1.5 No Admission

Earth Circle denies the material, factual, and legal allegations contained in As You Sow's Notices of Violation and maintains that the Covered Products sold and distributed in California have been and are in compliance with all laws. Nothing in this Consent Judgment shall be construed as an admission by Earth Circle of any fact, finding, issue of law, or violation of law, nor shall compliance with this Consent Judgment constitute or be construed as an admission by Earth Circle of any fact, finding, conclusion, issue of law, or violation of law. However, this Section shall not diminish or otherwise affect the obligations, responsibilities, and duties under this Consent Judgment.

1.6 Compliance Date

The term "Compliance Date," as used herein, shall be 15 days from the date the Court enters this Consent Judgment.

2. INJUNCTIVE RELIEF

2.1 Product Warnings

No later than the Compliance Date, Earth Circle shall provide the following warning statement on the packaging of all Covered Products produced, distributed, and/or sold in the State of California:

> **WARNING**: This Product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

2.2 On or prior to August 30, 2018, Earth Circle shall replace the warning in Paragraph 2.1 with the warning statement in this Paragraph. If the Notice of Violation for a Covered Product specified that the product contains lead, then the warning statement shall so specify by replacing the bracketed text in the warning statement with the term "lead." If the Notice of Violation for a Covered Product specified that the product contains cadmium, then the warning statement shall so specify by replacing the bracketed text in the warning statement with the term "cadmium."

⚠ **WARNING:** This product can expose you to chemicals including [cadmium or lead], which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

2.3 Earth Circle shall prominently affix or print the warning statement, as set forth in Paragraph 2.1 and 2.2, on the Covered Products' packaging and labeling. The warning statement shall be displayed with such conspicuousness, as compared with other words, statements, designs, or devices on the packaging or labeling of the Covered Products, so as to render the warning statement likely to be read and understood by an ordinary individual under customary conditions of purchase and use.

2.4 The Parties agree that the content and the placement of the warning statement as shown in Exhibits A and C-K, attached hereto, meet the requirements of Paragraph 2.3 of this Consent Judgment. The Parties further agree that the content and the placement of the warning statement as shown in Exhibit B, attached hereto, meets the requirements of Paragraph 2.3 of this Consent Judgment, provided that the formatting of the word "**WARNING**" shall be changed so that it has the same size, font, and spacing as the other text in the warning statement, and is not obscured by any text in the remainder of the warning statement.

2.5 If Earth Circle sells any or all of the Covered Products (wholesale or retail) to customers located in California via an internet site over which it exercises or has the right to exercise control, Earth Circle shall also prominently display the respective warning statements, as set forth in Paragraph 2.1 and 2.2, on the internet site in conjunction with the Covered Product(s). The warning statement shall be displayed in the same type size as the surrounding, non-heading text, either: (a) on the same page, without scrolling, as the order form for the Covered Product(s); (b) on the same page, without scrolling, as the price for the Covered Product(s); or (c) in a dialogue box that appears and is visible when a California address for delivery is provided by the consumer, so long as the dialogue box appears prior to the completion of the internet sale and requires the consumer affirmatively to accept receipt of the warning statement set forth in the dialogue box (the warning statement in the dialogue box shall be displayed in the same type size as the surrounding,

non-heading text on the screen at the time of the appearance of the dialogue box), as a condition precedent to completing the sale.

2.6 If Earth Circle sells any or all of the Covered Products (wholesale or retail) through the website of any internet retailer, or has actual knowledge that any or all of the Covered Products are sold through the website of any internet retailer, Earth Circle shall send by first class mail or overnight delivery, prior to the Compliance Date, a letter requesting that the internet retailer provide a warning statement in the same manner as required under Paragraph 2.5. In the letter, Earth Circle shall request that the internet retailer respond with a written acknowledgement that it will comply with Earth Circle's request. If Earth Circle complies with its obligation to send the letter request described in this Paragraph, Earth Circle shall not be in violation of this Consent Judgment if an internet retailer fails to provide the warnings required under Paragraph 2.5.

2.7 Notwithstanding the above, if As You Sow gives notice to Earth Circle that an internet retailer is selling any or all Covered Products after the Compliance Date without adequate warning, as specified in Paragraphs 2.5 and 2.6, Earth Circle shall notify the retailer that it must provide adequate warning within 60 days of As You Sow's notice to Earth Circle. If the internet retailer does not provide adequate warning within 60 days of As You Sow's notice to Earth Circle, Earth Circle shall no longer sell the Covered Product(s) to that retailer, until such retailer provides written acknowledgement that it will provide the warnings required under Paragraph 2.5.

2.8 If Earth Circle sells any or all of the Covered Products (wholesale or retail) via mail order to customers located in California, Earth Circle shall prominently display the warning statement as required in Paragraph 2.1 or 2.2 in the mail order catalogue in conjunction with the description and/or listing of the Covered Product(s). The warning statement shall appear either on the same page as the order form for the Covered Product(s), or on the same page upon which the price is listed, in the same type size as the surrounding, non-heading text. The warning statement shall be added in the first print run of the mail order catalogue on or after the Compliance Date.

3. **MONETARY RELIEF**

3.1 As reimbursement for As You Sow's attorneys' fees and costs and for civil penalties and additional settlement payments, Earth Circle agrees to make a total payment of $65,960.00 ("Total Monetary Relief") according to the following breakdown:

3.2 Civil Penalties: Earth Circle shall pay a total of $11,500 as a civil penalty pursuant to California Health & Safety Code §25249.12(c)(1) & (d), with 75% of the funds to be remitted to the California Office of Environmental Health Hazard Assessment by As You Sow.

3.3 Additional Settlement Payment: Earth Circle shall pay $8,500 to be used by As You Sow for grants to California non-profit organizations and by the As You Sow Environmental Enforcement Fund. These funds shall be used to reduce or remediate exposures to toxic chemicals and to increase consumer, worker, and community awareness of the health hazards posed by toxic chemicals in California. In deciding among grant proposals, the As You Sow Board of Directors ("Board") takes into consideration a number of important factors, including: (1) the nexus between the harm done in the underlying case(s) and the grant program work; (2) the potential for toxics reduction, prevention, remediation, or educational benefits to California citizens from the proposal; (3) the budget requirements of the proposed grantee and the alternate funding sources available to it for its project; and, (4) the Board's assessment of the proposed grantee's chances for success in its program work. As You Sow shall ensure that all funds will be disbursed and used in accordance with As You Sow's mission statement, articles of incorporation, bylaws, and applicable state and federal laws and regulations.

3.4 Attorneys' Fees and Costs: Earth Circle shall pay $45,960 for attorneys' fees and costs.

3.5 Schedule of Payment: The funds set forth above shall be paid according to the following schedule and in the following form of payment, except that Earth Circle may accelerate any of these payments at any time if it so chooses:

4. CLAIMS COVERED AND RELEASED

4.1 As You Sow's Release of Earth Circle

As to the chemical identified in the Notice of Violation for each Covered Product, this Consent Judgment is a full, final, and binding resolution between Earth Circle and As You Sow, on behalf of itself and in the public interest, of any violation of Proposition 65 that was or could have been asserted by As You Sow, and its past and current agents, representatives, attorneys, successors and/or assignees, against Earth Circle, and each of its parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, shareholders, equity holders, employees, and attorneys, for that Covered Product as it was manufactured, imported, distributed, sold, and/or offered for sale by Earth Circle in California before the Compliance Date.

Maca Powder has been an important staple in the diet of indigenous Andean cultures for over 2,000 years. It grows at altitudes above 10,000 feet where little else survives. Maca is a root vegetable believed to help increase energy, reduce fatigue and improve libido. Ancient Incan warriors were legendary for consuming generous amounts of maca in preparation for battle, significantly maximizing their stamina and energy levels. Maca is an adaptogen, facilitating the body's ability to adapt to and regulate stress responses and balance hormones. Today, athletes of all types benefit from daily maca consumption. Earth Circle Organics' Maca Powder is 100% raw and certified organic, packed with vitamins and minerals for healthy, sustained energy.*

The malty flavor of ECO Maca Powder allows it to blend well with both sweet and savory recipes. Add some to:

- Smoothies and shakes
- Cakes and pastries
- Homemade chocolate
- Energy bars

ORGANIC NORI SHEETS

PERFECT FOR SUSHI ROLLS!

Earth Circle Organics' Nori Sheets are a delicate treat perfect for sushi rolls, seaweed salads and snacks! With a fresh flavor and crispy texture these seaweed wraps offer a boost of nutrition. Nori is a good source of Vitamins A and C, and contains protein, fiber, potassium, and magnesium. ECO Nori Sheets are certified organic, certified kosher, vegan and non-GMO.

Our nori seaweed is cultivated in certified organic growing waters. After harvesting, the nori leaves are washed and spread thinly to dry, then gently milled to create a smooth texture. Instead of being toasted the seaweed remains raw and natural, preserving the wealth of enzymes, vitamins and nutrients. Earth Circle Organics supplies the highest quality, organic and raw nori that we have found available anywhere in the world.

RAW NORI ROLLS

- ECO Nori Sheets
- Favorite Fish, Shrimp or Seasoned Tofu
- Raw Veggies Sliced into Long Strips: Carrots, Cucumbers, Bell Pepper, or Mushrooms
- Prepared Sticky Rice

Place a sheet of organic nori on a flat surface. Cover 2/3 of the nori sheet with a thin layer of sticky rice, using a paddle or spoon to spread evenly.

Position sushi fillings lengthwise in the center of the sheet on top of the rice.

Begin rolling the nori from the edge covered with rice towards the opposite end, keeping the sushi fillings in the center. Dampen the uncovered edge of the nori with water to help seal the roll, and press together to help firm and shape.

Slice the rolls into small, bite-sized pieces using a sharp knife and serve
