1. <u>INTRODUCTION</u>

1.1 Anthony E. Held, Golden Delta Enterprises, Inc., and Pleaser USA, Inc.

This Consent Judgment is entered into by and between Anthony E. Held, Ph.D., P.E. ("Held" or "Plaintiff") on the one hand and Golden Delta Enterprises, Inc. ("Golden Delta") and Pleaser USA, Inc. ("Pleaser") on the other hand, with Golden Delta and Pleaser collectively referred to as the "Defendants" and Plaintiff and Defendants collectively referred to as the "Parties."

1.2 Anthony E. Held, Ph.D., P.E.

Held is an individual residing in the State of California who seeks to promote awareness of exposure to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer and commercial products.

1.3 Golden Delta Enterprises, Inc. and Pleaser USA, Inc.

Held alleges that Golden Delta and Pleaser each employ ten or more persons and are both individually a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6, et seq. ("Proposition 65").

1.4 General Allegations

Defendants have manufactured, imported, distributed and/or sold in California Halloween costume accessories that contain lead, without the requisite Proposition 65 warnings. Lead is on the Proposition 65 list as known to cause birth defects and other reproductive harm.

1.5 **Product Description**

The products that are covered by this Consent Judgment are defined as Halloween costume accessories that contain lead including, but not limited to, *Funtasma Roman*, *Item #ROMAN-12 (#8 85487 31171 5)*, manufactured, imported, distributed and/or sold by Golden Delta and Pleaser in the State of California, hereinafter referred to as the "Products."

1.6 Notice of Violation

On or about January 31, 2012, Held served Golden Delta, Pleaser, and various public enforcement agencies, with a document entitled "60-Day Notice of Violation" (the "Notice") that provided the recipients with notice of alleged violations of California Health & Safety Code

§ 25249.6 based on Defendants' alleged failure to warn consumers that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has prosecuted the allegations set forth in the Notice.

1.7 Complaint

On May 30, 2012, Held filed a complaint in the Superior Court in and for the County of Santa Clara against Golden Delta Enterprises, Inc.; Pleaser USA, Inc.; and Does 1 through 150, Held v. Golden Delta Enterprises, Inc., et al., Case No. 1-12-CV-225570 ("Complaint" or "Action"), alleging violations of California Health & Safety Code § 25249.6, based on the alleged exposures to lead contained in certain Halloween costume accessories sold by Defendants.

1.8 No Admission

Golden Delta and Pleaser deny the material, factual and legal allegations contained in Held's Notice and Complaint and maintain that all products they have sold, manufactured, imported and/or distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Consent Judgment shall be construed as an admission by Golden Delta and Pleaser of any fact, finding, issue of law, or violation of law, nor shall compliance with this Consent Judgment constitute or be construed as an admission by Golden Delta and Pleaser of any fact, finding, conclusion, issue of law, or violation of law. However, this section shall not diminish or otherwise affect Golden Delta and Pleaser's obligations, responsibilities, and duties under this Consent Judgment.

1.9 Consent to Jurisdiction

For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over Golden Delta and Pleaser as to the allegations contained in the Complaint, that venue is proper in the County of Santa Clara and that this Court has jurisdiction to enter and enforce the provisions of this Consent Judgment.

1.10 Effective Date

For purposes of this Consent Judgment, the term "Effective Date" shall mean March 15, 2013.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Standards

"Reformulated Products" are defined as those Products containing lead in concentrations less than 100 parts per million ("ppm") when analyzed pursuant to Environmental Protection Agency testing methodologies 3050B and 6010B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance and which yield no more than 1.0 micrograms of lead when analyzed pursuant to NIOSH Test Method 9100 performed on any accessible component (i.e. any component part that may be handled, touched or mouthed during the reasonably foreseeable use or misuse by a consumer).

2.2 Reformulation Commitment

As of the Effective Date, Golden Delta and Pleaser maintain that all Products are currently in compliance with Section 2.1 above and agree to remain in compliance such that they shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 above.

3. MONETARY PAYMENTS

In settlement of all the claims referred to in this Consent Judgment, Golden Delta and Pleaser shall pay a total of \$6,000 in civil penalties in accordance with this Section, subject to parts of the penalty being waived, as set forth below. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Held, as follows:

3.1 Initial Civil Penalty

Golden Delta and Pleaser shall pay an initial civil penalty in the amount of \$2,000 on or before March 27, 2013. Golden Delta and Pleaser shall issue two separate checks to: (a) "OEHHA" in the amount of \$1,500; and (b) "The Chanler Group in Trust for Anthony E. Held" in the amount of \$500. All penalty payments shall be delivered to the addresses listed in Section 3.3 below.

3.2 Final Civil Penalty

The final civil penalty of \$4,000 has been waived as an officer of Golden Delta and Pleaser has provided Held with written certification that, as of the date of such certification and continuing into the future, Golden Delta and Pleaser have met the reformulation standard specified in Section 2 above, such that all Products manufactured, imported, distributed, sold and offered for sale in California by Golden Delta and Pleaser are Reformulated Products. The certification in lieu of a final civil penalty payment provided by this Section is a material term.

3.3 Payment Procedures

- **3.3.1. Issuance of Payments.** Payments shall be delivered as follows:
 - (a) All payments owed to Held, pursuant to Sections 3.1 through 3.2, shall be delivered to the following payment address:

- (b) All payments owed to OEHHA (EIN: 68-0284486), pursuant to Sections
 - 3.1 through 3.2, shall be delivered directly to OEHHA (Memo line "Prop

3.3.2 Issuance of 1099 Forms. After each penalty payment, Golden Delta and Pleaser shall issue separate 1099 forms for each payment to Held, whose address and tax identification number shall be furnished upon request after this Consent Judgment has been fully executed by the Parties, and OEHHA at the addresses listed in Section 3.3.1 above.

4. REIMBURSEMENT OF FEES AND COSTS

The parties acknowledge that Held and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. Held then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to Held and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Golden Delta and Pleaser shall pay \$13,000 for fees and costs incurred as a result of investigating, bringing this matter to Golden Delta and Pleaser's attention, and negotiating a settlement in the public interest. Golden Delta and Pleaser shall issue a separate 1099 for fees and costs (EIN: 94-3171522), shall make the check payable to "The Chanler Group" and shall deliver payment on or before March 27, 2013, to the address listed in Section 3.3.1(a) above.

5. CLAIMS COVERED AND RELEASED

5.1 Held's Public Release of Proposition 65 Claims

Held acting on his own behalf and in the public interest releases Golden Delta and Pleaser from all claims for violations of Proposition 65 up through the Effective Date based on exposure to lead from the Products as set forth in the Notice. Compliance with the terms of this Consent Judgment constitutes compliance with Proposition 65 with respect to exposures to lead from the Products as set forth in the Notice.

5.2 <u>Held's Individual Release of Claims</u>

Held also, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Held of any nature, character or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to the lead in the Products manufactured, distributed or sold by Golden Delta and Pleaser.

5.3 Golden Delta and Pleaser's Release of Held

Golden Delta and Pleaser on behalf of themselves, their past and current agents, representatives, attorneys, successors, and/or assignees, hereby waive any and all claims against Held, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Held and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

6. COURT APPROVAL

This Consent Judgment is not effective until it is approved and entered by the Court and shall be null and void if, for any reason, it is not approved and entered by the Court within one year after it has been fully executed by all parties.

7. SEVERABILITY

If, subsequent to the execution of this Consent Judgment, any of the provisions of this Consent Judgment are held by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

8. GOVERNING LAW

The terms of this Consent Judgment shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed, preempted or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Consent Judgment are rendered inapplicable or no longer require as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Golden
