SUPERIOR COURT OF THE STATE OF CALIFORNIA  
FOR THE COUNTY OF ALAMEDA

CENTER FOR ENVIRONMENTAL HEALTH,	)	Case No. RG 16-834958
Plaintiff,	)	[PROPOSED] CONSENT JUDGMENT
v.	)	AS TO DAIHOS U.S.A., INC.
DS SERVICES OF AMERICA, INC., <i>et al.</i> ,	)	
Defendants.	)	

**1. INTRODUCTION**

1.1 The Parties to this Consent Judgment are the Center For Environmental Health (“CEH”), a California non-profit corporation, and Daihos U.S.A., Inc., a California corporation (“Settling Defendant”). CEH and Settling Defendant are referred to herein individually as a “Party” and together as the “Parties.”

1.2 CEH and Settling Defendant (the “Parties”) enter into this Consent Judgment to settle certain claims asserted by CEH against Settling Defendant as set forth in the operative

1 complaint (“Complaint”) in the above-captioned matter. This Consent Judgment covers water  
2 bottles made of polycarbonate plastic (“Covered Products”) that are sold or offered for sale by  
3 Settling Defendant in the State of California. CEH alleges that the Covered Products leach  
4 bisphenol A (“BPA”) into drinking water.

5 1.3 Settling Defendant is a corporation that manufactures, distributes, sells or offers for  
6 sale in the State of California drinking water that is packaged in Covered Products.

7 1.4 On September 30, 2016, CEH provided a 60-day Notice of Violation of Proposition  
8 65 to the California Attorney General, the District Attorneys of every county in California, the  
9 City Attorneys of every California city with a population greater than 750,000 and to Settling  
10 Defendant, alleging that Settling Defendant violated Proposition 65 by exposing persons to BPA  
11 contained in drinking water that is packaged in Covered Products without first providing a clear  
12 and reasonable Proposition 65 warning.

13 1.5 On October 13, 2016, CEH filed the Complaint in the above-referenced matter. On  
14 February 10, 2017, CEH amended the Complaint in the above-captioned matter to add Settling  
15 Defendant as a named defendant.

16 1.6 For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
17 jurisdiction over the allegations of violations contained in the Complaint and personal jurisdiction  
18 over Settling Defendant as to the acts alleged in the Complaint, that venue is proper in the County  
19 of Alameda and that this Court has jurisdiction to enter and enforce this Consent Judgment as a  
20 full and final resolution of all claims which were or could have been raised in the Complaint  
21 based on the facts alleged therein with respect to Covered Products manufactured, distributed or  
22 sold by Settling Defendant.

23 1.7 Nothing in this Consent Judgment is or shall be construed as an admission by the  
24 Parties of any fact, conclusion of law, issue of law or violation of law, nor shall compliance with  
25 the Consent Judgment constitute or be construed as an admission by the Parties of any fact,  
26 conclusion of law, issue of law or violation of law. Nothing in this Consent Judgment shall  
27 prejudice, waive or impair any right, remedy, argument or defense the Parties may have in any  
28

1 other pending or future legal proceedings. This Consent Judgment is the product of negotiation  
2 and compromise and is accepted by the Parties solely for purposes of settling, compromising and  
3 resolving issues disputed in this Action.

4 **2. INJUNCTIVE RELIEF**

5 **2.1 Reformulation of Covered Products.** As of May 1, 2017, Settling Defendant  
6 represents that it held an inventory of approximately [40,000] Covered Products for use in  
7 delivering drinking water to consumers in California (the "Inventory"). On or before the date of  
8 approval of this Consent Judgment by the Court (the "Effective Date"), Settling Defendant shall  
9 implement a polycarbonate bottle retirement program (the "Retirement Program"). Under the  
10 Retirement Program, Settling Defendant will not purchase, lease or place into its Inventory any  
11 new polycarbonate bottles for use in the sale and delivery of drinking water in California. In  
12 addition, Settling Defendant will retire its entire Inventory of polycarbonate water bottles by  
13 either replacing Covered Products with water bottles made from polyethylene terephthalate  
14 ("PET") or another material that is not made of polycarbonate and does not contain BPA, or  
15 ceasing use of Covered Products. Under the Retirement Program, Settling Defendant shall retire  
16 the following number of Covered Products from circulation as follows:

17 A minimum of 5,490 shall be retired by December 31, 2017.

18 A minimum of 14,900 shall be retired by December 31, 2018.

19 A minimum of 24,310 shall be retired by December 31, 2019.

20 A minimum of 33,720 shall be retired by December 31, 2020.

21 Settling Defendant shall complete the Retirement Program no later than August 31, 2021. After  
22 that, Settling Defendant shall not sell or deliver or otherwise provide any bottled water in  
23 Covered Products. Should Settling Defendant enter into a transaction such as the sale of part of  
24 its business or the acquisition of another business, which results in an increase or decrease in the  
25 number of Covered Products in its Inventory, Settling Defendant may adjust the schedule above  
26 on a pro-rated basis, such that all Covered Products will be retired by August 31, 2021. In such  
27

28

1 case, Settling Defendant shall notify CEH of the change to its Inventory and the related pro-rata  
2 adjustment to the retirement schedule.

3           **2.2 Visual Inspection.** CEH believes that polycarbonate bottles leach as the bottles  
4 age and undergo additional wash cycles. Accordingly, in determining which polycarbonate  
5 bottles to remove from circulation first under the Retirement Program, Settling Defendant shall  
6 use best efforts to first remove older bottles that have been in use for the longest period of time  
7 and undergone the most wash cycles. Under the Retirement Program, Settling Defendant shall  
8 periodically perform a visual inspection of all bottles in inventory in order to identify the oldest  
9 bottles that have been washed the most times for priority removal. The visual inspection shall  
10 include looking for visible wear and cracks, date or other identity stamps or labelling that would  
11 indicate bottle age as well as using knowledge of the origin or time certain bottles were acquired  
12 in an effort to ensure that the oldest bottles that have undergone the most wash cycles are  
13 removed from circulation first.

14           **2.3 Documentation.** Settling Defendant shall keep records and documentation  
15 sufficient to establish its compliance with the requirements of the Retirement Program, including  
16 but not limited to documentation regarding the purchase of new non-polycarbonate bottles, the  
17 periodic removal from circulation of polycarbonate bottles and the visual inspections to identify  
18 bottles to be replaced. Settling Defendant shall retain such records for a period of five years after  
19 the Effective Date and promptly make such records and documentation available to CEH upon  
20 written request.

### 21 **3. ENFORCEMENT**

22           **3.1 Enforcement Procedures.** Prior to bringing any motion or order to show cause to  
23 enforce the terms of this Consent Judgment, a Party seeking to enforce shall provide the violating  
24 party thirty (30) days advanced written notice of the alleged violation. The Parties shall meet and  
25 confer during such thirty (30) day period, exchanging any relevant information, in an effort to try  
26 to reach agreement on an appropriate cure for the alleged violation absent Court intervention.  
27 After such thirty (30) day period, the Party seeking to enforce may, by , motion or order to show  
28

1 cause before the Superior Court of Alameda County, seek to enforce the terms and conditions  
2 contained in this Consent Judgment.

3 **4. PAYMENTS**

4 **4.1 Payments by Settling Defendant.** On or before five (5) days after the Effective  
5 Date, Settling Defendant shall pay the total sum of \$60,000 as a settlement payment as further set  
6 forth in this Section.

7 **4.2 Allocation of Payments.** The total settlement amount for Settling Defendant shall  
8 be paid in five (5) separate checks in the amounts specified below and delivered as set forth  
9 below. Any failure by Settling Defendant to comply with the payment terms herein shall be  
10 subject to a stipulated late fee to be paid by Settling Defendant in the amount of \$100 for each  
11 day the full payment is not received after the applicable payment due date set forth in Section 4.1.  
12 The late fees required under this Section shall be recoverable, together with reasonable attorneys'  
13 fees, in an enforcement proceeding brought pursuant to Section 3 of this Consent Judgment. The  
14 funds paid by Settling Defendant shall be allocated as set forth below between the following  
15 categories and made payable as follows:

16 **4.2.1** Settling Defendant shall pay \$8,016 as a civil penalty pursuant to Health &  
17 Safety Code §25249.7(b). The civil penalty payment shall be apportioned in accordance with  
18 Health & Safety Code §25249.12 (25% to CEH and 75% to the State of California's Office of  
19 Environmental Health Hazard Assessment ("OEHHA")). Accordingly, the OEHHA portion of

12 CEH pursuant to Health & Safety Code § 25249.7(b), and California Code of Regulations, Title  
13 II, § 3204 in the amount of \$6,012. CEH intends to place these funds in CEH’s Toxics in Food  
14 Fund and use them to support CEH programs and activities that seek to educate the public about  
15 BPA and other toxic chemicals in food, to work with the food industry and agriculture interests to  
16 reduce exposure to BPA and other toxic chemicals in food, and to thereby reduce the public  
17 health impacts and risks of exposure to BPA and other toxic chemicals in food sold in California.  
18 CEH shall obtain and maintain adequate records to document that ASPs are spent on these  
19 activities and CEH agrees to provide such documentation to the Attorney General within thirty  
20 days of any request from the Attorney General. The payments pursuant to this Section shall be

3 Defendant, after noticed motion, and upon entry of a modified consent judgment by the Court  
4 thereon, or upon motion of CEH or Settling Defendant as provided herein or as otherwise  
5 provided by law, and upon entry of a modified consent judgment by the Court. Grounds for  
6 modification may include any that are permitted by law, including but not limited to a change in  
7 Proposition 65 or its implementing regulations or preemption or lack of preemption of

20 that are under common ownership, directors, officers, employees, agents, shareholders,  
21 successors, assigns, and attorneys (“Defendant Releasees”), and all entities to which Settling  
22 Defendant distributes or sells Covered Products, such as distributors, wholesalers, customers,  
23 retailers, franchisees, licensors and licensees (“Downstream Defendant Releasees”), of any  
24 violation of Proposition 65 based on failure to warn about alleged exposure to BPA contained in  
25 the Covered Products that were sold, distributed, used, or offered for sale by Settling Defendant  
26 prior to the Effective Date (the “Released Products”).

27             6.2    Provided that Settling Defendant complies in full with its obligations under Section

5 public interest regarding the failure to warn about exposure to BPA arising in connection with the  
6 Released Products.

7 6.3 Provided that Settling Defendant complies in full with its obligations under Section  
8 4 hereof, compliance with the terms of this Consent Judgment by Settling Defendant and  
9 Defendant Releasees shall constitute compliance with Proposition 65 by Settling Defendant,  
10 Defendant Releasees and Downstream Defendant Releasees with respect to any alleged failure to  
11 warn about BPA in Covered Products manufactured, distributed or sold by Settling Defendant  
12 after the Effective Date.
