1 **1. INTRODUCTION**

2 **1.1 Parties**

3 This Consent Judgment is entered into by and between plaintiff Laurence Vinocur
4 ("Vinocur") and Tomy International, Inc. ("Tomy"), with Vinocur and Tomy collectively referred
5 to as the "Parties."

6 **1.2 Laurence Vinocur**

7 Vinocur is an individual residing in the State of California who seeks to promote awareness
8 of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous
9 substances contained in consumer and commercial products.

10 **1.3 Tomy International, Inc.**

11 Tomy employs ten or more persons and is a person in the course of doing business for
12 purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health &
13 Safety Code § 25249.6, *et seq.* ("Proposition 65").

14 **1.4 General Allegations**

15 1.4.1 Vinocur alleges that Tomy manufactured, imported, sold and/or distributed
16 for sale in California products with foam cushioned components containing tris(1,3-dichloro-2-
17 propyl) phosphate ("TDCPP") and tris(2-chloroethyl) phosphate ("TCEP") without the requisite
18 Proposition 65 health hazard warnings. Vinocur alleges that TDCPP and TCEP escape from foam
19 padding, leading to human exposures.

20 1.4.2 Pursuant to Proposition 65, on April 1, 1992, California identified and listed
21 TCEP as a chemical known to cause cancer. TCEP became subject to the "clear and reasonable
22 warning" requirements of Proposition 65 one year later on April 1, 1993. Cal. Code Regs., tit. 27, §
23 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b).

24 1.4.3 Pursuant to Proposition 65, on October 28, 2011, California identified and
25 listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the "clear and
26 reasonable warning" requirements of Proposition 65 one year later on October 28, 2012. Cal. Code
27 Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b).

1 TDCPP and TCEP shall hereinafter be collectively referred to as the "Listed Chemicals."

2 **1.5 Product Description**

3 The categories of products that are covered by this Consent Judgment as to Tomy are
4 identified on Exhibit A (hereinafter "Products"). Polyurethane foam that is supplied, shaped or
5 manufactured for use as a component of another product, such as upholstered furniture, but which is
6 not itself a finished product, is specifically excluded from the definition of Products and shall not be
7 identified by Tomy on Exhibit A as a Product.

8 **1.6 Notices of Violation**

9 On or about February 26, 2013, Vinocur issued to Tomy and certain requisite public
10 enforcement agencies a "60-Day Notice of Violation" ("TDCPP Notice") that provided the
11 recipients with notice of alleged violations of Proposition 65 based on the alleged failure to warn
12 customers, consumers, and workers in California that the Products expose users to TDCPP.

13 On or about February 26, 2013, Vinocur issued to Tomy and certain requisite public
14 enforcement agencies a "60-Day Notice of Violation" ("TCEP Notice") that provided the recipients
15 with notice of alleged violations of Proposition 65 based on the alleged failure to warn customers,
16 consumers and workers in California that the Products expose users to TCEP.

17 The TDCPP Notice and TCEP Notice shall hereinafter collectively be referred to as the
18 "Notices." To the best of the Parties' knowledge, no public enforcer has commenced or is
19 diligently prosecuting the allegations set forth in the Notices.

20 **1.7 Complaint**

21 On May 8, 2013, Vinocur filed a Complaint in the Superior Court in and for the County of
22 Alameda against Tomy, other defendants and Does 1 through 150, *Laurence Vinocur v. Tomy*
23 *International, Inc., et al.*, Case No. RG 13-678798 ("Complaint"), alleging violations of Proposition
24 65, based in part on the alleged unwarned exposures to the Listed Chemicals contained in the
25 Products.

1 **1.8 No Admission**

2 Tomy denies the material factual and legal allegations contained in Vinocur's Notices and
3 Complaint and maintains that all products that it has manufactured, imported, distributed, and/or
4 sold in California, including the Products, have been and are in compliance with all laws. Nothing
5 in this Consent Judgment shall be construed as an admission by Tomy of any fact, finding,
6 conclusion, issue of law, or violation of law, nor shall compliance with this Consent Judgment
7 constitute or be construed as an admission by Tomy of any fact, finding, conclusion, issue of law,
8 or violation of law. However, this section shall not diminish or otherwise affect Tomy's
9 obligations, responsibilities, and duties under this Consent Judgment.

10 **1.9 Consent to Jurisdiction**

11 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
12 jurisdiction over Tomy as to the allegations contained in the Notices and Complaint, that venue is
13 proper in the County of Alameda, and that this Court has jurisdiction to enter and enforce the
14 provisions of this Consent Judgment pursuant to Proposition 65 and California Code of Civil
15 Procedure § 664.6.

16 **2. DEFINITIONS**

17 **2.1 California Customers**

18 "California Customer" shall mean any customer that Tomy reasonably understands is
19 located in California, has a California warehouse or distribution center, maintains a retail outlet in
20 California, or has made internet sales into California on or after January 1, 2011.

21 **2.2 Detectable**

22 "Detectable" shall mean containing more than 25 parts per million ("ppm") (the equivalent
23 of .0025%) of any one chemical in any material, component, or constituent of a
24 subject product, when analyzed by a NVLAP accredited laboratory pursuant to EPA testing
25 methodologies 3545 and 8270C, or equivalent methodologies utilized by federal or state agencies to
26 determine the presence, and measure the quantity, of TDCPP and/or TCEP in a solid substance.

1 **2.3 Effective Date**

2 “Effective Date” shall mean November 9, 2013.

3 **2.4 Private Label Covered Products**

4 “Private Label Covered Products” means Products that bear a brand or trademark owned or
5 licensed by a Retailer or affiliated entity that are sold or offered for sale by a Retailer in the State of
6 California.

7 **2.5 Reformulated Products**

8 “Reformulated Products” shall mean Products that contain no Detectable amount of TDCPP
9 or TCEP.

10 **2.6 Reformulation Standard**

11 The “Reformulation Standard” shall mean containing no more than 25 ppm for each of
12 TDCPP and TCEP.

13 **2.7 Retailer**

14 “Retailer” means an individual or entity that offers a Product for retail sale to consumers in
15 the State of California.

16 **3. INJUNCTIVE RELIEF: REFORMULATION**

17 **3.1 Reformulation Commitment**

18 Commencing on March 31, 2014, Tomy shall not manufacture or import for distribution or
19 sale to California Customers, or cause to be manufactured or imported for distribution or sale to
20 California Customers, any Products that are not Reformulated Products.

21 **3.2 Vendor Notification/Certification**

22 On or before the Effective Date, Tomy shall provide written notice to all of its then-current
23 vendors of the Products that will be sold or offered for sale in California, or to California
24 Customers, instructing each such vendor to use reasonable efforts to provide only Reformulated
25 Products for potential sale in California. In addressing the obligation set forth in the preceding
26 sentence, Tomy shall not employ statements that will encourage a vendor to delay compliance with
27 the Reformulation Standard. Tomy shall subsequently obtain written certifications, no later than
28

1 April 1, 2014, from such vendors, and any newly engaged vendors, that the Products manufactured
2 by such vendors are in compliance with the Reformulation Standard. Certifications shall be held by
3 Tomy for at least two years after their receipt and shall be made available to Vinocur upon request.

4 **3.3 Products No Longer in Tomy's Control**

5 No later than 45 days after the Effective Date, Tomy shall send a letter, electronic or
6 otherwise ("Notification Letter") to: (1) each California Customer and/or Retailer which it, after
7 October 28, 2011, supplied the item for resale in California described as an exemplar in each of the
8 Notices Tomy received from Vinocur ("Exemplar Product(s)"); and (2) any California Customer
9 and/or Retailer that Tomy reasonably understands or believes had any inventory for resale in
10 California of Exemplar Product(s) as of the relevant Notices' dates. The Notification Letter shall
11 advise the recipient that the Exemplar Product(s) contains TDCPP and TCEP, chemicals known to
12 the State of California to cause cancer and request that the recipient either: (a) label the Exemplar
13 Product(s) remaining in inventory for sale in California, or to California Customers, pursuant to
14 Section 3.5; or (b) return, at Tomy's sole expense, all units of the Exemplar Product(s) held for sale
15 in California, or to California Customers, to Tomy or a party Tomy has otherwise designated. The
16 Notification Letter shall require a response from the recipient within 15 days confirming whether
17 the Exemplar Product(s) will be labeled or returned. Tomy shall maintain records of all
18 correspondence or other communications generated pursuant to this Section for two years after the
19 Effective Date and shall promptly produce copies of such records upon Vinocur's written request.

20 **3.4 Current Inventory**

21 Any Products in, or manufactured and en route to, Tomy's inventory as of or after
22 December 31, 2013, that do not qualify as Reformulated Products and that Tomy has reason to
23 believe may be sold or distributed for sale in California, shall contain a clear and reasonable
24 warning as set forth in Section 3.5 below unless Section 3.6 applies.

1 3.5 **Product Warnings**

2 3.5.1 **Product Labeling**

3 Any warning provided under Section 3.3 or 3.4 above shall be affixed to the packaging,
4 labeling, or directly on each Product. Each warning shall be prominently placed with such
5 conspicuousness as compared with other words, statements, designs, or devices as to render it likely
6 to be read and understood by an ordinary individual under customary conditions before purchase.
7 Each warning shall be provided in a manner such that the consumer or user understands to which
8 specific Product the warning applies, so as to minimize the risk of consumer confusion.

9 A warning provided pursuant to this Consent Judgment shall state:

10 **WARNING:** This product contains TDCPP and
11 TCEP, flame retardant chemicals
12 known to the State of California to
 cause cancer.¹

13 Attached as Exhibit B are template warnings developed by Vinocur that are deemed to be
14 clear and reasonable for purposes of this Consent Judgment.² Provided that the other requirements
15 set forth in this Section are addressed, including as to the required warning statement and method of
16 transmission as set forth above, Tomy remains free not to utilize the template warnings.

17
18
19 ¹ The regulatory safe harbor warning language specified in 27 CCR § 25603.2 may also be
20 used if Tomy had begun to use it, prior to the Effective Date. If Tomy seeks to use alternative
21 warning language, other than the language specified above or the safe harbor warning specified in
22 27 CCR § 25603.2, or seeks to use an alternate method of transmission of the warning, Tomy must
23 obtain the Court's approval of its proposed alternative and provide all Parties and the Office of the
24 Attorney General with timely notice and the opportunity to comment or object before the Court acts
on the request. The Parties agree that the following warning language shall not be deemed to meet
the requirements of 27 CCR § 25601 *et seq.* and shall not be used pursuant to this Consent
Judgment: (a) "cancer or birth defects or other reproductive harm" and (b) "cancer, birth defects or
other reproductive harm."

25 ² The characteristics of the template warnings are as follows: (a) a yellow hang tag
26 measuring 3" x 5", with no less than 12 point font, with the warning language printed on each side
27 of the hang tag, which shall be affixed directly to the Product; (b) a yellow warning sign measuring
28 8.5" x 11", with no less than 32 point font, with the warning language printed on each side, which
shall be affixed directly to the Product; and (c) for Products sold at retail in a box or packaging, a
yellow warning sticker measuring 3" x 3", with no less than 12 point font, which shall be affixed
directly to the Product packaging.

1 **3.5.2 Internet Website Warning**

2 A warning shall be given in conjunction with the sale of the Products to California, or
3 California Customers, via the internet, which warning shall appear on one or more web pages
4 displayed to a purchaser during the checkout process. The following warning statement shall be
5 used and shall: (a) appear adjacent to or immediately following the display, description, or price of
6 the Product; (b) appear as a pop-up box; or (c) otherwise appear automatically to the consumer.
7 The warning text shall be the same type size or larger than the Product description text:

8 **WARNING:** This product contains TDCPP and
9 TCEP, flame retardant chemicals
10 known to the State if California to
 cause cancer.³

11 **3.6 Alternatives to Interim Warnings**

12 The obligations of Tomy under Section 3.3 shall be relieved provided Tomy certifies on or
13 before December 15, 2013 that only Exemplar Products meeting the Reformulation Standard will
14 be offered for sale in California, or to California Customers for sale in California, after December
15 31, 2013. The obligations of Tomy under Section 3.4 shall be relieved provided Tomy certifies on
16 or before December 15, 2013 that, after June 30, 2014, it will only distribute or cause to be
17 distributed for sale in, or sell in, California, or to California Customers for sale in California,
18 Products (i.e., Products beyond the Exemplar Product) meeting the Reformulation Standard. The
19 certifications provided by this Section are material terms and time is of the essence.

20 **4. MONETARY PAYMENTS**

21 **4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)**

22 In settlement of all the claims referred to in this Consent Judgment, Tomy shall pay the civil
23 penalties shown for it on Exhibit A in accordance with this Section. Each penalty payment will be
24 allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75%
25 of the funds remitted to the California Office of Environmental Health Hazard Assessment
26 (“OEHHA”), 25% of the penalty remitted to “The Chanler Group in Trust for Vinocur.” Each
27 penalty payment shall be made within two business days of the date it is due and be delivered to the

28 ³ Footnote 1, *supra*, applies in this context as well.

1 addresses listed in Section 4.5 below. Tomy shall be liable for payment of interest, at a rate of 10%
2 simple interest, for all amounts due and owing under this Section that are not received within two
3 business days of the due date.

4 4.1.1 Initial Civil Penalty. On or before the Effective Date, Tomy shall make an
5 initial civil penalty payment in the amount identified on Exhibit A.

6 4.1.2 Second Civil Penalty. On or before January 15, 2014, Tomy shall make a
7 second civil penalty payment in the amount identified on Exhibit A. The amount of the second
8 penalty may be reduced according to any penalty waiver Tomy is eligible for under Sections
9 4.1.4(i) and 4.1.4(iii), below.

10 4.1.3 Third Civil Penalty. On or before November 30, 2014, Tomy shall make a
11 third civil penalty payment in the amount identified on Exhibit A. The amount of the third penalty
12 may be reduced according to any penalty waiver Tomy is eligible for under Sections 4.1.4(ii) and
13 4.1.4(iv), below.

14 4.1.4 Reductions to Civil Penalty Payment Amounts. Tomy may reduce the
15 amount of the second and/or third civil penalty payments identified on Exhibit A by providing
16 Vinocur with certification of certain efforts undertaken to reformulate their Products or limit the
17 ongoing sale of non-reformulated Products in California. The options to provide a written
18 certification in lieu of making a portion of a civil penalty payment constitute material terms of this
19 Consent Judgment, and with regard to such terms, time is of the essence.

20 4.1.4(i) **Partial Penalty Waiver for Accelerated Reformulation of**
21 **Products Sold or Offered for Sale in California.**

22 If Tomy so elects on Exhibit A, a portion of the second civil penalty shall be waived, to the
23 extent that it has agreed that, as of November 1, 2013, and continuing into the future, it shall only
24 manufacture or import for distribution or sale to California Customers or cause to be manufactured
25 or imported for distribution or sale to California Customers, Reformulated Products. If this option
26 is exercised, an officer or other authorized representative of Tomy shall provide Vinocur with a
27
28

1 written certification confirming compliance with such conditions, which certification must be
2 received by Vinocur's counsel on or before December 15, 2013.

3 **4.1.4(ii) Partial Penalty Waiver for Extended Reformulation**

4 If Tomy so elects on Exhibit A, a portion of the third civil penalty shall be waived, to the
5 extent that it has agreed that, as of March 15, 2014, and continuing into the future, it shall only
6 manufacture or import for distribution or sale in the California or cause to be manufactured or
7 imported for distribution or sale in California, Reformulated Products which also do not contain
8 tris(2,3-dibromopropyl)phosphate ("TDBPP") in a detectable amount of more than 25 parts per
9 million ("ppm") (the equivalent of .0025%) in any material, component, or constituent of a subject
10 product, when analyzed by a NVLAP accredited laboratory pursuant to EPA testing methodologies
11 3545 and 8270C, or equivalent methodologies utilized by federal or state agencies to determine the
12 presence, and measure the quantity of, TDBPP in a solid substance. If this option is exercised, an
13 officer or other authorized representative of Tomy shall provide Vinocur with a written certification
14 confirming compliance with such conditions, which certification must be received by Vinocur's
15 counsel on or before November 15, 2014.

16 **4.1.4(iii) Partial Penalty Waiver for Withdrawal of Unreformulated**
17 **Exemplar Products from the California Market.**

18 As shown on Exhibit A, a portion of the second civil penalty shall be waived, if an officer or
19 other authorized representative of Tomy provides Vinocur with written certification, by December
20 15, 2013, confirming that each individual or establishment in California to which it supplied the
21 Exemplar Product after October 28, 2011, has elected to return all remaining Exemplar Products
22 held for sale in California.⁴

23
24
25
26
27 ⁴ For purposes of this Section, the term Exemplar Products shall further include Products for
28 which Vinocur has, prior to August 31, 2013, provided Tomy with test results from a NVLAP
accredited laboratory showing the presence of a Listed Chemical at a level in excess of 250 ppm
pursuant to EPA testing methodologies 3545 or 8270C.

1 4.1.4(iv) **Partial Penalty Waiver for Termination of Distribution to**
2 **California of Unreformulated Inventory.**

3 As shown on Exhibit A, a portion of the third civil penalty shall be waived, if an officer or
4 other authorized representative of Tomy provides Vinocur with written certification, on or before
5 November 15, 2014, confirming that, as of July 1, 2014, it has and will continue to distribute, offer
6 for sale, or sell in California, or to California Customers, only Reformulated Products.

7 4.2 **Representations**

8 Tomy represents that the sales data and other information concerning its size, knowledge of
9 the Listed Chemicals, and prior reformulation and/or warning efforts, it provided to Vinocur was
10 truthful to its knowledge and a material factor upon which Vinocur has relied to determine the
11 amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in this Consent
12 Judgment. If, within nine months of the Effective Date, Vinocur discovers and presents to Tomy,
13 evidence demonstrating that the preceding representation and warranty was materially inaccurate,
14 then Tomy shall have 30 days to meet and confer regarding Vinocur's contention. Should this 30
15 day period pass without any such resolution between the Parties, Vinocur shall be entitled to file a
16 formal legal claim including, but not limited to, a claim for damages for breach of contract.

17 Tomy further represents that in implementing the requirements set forth in Section 3.1 and
18 3.2 of this Consent Judgment, it will voluntarily employ commercial best efforts to achieve
19 reformulation of its Products and Additional Products on a nationwide basis and not employ
20 statements that will encourage a vendor to limit its compliance with the Reformulation Standards to
21 goods intended for sale to California Customers.

22 4.3 **Stipulated Penalties for Certain Violations of the Reformulation Standard.**

23 If Vinocur provides notice and appropriate supporting information to Tomy that levels of
24 the Listed Chemicals in excess of the Reformulation Standard have been detected in one or more
25 Products labeled or otherwise marked in an identifiable manner as manufactured or imported after a
26 deadline for meeting the Reformulation Standard has arisen for Tomy under Sections 3.1 or 3.6
27 above, Tomy may elect to pay a stipulated penalty to relieve any further potential liability under
28

1 Proposition 65 or sanction under this Consent Judgment as to Products sourced from the vendor in
2 question.⁵ The stipulated penalty shall be \$1,500 if the violation level is below 100 ppm and \$3,000
3 if the violation level is between 100 ppm and 249 ppm, this being applicable for any amount in
4 excess of the Reformulation Standards but under 250 ppm.⁶ Vinocur shall further be entitled to
5 reimbursement of his associated expense in an amount not to exceed \$5,000 regardless of the
6 stipulated penalty level. Tomy under this Section must provide notice and appropriate supporting
7 information relating to the purchase (e.g. vendor name and contact information including
8 representative, purchase order, certification (if any) received from vendor for the exemplar or
9 subcategory of products), test results, and a letter from a company representative or counsel
10 attesting to the information provided, to Vinocur within 30 calendar days of receiving test results
11 from Vinocur's counsel. Any violation levels at or above 250 ppm shall be subject to the full
12 remedies provided pursuant to this Consent Judgment and at law.

13 4.4 Reimbursement of Fees and Costs

14 The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute
15 without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving
16 this fee reimbursement issue to be resolved after the material terms of the agreement had been
17 settled. Shortly after the other settlement terms had been finalized, Tomy expressed a desire to
18 resolve the fee and cost issue. Tomy then agreed to pay Vinocur and his counsel under general
19 contract principles and the private attorney general doctrine codified at California Code of Civil
20 Procedure section 1021.5 for all work performed through the mutual execution of this agreement,
21 including the fees and costs incurred as a result of investigating, bringing this matter to Tomy's
22 attention, negotiating a settlement in the public interest, and seeking court approval of the same. In
23 addition, the negotiated fee and cost figure expressly includes the anticipated significant amount of
24

25 ⁵ This Section shall not be applicable where the vendor in question had previously been
26 found by Tomy to have provided unreliable certifications as to meeting the Reformulation Standard
27 in its Products on more than one occasion. Notwithstanding the foregoing, a stipulated penalty for a
28 second exceedance by Tomy's vendor at a level between 100 and 249 ppm shall not be available
after July 1, 2015.

⁶ Any stipulated penalty payments made pursuant to this Section should be allocated and
remitted in the same manner as set forth in Sections 4.1 and 4.5, respectively.

1 time Plaintiff's counsel will incur to monitor various provisions in this agreement over the next two
2 years, with the exception of additional fees that may be incurred pursuant to Tomy's election in
3 Section 11. Tomy more specifically agreed, upon the Court's approval and entry of this Consent
4 Judgment, to pay Vinocur's counsel the amount of fees and costs indicated on Exhibit A. Tomy
5 further agreed to tender and shall tender its full required payment under this Section to a trust
6 account at The Chanler Group (made payable "In Trust for The Chanler Group") within two
7 business days of the Effective Date. Such funds shall be released from the trust account upon the
8 Court's approval and entry of this Consent Judgment.

9 **4.5 Payment Procedures**

10 4.5.1 Issuance of Payments.
