1. INTRODUCTION

- On May 9, 2011, the Council for Education and Research on Toxics 1.1. ("CERT") filed a complaint in this case for civil penalties and injunctive relief for violations of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code Section 25249.6 et seq. ("Proposition 65"), in the Superior Court for the County of Los Angeles. The complaint alleges that sales of coffee products in California has resulted in exposures to acrylamide at levels requiring a warning in accordance with Proposition 65 requirements, and that such warnings were not provided as required.
- 1.2. On or about December 27, 2013 CERT served a Proposition 65 60-Day Notice of Violation ("Notice of Violation") on Fast Forward Energy, Inc. ("Settling Defendant")
- Settling Defendant has voluntarily agreed to be bound by the terms of this 1.3. Consent Judgment.
- 1.4. Settling Defendant has indicated that it wishes to settle any claims that CERT has asserted and may assert against it in this lawsuit.
- 1.5. Settling Defendant is a corporation that employs more than 10 persons, or employed 10 or more persons at some time relevant to the allegations of the complaint, and which manufactures, distributes and/or sells Covered Products in the State of California or has done so in the past.
- 1.6. For purposes of this Consent Judgment only, the parties stipulate that this Court has jurisdiction over the allegations of violations contained in CERT's complaint and personal jurisdiction over Settling Defendant as to the acts alleged in CERT's complaint, that venue is proper in the County of Los Angeles, and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all claims which were raised in the complaint based on the facts alleged therein.

25 26

27

28

and final settlement of all claims that were raised in the complaint (except as specified in Paragraph 9.1), arising out of the facts or conduct alleged therein. Settling Defendant has expressly waived its statute of limitations defenses with respect to the claims alleged in CERT's complaint. By execution of this Consent Judgment and agreeing to provide the relief and remedies specified herein, Settling Defendant does not admit any violations of Proposition 65, or any other law or legal duty. Except as expressly set forth herein, nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy, or defense that CERT and Settling Defendant may have in any other or in future legal proceedings unrelated to these proceedings. However, this paragraph shall not diminish or otherwise affect the obligations, responsibilities, and duties of the parties under this Consent Judgment.

2. **DEFINITIONS**

- 2.1. "Covered Products" means any coffee or coffee products listing coffee as the first ingredient sold in any establishment in the State of California.
- 2.2. "Effective Date" means the date upon which this Court enters this Consent Judgment.

3. INJUNCTIVE RELIEF; CLEAR AND REASONABLE WARNINGS

- 3.1. Settling Defendant shall provide warnings in the manner required by this Consent Judgment for all Covered Products it manufactures, distributes and/or sells into California after the Effective Date.
- 3.2. Warning Message. The warning message provided, under the permitted warning methods, shall be the following:

a. WARNING

"Chemicals known to the State of California to cause cancer and reproductive toxicity, including acrylamide, are present in our coffee products. Acrylamide is not added to our products, but results from the roasting of coffee beans. As a result, acrylamide is present in our brewed coffee products. Your personal cancer risk is affected by a wide variety of factors. For more information regarding acrylamide see www.fda.gov. For more information about acrylamide and Proposition 65, visit www.oehha.ca.gov/prop65/acrylamide.html."

- b. Wherever the warning language in this Consent Judgment uses the phrase "chemical known to the State of California to cause cancer," Settling Defendant, at its option, may use either the phrase "chemical known to cause cancer" or "chemical that causes cancer."
- 3.3. Warning Method. The warning shall be affixed to or printed on the back of the package of the Covered Product, in typeface equal to the typeface of other product information on the label so as to render the warning easily read and understood by an ordinary individual under customary conditions of purchase or use. Such warnings shall accompany the Covered Product sold into California beginning no later than sixty (60) days after the Effective Date.
- Nothing in this Consent Judgment requires that warnings be given for 3.4. Covered Products sold outside the State of California, nor for Covered Product sold in California before the Effective Date.

CIVIL PENALTIES 4.

- Calculation of Civil Penalties: 4.1.
- 4.1.1. A company who violates Proposition 65 shall be liable for civil penalties not to exceed two thousand five hundred dollars (\$2,500.00) per day for each violation in addition to any other penalty established by law pursuant to Health and Safety Code section 25249.7(b)(1).
- 4.1.2. In assessing the amount of civil penalties for violations of Proposition 65, all of the following factors must be considered pursuant to Health and Safety Code Section 25249.7(b)(2):
 - The nature and extent of the violation.
 - The number of, and severity of, the violations.
 - The economic effect of the penalty on the violator.
- d. Whether the violator took good faith measures to comply with this chapter and the time these measures were taken.
 - e. The willfulness of the violator's misconduct.
 - The deterrent effect that the imposition of the penalty would have on both

the violator and the regulated community as a whole.

- g. Any other factor that justice may require.
- 4.2. Settling Defendant has provided proof to CERT's counsel, in the form of financial statements verified under penalty of perjury, that it is impecunious, i.e., that the company operated at a loss, that its liabilities exceed its assets, that its manufacturing operations have been permanently discontinued and that its shareholders are considering its board of directors' recommendation that it should dissolve, such that payment of a full penalty is not possible. As a result, the parties have agreed upon a modified settlement amount for civil penalties in this case. This low settlement amount is based on consideration of all the penalty factors set forth in Health and Safety Code Section 25249.7(b)(2), taking into account the Settling Defendant's impecunity.

5. **PAYMENTS**

5.1. Settling Defendant shall pay the total amount identified below in settlement of this case. The terms of the payment agreement are as follows:

Settling Defendant shall pay the total amount of \$16,000.00 ("Settlement Proceeds"), within thirty (30) days of the Effective Date. Settlement Proceeds shall be made payable to the Metzger Law Group Attorney-Client Trust Account, and to no other persons, and delivered to CERT's counsel, Metzger Law Group, 401 E. Ocean Blvd., Suite 800, Long Beach, California 90802-4966. The Settlement Proceeds shall be applied as follows:

- a. Civil Penalty: Settling Defendants shall pay civil penalties pursuant to Health and Safety Code Section 25249.7(b) in the amount of \$8,000.00, allocated between CERT and the State of California as directed by Health & Safety Code Section 25249.12(c)-(d).
- b. Attorneys' Fees and Costs: Settling Defendant shall pay \$8,000.00 to reimburse CERT for its attorneys' fees and costs incurred in investigating and litigating this matter, and negotiating this Consent Judgment on behalf of itself and in the public interest.

6. MODIFICATION OF CONSENT JUDGMENT

6.1. This Consent Judgment may be modified by written agreement of CERT

and Settling Defendant, after noticed motion, and upon entry of a modified consent judgment by the court thereon, or upon motion of CERT or Settling Defendant as provided by law and upon entry of a modified consent judgment by the court. Before filing an application with the court for a modification to this Consent Judgment, Settling Defendant may meet and confer with CERT to determine whether CERT will consent to the proposed modification. If a proposed modification is agreed, then Settling Defendant and CERT will present the modification to the court by means of a stipulated modification to the Consent Judgment.

- If Proposition 65 or its implementing regulations are changed from their 6.2. terms as they exist on the date of entry of judgment, the parties may seek modifications in the Consent Judgment as follows:
- a. If the change establishes that warnings for acrylamide in the Covered Products are not required, Settling Defendant may seek a modification of this Consent Judgment to conform the judgment to the change in law.
- b. If the change establishes that the warnings provided by this Consent Judgment would not comply with the law, either party may seek a modification of the Consent Judgment to conform the judgment to the change in law.
- c. If the change would provide a new form or manner of an optional or safe harbor warning, Settling Defendant may seek a modification to provide a warning in the newly permitted form, but the modification shall not be granted unless the court finds that the new warning would not be materially less informative or likely to be seen, read, and understood than the warnings provided under this Consent Judgment.
- If Settling Defendant corresponds in writing to an agency or branch of the 6.3. United States Government in connection with the application of Proposition 65 to acrylamide in the Covered Products, then, so long as such correspondence is not confidential and would be retrievable by CERT under the Freedom of Information Act, Settling Defendant shall provide CERT with a copy of such communication as soon as practicable, but not more than 10 days after sending or receiving the correspondence; provided, however, that this section shall not apply to

correspondence to or from trade associations or other groups of which Settling Defendant is a member.

7. ENFORCEMENT

7.1. CERT may, by motion or application for an order to show cause before this Court, enforce the terms and conditions contained in this Consent Judgment. In any such proceeding, CERT may seek whatever fines, costs, penalties, or remedies are provided by law for failure to comply with the Consent Judgment and where said violations of this Consent Judgment constitute subsequent violations of Proposition 65 or other laws independent of the Consent Judgment and/or those alleged in the complaint, CERT is not limited to enforcement of the Consent Judgment, but may seek in another action, whatever fines, costs, penalties, or remedies are provided for by law for failure to comply with Proposition 65 or other laws. In any action brought by CERT alleging subsequent violations of Proposition 65 or other laws, Settling Defendant may assert all available defenses.

8. AUTHORITY TO STIPULATE TO CONSENT JUDGMENT

8.1. Each signatory to this Consent Judgment certifies that he or she is fully authorized by the party he or she represents to stipulate to this Consent Judgment and to enter into and execute the Consent Judgment on behalf of the party represented and legally to bind that party.

9. CLAIMS COVERED

9.1. This Consent Judgment is a full, final, and binding resolution between CERT and Settling Defendant, of any violation of Proposition 65 that has been asserted in the Notice of Violation, up through and including the Effective Date, for failure to provide clear and reasonable warnings of exposure to acrylamide from the use of the Covered Products, whether based on actions committed by Settling Defendant or by an entity to whom it distributes or sells coffee products, and for any franchisee who sells or has sold Covered Products in the State of California. Compliance with the terms of this Consent Judgment constitutes compliance with Proposition 65 with respect to exposures to acrylamide from Covered Products as set forth in the

Notice of Violation.
