13 **1. INTRODUCTION**

14 **1.1** On June 5, 2017, Plaintiff Environmental Research Center, Inc. ("ERC"), a non-
15 profit corporation, as a private enforcer and in the public interest, initiated this action by filing a
16 Complaint for Injunctive Relief and Civil Penalties (the "Complaint") pursuant to the provisions
17 of California Health and Safety Code section 25249.5 *et seq.* ("Proposition 65"), against
18 ROBINSON PHARMA, INC.; HEALTHY AMERICA, INC.; GERO VITA, INC., individually
19 and doing business as GVI; DOCTOR'S CLINICAL, INC., individually and doing business as

24 Defendants HEALTHY AMERICA, INC., GERO VITA, INC., DOCTOR'S CLINICAL, INC.,
25 and VITASTRONG INC, and (c) have asserted affirmative defenses. In this action, ERC alleges

28 consumers to this chemical at a level requiring a Proposition 65 warning. These products (as

1.2 ERC and DEFENDANTS are hereinafter referred to individually as a "Party" or collectively as the "Parties."

1.3 ERC is a 501 (c)(3) California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by reducing the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

1.4 ERC contends that each defendant is a business entity which has employed ten or more persons at all times relevant to this action, and qualifies as a "person in the course of business" within the meaning of Proposition 65.

1.5 The Complaint is based on allegations contained in ERC's Notices of Violation dated March 24, 2017 that were served on the California Attorney General, other public enforcers, and DEFENDANTS ("Notices"). True and correct copies of the 60-Day Notices dated March 24, 2017 are attached hereto as **Exhibits A -E** respectively and each is incorporated herein by reference. More than 60 days have passed since the Notices were

1 served on the Attorney General, public enforcers, and DEFENDANTS and no designated
2 governmental entity has filed a complaint against DEFENDANTS with regard to the Covered
3 Products or the alleged violations.

4 **1.6** ERC's Notices and Complaint allege that use of the Covered Products exposes
5 persons in California to lead without first providing clear and reasonable warnings in violation
6 of California Health and Safety Code section 25249.6. DEFENDANTS deny all material
7 allegations contained in the Notices and Complaint.

8 **1.7** The Parties have entered into this Consent Judgment in order to settle,
9 compromise, and resolve disputed claims and thus avoid prolonged and costly litigation.
10 Nothing in this Consent Judgment nor compliance with this Consent Judgment shall constitute or
11 be construed as an admission by any of the Parties or by any of their respective officers,
12 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, franchisees,
13 licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, issue of law, or
14 violation of law alleged in the Notice(s) of Violation or the Complaint.

15 **1.8** The Effective Date of this Consent Judgment is the date on which it is entered as
16 a Judgment by this Court.

17 **2. JURISDICTION AND VENUE**

18 For purposes of this Consent Judgment and any further court action that may become
19 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
20 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
21 over DEFENDANTS as to the acts alleged in the Complaint, that venue is proper in Alameda
22 County, and that this Court has jurisdiction to enter this Consent Judgment as a full and final
23 resolution of all claims up through and including the Effective Date which were or could have
24 been asserted in this action based on the facts alleged in the Notices and Complaint.

25 **3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS**

26 **3.1** Beginning on the Effective Date, DEFENDANTS shall be permanently enjoined
27 from knowingly and intentionally manufacturing for sale in the State of California,
28 "Distributing into the State of California", or directly selling in the State of California, any

Covered Products which expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day (to be determined after application of the allowances in Section 3.1.2 below) unless the Covered Product meets the warning requirements under Section 3.2.

3.1.1 As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that DEFENDANTS know or have reason to know will sell the Covered Product in California.

3.1.2 For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in a recommended dosage appearing on the product label), which equals micrograms of lead exposure per day, excluding amounts of allowances of lead in the ingredients listed in the table below. If no recommended daily serving size is provided on the label, then the daily serving size shall equal one.

INGREDIENT	ALLOWANCES OF AMOUNT OF LEAD
Calcium (Elemental)	0.8 micrograms/gram
Ferrous Fumarate	0.4 micrograms/gram
Zinc Oxide	8.0 micrograms/gram
Magnesium Oxide	0.4 micrograms/gram
Magnesium Carbonate	0.332 micrograms/gram
Magnesium Hydroxide	0.4 micrograms/gram
Zinc Gluconate	0.8 micrograms/gram
Potassium Chloride	1.1 micrograms/gram
Cocoa-powder	1.0 micrograms/gram

1 If ERC tests a Covered Product pursuant to Section 6 that does not contain a warning
2 described in Section 3.2, and the test results indicate that the Daily Lead Exposure Level is
3 greater than 0.5 micrograms per day, DEFENDANTS agree to confidentially supply to ERC,
4 within 30 days of ERC's written request, a list of ingredients, including the percentage of each
5 ingredient ("Ingredient List"), of that particular Covered Product so that ERC may be able to
6 calculate the daily exposure based on the allowances in the table above.

7 3.2 Clear and Reasonable Warnings

8 If DEFENDANTS are required to provide a warning pursuant to Section 3.1, the following
9 warning must be utilized ("Warning"):

10 **WARNING:** Consuming this product can expose you to chemicals including lead which is
11 [are] known to the State of California to cause [cancer and] birth defects or other
reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

12 DEFENDANTS shall use the phrase "cancer and" in the Warning only if the "Daily Lead
13 Exposure Level" is greater than 15 micrograms of lead as determined pursuant to the quality
14 control methodology set forth in Section 3.4 or if DEFENDANTS have reason to believe that
15 another Proposition 65 chemical is present which may require a cancer warning.

16 The Warning shall be securely affixed to or printed upon the container or label of each
17 Covered Product for products not sold over the internet. For any Covered Product sold over the
18 internet, the Warning shall appear on the checkout page when a California delivery address is
19 indicated for any purchase of any Covered Product. An asterisk or other identifying method
20 must be utilized to identify which products on the checkout page are subject to the Warning.

21 The Warning shall be at least the same size as the largest of any other health or safety
22 warnings also appearing on DEFENDANTS' respective website(s) or on the label or container of
23 DEFENDANTS' product packaging and the word "**WARNING**" shall be in all capital letters and
24 in bold print. No statements intended to or likely to have the effect of diminishing the impact of,
25 or reducing the clarity of, the Warning on the average lay person shall accompany the Warning.
26 Further, no statements may accompany the Warning that state or imply that the source of the listed
27 chemical has an impact on or results in a less harmful effect of the listed chemical.
28

1 3.4.3 All testing pursuant to this Consent Judgment shall be performed using a
2 laboratory method that complies with the performance and quality control factors appropriate
3 for the method used, including limit of detection, qualification, accuracy, and precision that
4 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS")
5 achieving a limit of quantification of less than or equal to 0.010 mg/kg or any other testing
6 method subsequently agreed to in writing by the Parties and approved by the Court through
7 entry of a modified consent judgment.

8 3.4.4 All testing pursuant to this Consent Judgment shall be performed by an
9 independent third party laboratory certified by the California Environmental Laboratory
10 Accreditation Program or an independent third-party laboratory that is registered with the
11 United States Food & Drug Administration.

12 3.4.5 Nothing in this Consent Judgment shall limit DEFENDANTS' ability to
13 conduct, or require that others conduct, additional testing of the Covered Products, including
14 the raw materials used in their manufacture.

15 3.4.6 Within thirty (30) days of ERC's written request, DEFENDANTS shall
16 deliver lab reports obtained pursuant to Section 3.4 to ERC. DEFENDANTS shall retain all
17 test results and documentation for a period of five years from the date of each test.

18 4. SETTLEMENT PAYMENT

19 4.1 In full satisfaction of all disputed amounts, including alleged potential civil
20 penalties, additional settlement payments, attorney's fees, and costs, Defendants HEALTHY
21 AMERICA, INC.; GERO VITA, INC., individually and doing business as GVI; DOCTOR'S
22 CLINICAL, INC., individually and doing business as U.S. DOCTORS' CLINICAL; and
23 VITASTRONG INC., individually and doing business as GARDAVITA/GVI shall make a
24 total payment of \$160,000.00 ("Total Settlement Amount") on behalf of all DEFENDANTS to
25 ERC within 5 days of the Effective Date ("Due Date"). Said defendants shall make this
26 payment by wire transfer to ERC's escrow account, for which ERC will give said defendants
27 the necessary account information. The Total Settlement Amount shall be apportioned as
28 follows:

1 4.2 \$41,146.52 shall be considered a civil penalty pursuant to California Health and
2 Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$30,859.89) of the civil penalty to
3 the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe
4 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
5 Code section 25249.12(c). ERC will retain the remaining 25% (\$10,286.63) of the civil
6 penalty.

7 4.3 \$13,913.11 shall be distributed to ERC as reimbursement to ERC for reasonable
8 costs incurred in bringing this action.

9 4.4 \$30,859.83 shall be distributed to ERC as an Additional Settlement Payment
10 ("ASP"), pursuant to California Code of Regulations, title 11, sections 3203, subdivision (d) and
11 3204. ERC will utilize the ASP for activities that address the same public harm as allegedly
12 caused by DEFENDANTS in this matter. These activities are detailed below and support ERC's
13 overarching goal of reducing and/or eliminating hazardous and toxic chemicals in dietary
14 supplement products in California. ERC's activities have had, and will continue to have, a direct
15 and primary effect within the State of California because California consumers will be benefitted
16 by the reduction and/or elimination of exposure to lead in dietary supplements and/or by
17 providing clear and reasonable warnings to California consumers prior to ingestion of the
18 products.

19 Based on a review of past years' actual budgets, ERC is providing the following list of
20 activities ERC engages in to protect California consumers through Proposition 65 citizen
21 enforcement, along with a breakdown of how ASP funds will be utilized to facilitate those
22 activities: (1) ENFORCEMENT (65-80%): obtaining, shipping, analyzing, and testing dietary
23 supplement products that may contain lead and are sold to California consumers. This work
24 includes continued monitoring and enforcement of past consent judgments and settlements to
25 ensure companies are in compliance with their obligations thereunder, with a specific focus on
26 those judgments and settlements concerning lead. This work also includes investigation of new
27 companies that ERC does not obtain any recovery through settlement or judgment; (2)
28 VOLUNTARY COMPLIANCE PROGRAM (10-20%): maintaining ERC's Voluntary

1 Compliance Program by acquiring products from companies, developing and maintaining a case
2 file, testing products from these companies, providing the test results and supporting
3 documentation to the companies, and offering guidance in warning or implementing a self-
4 testing program for lead in dietary supplement products; and (3) "GOT LEAD" PROGRAM (up
5 to 5%): maintaining ERC's "Got Lead?" Program which reduces the numbers of contaminated
6 products that reach California consumers by providing access to free testing for lead in dietary
7 supplement products (Products submitted to the program are screened for ingredients which are
8 suspected to be contaminated, and then may be purchased by ERC, catalogued, sent to a
9 qualified laboratory for testing, and the results shared with the consumer that submitted the
10 product).

11 ERC shall be fully accountable in that it will maintain adequate records to document and
12 will be able to demonstrate how the ASP funds will be spent and can assure that the funds are
13 being spent only for the proper, designated purposes described in this Consent Judgment. ERC
14 shall provide the Attorney General, within thirty days of any request, copies of documentation
15 demonstrating how such funds have been spent.

16 4.5 \$39,000.00 shall be distributed to Lozeau Drury LLP as reimbursement of
17 ERC's actual attorney's fees, while \$35,080.54 shall be distributed to ERC for its actual in-
18 house legal fees. Except as explicitly provided herein, each Party shall bear its own fees and
19 costs.

20 4.6 In the event that Defendants HEALTHY AMERICA, INC.; GERO VITA, INC.,
21 individually and doing business as GVI; DOCTOR'S CLINICAL, INC., individually and doing
22 business as U.S. DOCTORS' CLINICAL; and VITASTRONG INC., individually and doing
23 business as GARDAVITA/GVI fail to remit the Total Settlement Amount owed under Section
24 4 of this Consent Judgment on or before the Due Date, DEFENDANTS shall be deemed to be
25 in material breach of their obligations under this Consent Judgment. ERC shall provide written
26 notice of the delinquency to DEFENDANTS via electronic mail. If DEFENDANTS fail to
27 deliver the Total Settlement Amount within five (5) days from the written notice, the Total
28 Settlement Amount shall accrue interest at the statutory judgment interest rate provided in the

1 California Code of Civil Procedure section 685.010. Additionally, DEFENDANTS agree to
2 pay ERC's reasonable attorney's fees and costs for any efforts to collect the payment due under
3 this Consent Judgment.

4 **5. MODIFICATION OF CONSENT JUDGMENT**

5 **5.1** This Consent Judgment may be modified only as to the terms in Section 3 (a) by
6 written stipulation of the Parties and upon entry by the Court of a modified consent judgment or
7 (b) by motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a
8 modified consent judgment.

9 **5.2** If DEFENDANTS seek to modify this Consent Judgment under Section 5.1, then
10 DEFENDANTS must provide written notice to ERC of its intent ("Notice of Intent"). If ERC
11 seeks to meet and confer regarding the proposed modification in the Notice of Intent, then ERC
12 must provide written notice to DEFENDANTS within thirty (30) days of receiving the Notice
13 of Intent. If ERC notifies DEFENDANTS in a timely manner of ERC's intent to meet and
14 confer, then the Parties shall meet and confer in good faith as required in this Section. The
15 Parties shall meet in person or via telephone within thirty (30) days of ERC's notification of its
16 intent to meet and confer. Within thirty (30) days of such meeting, if ERC disputes the
17 proposed modification, ERC shall provide to DEFENDANTS a written basis for its position.
18 The Parties shall continue to meet and confer for an additional thirty (30) days in an effort to
19 resolve any remaining disputes. Should it become necessary, the Parties may agree in writing
20 to different deadlines for the meet-and-confer period.

21 **5.3** In the event that DEFENDANTS initiate or otherwise request a modification
22 under Section 5.1, and the meet and confer process leads to a joint motion or application of the
23 Consent Judgment, DEFENDANTS shall reimburse ERC its costs and reasonable attorney's
24 fees for the time spent in the meet-and-confer process and filing and arguing the motion or
25 application.

26 **5.4** Where the meet-and-confer process does not lead to a joint motion or
27 application in support of a modification of the Consent Judgment, then either Party may seek
28 judicial relief on its own. In any such contested court proceeding, the prevailing party may

1 seek any attorney's fees and costs incurred in opposing the motion pursuant to California Code
2 of Civil Procedure section 1021.5.

3 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
4 **JUDGMENT**

5 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify, or terminate
6 this Consent Judgment.

7 **6.2** If ERC alleges that any Covered Product fails to qualify as a Conforming
8 Covered Product (for which ERC alleges that no Warning has been provided), then ERC shall
9 inform DEFENDANTS in a reasonably prompt manner of ERC's test results, including
10 information sufficient to permit DEFENDANTS to identify the Covered Products at issue.
11 DEFENDANTS shall, within thirty (30) days following such notice, provide ERC with testing
12 information, from an independent third-party laboratory meeting the requirements of Sections
13 3.4.3 and 3.4.4, demonstrating DEFENDANTS' compliance with the Consent Judgment, if
14 warranted. The Parties shall first attempt to resolve the matter prior to ERC taking any further
15 legal action.

16 **7. APPLICATION OF CONSENT JUDGMENT**

17 This Consent Judgment may apply to, be binding upon, and benefit the Parties and their
18 respective officers, directors, shareholders, employees, agents, divisions, successors, and assigns.
19 This Consent Judgment shall have no application to any units of Covered Product(s) which are
20 distributed or sold outside the State of California.

21 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

22 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC,
23 on behalf of itself and in the public interest, and DEFENDANTS. Each Party shall cause its
24 respective officers, directors, employees, agents, divisions, successors, and assigns to comply
25 with the Consent Judgment.. ERC, on behalf of itself and in the public interest, hereby fully
26 releases and discharges the DEFENDANTS and their respective officers, directors,
27 shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers,
28 franchisees, licensees, customers (not including private label customers of DEFENDANTS),

1 distributors, wholesalers, retailers, and all other upstream and downstream entities in the
2 distribution chain of any Covered Product, and the predecessors, successors, and assigns of any
3 of them (collectively, "Released Parties") from any and all claims, actions, causes of action,
4 suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could
5 have been asserted from the manufacture, handling, distribution, sale, use, or consumption of
6 the Covered Products, including Covered Products manufactured prior to the Effective Date, as
7 to any alleged violation of Proposition 65 or its implementing regulations including those
8 arising from the alleged failure to provide Proposition 65 warnings on the Covered Products
9 regarding lead up to and including the Effective Date.

10 **8.2** ERC on its own behalf only, and DEFENDANTS on their own behalf only,
11 further waive and release any and all claims they may have against each other for all actions or
12 statements made or undertaken in the course of seeking or opposing enforcement of Proposition
13 65 in connection with the Notices and Complaint up through and including the Effective Date,
14 provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to
15 enforce or modify the terms of this Consent Judgment.

16 **8.3** It is possible that other claims not known to or suspected by the Parties, arising
17 out of the facts alleged in the Notices and Complaint, and relating to the Covered Products, will
18 develop or be discovered. ERC on behalf of itself only, and DEFENDANTS on behalf of
19 themselves only, acknowledge that this Consent Judgment is expressly intended to cover and
20 include all such unknown and unsuspected claims up through and including the Effective Date,
21 including all rights of action therefore. ERC and DEFENDANTS acknowledge that the claims
22 released in Sections 8.1 and 8.2 above may include unknown and unsuspected claims, and
23 nevertheless waive California Civil Code section 1542 as to any such unknown and
24 unsuspected claims. California Civil Code section 1542 reads as follows:

25 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
26 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
27 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
28 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
 OR HER SETTLEMENT WITH THE DEBTOR.

1 ERC on behalf of itself only, and DEFENDANTS on behalf of themselves only, acknowledge
2 and understand the significance and consequences of this specific waiver of California Civil
3 Code section 1542.

4 **8.4** Compliance with the terms of this Consent Judgment shall be deemed to
5 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead
6 in the Covered Products as set forth in the Notices and Complaint.

7 **8.5** Nothing in this Consent Judgment is intended to apply to any occupational or
8 environmental exposures arising under Proposition 65, nor shall it apply to any of
9 DEFENDANTS' products other than the Covered Products.

10 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

11 In the event that any of the provisions of this Consent Judgment are held by a court to be
12 unenforceable, but the overall intent of the Consent Judgment remains enforceable, the validity of
13 the remaining enforceable provisions shall not be adversely affected.

14 **10. GOVERNING LAW**

15 The terms and conditions of this Consent Judgment shall be governed by and construed in
16 accordance with the laws of the State of California.

17 **11. PROVISION OF NOTICE**

18 All notices required to be given to either Party to this Consent Judgment by the other shall
19 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via

21 **12. COURT APPROVAL**

22 **12.1** Upon execution of this Consent Judgment by the Parties, ERC shall notice a
23 Motion for Court Approval. The Parties shall use their best efforts to support entry of this
24 Consent Judgment.

25 **12.2** If the California Attorney General objects to any term in this Consent Judgment,
26 the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible
27 prior to the hearing on the motion.

void and have no force or effect.

29 **13. EXECUTION AND COUNTERPARTS**

30 This Consent Judgment may be executed in counterparts, which taken together shall be
31 deemed to constitute one document. A facsimile or .pdf signature shall be construed to be as valid
32 as the original signature.

2 The terms of this Consent Judgment have been reviewed by the respective counsel for each
3 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and
4 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and
5 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
6 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
7 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
8 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
9 equally in the preparation and drafting of this Consent Judgment.

11 If a dispute arises with respect to a Party's compliance with the terms of this Consent
12 Judgment entered by the Court, the Parties shall meet and confer in person, by telephone, and/or in
13 writing and endeavor to resolve the dispute in an amicable manner. No action or motion may be
14 filed in the absence of such a good faith attempt to resolve the dispute beforehand.

15 **16. ENFORCEMENT**

16 Each Party may, by motion or order to show cause before the Superior Court of Alameda
17 County, enforce the terms and conditions contained in this Consent Judgment. In any action
18 brought to enforce this Consent Judgment, any Party may seek whatever fines, costs, penalties,
19 or remedies as are provided by law for failure to comply with the Consent Judgment. To the
20 extent the failure to comply with the Consent Judgment constitutes a violation of Proposition 65
21 or other laws, ERC shall not be limited to enforcement of this Consent Judgment, but may seek
22 in another action whatever fines, costs, penalties, or remedies as are provided by law for failure
