18 **1. INTRODUCTION**

19 **1.1** On May 31, 2017, Plaintiff CENTER FOR ADVANCED PUBLIC AWARENESS,
20 INC. ("CAPA"), a non-profit corporation, in the public interest as a private enforcer, commenced
21 this action by filing a Complaint for Permanent Injunction, Civil Penalties and Other Relief (the
22 "Complaint") pursuant to the provisions of California Health and Safety Code, section 25249.5 *et*
23 *seq.* ("Proposition 65"), against SOUTH BAY HEALING CENTER, INC., doing business as
24 AIRFIELD SUPPLY CO. ("Defendant") in Santa Clara County Superior Court Case No.
25 17CV311162 ("Action"). In this action, CAPA alleges that Defendant produced, processed,
26 marketed, offered to sell, sold, and/or distributed for sale in the State of California marijuana
27 intended for smoking, the consumption and use of which results in the generation of marijuana

CASE NO. 17CV311162

1 smoke, without first providing the clear and reasonable exposure warning required by Proposition
2 65. Marijuana smoke is listed pursuant to Proposition 65 as a chemical that is known to the State of
3 California to cause cancer. These products, including flowers, leaves, stems, and other organic
4 parts of marijuana plants (referred to hereinafter individually as a "Subject Product" or collectively
5 as "Subject Products") are cannabis or marijuana intended for combustion via smoking and then
6 inhalation. The intended and foreseeable consumption and use (inhalation) of the Subject Products
7 that are produced, processed, marketed, distributed, offered for sale and/or sold by Defendant in
8 California allegedly results in exposures to marijuana smoke. Plaintiff alleges such exposures
9 require a clear and reasonable Proposition 65 warning, but no such warning was given.

10 **1.2** CAPA and Defendant are hereinafter referred to individually as a "Party" or
11 collectively as the "Parties."

12 **1.3** CAPA is a California non-profit corporation that, among other purposes and causes it
13 is dedicated to, provides information about the hazards of toxins in consumer products, protects the
14 public health by preventing pollution and toxics from being discharged, released or emitted into the
15 environment, and enforces state and federal laws in protection of consumers and the environment.

16 **1.4** Defendant is a California non-profit corporation that, among other purposes and
17 causes it is dedicated to, provides medical cannabis to ill Californians pursuant to the current laws
18 of the State of California and the current laws of the City of San Jose. Defendant is a collective and
19 only provides products to its registered patient members.

20 **1.5** For purposes of this Consent Judgment, the Parties agree that Defendant is a business
21 entity that has employed ten or more persons for all of the alleged violation period, and qualifies as
22 a "person in the course of doing business" within the meaning of Proposition 65. Defendant
23 provides the Subject Products to registered members.

24 **1.6** The Complaint is based on allegations contained in CAPA's Notice of Violation
25 dated January 20, 2017, that was served on the California Attorney General, other public enforcers,
26 and Defendant ("Notice of Violation" or "NOV"). More than 60 days, plus five (5) days for
27 mailing, have passed since the NOV was mailed and uploaded to the Attorney General's website,
28

1 and no designated governmental entity has diligently prosecuted this matter, as exemplified by the
2 filing of the Complaint against Defendant with regard to the Subject Products or the alleged
3 violations.

4 **1.7** CAPA's NOV and Complaint allege that use of the Subject Products exposes
5 persons in California to marijuana smoke without first providing clear and reasonable warnings in
6 violation of California Health and Safety Code, section 25249.6. Defendant denies all material
7 allegations contained in the Notice and Complaint.

8 **1.8** The Parties have entered into this Consent Judgment in order to settle, compromise
9 and resolve disputed claims and thus avoid prolonged and costly litigation. Nothing in this Consent
10 Judgment shall constitute or be construed as an admission by any of the Parties, or by any of their
11 respective officers, directors, shareholders, employees, agents, parent companies, or its subsidiaries
12 or divisions. Except for the representations made above, nothing in this Consent Judgment shall be
13 construed as an admission by the Parties of any fact, issue of law, or violation of law, nor shall
14 compliance with this Consent Judgment be construed as an admission by the Parties of any fact,
15 issue of law, or violation of law, at any time, for any purpose.

16 **1.9** Except as expressly set forth herein, nothing in this Consent Judgment shall
17 prejudice, waive, or impair any right, remedy, argument, or defense the Parties have in any other or
18 future legal proceeding unrelated to these proceedings.

19 **1.10** The "Effective Date" of this Consent Judgment is the date on which this
20 Court approves and the Judgment becomes final.

21 **2. JURISDICTION AND VENUE**

22 **2.1** The Parties stipulate and agree that the Superior Court of California, County of Santa
23 Clara has subject matter jurisdiction over the matters alleged in this action and personal jurisdiction
24 over the Parties to this Final Judgment. The Parties further stipulate that venue is proper in Santa
25 Clara County, and that this Court has jurisdiction and authority to enter a full and final resolution of
26

1 all claims, which were or could have been brought in this action based on the allegations contained
2 in the NOV and/or Complaint.

3 **3. INJUNCTIVE RELIEF AND WARNINGS TO BE PROVIDED**

4 **3.1** Pursuant to the provisions of California Health & Safety Code, section 25249.7,
5 subdivision (a), Defendant shall be enjoined to comply with, and prohibited from violating or
6 threatening to violate 24249.6 et seq., and its implementing regulations California Code of
7 Regulations, title 27, sections 25601 et seq., as may be revised.

8 Commencing on or before the Effective Date, and for a period of three (3) years
9 thereafter, Defendant shall be enjoined to provide a Clear and Reasonable Warning as
10 set forth in Section 3.2.

11
12 Nothing in this Consent Judgment shall be interpreted to prohibit Defendant from modifying
13 the warning text to also reference reproductive harm in compliance with California Code of
14 Regulations, title 27, sections 25601 *et seq.*, as may be amended. At its sole discretion, Defendant
15 may use additional Proposition 65 warning text, consistent with California Code of Regulations,
16 title 27, section 25601 *et seq.*, as may be amended, regarding reproductive harm should Defendant
17 supply, manufacture, distribute, offer for sale or sell such products requiring a reproductive harm
18 warning. If Defendant is required to provide a warning for reproductive harm, Defendant may use
19 the bracketed language, below in Section 3.2.1, without further approval by the Court.

20 **3.2 Clear and Reasonable Warnings**

21 **3.2.1 In-Store or Product Label Warnings.** Defendant shall either 1) post in-
22 store warning signs (“In-Store Warnings”) or 2) affix a warning label to the packaging, labeling, or
23 directly on each Subject Product (“Product Label Warning”) sold in retail store(s) or through a
24 delivery service, if any, in California.

25 In-Store Warnings shall be provided at two or more of the following locations: a) at or near
26 each cash register in the store; b) at or near each display case in the store; or c) at or near the
27 entrance to the store. The warnings shall be at least 8 inches by 10 inches, and posted at a height
28

1 and location that will make it conspicuous and easy to read for the average person. The text of the
2 warning shall be printed in black ink, in a font that is easy to read and legible, but in no case less
3 than a size 34 font.

4 The text of Product Label Warnings shall be printed in black ink, in a font that is easy to
5 read and legible. The warning text shall be in a type size no smaller than the largest type size used
6 for other consumer information on the product and, in no case, shall the warning appear in a type
7 size smaller than 6-point type. The warning shall be securely affixed to (via a label) or printed upon
8 the container, label, or labeling of each Subject Product. Employees may not write over the text of
9 the warning for any reason.

10 The warning must be substantially similar to the following and may also include, but is not
11 required to include, a warning concerning birth defects or other reproductive harm (bracketed []
12 language below may be added at the sole discretion of Defendant):

13 **WARNING: This product contains a chemical (Marijuana Smoke) known to**
14 **the State of California to cause cancer [and other chemicals that**
15 **may cause birth defects or other reproductive harm].**

16 or

17  **WARNING: Smoking [or consuming] marijuana products can expose you to**
18 **chemicals including marijuana smoke, which is known to the**

reproductive harm]. For more information go to
www.P65Warnings.ca.gov.

21 or

22  **WARNING: Cancer [and Reproductive Harm]- www.P65Warnings.ca.gov.**

23 If, as set forth above, a Product Label Warning label is utilized, then no other warnings are
24 required.

25 If a Product Label Warning label is not utilized and only an In-Store Warning is utilized,
26 then Defendant must also provide one of the following warnings as set forth in Sections 3.2.2 and

3.2.2 Internet Website Warning. If Defendant maintains a website, then, for all Subject Products that are advertised on a website as offered for sale at Defendant’s dispensary or available for delivery directly to Defendant’s dispensary members, a warning that complies with the content requirements of Section 25603(a) and Section 3.2.1 above must also be provided by including either the warning or a clearly marked hyperlink using the word “WARNING” on the Subject Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If an on-product warning is provided as set forth above, the warning provided on the website may use the same content as the on-product warning. No statements, whether intended or reasonably likely to have the effect of diminishing the meaning or impact of, or decreasing the clarity or conspicuousness of, shall accompany the warning such that it may affect how the warning is understood by a lay consumer/patient.

3.2.3 Membership Warning. Defendant shall provide a warning in its Membership Agreement which states “**WARNING: Certain products, dispensed at our dispensary, can expose you to chemicals including Marijuana Smoke, which is known to the state of California to cause cancer[, and _____, which is known to the State of California to cause birth defects or other reproductive harm].** For more information, go to www.P65Warnings.ca.gov.” This Warning shall be printed in black ink, in a font that is no smaller than the type on the rest of the page, and separated from its surrounding text.

4. SETTLEMENT PAYMENT

4.1 In full satisfaction of all potential civil penalties, additional settlement payments, attorney’s fees, and costs, Defendant shall pay \$75,000.00 (“Total Settlement Amount”). Total Settlement Amount (\$75,000.00) shall be paid within twenty-one (21) days after the Effective Date. The Total Settlement Amount shall be apportioned as follows:

4.2 Penalty Amount: \$23,907.10 shall be considered a civil penalty pursuant to California Health and Safety Code section 25249.7, subdivision (B)(1). CAPA shall remit 75% of the civil penalty, or \$17,930.33, to the Office of Environmental Health Hazard Assessment

1 (“OEHHA”) for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance
2 with California Health and Safety Code, section 25249.12, subdivision (c). CAPA will retain the
3 remaining 25%, or \$5,976.77, of the civil penalty.

4 **4.3 Costs:** \$1,380.90 shall be distributed to CAPA as reimbursement for reasonable
5 costs incurred in bringing this action.

6 **4.4 Attorneys Fees Amount:** \$34,993.00 shall be distributed to Aqua Terra Aeris Law
7 Group (“ATA”) for legal fees and costs incurred as a result of this matter, including investigating,
8 bringing this matter to Defendant’s attention, litigating, and negotiating a settlement in the public
9 interest. Defendant shall make the payment by wire transfer to ATA’s escrow account, for which
10 ATA will give Defendant the necessary account information, or other reasonable commercial
11 method within twenty-one (21) days of the Court’s approval and entry of this Consent Judgment.

12 **4.5 Additional Settlement Payment:** \$14,719.00 shall be distributed to CAPA as an
13 Additional Settlement Payment (“ASP”), pursuant to California Code of Regulations, title 27,
14 sections 3203, subdivision (d), and 3204. CAPA will utilize the ASP for activities that address the
15 same public harm as alleged in the NOV. These activities are detailed below and support CAPA’s
16 overarching goal of reducing use, misuse and exposure to hazardous and toxic chemicals, fostering
17 and increasing the public awareness of chemicals inherent in consumer products, facilitating a safe
18 environment for consumers and employees, and encouraging corporate responsibility. CAPA
19 believes its activities have had, and will continue to have, a direct and primary effect within the
20 State of California because California consumers will be benefitted by the reduction of exposure to
21 marijuana smoke and increase informed choices made by patients and consumers by providing clear
22 and reasonable warnings to California consumers prior to exposure resulting from purchase of the
23 Subject Products.

24 CAPA on its own and not Defendant’s behalf hereby provides the following list of activities
25 CAPA engages in to protect California consumers through Proposition 65 citizen enforcement,
26 along with a breakdown of how ASP funds will be utilized to facilitate those activities: (1)
27 ENFORCEMENT (70%-80%): investigating, obtaining, shipping, analyzing, and/or testing Subject
28

1 Products that may contain carcinogenic chemicals contained in marijuana smoke and are sold to and
2 expose California consumers to chemicals listed under Proposition 65; continued monitoring and
3 enforcement of past consent judgments and settlements to ensure companies are in compliance with
4 their obligations thereunder, with a specific focus on those judgments and settlements concerning
5 chemicals of concern (which necessarily includes additional work, investigating, purchasing,
6 processing, analyzing and/or testing consumer products; litigating matters that result in settlements,
7 judgments, defaults, bankruptcies, or dismissals); (2) PUBLIC OUTREACH (up to 5%): public
8 outreach programs including maintaining CAPA's blog, website, and social media accounts; (3)
9 SPECIAL PROJECTS (up to 5%): projects including obtaining expert and legal opinions not
10 specific to any one case that are necessary to the continued private enforcement of Proposition 65;
11 and/or (4) PRODUCT DATABASE (up to 5%): maintaining a database with all products sold to
12 California consumers that CAPA has obtained which could cause an exposure to marijuana smoke
13 or other toxic, carcinogenic or reproductive harms.

14 CAPA will maintain adequate records to document that the funds paid as an ASP are spent
15 on the activities described herein. CAPA shall provide the Attorney General, within thirty days of
16 any request, copies of documentation demonstrating how such funds have been spent.
17

18 **4.6** In the event that Defendant fails to remit the Total Settlement Payment owed under
19 Section 4 of this Consent Judgment within twenty-one (21) days of the Effective Date, Defendant
20 shall be deemed to be in material breach of its obligations under this Consent Judgment. CAPA
21 shall provide written notice of the delinquency to Defendant's counsel via electronic mail. If
22 Defendant fails to deliver the Total Settlement Payment within five (5) after the written notice, the
23 Total Settlement Payment shall become immediately due and payable and shall accrue interest at
24 the statutory judgment interest rate provided in the Code of Civil Procedure, section 685.010.
25 Additionally, Defendant agrees to pay ATA's reasonable attorney fees and costs for any efforts to
26 collect the payment due under this Consent Judgment.
27
28

1 4.7 Defendant shall provide CAPA's counsel with separate 1099 forms for each of its
2 payments under this Consent Judgment to:

- 3 (a) "Office of Environmental Health Hazard Assessment," P.O. Box 4010,
4 Sacramento, CA 95814 (EIN: 68-0284486) for civil penalties paid;
- 5 (b) "Center for Advanced Public Awareness, Inc.," whose address and tax
6 identification number shall be furnished after this Consent Judgment has been
7 fully executed by the Parties, for its 25% portion of penalties and reasonable
8 costs incurred in bringing this action, pursuant to Sections 4.2 and 4.3,
9 respectively.
- 10 (c) "Aqua Terra Aeris Law Group," for attorneys' fees and costs reimbursed
11 pursuant to Section 4.4.

12 For any payment that is returned for insufficient funds, payment must be made by a
13 cashier's check within ten (10) calendar days of notification of insufficient funds.

14 **5. CLAIMS COVERED AND RELEASED**

15 **5.1 Plaintiff's Public Binding Release of Proposition 65 Claims.** This Consent
16 Judgment is a full, final, and binding resolution between CAPA, acting on behalf of itself and in the
17 public interest, and Defendant, and its parents, subsidiaries, directors, members, officers,
18 employees, attorneys, and for those affiliated entities under common ownership (collectively,
19 "Releasees") related to any violation of Proposition 65 that was or could have been asserted by
20 CAPA, on behalf of itself, against Releasees for unwarned exposures to marijuana smoke from the
21 Subject Products produced, processed, marketed, offered for sale, sold or distributed for sale in
22 California by Defendant prior to the Effective Date. Compliance with the terms of this Consent
23 Judgment constitutes compliance with Proposition 65 with respect to exposures to marijuana smoke
24 from the Products sold by or through Defendant after the Effective Date.

25 **5.2 CAPA's Individual Release of Claims.** CAPA, on its own behalf, also provides a
26 release herein which shall be effective as a full and final accord and satisfaction, as a bar to all
27 actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims,
28

1 liabilities and demands of CAPA of any nature, character or kind, whether known or unknown,
2 suspected or unsuspected, arising out of alleged or actual exposures to marijuana smoke in the
3 Subject Products grown, cultivated, processed or sold or distributed for sale by Defendant in
4 California before the Effective Date.

5 **5.3 Defendant's Release of CAPA.** Defendant, on its own behalf and on behalf of its
6 past and current agents, members, representatives, attorneys, successors, and assignees, hereby
7 waives any and all claims that it may have against CAPA and its attorneys and other
8 representatives, for any and all actions taken or statements made (or those that could have been
9 taken or made) by CAPA and its attorneys and other representatives, whether in the course of
10 investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter.

11 **5.4 California Civil Code, Section 1542.** It is possible that other claims not known to
12 the Parties arising out of the facts alleged in the Notice and relating to the Subject Products will
13 develop or be discovered. CAPA on its behalf only, on one hand, and Defendant, on the other hand,
14 acknowledge that this Consent Judgment is expressly intended to cover and include all such claims
15 up through the Effective Date, including all rights of action therefor. CAPA and Defendant
16 acknowledge that the claims released in Sections 5.2 and 5.3 above may include unknown claims,
17 and nevertheless waive California Civil Code, section 1542 as to any such unknown claims.
18 California Civil Code, section 1542 reads as follows:

19 **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH**
20 **THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS**
21 **OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE,**
WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY
AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

22 CAPA and Defendant each acknowledge and understand the significance and consequences
23 of this specific waiver of California Civil Code, section 1542.

24 **6. COURT APPROVAL**

25 This Consent Judgment has no force or effect until it is approved and entered by the Court
26 and shall be null and void if, for any reason, it is not approved and entered by the Court within one
27 year after it has been fully executed by all Parties.

1 **7. SEVERABILITY**

2 If, subsequent to the execution of this Consent Judgment, any provision of this Consent
3 Judgment is held by a court to be unenforceable, the validity of the remaining provisions shall not
4 be adversely affected.

5 **8. GOVERNING LAW AND CONTINUING JURISDICTION**

6 The terms of this Consent Judgment shall be governed by the laws of the state of California
7 and apply within the state of California. Pursuant to Code of Civil Procedure section 664.6, the
8 Court retains jurisdiction over this matter and terms of the Judgment contained herein. In the event
9 Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to
10 the Subject Products, then Defendant may provide written notice to CAPA of any asserted change
11 in the law, and have no further obligations pursuant to this Consent Judgment, with respect to, and
12 to the extent that, the Subject Products are so affected. Nothing in this Consent Judgment shall be
13 interpreted to relieve Defendant from any obligation to comply with any pertinent state laws
14 concerning labeling, warning or toxics in consumer products. If OEHHA or other governmental
15 body with authority promulgates regulations setting forth warning text and/or methods of
16 transmission required or permitted to be used under Proposition 65 for exposures to marijuana
17 smoke in the Subject Products as defined herein, then at its sole discretion Defendant may use such
18 other warning text and/or method of transmission, without being deemed in breach of this Consent
19 Judgment, provided that Defendant sends written notice of this decision and includes the content
20 and means of transmission of the warning to CAPA sixty (60) days in advance of implementing any
21 such changes. CAPA shall have an opportunity to provide comments and to meet and confer
22 regarding the proposed changes before they are fully implemented.

25 this Consent Judgment shall be in writing and sent by: (i) personal delivery; (ii) first-class mail,

24 Judgment entered by the Court, the Parties shall meet and confer in person, in writing or via
25 telephone to attempt to resolve the dispute in an amicable and amenable fashion. No action or
26 motion may be filed unless such a good faith attempt to resolve the dispute occurs before such a
27 filing.

28

1 CAPA may, by motion or order to show cause before this Court, seek to enforce the terms
2 and conditions contained in this Consent Judgment. CAPA may seek whatever penalties/fines,
3 costs, fees or other remedies are provided for in the Consent Judgment or allowed by law for failure
4 to comply with the Consent Judgment. To the extent that the alleged failure to comply with the
5 Consent Judgment constitutes a violation of Proposition 65 or other laws, CAPA shall not be
6 limited to enforcement of this Consent Judgment and may seek, in a separately filed action,
7 whatever penalties/fines, costs, fees or other remedies as provided for by law for failure to comply
8 with Proposition 65 or other law(s).

9 **16. ENTIRE AGREEMENT**

10 This Consent Judgment contains the sole and entire agreement and understanding of the
11 Parties with regard to this matter, including any and all prior discussions, negotiations,
