**[PROPOSED] CONSENT JUDGMENT AS
TO ESSENTIAL MEDICAL SUPPLY, INC.**

(Health & Safety Code § 25249.6 et seq.)

Complaint Filed: April 23, 2013

1 **I. INTRODUCTION**

2 **1.1 Parties**

3 This Consent Judgment is entered into by and between plaintiff Laurence Vinocur
4 (“Plaintiff”) and Essential Medical Supply, Inc. (“EMS”), with Plaintiff and the EMS collectively
5 referred to as the “Parties.”

6 **1.2 Plaintiff**

7 Plaintiff is an individual residing in the State of California who seeks to promote awareness
8 of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous
9 substances contained in consumer and commercial products.

10 **1.3 EMS**

11 EMS employs ten or more persons and is a person in the course of doing business for
12 purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health &
13 Safety Code § 25249.6, *et seq.* (“Proposition 65”).

14 **1.4 General Allegations**

15 1.4.1 Plaintiff alleges that EMS manufactured, imported, sold and/or distributed
16 for sale in California, products with foam cushioned components containing tris(1,3-dichloro-2-
17 propyl) phosphate (“TDCPP”) without the requisite Proposition 65 health hazard warnings.

18 1.4.3 Pursuant to Proposition 65, on October 28, 2011, California identified and
19 listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the “clear and
20 reasonable warning” requirements of Proposition 65 one year later on October 28, 2012. Cal. Code
21 Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b). TDCPP is
22 hereinafter referred to as the “Listed Chemical.” Plaintiff alleges that the Listed Chemical escapes
23 from foam padding, leading to human exposures.

24 **1.5 Product Description**

25 The categories of products that are covered by this Consent Judgment as to EMS are
26 identified on Exhibit A (hereinafter “Products”). Polyurethane foam that is supplied, shaped or
27 manufactured for use as a component of another product, such as seat cushions, but which is not
28

1 itself a finished product, is specifically excluded from the definition of Products and shall not be
2 identified by EMS on Exhibit A as a Product.

3 1.6 Notice of Violation

4 On February 8, 2013, Plaintiff served EMS and certain requisite public enforcement
5 agencies with a "60-Day Notice of Violation" ("Notice") that provided the recipients with notice of
6 alleged violations of Proposition 65 based on the alleged failure to warn customers, consumers, and
7 workers in California that the Products expose users to the Listed Chemical. To the best of the
8 Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations
9 set forth in the Notice.

10 1.7 Complaint

11 On April 23, 2013, Plaintiff filed a Complaint in the Superior Court in and for the County of
12 Alameda against the EMS and Does 1 through 150, *Laurence Vinocur v. Essential Medical Supply,*
13 *Inc., et al.*, Case No. RG 13-676698, alleging violations of Proposition 65, based in part on the
14 alleged unwarned exposures to TDCPP contained in the Products.

15 1.8 No Admission

16 EMS denies the material factual and legal allegations contained in Plaintiff's Notice and
17 Complaint and maintain that all products that it has manufactured, imported, distributed, and/or sold
18 in California, including the Products, have been and are in compliance with all laws. Nothing in
19 this Consent Judgment shall be construed as an admission by EMS of any fact, finding, conclusion,
20 issue of law, or violation of law, nor shall compliance with this Consent Judgment constitute or be
21 construed as an admission by EMS of any fact, finding, conclusion, issue of law, or violation of
22 law. However, this Section shall not diminish or otherwise affect EMS' obligations,
23 responsibilities, and duties under this Consent Judgment.

24 1.9 Consent to Jurisdiction

25 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
26 jurisdiction over EMS as to the allegations contained in the Complaint, that venue is proper in the
27 County of Alameda, and that this Court has jurisdiction to enter and enforce the provisions of this
28 Consent Judgment pursuant to Proposition 65 and California Code of Civil Procedure § 664.6.

1 **2. DEFINITIONS**

2 **2.1 California Customers**

3 "California Customer" shall mean any customer that EMS reasonably understands is located
4 in California, has a California warehouse or distribution center, maintains a retail outlet in
5 California, or has made internet sales into California on or after January 1, 2011.

6 **2.2 Detectable**

7 "Detectable" shall mean containing more than 25 parts per million ("ppm") (the equivalent
8 of .0025%) of any one chemical in any material, component, or constituent of a subject product,
9 when analyzed by a NVLAP accredited laboratory pursuant to EPA testing methodologies 3545 and
10 8270C, or equivalent methodologies utilized by federal or state agencies to determine the presence,
11 and measure the quantity, of TDCPP and/or tris(2-chloroethyl) phosphate ("TCEP") in a solid
12 substance.

13 **2.3 Effective Date**

14 "Effective Date" shall mean October 15, 2013.

15 **2.4 Private Label Covered Products**

16 "Private Label Covered Products" means Products that bear a brand or trademark owned or
17 licensed by a Retailer or affiliated entity that are sold or offered for sale by a Retailer in the State of
18 California.

19 **2.5 Reformulated Products**

20 "Reformulated Products" shall mean Products that contain no Detectable amount of TDCPP
21 or TCEP.

22 **2.6 Reformulation Standard**

23 The "Reformulation Standard" shall mean containing no more than 25 ppm for each of
24 TDCPP and TCEP.

25 **2.7 Retailer**

26 "Retailer" means an individual or entity that offers a Product for retail sale to consumers in
27 the State of California.

28

1 **3. INJUNCTIVE RELIEF: REFORMULATION**

2 **3.1 Reformulation Commitment**

3 Commencing on March 31, 2014, EMS shall not manufacture or import for distribution or
4 sale to California Customers, or cause to be manufactured or imported for distribution or sale to
5 California Customers, any Products that are not Reformulated Products.

6 **3.2 Vendor Notification/Certification**

7 On or before the Effective Date, EMS shall provide written notice to all of its then-current
8 vendors of the Products that will be sold or offered for sale in California, or to California
9 Customers, instructing each such vendor to use reasonable efforts to provide only Reformulated
10 Products for potential sale in California. In addressing the obligation set forth in the preceding
11 sentence, EMS shall not employ statements that will encourage a vendor to delay compliance with
12 the Reformulation Standard. EMS shall subsequently obtain written certifications, no later than
13 April 1, 2014, from such vendors, and any newly engaged vendors, that the Products manufactured
14 by such vendors are in compliance with the Reformulation Standard. Certifications shall be held by
15 EMS for at least two years after their receipt and shall be made available to Plaintiff upon request.

16 **3.3 Products No Longer in EMS' Control**

17 No later than 45 days after the Effective Date, EMS shall send a letter, electronic or
18 otherwise ("Notification Letter") to: (1) each California Customer and/or Retailer which it, after
19 October 28, 2011, supplied the item for resale in California described as an exemplar in the Notice
20 EMS received from Plaintiff ("Exemplar Product"); and (2) any California Customer and/or
21 Retailer that EMS reasonably understands or believes had any inventory for resale in California of
22 Exemplar Products as of the Notice's date. The Notification Letter shall advise the recipient that
23 the Exemplar Product "contains TDCPP, a chemical known to the State of California to cause
24 cancer," and request that the recipient either: (a) label the Exemplar Products remaining in
25 inventory for sale in California, or to California Customers, pursuant to Section 3.5; or (b) return, at
26 EMS' sole expense, all units of the Exemplar Product held for sale in California, or to California
27 Customers, to EMS or a party EMS has otherwise designated. The Notification Letter shall require
28 a response from the recipient within 15 days confirming whether the Exemplar Product will be

1 labeled or returned. EMS shall maintain records of all correspondence or other communications
2 generated pursuant to this Section for two years after the Effective Date and shall promptly produce
3 copies of such records upon Plaintiff's written request.

4 3.4 Current Inventory

5 Any Products in, or manufactured and en route to, EMS' inventory as of or after December
6 31, 2013, that do not qualify as Reformulated Products and that EMS has reason to believe may be
7 sold or distributed for sale in California, shall contain a clear and reasonable warning as set forth in
8 Section 3.5 below unless Section 3.6 applies.

9 3.5 Product Warnings

10 3.5.1 Product Labeling

11 Any warning provided under Section 3.3 or 3.4 above shall be affixed to the packaging,
12 labeling, or directly on each Product. Each warning shall be prominently placed with such
13 conspicuousness as compared with other words, statements, designs, or devices as to render it likely
14 to be read and understood by an ordinary individual under customary conditions before purchase.
15 Each warning shall be provided in a manner such that the consumer or user understands to which
16 specific Product the warning applies, so as to minimize the risk of consumer confusion.

17 A warning provided pursuant to this Consent Judgment shall state:

18 **WARNING:** This product contains TDCPP, a flame
19 retardant chemical known to the State
of California to cause cancer.¹

20 Attached as Exhibit B are template warnings developed by Plaintiff that are deemed to be
21 clear and reasonable for purposes of this Consent Judgment.² Provided that the other requirements
22

23
24 ¹ The regulatory safe harbor warning language specified in 27 CCR § 25603.2 may also be
25 used if EMS had begun to use it, prior to the Effective Date. If EMS seeks to use alternative
26 warning language, other than the language specified above or the safe harbor warning specified in
27 27 CCR § 25603.2, or an alternate method of transmission of the warning, it must obtain the
28 Court's approval of its proposed alternative and provide all Plaintiff and the Office of the California
Attorney General with timely notice and the opportunity to comment or object before the Court acts
on the request. The Parties agree that the following warning language shall not be deemed to meet
the requirements of 27 CCR § 25601, et seq. and shall not be used pursuant to this Consent
Judgment: (a) "cancer or birth defects or other reproductive harm" and (b) "cancer, birth defects or
other reproductive harm."

1 set forth in this Section are addressed, including as to the required warning statement and method of
2 transmission as set forth above, EMS remains free not to utilize the template warnings.

3 3.5.2 Internet Website Warning

4 A warning shall be given in conjunction with the sale of the Products to California, or
5 California Customers, via the internet, which warning shall appear on one or more web pages
6 displayed to a purchaser during the checkout process. The following warning statement shall be
7 used and shall: (a) appear adjacent to or immediately following the display, description, or price of
8 the Product; (b) appear as a pop-up box; or (c) otherwise appear automatically to the consumer.
9 The warning text shall be the same type size or larger than the Product description text:

10 **WARNING:** This product contains TDCPP, a flame
11 retardant chemical known to the State
of California to cause cancer.³

12 3.6 Alternatives to Interim Warnings

13 The obligations of EMS under Section 3.3 shall be relieved provided EMS certifies on or
14 before December 15, 2013 that only Exemplar Products meeting the Reformulation Standard will
15 be offered for sale in California, or to California Customers for sale in California, after December
16 31, 2013. The obligations of EMS under Section 3.4 shall be relieved provided EMS certifies on or
17 before December 15, 2013 that, after June 30, 2014, it will only distribute or cause to be distributed
18 for sale in, or sell in, California, or to California Customers for sale in California, Products (i.e.,
19 Products beyond the Exemplar Product) meeting the Reformulation Standard. The certifications
20 provided by this Section are material terms and time is of the essence.

21
22
23
24 ² The characteristics of the template warnings are as follows: (a) a yellow hang tag
25 measuring 3" x 5", with no less than 12 point font, with the warning language printed on each side
26 of the hang tag, which shall be affixed directly to the Product; (b) a yellow warning sign measuring
27 8.5" x 11", with no less than 32 point font, with the warning language printed on each side, which
shall be affixed directly to the Product; and (c) for Products sold at retail in a box or packaging, a
yellow warning sticker measuring 3" x 3", with no less than 12 point font, which shall be affixed
directly to the Product packaging.

28 ³ Footnote 1, supra, applies in this context as well.

1 **4. MONETARY PAYMENTS**

2 **4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)**

3 In settlement of all the claims referred to in this Consent Judgment, EMS shall pay the civil
4 penalties shown for it on Exhibit A in accordance with this Section. Each penalty payment will be
5 allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75%
6 of the funds remitted to the California Office of Environmental Health Hazard Assessment
7 (“OEHHA”), 25% of the penalty remitted to “The Chanler Group in Trust for Laurence Vinocur.”
8 Each penalty payment shall be made within two business days of the date it is due and be delivered
9 to the addresses listed in Section 4.5 below. EMS shall be liable for payment of interest, at a rate of
10 10% simple interest, for all amounts due and owing under this Section that are not received within
11 two business days of the due date.

12 4.1.1 Initial Civil Penalty. On or before the Effective Date, EMS shall make an
13 initial civil penalty payment in the amount identified on EMS’ Exhibit A.

14 4.1.2 Second Civil Penalty. On or before January 15, 2014, EMS shall make a
15 second civil penalty payment in the amount identified on EMS’ Exhibit A. The amount of the
16 second penalty may be reduced according to any penalty waiver EMS is eligible for under Sections
17 4.1.4(i) and 4.1.4(iii), below.

18 4.1.3 Third Civil Penalty. On or before November 30, 2014, EMS shall make a
19 third civil penalty payment in the amount identified on EMS’ Exhibit A. The amount of the third
20 penalty may be reduced according to any penalty waiver EMS is eligible for under Sections
21 4.1.4(ii) and 4.1.4(iv), below.

22 4.1.4 Reductions to Civil Penalty Payment Amounts. EMS may reduce the amount
23 of the second and/or third civil penalty payments identified on EMS’ Exhibit A by providing
24 Plaintiff with certification of certain efforts undertaken to reformulate its Products or limit the
25 ongoing sale of non-reformulated Products in California. The options to provide a written
26 certification in lieu of making a portion of EMS’ civil penalty payment constitute material terms of
27 this Consent Judgment, and with regard to such terms, time is of the essence.

28

1 4.1.4(i) **Partial Penalty Waiver for Accelerated Reformulation of**
2 **Products Sold or Offered for Sale in California.**

3 As shown on EMS' Exhibit A, a portion of the second civil penalty shall be waived, to the
4 extent that it has agreed that, as of November 1, 2013, and continuing into the future, it shall only
5 manufacture or import for distribution or sale to California Customers or cause to be manufactured
6 or imported for distribution or sale to California Customers, Reformulated Products. An officer or
7 other authorized representative of EMS that has exercised this election shall provide Plaintiff with a
8 written certification confirming compliance with such conditions, which certification must be
9 received by Plaintiff's counsel on or before December 15, 2013.

10 4.1.4(ii) **Partial Penalty Waiver for Extended Reformulation.**

11 As shown on EMS' Exhibit A, a portion of the third civil penalty shall be waived, to the
12 extent that it has agreed that, as of March 31, 2014, and continuing into the future, it shall only
13 manufacture or import for distribution or sale in California or cause to be manufactured or imported
14 for distribution or sale in California, Reformulated Products which also do not contain tris(2,3-
15 dibromopropyl)phosphate ("TDBPP") in a detectable amount of more than 25 parts per million
16 ("ppm") (the equivalent of .0025%) in any material, component, or constituent of a subject product,
17 when analyzed by a NVLAP accredited laboratory pursuant to EPA testing methodologies 3545 and
18 8270C, or equivalent methodologies utilized by federal or state agencies to determine the presence,
19 and measure the quantity, of TDBPP in a solid substance. An officer or other authorized
20 representative of EMS that has exercised this election shall provide Plaintiff with a written
21 certification confirming compliance with such conditions, which certification must be received by
22 Plaintiff's counsel on or before November 15, 2014.

23 4.1.4(iii) **Partial Penalty Waiver for Withdrawal of Unreformulated**
24 **Exemplar Products from the California Market.**

25 As shown on EMS' Exhibit A, a portion of the second civil penalty shall be waived, if an
26 officer or other authorized representative of EMS provides Plaintiff with written certification, by
27 December 15, 2013, confirming that each individual or establishment in California to which it
28

1 supplied the Exemplar Product after October 28, 2011, has elected, pursuant to Section 3.3, to
2 return all Exemplar Products held for sale in California.⁴

3 **4.1.4(iv) Partial Penalty Waiver for Termination of Distribution to**
4 **California of Unreformulated Inventory.**

5 As shown on EMS' Exhibit A, a portion of the third civil penalty shall be waived, if an
6 officer or other authorized representative of EMS provides Plaintiff with written certification, on or
7 before November 15, 2014, confirming that, as of July 1, 2014, it has and will continue to
8 distribute, offer for sale, or sell in California, or to California Customers, only Reformulated
9 Products.

10 **4.2 Representations**

11 EMS represents that the sales data and other information concerning its size, knowledge of
12 the Listed Chemical, and prior reformulation and/or warning efforts, it provided to Plaintiff was
13 truthful to its knowledge and a material factor upon which Plaintiff has relied to determine the
14 amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in this Consent
15 Judgment. If, within nine months of the Effective Date, Plaintiff discovers and presents to EMS,
16 evidence demonstrating that the preceding representation and warranty was materially inaccurate,
17 then EMS shall have 30 days to meet and confer regarding the Plaintiff's contention. Should this
18 30 day period pass without any such resolution between the Plaintiff and EMS, Plaintiff shall be
19 entitled to file a formal legal claim including, but not limited to, a claim for damages for breach of
20 contract.

21 EMS further represents that in implementing the requirements set forth in Sections 3.1 and
22 3.2 of this Consent Judgment, it will voluntarily employ commercial best efforts to achieve
23 reformulation of its Products and Additional Products on a nationwide basis and not employ
24 statements that will encourage a vendor to limit its compliance with the Reformulation Standard to
25 goods intended for sale to California Consumers.

26 _____
27 ⁴ For purposes of this Section, the term Exemplar Products shall further include Products for
28 which Plaintiff has, prior to **October 15, 2013**, provided EMS with test results from a NVLAP
accredited laboratory showing the presence of the Listed Chemical at a level in excess of 250 ppm
pursuant to EPA testing methodologies 3545 or 8270C.

1 **4.3 Stipulated Penalties for Certain Violations of the Reformulation Standard.**

2 If Plaintiff provides notice and appropriate supporting information to EMS that levels of a
3 Listed Chemical in excess of the Reformulation Standard have been detected in one or more
4 Products labeled or otherwise marked in an identifiable manner as manufactured or imported after a
5 deadline for meeting the Reformulation Standard has arisen for EMS under Sections 3.1 or 3.6
6 above, EMS may elect to pay a stipulated penalty to relieve any further potential liability under
7 Proposition 65 or sanction under this Consent Judgment as to Products sourced from the vendor in
8 question.⁵ The stipulated penalty shall be \$1,500 if the violation level is below 100 ppm and \$3,000
9 if the violation level is between 100 ppm and 249 ppm, this being applicable for any amount in
10 excess of the Reformulation Standards but under 250 ppm.⁶ Plaintiff shall further be entitled to
11 reimbursement of their associated expense in an amount not to exceed \$5,000 regardless of the
12 stipulated penalty level. EMS under this Section must provide notice and appropriate supporting
13 information relating to the purchase (e.g. vendor name and contact information including
14 representative, purchase order, certification (if any) received from vendor for the exemplar or
15 subcategory of products), test results, and a letter from a company representative or counsel
16 attesting to the information provided, to Plaintiff within 30 calendar days of receiving test results
17 from Plaintiff's counsel. Any violation levels at or above 250 ppm shall be subject to the full
18 remedies provided pursuant to this Consent Judgment and at law.

19 **4.4 Reimbursement of Fees and Costs**

20 The Parties acknowledge that Plaintiff and his counsel offered to resolve this dispute
21 without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving
22 this fee reimbursement issue to be resolved after the material terms of the agreement had been
23 settled. Shortly after the other settlement terms had been finalized, EMS expressed a desire to

24 _____
25 ⁵ This Section shall not be applicable where the vendor in question had previously been
26 found by EMS to have provided unreliable certifications as to meeting the Reformulation Standard
27 in its Products on more than one occasion. Notwithstanding the foregoing, a stipulated penalty for a
28 second exceedance by EMS' vendor at a level between 100 and 249 ppm shall not be available after
July 1, 2015.

⁶ Any stipulated penalty payments made pursuant to this Section should be allocated and
remitted in the same manner as set forth in Sections 4.1 and 4.5, respectively.

1 resolve the fee and cost issue. EMS then agreed to pay Plaintiff and his counsel under general
2 contract principles and the private attorney general doctrine codified at California Code of Civil
3 Procedure § 1021.5 for all work performed through the mutual execution of this agreement,
4 including the fees and costs incurred as a result of investigating, bringing this matter to EMS'
5 attention, negotiating a settlement in the public interest, and seeking court approval of the same. In
6 addition, the negotiated fee and cost figure expressly includes the anticipated significant amount of
7 time Plaintiff's counsel will incur to monitor various provisions in this agreement over the next two
8 years, with the exception of additional fees that may be incurred pursuant to any election by EMS in
9 Section 11. EMS more specifically agreed, upon the Court's approval and entry of this Consent
10 Judgment, to pay Plaintiff's counsel the amount of fees and costs indicated on EMS' Exhibit A.
11 EMS further agreed to tender and shall tender its full required payment under this Section to a trust
12 account at The Chanler Group (made payable "In Trust for The Chanler Group") within two
13 business days of the Effective Date. Such funds shall be released from the trust account upon the
14 Court's approval and entry of this Consent Judgment.

15 **4.5 Payment Procedures**

16 **4.5.1 Issuance of Payments.**

17 (a) All payments owed to Plaintiff and his counsel, pursuant to Sections
18 4.1, 4.3 and 4.4 shall be delivered to the following payment address:

16 forth in Section 4.5.1(a) above.

17 **5. CLAIMS COVERED AND RELEASED**

18 **5.1 Plaintiff's Release of Proposition 65 Claims**

19 Plaintiff, acting on his own behalf and in the public interest, releases EMS, its parents,
20 subsidiaries, affiliated entities under common ownership, directors, officers, agents employees,
21 attorneys, and each entity to whom EMS directly or indirectly distributes or sells Products,
22 including, but not limited, to downstream distributors, wholesalers, customers, retailers,
23 franchisees, cooperative members, and licensees (collectively, "Releasees"), from all claims for
24 violations of Proposition 65 through the Effective Date based on unwarned exposures to the Listed
25 Chemical in the Products, as set forth in the Notice. Compliance with the terms of this Consent
26 Judgment constitutes compliance with Proposition 65 with respect to exposures to the Listed
27 Chemical from the Products, as set forth in the Notice. The Parties further understand and agree
28 that this Section 5.1 release shall not extend upstream to any entities, other than EMS, that
29 manufactured the Products or any component parts thereof, or any distributors or suppliers who
30 sold the Products or any component parts thereof to EMS, except that any entity upstream of EMS

1 that is a Retailer of a Private Labeled Covered Product shall be released as to the Private Labeled
2 Covered Products offered for sale in California, or to California Customers, by the Retailer in
3 question.

4 **5.2 Plaintiff's Individual Releases of Claims**

5 Plaintiff, in his individual capacity only and *not* in his representative capacity, provides a
6 release herein which shall be effective as a full and final accord and satisfaction, as a bar to all
7 actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims,
8 liabilities, and demands of Plaintiff of any nature, character, or kind, whether known or unknown,
9 suspected or unsuspected, limited to and arising out of alleged or actual exposures to TDCPP,
10 TCEP, and/or TDBPP in the Products or Additional Products (as defined in Section 11.1 and
11 delineated on EMS' Exhibit A) manufactured, imported, distributed, or sold by EMS prior to the
12 Effective Date.⁷ The Parties further understand and agree that this Section 5.2 release shall not
13 extend upstream to any entities that manufactured the Products or Additional Products, or any
14 component parts thereof, or any distributors or suppliers who sold the Products or Additional
15 Products, or any component parts thereof to EMS, except that any entities upstream of EMS that is
16 a Retailer of a Private Labeled Covered (or Additional) Product shall be released as to the Private
17 Labeled Covered (or Additional) Products offered for sale in California by the Retailer in question.
18 Nothing in this Section affects Plaintiff's rights to commence or prosecute an action under
19 Proposition 65 against a Releasee that does not involve EMS' Products or Additional Products.

20 **5.3 EMS' Release of Plaintiff**

21 EMS, on behalf of itself, its past and current agents, representatives, attorneys, successors,
22 and assignees, hereby waives any and all claims against Plaintiff and his attorneys and other
23 representatives, for any and all actions taken or statements made (or those that could have been
24 taken or made) by Plaintiff and his attorneys and other representatives, whether in the course of
25 investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with
26 respect to the Products and Additional Products.

27 _____
28 ⁷ The injunctive relief requirements of Section 3 shall apply to Additional Products as
otherwise specified.

1 **6. COURT APPROVAL**

2 This Consent Judgment is not effective until it is approved and entered by the Court and
3 shall be null and void if, for any reason, it is not approved in its entirety and entered by the Court
4 within one year after it has been fully executed by all Parties. If the Court does not approve the
5 Consent Judgment, the Parties shall meet and confer as to whether to modify the language or appeal
6 the ruling. If the Parties do not jointly agree on a course of action to take, then the case shall
7 proceed in its normal course on the Court's trial calendar. If the Court's approval is ultimately
8 overturned by an appellate court, the Parties shall meet and confer as to whether to modify the
9 terms of this Consent Judgment. If the Parties do not jointly agree on a course of action to take,
10 then the case shall proceed in its normal course on the Court's trial calendar. In the event that this
11 Consent Judgment is entered by the Court and subsequently overturned by any appellate court, any
12 monies that have been provided to OEHHA, Plaintiff or his counsel pursuant to Section 4, above,
13 shall be refunded within 15 days of the appellate decision becoming final. If the Court does not
14 approve and enter the Consent Judgment within one year of the Effective Date, any monies that
15 have been provided to OEHHA or held in trust for Plaintiff or his counsel pursuant to Section 4,
16 above, shall be refunded to EMS within 15 days.

17 **7. GOVERNING LAW**

18 The terms of this Consent Judgment shall be governed by the laws of the State of California.
19 In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by
20 reason of law generally, or if any of the provisions of this Consent Judgment are rendered
21 inapplicable or are no longer required as a result of any such repeal or preemption, or rendered
22 inapplicable by reason of law generally as to the Products, then EMS may provide written notice to
23 Plaintiff of any asserted change in the law, and shall have no further obligations pursuant to this
24 Consent Judgment with respect to, and to the extent that, the Products are so affected. Nothing in
25 this Consent Judgment shall be interpreted to relieve EMS from any obligation to comply with any
26 pertinent state or federal law or regulation.

19 in California Health & Safety Code § 25249.7(f).

20 **11. ADDITIONAL POST EXECUTION ACTIVITIES**

21 11.1 In addition to the Products, where EMS has identified on Exhibit A additional
22 products that contain TDCPP, TCEP and/or TDBPP and that are sold or offered for sale by it in
23 California, or to California Customers, ("Additional Products"), then by no later than October 15,
24 2013, EMS may provide Plaintiff with additional information or representations necessary to enable
25 them to issue a 60-Day Notice of Violation and valid Certificate of Merit therefore, pursuant to
26 Health & Safety Code § 25249.7, that includes the Additional Products. Polyurethane foam that is
27 supplied, shaped or manufactured for use as a component of a product, such as seat cushions, is
28 specifically excluded from the definition of Additional Products and shall not be identified by EMS

1 on Exhibit A as an Additional Product. Except as agreed upon by Plaintiff, EMS shall not include a
2 product, as an Additional Product, that is the subject of an existing 60-day notice issued by Plaintiff
3 or any other private enforcer at the time of execution. After receipt of the required information,
4 Plaintiff agrees to issue a supplemental 60-day notice in compliance with all statutory and
5 regulatory requirements for the Additional Products. Plaintiff will, and in no event later than
6 October 1, 2014, prepare and file an amendment to this Consent Judgment to incorporate the
7 Additional Products within the defined term "Products" and serve a copy thereof and its supporting
8 papers (including the basis for supplemental stipulated penalties, if any) on the Office of the
9 California Attorney General; upon the Court's approval and finding that the supplemental stipulated
10 penalty amount, if any, is reasonable, the Additional Products shall become subject to Section 5.1 in
11 addition to Section 5.2. EMS shall, at the time it elects to utilize this Section and tenders the
12 additional information or representations regarding the Additional Products to Plaintiff, tender to
13 The Chanler Group's trust account an amount not to exceed \$8,750 as stipulated penalties and
14 attorneys' fees and costs incurred by Plaintiff in issuing the new notice and engaging in other
15 reasonably related activities, which may be released from the trust as awarded by the Court upon
16 Plaintiff's application. Any fee award associated with the modification of the Consent Judgment to
17 include Additional Products shall not offset any associated supplemental penalty award, if any.
18 (Any tendered funds remaining in the trust thereafter shall be refunded to EMS within 15 days).
19 Such payment shall be made to "in trust for The Chanler Group" and delivered as per Section
20 4.5.1(a) above.

21 11.2 Plaintiff and EMS agree to support the entry of this agreement as a Consent
22 Judgment and obtain approval of the Consent Judgment by the Court in a timely manner. The
23 Parties acknowledge that, pursuant to California Health & Safety Code § 25249.7, a noticed motion
24 is required to obtain judicial approval of this Consent Judgment, which Plaintiff shall draft and file.
25 If any third party objection to the noticed motion is filed, Plaintiff and EMS shall work together to
26 file a reply and appear at any hearing before the Court. This provision is a material component of
27 the Consent Judgment and shall be treated as such in the event of a breach.
