COUNTY OF ALAMEDA

10 KING PUN CHENG,  
 11 Plaintiff,  
 12 vs.  
 13 SKF USA INC.; et. al.  
 14 Defendants.

Case No.

UNLIMITED JURISDICTION  
~~STIPULATION AND PROPOSED~~  
ORDER RE ENTRY OF CONSENT  
JUDGMENT AS TO SKF USA INC.

Complaint Filed: March 29, 2017

17 1. Introduction

18 1.1 This Settlement Agreement is hereby entered into by and between Kingpun Cheng,  
 19 as an individual, (hereinafter "Cheng") and SKF USA Inc. (hereinafter "SKF"). SKF and Cheng  
 20 shall be collectively referred to as the "Parties" and each of them as a "Party." Cheng is an  
 21 individual residing in California who seeks to promote awareness of exposures to toxic chemicals  
 22 and improve human health by reducing or eliminating hazardous substances contained in  
 23 consumer products. SKF employs ten or more persons as required for purposes of Cal. Health &  
 24 Safety Code §§ 25249.5 et seq. ("Proposition 65").

26 1.2 Cheng alleges that SKF has offered for sale and sold in the State of California  
 27 whip hose extensions sold by SKF USA, Inc., including but not limited to "Lincoln Whip Hose  
 28

1 Extension" ("Covered Products") containing lead, a chemical listed under Proposition 65 as a  
 2 chemical known to the State of California to cause cancer, birth defects, or other reproductive  
 3 harm, and that they did so without providing the warning Cheng alleges is required by  
 4 Proposition 65.

5  
 6 1.3 For purposes of this Settlement only, SKF represent that: Whip Hose Extension is  
 7 an item it distributed to retailers and consumers (online and storefront) in the state of California.

8 1.4 On or about June 27, 2016, Cheng served SKF, Lincoln Industrial Corporation,  
 9 O'Reilly Automotive, and various public enforcement agencies with a document entitled "60-Day  
 10 Notice of Violation" pursuant to Health & Safety Code §25249.7(d) (the "Notice"), alleging that  
 11 SKF, Lincoln Industrial Corporation, and O'Reilly Automotive were in violation of Proposition  
 12 65 for failing to warn consumers and customers that the Covered Products exposed users in  
 13 California to lead. No public enforcer diligently prosecuted the claims threatened in the Notice  
 14 within sixty days plus service time after service of the Notice to them by Cheng.

15  
 16 1.5 For purposes of this Settlement only, the Parties stipulate that in the event that  
 17 enforcement of this Settlement or a dispute arises regarding this Settlement, the Superior Court of  
 18 California, County of Alameda has proper jurisdiction over SKF as to the allegations contained in  
 19 the 60 day notice served on or about June 27, 2016, and that venue is proper in the County of  
 20 Alameda.

21  
 22 1.6 For purposes of this Private Settlement, the term "Effective Date" shall mean the  
 23 date on which notice of the approval and entry of this Consent Judgment by the Court is received  
 24 by SKF.

25 **2. Injunctive Relief**

26  
 27  
 28

1 Commencing on the Effective Date, SKF shall only sell, offer for sale, or distribute for  
2 sale in California, Covered Products that are either (a) reformulated pursuant to Section 2.1 or (b)  
3 include a warning as provided in Section 2.3.

4 2.1 Reformulation Option. The Covered Products shall be deemed to comply with  
5 Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements  
6 for lead if the exposed brass or other metal components that are part of the Covered Products  
7 meet the following criteria: the alloy from which the components are made shall have a lead  
8 content by weight of no more than 0.03% (300 parts per million, or "300 ppm"). SKF shall  
9 comply with the above requirements by obtaining test results showing that the lead content is no  
10 more than 0.03%, using a method of sufficient sensitivity to establish a limit of quantification (as  
11 distinguished from detection) of less than 300 ppm and providing a copy of said results to  
12 Plaintiff.  
13

14  
15 2.2 Warning Alternative. As an alternative to reformulating the Covered Products,  
16 within 180 days of the Effective Date, Covered Products that SKF ships for sale, sells or offers  
17 for sale in California that do not meet the Reformulation Option set forth in Section 2.1 above  
18 shall be accompanied by a warning as described in Section 2.3 below.

19 2.3 Warnings. Where required under Section 2.2 above, SKF shall provide Proposition  
20 65 warnings substantially as follows:  
21

22 WARNING: This product contains chemicals known to the State of California to cause  
23 cancer, birth defects or other reproductive harm.

24 2.4 Where utilized as an alternative to meeting the criteria set forth in Section 2.1,  
25 SKF shall provide the warning language set forth in Section 2.3 either with the unit package of  
26 the Covered Products or affixed to the Covered Products. Such warning shall be prominently  
27 affixed to or printed on each Product's label or package or the Product itself. If printed on the  
28

1 label, the warning shall be contained in the same section that states other safety warnings, if any,  
2 concerning the use of the Product.

3 2.5 The requirements for warnings, set forth in Section 2.3 above are imposed  
4 pursuant to the terms of this Settlement. The Parties recognize that these are not the exclusive  
5 methods of providing a warning under Proposition 65 and its implementing regulations and that  
6 they may or may not be appropriate in other circumstances.  
7

8 2.6 If Proposition 65 warnings for lead or lead compounds, or other specified  
9 chemicals, should no longer be required, SKF shall have no further warning obligations pursuant  
10 to this Settlement. In the event that a change in the law requires modification of such warnings,  
11 SKF may cease to implement or may modify the warnings required under this Settlement in  
12 compliance with the change in the law per Section 11 of this Settlement. In the event that the  
13 Office of Environmental Health Hazard Assessment promulgates one or more regulations  
14 requiring or permitting warning text and/or methods of transmission different than those set forth  
15 above, SKF shall be entitled to use, at its discretion, such other warning text and/or method of  
16 transmission without being deemed in breach of this Settlement per Section 11 of this Settlement.  
17

18 **3. Entry of Consent Judgment**

19 3.1 With regard to all claims that have been raised or which could be raised with  
20 respect to failure to warn pursuant to Proposition 65 with regard to lead in the Covered Products  
21 and because opportunities for exposure are minimal due to the nature and expected use of the  
22 product, SKF shall pay a civil penalty of \$1,000 pursuant to Health and Safety Code section  
23 25249.7(b), to be apportioned in accordance with California Health & Safety Code § 25192, with  
24 75% of these funds remitted to the State of California's Office of Environmental Health Hazard  
25 Assessment and the remaining 25% of the penalty remitted to Cheng, as provided by California  
26 Health & Safety Code § 25249.12(d) and the instructions directly below.  
27  
28

1 SKF shall issue two separate checks for the penalty payment: (a) one check made payable  
2 to "OEHHA" (tax identification number: 68-0284486) in an amount representing 75% of the total  
3 penalty (i.e., \$750; and (b) one check in an amount representing 25% of the total penalty (i.e.,  
4 \$250) made payable directly to Cheng. SKF shall mail these payments within fourteen (14) days  
5 after the Effective Date at which time such payments shall be mailed to the following addresses  
6 respectively:

20 under the private attorney general doctrine and principles of contract law. Under these legal  
21 principles, SKF shall reimburse Cheng's counsel for fees and costs incurred as a result of  
22 investigating, bringing this matter to SKF's attention, and negotiating a settlement. SKF shall pay  
23 Cheng's counsel \$21,000 for all attorneys' fees, expert and investigation fees, and related costs  
24 associated with this matter and the Notice. SKF shall wire said monies or send a check payable to
