23		Action Filed: August 11, 2014	
24		Trial Date: None set	
25	1. INTRODUCTION		
26	1.1 On August 11, 2014, Plaintiff Environmental Research Center ("ERC"), a non-		
27	profit corporation, as a private enforcer, and in the public interest, initiated this action by filing		
28	a Complaint for Injunctive Relief, Civil Penalties and Other Relief (the "Complaint") pursuan		

to the provisions of California Health and Safety Code section 25249.5 et seq. ("Proposition 65"), against TRUESTAR HEALTH INC., TRUESTAR HEALTH (U.S.) HOLDINGS INC. (collectively "TRUESTAR"), and DOES 1-25. For the purposes of this Consent Judgment, ERC and TRUESTAR shall be referred to collectively as "Parties" or individually as "Party. Both Parties have stipulated and consented to entry of this Consent Judgment prior to trial. In this action, ERC alleges that a number of products manufactured, distributed or sold by TRUESTAR contain lead, a chemical listed under Proposition 65 as a carcinogen and reproductive toxin, and expose consumers to this chemical at a level(s) requiring a Proposition 65 warning. These products (referred to hereinafter individually as a "Covered Product" or collectively as "Covered Products") are:

- 1. Truestar Health (U.S.) Holdings Inc. TrueTHERMO
- 2. Truestar Health (U.S.) Holdings Inc. TrueENERGY
- 3. Truestar Health (U.S.) Holdings Inc. TrueDETOX
- 4. Truestar Health (U.S.) Holdings Inc. TruePOWER
- 5. Truestar Health (U.S.) Holdings Inc. TrueREPAIR
- 1.2 ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by reducing the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.
- 1.3 For purposes of this Consent Judgment, the Parties agree that TRUESTAR is a business entity that has employed ten or more persons at all times relevant to this action, and qualifies as a "person in the course of business" within the meaning of Proposition 65.
 TRUESTAR manufactured, distributed and sold the Covered Products.
- 1.4 The Complaint is based on allegations contained in ERC's Notice of Violation dated May 23, 2014, that was served on the California Attorney General, other public enforcers, and TRUESTAR ("Notice"). A true and correct copy of the Notice is attached as Exhibit A and is hereby incorporated by reference. More than 60 days have passed since the Notice was mailed and uploaded to the Attorney General's website, and no designated

governmental entity has filed a complaint or otherwise diligently prosecuted a matter against TRUESTAR with regard to the Covered Products or the alleged violations.

- 1.5 ERC's Notice and Complaint allege that use of the Covered Products exposes persons in California to lead, a known carcinogen and reproductive toxicant, without first providing clear and reasonable warnings in violation of California Health and Safety Code section 25249.6.
- 1.6 The Parties have entered into this Consent Judgment in order to settle, compromise and resolve disputed claims and thus avoid prolonged and costly litigation. Nothing in this Consent Judgment shall constitute or be construed as an admission or denial by any of the Parties, or by any of their respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers. Except as expressly set forth herein, nothing in this Consent Judgment shall prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any other or future legal proceeding unrelated to these proceedings.
- 1.7 The "Effective Date" of this Consent Judgment is the date on which it is entered as a Judgment by this Court.

2. JURISDICTION AND VENUE

For purposes of this Consent Judgment and any further court action that may become necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction over TRUESTAR as to the acts alleged in the Complaint and requirements stated in this Consent Judgment, that venue is proper in Alameda County, and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all claims up through and including the Effective Date which were or could have been asserted in this action based on the facts alleged in the Notice and Complaint.

3. INJUNCTIVE RELIEF AND WARNINGS

3.1 TRUESTAR represents that both defendants are currently out of the business of

selling dietary supplements. TRUESTAR acknowledges that it has voluntarily made the decision not to produce, sell or offer to sell the Covered Products in California on and after the Effective Date. Should TRUESTAR ever decide to produce, sell or offer to sell the Covered Products in California, TRUESTAR will comply with applicable Proposition 65 requirements and shall be enjoined from manufacturing for sale in the State of California, "Distributing into the State of California", or directly selling in the State of California, any product which exposes a person to a "Daily Exposure Level" of more than 0.5 micrograms per day when the maximum suggested dose is taken as directed on the Covered Product's label, unless it meets the warning requirements under Section 3.2.

- 3.1.1 As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship or cause the direct shipment of a Covered Product into California for sale in California or to sell a Covered Product to a distributor that TRUESTAR knows or has reason to know will sell the Covered Product in California.
- 3.1.2 For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in a recommended dosage appearing on the product label), which equals micrograms of lead exposure per day.

3.2 Clear and Reasonable Warnings

If TRUESTAR is required to provide a warning pursuant to Section 3.1, the following "warning" must be utilized:

WARNING: This product contains lead, a chemical known to the State of California to cause [cancer and] birth defects or other reproductive harm.

TRUESTAR shall use the phrase "cancer and" in the warning only if the maximum daily dose recommended on the label contains more than 15 micrograms of lead as determined pursuant to the Daily Lead Exposure Level methodology set forth in Section 3.1.2.

TRUESTAR shall provide the warning on the following: 1) on TRUESTAR's checkout

page on its website for California consumers identifying each Covered Product. A second warning shall appear prior to completing checkout on the website when a California delivery address is indicated. The purchaser shall be required to accept the warning prior to completing checkout for any of the Covered Products being sold; and 2) on the label or container of TRUESTAR's product packaging for each Covered Product distributed into the State of California as defined in Section 3.1.1.

The warning shall be at least the same size as the largest of any other health or safety warnings also appearing on its website or on the label or container of TRUESTAR's product packaging and the word "WARNING" shall be in all capital letters and in bold print. No other statements about Proposition 65 or lead may accompany the warning.

TRUESTAR must display the above warning(s) with such conspicuousness, as compared with other words, statements, or design of the label or container, as applicable, to render the warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

4. SETTLEMENT PAYMENT

- 4.1 In full satisfaction of all potential civil penalties, payment in lieu of civil penalties, attorney's fees, and costs, TRUESTAR shall make two (2) evenly divided payments of \$32,500.00 each, for a total of \$65,000.00 ("Total Settlement Amount") to ERC with the first payment due and owing fifteen (15) days from the Notice of Entry of Judgment and the second payment due and owing thirty (30) days thereafter. TRUESTAR shall make these payments by wire transfer to ERC's escrow account, for which ERC will give TRUESTAR the necessary account information. The Total Settlement Amount shall be apportioned as follows:
- 4.2 \$17,700.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$13,275.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$4,425.00) of the civil penalty.

4.3 \$2,337.45 shall be distributed to Environmental Research Center as reimbursement to ERC for reasonable costs incurred in bringing this action; and \$13,287.48 shall be distributed to Environmental Research Center in lieu of further civil penalties, for the day-to-day business activities such as (1) continued enforcement of Proposition 65, which includes work, analyzing, researching and testing consumer products that may contain Proposition 65 chemicals, focusing on the same or similar type of ingestible products that are the subject matter of the current action; (2) the continued monitoring of past consent judgments and settlements to ensure companies are in compliance with Proposition 65; and (3) giving a donation of \$665.00 to the Environmental Working Group to address reducing toxic chemical exposures in California.

4.4 \$17,279.59 shall be distributed to Aqua Terra Aeris Law Group as reimbursement of ERC's attorney's fees, pursuant to Code of Civil Procedure Section 1021.5, while \$14,395.48 shall be distributed to ERC for its in-house legal fees under the same statutory authorization.

5. MODIFICATION OF CONSENT JUDGMENT

- 5.1 This Consent Judgment may be modified only (i) by written stipulation of the Parties or pursuant to Section 5.4 and (ii) upon entry by the Court of a modified consent judgment.
- TRUESTAR must provide written notice to ERC of its intent ("Notice of Intent"). If ERC seeks to meet and confer regarding the proposed modification in the Notice of Intent, then ERC must provide written notice to TRUESTAR within thirty days of receiving the Notice of Intent. If ERC notifies TRUESTAR in a timely manner of ERC's intent to meet and confer, then the Parties shall meet and confer in good faith as required in this Section. The Parties shall meet in person or via telephone within thirty (30) days of ERC's notification of its intent to meet and confer. Within thirty days of such meeting, if ERC disputes the proposed modification, ERC shall provide to TRUESTAR a written basis for its position. The Parties shall continue to meet and confer for an additional thirty (30) days in an effort to resolve any remaining disputes.

Should it become necessary, the Parties may agree in writing to different deadlines for the meet-and-confer period.

- 5.3 In the event that TRUESTAR initiates or otherwise requests a modification under Section 5.1, and the meet and confer process leads to a joint motion or application of the Consent Judgment, TRUESTAR shall reimburse ERC its costs and reasonable attorney's fees for the time spent in the meet-and-confer process and filing and arguing the motion or application.
- 5.4 Where the meet-and-confer process does not lead to a joint motion or application in support of a modification of the Consent Judgment, then either Party may seek judicial relief on its own. In such a situation, the prevailing party may seek to recover costs and reasonable attorney's fees. As used in the preceding sentence, the term "prevailing party" means a party who is successful in obtaining relief more favorable to it than the relief that the other party was amenable to providing during the Parties' good faith attempt to resolve the dispute that is the subject of the modification.

6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT JUDGMENT

6.1 This Court shall retain jurisdiction of this matter to enforce, modify or terminate this Consent Judgment.

7. APPLICATION OF CONSENT JUDGMENT

This Consent Judgment applies to, is binding upon, and benefits the Parties and their respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers (excluding private labelers), distributors, wholesalers, retailers, predecessors, successors, and assigns. This Consent Judgment shall have no application to Covered Products which are distributed or sold exclusively outside the State of California and which are not used by California consumers, nor shall it have any preclusive effect or be raised or used as *res judicata* to bar, prevent or preclude any future enforcement against any private labelers or entity not directly under the control and management of TRUESTAR.

8. BINDING EFFECT, CLAIMS COVERED AND RELEASED

- 8.1 This Consent Judgment is a full, final, and binding resolution between ERC, on behalf of itself and in the public interest, and TRUESTAR, of any alleged violation of Proposition 65 or its implementing regulations for failure to provide Proposition 65 warnings of exposure to lead from the handling, use, or consumption of the Covered Products and fully resolves all claims that have been or could have been asserted in this action up to and including the Effective Date for failure to provide Proposition 65 warnings for the Covered Products. ERC, on behalf of itself and in the public interest, hereby discharges TRUESTAR and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, suppliers, franchisees, licensees, customers (not including private label customers of TRUESTAR), distributors, wholesalers, retailers, and all other upstream and downstream entities in the distribution chain of any Covered Product, and the predecessors, successors and assigns of any of them (collectively, "Released Parties"), from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs and expenses asserted, or that could have been asserted, as to any alleged violation of Proposition 65 arising from the failure to provide Proposition 65 warnings on the Covered Products regarding lead.
- 8.2 ERC on its own behalf only, on one hand, and TRUESTAR on its own behalf only, on the other, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notice or Complaint up through and including the Effective Date, provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to enforce the terms of this Consent Judgment.
- 8.3 It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice or the Complaint and relating to the Covered Products will develop or be discovered. ERC on behalf of itself only, on one hand, and TRUESTAR, on the other hand, acknowledge that this Consent Judgment is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefore. TRUESTAR acknowledge that the claims released in Sections 8.1 and 8.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

ERC on behalf of itself only, on the one hand, and TRUESTAR, on the other hand, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

- 8.4 Compliance with the terms of this Consent Judgment shall be deemed to constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead in the Covered Products as set forth in the Notice and the Complaint.
- 8.5 Nothing in this Consent Judgment is intended to apply to any occupational or environmental exposures arising under Proposition 65 nor shall it apply to any of TRUESTAR's products other than the Covered Products.

9. SEVERABILITY OF UNENFORCEABLE PROVISIONS

In the event that any of the provisions of this Consent Judgment are held by a court to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.
