**CONSENT TO JUDGMENT AS  
TO DEFENDANT NAJARIAN  
FURNITURE COMPANY, INC.**

(Health & Safety Code § 25249.6 *et seq.*)

Filed: March 29, 2013

1 **1. INTRODUCTION**

2 **1.1 Parties**

3 This Consent Judgment is entered into by and between plaintiff Peter Englander  
4 (“Plaintiff”) and defendant Najarian Furniture Company, Inc. (“Settling Defendant”), with Plaintiff  
5 and the Settling Defendant collectively referred to as the “Parties.”

6 **1.2 Plaintiff**

7 Plaintiff is an individual residing in the State of California who seeks to promote awareness  
8 of exposures to toxic chemicals and to improve human health by reducing or eliminating  
9 hazardous substances contained in consumer and commercial products.

10 **1.3 Settling Defendants**

11 Settling Defendant employs ten or more persons and is a person in the course of doing  
12 business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California  
13 Health & Safety Code § 25249.6, *et seq.* (“Proposition 65”).

14 **1.4 General Allegations**

15 1.4.1 Plaintiff alleges that Settling Defendant manufactured, imported, sold  
16 and/or distributed for sale in California, products with foam cushioned components containing  
17 tris(1,3-dichloro-2-propyl) phosphate (“TDCPP”) without the requisite Proposition 65 health  
18 hazard warnings.

19 1.4.2 Pursuant to Proposition 65, on October 28, 2011, California identified and  
20 listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the “clear and  
21 reasonable warning” requirements of Proposition 65 one year later on October 28, 2012. Cal. Code  
22 Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b).

23 TDCPP and TCEP are hereinafter collectively referred to as the “Listed Chemicals.” Plaintiff  
24 alleges that the Listed Chemicals escape from foam padding, leading to human exposures.

25 **1.5 Product Description**

26  
27  
28

1 The categories of products that are covered by this Consent Judgment as to Settling  
2 Defendant are identified on Exhibit A (hereinafter "Products"). Polyurethane foam that is  
3 supplied, shaped or manufactured for use as a component of another product, such as upholstered  
4 furniture, but which is not itself a finished product, is specifically excluded from the definition of  
5 Products and shall not be identified by Settling Defendant on Exhibit A as a Product.

6 **1.6 Notices of Violation**

7 On January 17, 2013, Plaintiff served Settling Defendant and certain requisite public  
8 enforcement agencies with "60-Day Notices of Violation" ("Notices") that provided the recipients  
9 with notice of alleged violations of Proposition 65 based on the alleged failure to warn customers,  
10 consumers, and workers in California that the Products expose users to one or more Listed  
11 Chemicals. To the best of the Parties' knowledge, no public enforcer has commenced or is  
12 diligently prosecuting the allegations set forth in the Notices.

13 **1.7 Complaint**

14 On April 10, 2013, Plaintiff filed a First Amended Complaint in the Superior Court in and  
15 for the County of Alameda against the Settling Defendants, other defendants and Does 1 through  
16 150, alleging violations of Proposition 65, based in part on the alleged unwarned exposures to  
17 TDCPP contained in the Products. On October 18, 2013, plaintiff filed a Second Amended  
18 Complaint in this action including additional allegations and additional products against certain  
19 defendants.

20 **1.8 No Admission**

21 Settling Defendant denies the material factual and legal allegations contained in Plaintiff's  
22 Notices and Complaints and maintains that all products that they have manufactured, imported,  
23 distributed, and/or sold in California, including the Products, have been and are in compliance  
24 with all laws. Nothing in this Consent Judgment shall be construed as an admission by a Settling  
25 Defendant of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance  
26 with this Consent Judgment constitute or be construed as an admission by any Settling Defendant  
27 of any fact, finding, conclusion, issue of law, or violation of law. However, this section shall not  
28

1 diminish or otherwise affect a Settling Defendant's obligations, responsibilities, and duties under  
2 this Consent Judgment.

3 **1.9 Consent to Jurisdiction**

4 For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
5 jurisdiction over Settling Defendant as to the allegations contained in the Complaints, that venue is  
6 proper in the County of Alameda, and that this Court has jurisdiction to enter and enforce the  
7 provisions of this Consent Judgment pursuant to Proposition 65 and California Code of Civil  
8 Procedure § 664.6.

9 **2. DEFINITIONS**

10 **2.1 California Customers**

12 understands is located in California, has a California warehouse or distribution center, maintains a

14 **2.2 Detectable**

15 "Detectable" shall mean containing more than 25 parts per million ("ppm") (the equivalent  
16 of .0025%) of any one chemical in any material, component, or constituent of a  
17 subject product, when analyzed by a NVLAP accredited laboratory pursuant to EPA testing

4 Defendant’s sole expense, all units of the Exemplar Product held for sale in California, or to  
5 California Customers, to the Settling Defendant or a party the Settling Defendant has otherwise

9 Section for two years after the Effective Date and shall promptly produce copies of such records  
10 upon Plaintiff’s written request.

14 Defendant has reason to believe may be sold or distributed for sale in California, shall contain a  
15 clear and reasonable warning as set forth in Section 3.5 below unless Section 3.6 applies.<sup>1</sup>

16 **3.5 Product Warnings**

17 **3.5.1 Product Labeling**

18 Any warning provided under Section 3.3 or 3.4 above shall be affixed to the packaging,  
19 labeling, or directly on each Product. Each warning shall be prominently placed with such  
20 conspicuousness as compared with other words, statements, designs, or devices as to render it  
21 likely to be read and understood by an ordinary individual under customary conditions before  
22 purchase. Each warning shall be provided in a manner such that the consumer or user  
23 understands to which specific Product the warning applies, so as to minimize the risk of consumer  
24 confusion.

25 A warning provided pursuant to this Consent Judgment shall state:

A Settling Defendant that seeks to use alternative warning language, other than the language specified above or the safe harbor warning specified in 27 CCR § 25603.2, or that seeks to use an alternate method of transmission of the warning, must obtain the Court's approval of its alternative and provide all Parties and the Office of the Attorney General with timely notice and the opportunity to comment or object before the Court acts on the request. The Parties agree that the following warning language shall not be deemed to meet the requirements of 27 CCR § 25601 *et seq.* and shall not be used pursuant to this Consent Judgment: (a) "cancer or birth defects or other reproductive harm"; and (b) "cancer, birth defects or other reproductive harm."

<sup>3</sup> The characteristics of the template warnings are as follows: (a) a yellow hang tag measuring 3" x 5", with no less than 12 point font, with the warning language printed on each side of the hang tag, which shall be affixed directly to the Product; (b) a yellow warning sign measuring 8.5" x 11", with no less than 32 point font, with the warning language printed on each side, which shall be affixed directly to the Product; and (c) for Products sold at retail in a box or packaging, a yellow warning sticker measuring 3" x 3", with no less than 12 point font, which shall be affixed directly to the Product packaging.

<sup>4</sup> Footnote 4, *supra*, applies in this context as well.

1 the Reformulation Standard will be offered for sale in California, or to California Customers for  
2 sale in California, after December 31, 2013. The obligations of a Settling Defendant under Section  
3 3.4 shall be relieved provided Settling Defendant certifies on or before December 15, 2013 that,  
4 after June 30, 2014, it will only distribute or cause to be distributed for sale in, or sell in, California,  
5 or to California Customers for sale in California, Products (i.e., Products beyond the Exemplar  
6 Product) meeting the Reformulation Standard. The certifications provided by this Section are  
7 material terms and time is of the essence.

8 **4. MONETARY PAYMENTS**

9 **4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)**

10 In settlement of all the claims referred to in this Consent Judgment, Settling Defendant  
11 shall pay the civil penalties shown for it on Exhibit A in accordance with this Section.

12 Each penalty payment will be allocated in accordance with California Health & Safety Code  
13 § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental  
14 Health Hazard Assessment (“OEHHA”) and 25% of the penalty remitted to “The Chanler Group  
15 in Trust for Englander.” Each penalty payment shall be made within two business days of the date  
16 it is due and be delivered to the addresses listed in Section 4.5 below. A Settling Defendant shall  
17 be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing  
18 under this Section that are not received within two business days of the due date.

19 4.1.1 Initial Civil Penalty. On or before the July 18, 2014, Settling Defendant shall  
20 make an initial civil penalty payment in the amount identified on the Settling Defendant’s Exhibit  
21 A.

22 4.1.2 Second Civil Penalty. On or before August 15, each Settling Defendant shall  
23 make a second civil penalty payment in the amount identified on the Settling Defendant’s Exhibit  
24 A. The amount of the second penalty may be reduced according to any penalty waiver the Settling  
25 Defendant is eligible for under Sections 4.1.4(i) and 4.1.4(iii), below.

26 4.1.3 Third Civil Penalty. On or before August 15, 2014, each Settling Defendant  
27 shall make a third civil penalty payment in the amount identified on the Settling Defendant’s  
28

1 Exhibit A. The amount of the third penalty may be reduced according to any penalty waiver the  
2 Settling Defendant is eligible for under Sections 4.1.4(ii) and 4.1.4(iv), below.

3 4.1.4 Reductions to Civil Penalty Payment Amounts. Each Settling Defendant  
4 may reduce the amount of the second and/or third civil penalty payments identified on the  
5 Settling Defendant's Exhibit A by providing Plaintiff with certification of certain efforts  
6 undertaken to reformulate their Products or limit the ongoing sale of non-reformulated Products  
7 in California. The options to provide a written certification in lieu of making a portion of a Settling  
8 Defendant's civil penalty payment constitute material terms of this Consent Judgment, and with  
9 regard to such terms, time is of the essence.

10 4.1.4(i) **Partial Penalty Waiver for Accelerated Reformulation of**  
11 **Products Sold or Offered for Sale in California.**

12 As shown on an electing Settling Defendant's Exhibit A, a portion of the second civil  
13 penalty shall be waived, to the extent that it has agreed that, as of November 1, 2013, and  
14 continuing into the future, it shall only manufacture or import for distribution or sale to California  
15 Customers or cause to be manufactured or imported for distribution or sale to California  
16 Customers, Reformulated Products. An officer or other authorized representative of a Settling  
17 Defendant that has exercised this election shall provide Plaintiff with a written certification  
18 confirming compliance with such conditions, which certification must be received by Plaintiff's  
19 counsel on or before July 18, 2014.

20 4.1.4(ii) **Partial Penalty Waiver for Extended Reformulation.**

21 As shown on an electing Settling Defendant's Exhibit A, a portion of the third civil penalty  
22 shall be waived, to the extent that it has agreed that, as of March 15, 2014, and continuing into the  
23 future, it shall only manufacture or import for distribution or sale in California or cause to be  
24 manufactured or imported for distribution or sale in California, Reformulated Products that also  
25 do not contain tris(2,3-dibromopropyl)phosphate ("TDBPP") in a detectable amount of more than  
26 25 parts per million ("ppm") (the equivalent of .0025%) in any material, component, or constituent  
27 of a subject product, when analyzed by a NVLAP accredited laboratory pursuant to EPA testing  
28 methodologies 3545 and 8270C, or equivalent methodologies utilized by federal or state agencies

1 to determine the presence, and measure the quantity, of TDBPP in a solid substance. An officer or  
2 other authorized representative of a Settling Defendant that has exercised this election shall  
3 provide Plaintiff with a written certification confirming compliance with such conditions, which  
4 certification must be received by Plaintiff's counsel on or before July 18, 2014.

5 **4.1.4(iii) Partial Penalty Waiver for Withdrawal of Unreformulated**  
6 **Exemplar Products from the California Market.**

7 As shown on a Settling Defendant's Exhibit A, a portion of the second civil penalty shall be  
8 waived, if an officer or other authorized representative of a Settling Defendant provides Plaintiff  
9 with written certification confirming that each individual or establishment in California to which it  
10 supplied the Exemplar Product after October 28, 2011, has elected to return all remaining  
11 Exemplar Products held for sale in California.<sup>5</sup> An officer or other authorized representative of a  
12 Settling Defendant that has exercised this election shall provide Plaintiff with a written  
13 certification confirming compliance with such conditions, which certification must be received by  
14 Plaintiff's counsel on or before July 18, 2014.

15 **4.1.4(iv) Partial Penalty Waiver for Termination of Distribution to**  
16 **California of Unreformulated Inventory.**

17 As shown on a Settling Defendant's Exhibit A, a portion of the third civil penalty shall be  
18 waived, if an officer or other authorized representative of a Settling Defendant provides Plaintiff  
19 with written certification confirming that, as of July 1, 2014, it has and will continue to distribute,  
20 offer for sale, or sell in California, or to California Customers, only Reformulated Products. An  
21 officer or other authorized representative of a Settling Defendant that has exercised this election  
22 shall provide Plaintiff with a written certification confirming compliance with such conditions,  
23 which certification must be received by Plaintiff's counsel on or before July 18, 2014.

24 **4.2 Representation**

25  
26  
27 <sup>5</sup> For purposes of this Section, the term Exemplar Products shall further include Products for which Plaintiffs  
28 have, prior to August 31, 2013, provided the Settling Defendants with test results from a NVLAP accredited laboratory showing the presence of a Listed Chemical at a level in excess of 250 ppm pursuant to EPA testing methodologies 3545 or 8270C.

1 Settling Defendant represents that the sales data and other information concerning its size,  
2 knowledge of Listed Chemicals, and prior reformulation and/or warning efforts, it provided to  
3 Plaintiff was truthful to its knowledge and a material factor upon which Plaintiffs have relied to  
4 determine the amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in  
5 this Consent Judgment. If, within nine months of the Effective Date, Plaintiff discover and present  
6 to Settling Defendant, evidence demonstrating that the preceding representation and warranty  
7 was materially inaccurate, then a Settling Defendant shall have 30 days to meet and confer  
8 regarding the Plaintiff's contention. Should this 30 day period pass without any such resolution  
9 between the Plaintiff and the Settling Defendant, Plaintiff shall be entitled to file a formal legal  
10 claim including, but not limited to, a claim for damages for breach of contract.

11 Each Settling Defendant further represents that in implementing the requirements set forth  
12 in Sections 3.1 and 3.2 of this Consent Judgment, it will voluntarily employ commercial best efforts  
13 to achieve reformulation of its Products and Additional Products on a nationwide basis and not  
14 employ statements that will encourage a vendor to limit its compliance with the Reformulation  
15 Standard to goods intended for sale to California Consumers.

16 **4.3 Stipulated Penalties for Certain Violations of the Reformulation**  
17 **Standard.**

18 If Plaintiff provides notice and appropriate supporting information to a Settling Defendant  
19 that levels of a Listed Chemical in excess of the Reformulation Standard have been detected in one  
20 or more Products labeled or otherwise marked in an identifiable manner as manufactured or  
21 imported after a deadline for meeting the Reformulation Standard has arisen for a Settling  
22 Defendant under Sections 3.1 or 3.6 above, the Settling Defendant may elect to pay a stipulated  
23 penalty to relieve any further potential liability under Proposition 65 or sanction under this  
24 Consent Judgment as to Products sourced from the vendor in question.<sup>6</sup> The stipulated penalty  
25 shall be \$1,500 if the violation level is below 100 ppm and \$3,000 if the violation level is between

---

26 <sup>6</sup> This Section shall not be applicable where the vendor in question had previously been found by the Settling  
27 Defendant to have provided unreliable certifications as to meeting the Reformulation Standard in its Products on more  
28 than one occasion. Notwithstanding the foregoing, a stipulated penalty for a second exceedance by a Settling  
Defendant's vendor at a level between 100 and 249 ppm shall not be available after July 1, 2015.

1 100 ppm and 249 ppm, this being applicable for any amount in excess of the Reformulation  
2 Standards but under 250 ppm.<sup>7</sup> Plaintiff shall further be entitled to reimbursement of their  
3 associated expense in an amount not to exceed \$5,000 regardless of the stipulated penalty level. A  
4 Settling Defendant under this Section must provide notice and appropriate supporting  
5 information relating to the purchase (e.g. vendor name and contact information including  
6 representative, purchase order, certification (if any) received from vendor for the exemplar or  
7 subcategory of products), test results, and a letter from a company representative or counsel  
8 attesting to the information provided, to Plaintiff within 30 calendar days of receiving test results  
9 from Plaintiff's counsel. Any violation levels at or above 250 ppm shall be subject to the full  
10 remedies provided pursuant to this Consent Judgment and at law.

#### 11 4.4 Reimbursement of Fees and Costs

12 The Parties acknowledge that Plaintiff and his counsel offered to resolve this dispute  
13 without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving  
14 this fee reimbursement issue to be resolved after the material terms of the agreement had been  
15 settled. Shortly after the other settlement terms had been finalized, the Settling Defendants  
16 expressed a desire to resolve the fee and cost issue. The Settling Defendants then agreed to pay  
17 Plaintiff and his counsel under general contract principles and the private attorney general  
18 doctrine codified at California Code of Civil Procedure section 1021.5 for all work performed  
19 through the mutual execution of this agreement, including the fees and costs incurred as a result of  
20 investigating, bringing this matter to the Settling Defendant's attention, negotiating a settlement in  
21 the public interest, and seeking court approval of the same. In addition, the negotiated fee and  
22 cost figure expressly includes the anticipated significant amount of time plaintiffs' counsel will  
23 incur to monitor various provisions in this agreement over the next two years. Each Settling  
24 Defendant more specifically agreed, upon the Court's approval and entry of this Consent  
25 Judgment, to pay Plaintiff's counsel the amount of fees and costs indicated on the Settling  
26 Defendant's Exhibit A. Each Settling Defendant further agreed to tender and shall tender its full

27 \_\_\_\_\_  
28 <sup>7</sup> Any stipulated penalty payments made pursuant to this Section should be allocated and remitted in the same manner as set forth in Sections 4.1 and 4.5, respectively.

1 required payment under this Section to a trust account at The Chanler Group (made payable "In  
2 Trust for The Chanler Group") on or before July 18, 2014. Such funds shall be released from the  
3 trust account upon the Court's approval and entry of this Consent Judgment.
