investigation, STI and the companies listed in Exhibit C will, upon reasonable request and notice, provide CEH with information, product samples, and other information and materials within their possession, custody or control, or that are readily available to them, relevant to such investigation, except to the extent that such information is privileged or otherwise protected from disclosure; provided however, such samples, information, and materials subject to this Section shall not pertain to any Covered Products supplied, distributed or sold by STI or any of the companies listed in Exhibit C.

#### 9. PROVISION OF NOTICE

9.1. When any Party is entitled to receive any notice under this Consent Judgment, the notice shall be sent by overnight courier service to the person and address set forth in this section. Any Party may modify the person and address to whom the notice is to be sent by sending each other Party notice by certified mail, return receipt requested. Said change shall take effect for any notice mailed at least five days after the date the return receipt is signed by the Party receiving the change.

1		9.2.	Notices shall be sent by First Class Mail or overnight delivery to the following when	
2	requir	ed:		
3			For Center for Environmental Health:
