## 1. <u>INTRODUCTION</u>

## 1.1 Peter Englander and GF Health Products, Inc.

This Consent Judgment is entered into by and between plaintiff Peter Englander ("Englander" or "Plaintiff") and defendant GF Health Products, Inc. ("GF Health" or "Defendant"), with Plaintiff and Defendant collectively referred to as the "parties."

## 1.2 Peter Englander

Englander is an individual residing in the State of California who seeks to promote awareness of exposure to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer and commercial products.

## 1.3 GF Health Products, Inc.

Englander alleges that GF Health employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6, et seq. ("Proposition 65").

## 1.4 General Allegations

Englander alleges that GF Health has manufactured, imported, distributed and/or sold in the State of California blood pressure kits, vinyl/PVC bags, and stethoscopes containing di(2-ethylhexyl)phthalate ("DEHP"). DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

#### 1.5 **Product Description**

The products that are covered by this Settlement Agreement are defined as blood pressure kits, vinyl/PVC bags, and stethoscopes containing DEHP including, but not limited to, the item numbers set forth on Schedules 1, 2, and 3 attached hereto, and which are manufactured, imported, distributed, sold and/or offered for sale by GF Health, or its customers, in the State of California, hereinafter the "Products."

#### 1.6 <u>Notices of Violation</u>

On May 24, 2012, Englander served GF Health and various public enforcement agencies with a document entitled "60-Day Notice of Violation" ("Notice") that provided the recipients with

notice that GF Health was in violation of California Health & Safety Code § 25249.6 for failing to warn consumers that its blood pressure kits exposed users in California to DEHP.

On April 19, 2013, Englander served GF Health and various public enforcement agencies with a document entitled "Supplemental 60-Day Notice of Violation" ("Supplemental Notice") that provided the recipients with notice that GF Health was in violation of California Health & Safety Code § 25249.6 for failing to warn consumers that its vinyl/PVC bags exposed users in California to DEHP.

On October 4, 2013, Englander served GF Health and various public enforcement agencies with a document entitled "Second Supplemental 60-Day Notice of Violation" ("Second Supplemental Notice") that provided the recipients with notice that GF Health was in violation of California Health & Safety Code § 25249.6 for failing to warn consumers that its blood pressure kits, vinyl/PVC bags and stethoscopes exposed users in California to DEHP. The Notice, Supplemental Notice, and Second Supplemental Notice shall collectively be referred to hereinafter as the "Notices."

## 1.7 Complaint

On March 18, 2013, Englander filed a complaint in the Superior Court in and for the County of Santa Clara against GF Health and Does 1 through 150, Englander v. GF Health Products, Inc., et al., Case No. 113CV243152 (the "Action"), alleging violations of California Health & Safety Code § 25249.6, based on the alleged exposures to DEHP contained in certain blood pressure kits sold by GF Health in the State of California. Provided that no public enforcer has commenced and is diligently prosecuting the allegations contained in the Supplemental Notice and Second Supplemental Notice, and upon entry of this Consent Judgment by the Court, the Complaint shall be deemed amended to include the allegations contained in the Supplemental Notice and Second Supplemental Notice.

#### 1.8 No Admission

GF Health denies the material, factual and legal allegations contained in Englander's Notices and Complaint and maintains that all products that it has sold, manufactured, imported and/or distributed in California, including the Products, have been and are in compliance with all

laws. Nothing in this Consent Judgment shall be construed as an admission by GF Health of any fact, finding, issue of law or violation of law, nor shall compliance with this Consent Judgment constitute or be construed as an admission by GF Health of any fact, finding, conclusion, issue of law or violation of law. However, this section shall not diminish or otherwise affect GF Health's obligations, responsibilities and duties under this Consent Judgment.

## 1.9 Consent to Jurisdiction

For purposes of this Consent Judgment only, the parties stipulate that this Court has jurisdiction over GF Health as to the allegations contained in the Complaint, that venue is proper in the County of Santa Clara and that this Court has jurisdiction to enter and enforce the provisions of this Consent Judgment.

#### 1.10 Effective Date

For purposes of this Consent Judgment, the term "Effective Date" shall mean the date that this Consent Judgment is approved by the Court.

## 2. <u>INJUNCTIVE RELIEF: REFORMULATION</u>

## 2.1 <u>Reformulation Standards</u>

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DEHP content in a solid substance.

#### 2.2 Reformulation Commitment

As of the Effective Date all Products manufactured and/or purchased for sale in the State of California by GF Health shall be Products that qualify as Reformulated Products as defined in Section 2.1 above.

## 3. MONETARY PAYMENTS

In settlement of all the claims referred to in this Consent Judgment, GF Health shall pay a total of \$70,000 in civil penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of

the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Englander, as follows:

#### 3.1 Initial Civil Penalty

GF Health shall pay an initial civil penalty in the amount of \$20,000 on or before February 15, 2014. GF Health shall issue two separate checks to: (a) "OEHHA" in the amount of \$15,000; and (b) "The Chanler Group in Trust for Peter Englander" in the amount of \$5,000. All penalty payments shall be delivered to the addresses listed in Section 3.3, below.

## 3.2 Final Civil Penalty

GF Health shall pay a final civil penalty of \$50,000 on or before May 30, 2014. The final civil penalty shall be waived in its entirety, however, if, no later than May 15, 2014, an officer of GF Health provides Englander with written certification that, as of the date of such certification and continuing into the future, GF Health has met the reformulation standard specified in Section 2, above, such that all Products manufactured and/or purchased for sale in California by GF Health are Reformulated Products and that as of the date of certification and continuing into the future, all Products manufactured, imported, distributed, sold and offered for sale in California by GF Health are Reformulated Products. Englander must receive any such certification on or before May 15, 2014. The certification in lieu of a final civil penalty payment provided by this Section is a material term, and time is of the essence. GF Health shall issue two separate checks for its final civil penalty payments to: (a) "OEHHA" in the amount of \$37,500; and (b) "The Chanler Group in Trust for Peter Englander" in the amount of \$12,500.

#### 3.3 Payment Procedures

#### **3.3.1. Issuance of Payments.** Payments shall be delivered as follows:

19	Parties, and OEHHA at the addresses listed in Section 3.3.1 above.	
20	4. REIMBURSEMENT OF FEES AND COSTS	
21	The parties acknowledge that Englander and his counsel offered to resolve this dispute	
22	without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving	
23	this fee issue to be resolved after the material terms of the agreement had been settled. Englander	
24	then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had	
25	•	
26	been finalized. The parties then attempted to (and did) reach an accord on the compensation due to	
	Englander and his counsel under general contract principles and the private attorney general	
27	doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through	
28	the mutual execution of this agreement. GF Health shall pay \$45,500 for fees and costs incurred as	

a result of investigating, bringing this matter to GF Health's attention, and negotiating a settlement in the public interest. GF Health shall issue a separate 1099 for fees and costs (EIN: 94-3171522), shall make the check payable to "The Chanler Group" and shall deliver payment on or before February 15, 2014, to the address listed in Section 3.3.1(a) above.

## 5. <u>CLAIMS COVERED AND RELEASED</u>

#### 5.1 Englander's Public Release of Proposition 65 Claims

Englander, acting on his own behalf and in the public interest, releases GF Health and its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, and attorneys ("Releasees") and each entity to whom they directly or indirectly distribute or sell the Products including, but not limited to, their downstream distributors, wholesalers, customers, retailers, including but not limited to Amazon.com, Inc. and Walgreen Co. and its subsidiaries, franchisers, cooperative members, licensors and licensees ("Downstream Releasees") for any violations arising under Proposition 65 for unwarned exposures to DEHP from blood pressure kits and vinyl/PVC bags including, but not limited to, the blood pressure kits and vinyl/PVC bags set forth on Schedules 1, 2, and 3, attached hereto, sold by GF Health prior to the Effective Date, and as set forth in the Notice. Compliance with the terms of this Consent Judgment constitutes compliance with Proposition 65 with respect to exposures to DEHP from blood pressure kits and vinyl/PVC bags.

In the event that the Complaint is deemed amended pursuant to Section 1.7 above to include the allegations found in the Supplemental Notice and Second Supplemental Notice, Englander, acting on his own behalf and in the public interest, further releases GF Health, Releasees and Downstream Releasees from all claims for violations of Proposition 65 up through the Effective Date based on exposure to DEHP in the Products as set forth in the Supplemental Notice and Second Supplemental Notice.

## 5.2 <u>Englander's Individual Release of Claims</u>

Plaintiff also, in his individual capacity only and *not* in his representative capacity, provides a release to GF Health, Releasees and Downstream Releasees which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses,

attorneys' fees, damages, losses, claims, liabilities and demands of plaintiff of any nature, character or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, distributed or sold by GF Health.

#### 5.3 GF Health's Release of Englander

GF Health on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Englander, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Englander and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

## 6. <u>COURT APPROVAL</u>

This Consent Judgment is not effective until it is approved and entered by the Court and shall be null and void if, for any reason, it is not approved and entered by the Court within one year after it has been fully executed by all parties.
