CASE NO. RG18913826

STIPULATED CONSENT
JUDGMENT

Health & Safety Code § 25249.5 *et seq.*

Action Filed: July 23, 2018

Trial Date: None set

20
21 **1. INTRODUCTION**

22 **1.1** On July 23, 2018, Plaintiff Environmental Research Center, Inc. ("ERC"), a
23 non-profit corporation, as a private enforcer and in the public interest, initiated this action by
24 filing a Complaint for Injunctive and Declaratory Relief and Civil Penalties (the "Complaint")
25 pursuant to the provisions of California Health and Safety Code section 25249.5 *et seq.*
26 ("Proposition 65"), against AnazaoHealth Corporation ("AnazaoHealth") and Does 1-100. In
27 this action, ERC alleges that one of the products manufactured, distributed, or sold by
28 AnazaoHealth contains lead, a chemical listed under Proposition 65 as a carcinogen and

1 reproductive toxin, and exposes consumers to this chemical at a level requiring a Proposition
2 65 warning. This product (referred to hereinafter as the "Covered Product") is: Zao
3 Supplements Green Detoxifier Vegetarian.

4 1.2 ERC and AnazaoHealth are hereinafter referred to individually as a "Party" or
5 collectively as the "Parties."

6 1.3 ERC is a 501 (c)(3) California non-profit corporation dedicated to, among other
7 causes, helping safeguard the public from health hazards by reducing the use and misuse of
8 hazardous and toxic chemicals, facilitating a safe environment for consumers and employees,
9 and encouraging corporate responsibility.

10 1.4 For purposes of this Consent Judgment, the Parties agree that AnazaoHealth is a
11 business entity that has employed ten or more persons at all times relevant to this action, and
12 qualifies as a "person in the course of doing business" within the meaning of Proposition 65.
13 AnazaoHealth manufactures, distributes, and/or sells the Covered Product.

14 1.5 The Complaint is based on allegations contained in ERC's Notice of Violation
15 dated April 17, 2018 that was served on the California Attorney General, other public
16 enforcers, and AnazaoHealth ("Notice"). A true and correct copy of the 60-Day Notice dated
17 April 17, 2018 is attached hereto as **Exhibit A** and incorporated by reference. More than 60
18 days have passed since the Notice was served on the Attorney General, public enforcers, and
19 AnazaoHealth and no designated governmental entity has filed a complaint against
20 AnazaoHealth with regard to the Covered Product or the alleged violations.

21 1.6 ERC's Notice and Complaint allege that use of the Covered Product exposes
22 persons in California to lead without first providing clear and reasonable warnings in violation
23 of California Health and Safety Code section 25249.6. AnazaoHealth denies all material
24 allegations contained in the Notice and Complaint.

25 1.7 The Parties have entered into this Consent Judgment in order to settle,
26 compromise, and resolve disputed claims and thus avoid prolonged and costly litigation.
27 Nothing in this Consent Judgment nor compliance with this Consent Judgment shall constitute or
28 be construed as an admission by any of the Parties or by any of their respective officers,

1 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, franchisees,
2 licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, issue of law, or
3 violation of law.

4 **1.8** Except as expressly set forth herein, nothing in this Consent Judgment shall
5 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
6 current or future legal proceeding unrelated to these proceedings.

7 **1.9** The Effective Date of this Consent Judgment is the date on which it is entered as
8 a Judgment by this Court.

9 **2. JURISDICTION AND VENUE**

10 For purposes of this Consent Judgment and any further court action that may become
11 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
12 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
13 over AnazaoHealth as to the acts alleged in the Complaint, that venue is proper in Alameda
14 County, and that this Court has jurisdiction to enter this Consent Judgment as a full and final
15 resolution of all claims up through and including the Effective Date which were or could have
16 been asserted in this action based on the facts alleged in the Notice and Complaint.

17 **3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS**

18 **3.1** Beginning on the Effective Date, AnazaoHealth shall be permanently enjoined
19 from manufacturing for sale in the State of California, "Distributing into the State of
20 California," or directly selling in the State of California, any Covered Product which exposes a
21 person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day unless it
22 meets the warning requirements under Section 3.2.

23 **3.1.1** As used in this Consent Judgment, the term "Distributing into the State
24 of California" shall mean to directly ship a Covered Product into California for sale in
25 California or to sell a Covered Product to a distributor that AnazaoHealth knows or has reason
26 to know will sell the Covered Product in California.

27 **3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure
28 Level" shall be measured in micrograms, and shall be calculated using the following formula:

1 micrograms of lead per gram of product, multiplied by grams of product per serving of the
2 product (using the largest serving size appearing on the product label), multiplied by servings
3 of the product per day (using the largest number of recommended daily servings appearing on
4 the label), which equals micrograms of lead exposure per day. If the label contains no
5 recommended daily servings, then the number of recommended daily servings shall be one.

6 **3.2 Clear and Reasonable Warnings**

7 If AnazaoHealth is required to provide a warning pursuant to Section 3.1, the following
8 warning must be utilized (“Warning”):

9 **WARNING:** Consuming this product can expose you to chemicals including lead which is
10 [are] known to the State of California to cause [cancer and] birth defects or other
reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

11 AnazaoHealth shall use the phrase “cancer and” in the Warning if AnazaoHealth has reason to
12 believe that the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined
13 pursuant to the quality control methodology set forth in Section 3.4 or if AnazaoHealth has reason
14 to believe that another Proposition 65 chemical is present which may require a cancer warning.

15 The Warning shall be securely affixed to or printed upon the container or label of each
16 Covered Product. If the Warning is provided on the label, it must be set off from other
17 surrounding information and enclosed in a box.

18 The Warning shall be at least the same size as the largest of any other health or safety
19 warnings also appearing on the label or container of AnazaoHealth’s product packaging and the
20 word “**WARNING**” shall be in all capital letters and in bold print. No statements intended to or
21 likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on
22 the average lay person shall accompany the Warning. Further, no statements may accompany the
23 Warning that state or imply that the source of the listed chemical has an impact on or results in a
24 less harmful effect of the listed chemical.

25 AnazaoHealth must display the above Warning with such conspicuousness, as compared
26 with other words, statements or designs on the label or container, to render the Warning likely to
27 be read and understood by an ordinary individual under customary conditions of purchase or use
28 of the product.

1 **3.3 Reformulated Covered Products**

2 A Reformulated Covered Product is a Covered Product for which the “Daily Lead
3 Exposure Level” is no greater than 0.5 micrograms of lead per day as determined by the quality
4 control methodology described in Section 3.4.

5 **3.4 Testing and Quality Control Methodology**

6 **3.4.1** Beginning within one year of the Effective Date, AnazaoHealth shall
7 arrange for lead testing of the Covered Product at least once a year for a minimum of five
8 consecutive years by arranging for testing of five randomly selected samples of the Covered
9 Product, in the form intended for sale to the end-user, which AnazaoHealth intends to sell or is
10 manufacturing for sale in California, directly selling to a consumer in California or
11 “Distributing into the State of California.” If tests conducted pursuant to this Section
12 demonstrate that no Warning is required for the Covered Product during each of five
13 consecutive years, then the testing requirements of this Section will no longer be required as to
14 the Covered Product. However, if during or after the five-year testing period, AnazaoHealth
15 changes ingredient suppliers for the Covered Product and/or reformulates the Covered Product,
16 AnazaoHealth shall test that Covered Product annually for at least four (4) consecutive years
17 after such change is made.

18 **3.4.2** For purposes of measuring the “Daily Lead Exposure Level,” the highest
19 lead detection result of the five (5) randomly selected samples of the Covered Product will be
20 controlling.

21 **3.4.3** All testing pursuant to this Consent Judgment shall be performed using a
22 laboratory method that complies with the performance and quality control factors appropriate
23 for the method used, including limit of detection, qualification, accuracy, and precision that
24 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”)
25 achieving a limit of quantification of less than or equal to 0.010 mg/kg.

26 **3.4.4** All testing pursuant to this Consent Judgment shall be performed by an
27 independent third party laboratory certified by the California Environmental Laboratory
28

1 Accreditation Program or an independent third-party laboratory that is registered with the
2 United States Food & Drug Administration.

3 **3.4.5** Nothing in this Consent Judgment shall limit AnazaoHealth's ability to
4 conduct, or require that others conduct, additional testing of the Covered Product, including the
5 raw materials used in their manufacture.

6 **3.4.6** Within thirty (30) days of ERC's written request, AnazaoHealth shall
7 deliver lab reports obtained pursuant to Section 3.4 to ERC. AnazaoHealth shall retain all test
8 results and documentation for a period of five years from the date of each test.

9 **3.4.7** A Covered Product that contains a Warning, identified and described in
10 paragraph 3.2, is not subject to the testing and quality control methodology of Section 3.4 so
11 long as that Covered Product continuously contains such a Warning after the Effective Date. For
12 the avoidance of doubt, so long as AnazaoHealth applies a warning label meeting the
13 requirements of Section 3.2, AnazaoHealth shall have no obligation for any testing as a result of
14 this agreement.

15 **4. SETTLEMENT PAYMENT**

16 **4.1** In full satisfaction of all potential civil penalties, additional settlement payments,
17 attorney's fees, and costs, AnazaoHealth shall make a total payment of \$22,500.00 ("Total
18 Settlement Amount") to ERC within 10 days of ERC notifying AnazaoHealth that the
19 Effective Date has occurred ("Due Date"). AnazaoHealth shall make this payment by wire
20 transfer to ERC's account, for which ERC will give AnazaoHealth the necessary account
21 information. The Total Settlement Amount shall be apportioned as follows:

22 **4.2** \$1,000.77 shall be considered a civil penalty pursuant to California Health and
23 Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$750.58) of the civil penalty to the
24 Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe
25 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
26 Code section 25249.12(c). ERC will retain the remaining 25% (\$250.19) of the civil penalty.

27 **4.3** \$2,130.00 shall be distributed to ERC as reimbursement to ERC for reasonable
28 costs incurred in bringing this action.

1 4.4 \$450.00 shall be distributed to Michael Freund as reimbursement of ERC's
2 attorney's fees, \$2,990.00 shall be distributed to Ryan Hoffman as reimbursement of ERC's
3 attorney's fees, while \$15,929.23 shall be distributed to ERC for its in-house legal fees. Except
4 as explicitly provided herein, each Party shall bear its own fees and costs.

5 4.5 In the event that AnazaoHealth fails to remit the Total Settlement Amount owed
6 under Section 4 of this Consent Judgment on or before the Due Date and ERC has given
7 AnazaoHealth proper notice of the Effective Date occurring and provided wire instructions,
8 AnazaoHealth shall be deemed to be in material breach of its obligations under this Consent
9 Judgment. ERC shall provide written notice of the delinquency to AnazaoHealth via certified
10 mail. If AnazaoHealth fails to deliver the Total Settlement Amount within five (5) days from
11 the written notice, the Total Settlement Amount shall accrue interest at the statutory judgment
12 interest rate provided in the California Code of Civil Procedure section 685.010. Additionally,
13 AnazaoHealth agrees to pay ERC's reasonable attorney's fees and costs for any efforts to
14 collect the payment due under this Consent Judgment.

15 **5. MODIFICATION OF CONSENT JUDGMENT**

16 5.1 This Consent Judgment may be modified only as to injunctive terms (i) by
17 written stipulation of the Parties and upon entry by the Court of a modified consent judgment or
18 (ii) by motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a
19 modified consent judgment.

20 5.2 If AnazaoHealth seeks to modify this Consent Judgment under Section 5.1, then
21 AnazaoHealth must provide written notice to ERC of its intent ("Notice of Intent"). If ERC
22 seeks to meet and confer regarding the proposed modification in the Notice of Intent, then ERC
23 must provide written notice to AnazaoHealth within thirty (30) days of receiving the Notice of
24 Intent. If ERC notifies AnazaoHealth in a timely manner of ERC's intent to meet and confer,
25 then the Parties shall meet and confer in good faith as required in this Section. The Parties
26 shall meet in person or via telephone within thirty (30) days of ERC's notification of its intent
27 to meet and confer. Within thirty (30) days of such meeting, if ERC disputes the proposed
28 modification, ERC shall provide to AnazaoHealth a written basis for its position. The Parties

1 shall continue to meet and confer for an additional thirty (30) days in an effort to resolve any
2 remaining disputes. Should it become necessary, the Parties may agree in writing to different
3 deadlines for the meet-and-confer period.

4 **5.3** In the event that AnazaoHealth initiates or otherwise requests a modification
5 under Section 5.1, and the meet and confer process leads to a joint motion or application for a
6 modification of the Consent Judgment, AnazaoHealth shall reimburse ERC its reasonable costs
7 and reasonable attorney's fees for the time spent in the meet-and-confer process and filing and
8 arguing the motion or application.

9 **5.4** Where the meet-and-confer process does not lead to a joint motion or
10 application in support of a modification of the Consent Judgment, then either Party may seek
11 judicial relief on its own.

12 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
13 **JUDGMENT**

14 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify, or terminate
15 this Consent Judgment.

16 **6.2** If ERC alleges that the Covered Product fails to qualify as a Reformulated
17 Covered Product (for which ERC alleges that no Warning has been provided), then ERC shall
18 inform AnazaoHealth in a reasonably prompt manner of its test results, including information
19 sufficient to permit AnazaoHealth to identify the Covered Product at issue. AnazaoHealth shall,
20 within thirty (30) days following such notice, provide ERC with testing information, from an
21 independent third-party laboratory meeting the requirements of Sections 3.4.3 and 3.4.4,
22 demonstrating AnazaoHealth's compliance with the Consent Judgment. The Parties shall first
23 attempt to resolve the matter prior to ERC taking any further legal action.

24 **7. APPLICATION OF CONSENT JUDGMENT**

25 This Consent Judgment may apply to, be binding upon, and benefit the Parties and their
26 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
27 divisions, franchisees, licensees, customers (excluding private labelers), distributors, wholesalers,
28 retailers, predecessors, successors, and assigns. This Consent Judgment shall have no

1 application to any Covered Product which is distributed or sold exclusively outside the State of
2 California and which is not used by California consumers.

3 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

4 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC,
5 on behalf of itself and in the public interest, and AnazaoHealth and its respective officers,
6 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers,
7 franchisees, licensees, customers (not including private label customers of AnazaoHealth),
8 distributors, wholesalers, retailers, and all other upstream and downstream entities in the
9 distribution chain of any Covered Product, and the predecessors, successors, and assigns of any
10 of them (collectively, "Released Parties"). ERC, on behalf of itself and in the public interest,
11 hereby fully releases and discharges the Released Parties from any and all claims, actions,
12 causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses
13 asserted, or that could have been asserted in connection with the Covered Products including
14 but not limited to, the handling, use, or consumption of the Covered Product, as to any alleged
15 violation of Proposition 65 or its implementing regulations arising from the failure to provide
16 Proposition 65 warnings on the Covered Product regarding lead up to and including the
17 Effective Date.

18 **8.2** ERC on its own behalf only, and AnazaoHealth on its own behalf only,
19 further waive and release any and all claims they may have against each other for all actions or
20 statements made or undertaken in the course of seeking or opposing enforcement of Proposition
21 65 in connection with the Notice and Complaint up through and including the Effective Date,
22 provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to
23 enforce the terms of this Consent Judgment.

24 **8.3** It is possible that other claims not known to the Parties, arising out of the facts
25 alleged in the Notice and Complaint, and relating to the Covered Product, will develop or be
26 discovered. ERC on behalf of itself only, and AnazaoHealth on behalf of itself only,
27 acknowledge that this Consent Judgment is expressly intended to cover and include all such
28 claims up through and including the Effective Date, including all rights of action therefore.

1 ERC and AnazaoHealth acknowledge that the claims released in Sections 8.1 and 8.2 above
2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to
3 any such unknown claims. California Civil Code section 1542 reads as follows:

4 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
5 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
6 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
7 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
8 OR HER SETTLEMENT WITH THE DEBTOR.

7 ERC on behalf of itself only, and AnazaoHealth on behalf of itself only, acknowledge and
8 understand the significance and consequences of this specific waiver of California Civil Code
9 section 1542.

10 **8.4** Compliance with the terms of this Consent Judgment shall be deemed to
11 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead
12 in the Covered Product as set forth in the Notice and Complaint.

13 **8.5** Nothing in this Consent Judgment is intended to apply to any occupational or
14 environmental exposures arising under Proposition 65, nor shall it apply to any of
15 AnazaoHealth's products other than the Covered Product.

16 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

17 In the event that any of the provisions of this Consent Judgment are held by a court to be
18 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

19 **10. GOVERNING LAW**

20 The terms and conditions of this Consent Judgment shall be governed by and construed in
21 accordance with the laws of the State of California.

22 **11. PROVISION OF NOTICE**

23 All notices required to be given to either Party to this Consent Judgment by the other shall
24 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via
25 email may also be sent.

27 **12. COURT APPROVAL**

28 **12.1** Upon execution of this Consent Judgment by the Parties, ERC shall notice a Motion for Court Approval. The Parties shall use their best efforts to support entry of this Consent Judgment.

12.2 If the California Attorney General objects to any term in this Consent Judgment, the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible prior to the hearing on the motion.

12.3 If this Stipulated Consent Judgment is not approved by the Court, it shall be void and have no force or effect.

1 **13. EXECUTION AND COUNTERPARTS**

2 This Consent Judgment may be executed in counterparts, which taken together shall be
3 deemed to constitute one document. A facsimile or .pdf signature shall be construed to be as valid
4 as the original signature.

5 **14. DRAFTING**

6 The terms of this Consent Judgment have been reviewed by the respective counsel for each

9 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
10 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
11 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
12 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
13 equally in the preparation and drafting of this Consent Judgment.

14 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

15 If a dispute arises with respect to either Party's compliance with the terms of this Consent
16 Judgment entered by the Court, the Parties shall meet and confer in person, by telephone, and/or in
17 writing and endeavor to resolve the dispute in an amicable manner. No action or motion may be
18 filed in the absence of such a good faith attempt to resolve the dispute beforehand.

19 **16. ENFORCEMENT**

20 ERC may, by motion or order to show cause before the Superior Court of Alameda
21 County, enforce the terms and conditions contained in this Consent Judgment. In any action
22 brought by ERC to enforce this Consent Judgment, ERC may seek whatever fines, costs,
23 penalties, or remedies as are provided by law for failure to comply with the Consent Judgment.
24 To the extent the failure to comply with the Consent Judgment constitutes a violation of
25 Proposition 65 or other laws, ERC shall not be limited to enforcement of this Consent Judgment,
26 but may seek in another action whatever fines, costs, penalties, or remedies as are provided by
27 law for failure to comply with Proposition 65 or other laws.

1 **17. ENTIRE AGREEMENT, AUTHORIZATION**

2 17.1 This Consent Judgment contains the sole and entire agreement and
3 understanding of the Parties with respect to the entire subject matter herein, and any and all
4 prior discussions, negotiations, commitments, and understandings related hereto, unless
5 specifically referred to herein, shall not be deemed to exist or to bind any Party. No
6 representations, oral or otherwise, express or implied, other than those contained herein have
7 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
8 herein, shall be deemed to exist or to bind any Party.

9 17.2 Each signatory to this Consent Judgment certifies that he or she is fully
10 authorized by the Party he or she represents to stipulate to this Consent Judgment.

11 **18. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF**
12 **CONSENT JUDGMENT**

13 This Consent Judgment has come before the Court upon the request of the Parties. The
14 Parties request the Court to fully review this Consent Judgment and, being fully informed
15 regarding the matters which are the subject of this action, to:

16 (1) Find that the terms and provisions of this Consent Judgment represent a fair and
17 equitable settlement of all matters raised by the allegations of the Complaint that the matter has
18 been diligently prosecuted, and that the public interest is served by such settlement; and

19 (2) Make the findings pursuant to California Health and Safety Code section
20 25249.7(f)(4), approve the Settlement, and approve this Consent Judgment.

NOTICE OF VIOLATIONS OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 *ET SEQ.* (PROPOSITION 65)

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I am the Executive Director of Environmental Research Center, Inc. ("ERC"). ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the product identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with this product. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is attached with the copy of this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the "Violator") is:

AnazaoHealth Corporation

Consumer Product and Listed Chemical. The product that is the subject of this notice and the chemical in that product identified as exceeding allowable levels are:

Zao Supplements Green Detoxifier Vegetarian – Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

Exhibit A

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the recommended use of this product. Consequently, the route of exposure to this chemical has been and continues to be through ingestion.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least April 17, 2015, as well as every day since the product was introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is either removed from or reduced to allowable levels in the product. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemical. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons ingesting this product with appropriate warnings that they are being exposed to this chemical.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified product so as to eliminate further exposures to the identified chemical, or provide appropriate warnings on the labels of this product; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above product in the last three years. Such a resolution will prevent further unwarned consumer exposures to the identified chemical, as well as an expensive and time-consuming litigation.

Please direct all questions concerning this notice to ERC at the above listed address and telephone number.

Sincerely,

Chris Heptinstall
Executive Director
Environmental Research Center

CERTIFICATE OF MERIT

Re: Environmental Research Center, Inc.'s Notice of Proposition 65 Violations by AnazaoHealth Corporation

I, Chris Heptinstall, declare:

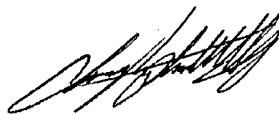

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am the Executive Director for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: April 17, 2018

APPENDIX A

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY

The following summary has been prepared by the California Office of Environmental Health Hazard Assessment (OEHHA), the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65"). A copy of this summary must be included as an attachment to any notice of violation served upon an alleged violator of the Act. The summary provides basic information about the provisions of the law, and is intended to serve only as a convenient source of general information. It is not intended to provide authoritative guidance on the meaning or application of the law. The reader is directed to the statute and OEHHA implementing regulations (see citations below) for further information.

FOR INFORMATION CONCERNING THE BASIS FOR THE ALLEGATIONS IN THE NOTICE RELATED TO YOUR BUSINESS, CONTACT THE PERSON IDENTIFIED ON THE NOTICE.

The text of Proposition 65 (Health and Safety Code Sections 25249.5 through 25249.13) is available online at: <http://oehha.ca.gov/prop65/law/P65law72003.html>. Regulations that provide more specific guidance on compliance, and that specify procedures to be followed by the State in carrying out certain aspects of the law, are found in Title 27 of the California Code of Regulations, sections 25102 through 27001.¹ These implementing regulations are available online at: <http://oehha.ca.gov/prop65/law/P65Regs.html>.

WHAT DOES PROPOSITION 65 REQUIRE?

¹ All further regulatory references are to sections of Title 27 of the California Code of Regulations unless otherwise indicated. The statute, regulations and relevant case law are available on the OEHHA website at: <http://www.oehha.ca.gov/prop65/law/index.html>.

The “Proposition 65 List.” Under Proposition 65, the lead agency (OEHHA) publishes a list of chemicals that are known to the State of California to cause cancer and/or reproductive toxicity. Chemicals are placed on the Proposition 65 list if they are known to cause cancer and/or birth defects or other reproductive harm, such as damage to female or male reproductive systems or to the developing fetus. This list must be updated at least once a year. The current Proposition 65 list of chemicals is available on the OEHHA website at: http://www.oehha.ca.gov/prop65/prop65_list/Newlist.html.

Only those chemicals that are on the list are regulated under Proposition 65. Businesses that produce, use, release or otherwise engage in activities involving listed chemicals must comply with the following:

Clear and reasonable warnings. A business is required to warn a person before “knowingly and intentionally” exposing that person to a listed chemical unless an exemption applies. The warning given must be “clear and reasonable.” This means that the warning must: (1) clearly make known that the chemical involved is known to cause cancer, or birth defects or other reproductive harm; and (2) be given in such a way that it will effectively reach the person before he or she is exposed to that chemical. Some exposures are exempt from the warning requirement under certain circumstances discussed below.

Prohibition from discharges into drinking water. A business must not knowingly discharge or release a listed chemical into water or onto land where it passes or probably will pass into a source of drinking water. Some discharges are exempt from this requirement under certain circumstances discussed below.

DOES PROPOSITION 65 PROVIDE ANY EXEMPTIONS?

Yes. You should consult the current version of the statute and regulations (<http://www.oehha.ca.gov/prop65/law/index.html>) to determine all applicable exemptions, the most common of which are the following:

Grace Period. Proposition 65 warning requirements do not apply until 12 months after the chemical has been listed. The Proposition 65 discharge prohibition does not apply to a discharge or release of a chemical that takes place less than 20 months after the listing of the chemical.

Governmental agencies and public water utilities. All agencies of the federal, state or local government, as well as entities operating public water systems, are exempt.

Businesses with nine or fewer employees. Neither the warning requirement nor the discharge prohibition applies to a business that employs a total of nine or fewer employees. This includes all employees, not just those present in California.

Exposures that pose no significant risk of cancer. For chemicals that are listed under Proposition 65 as known to the State to cause cancer, a warning is not required if the business causing the exposure can demonstrate that the exposure occurs at a level that poses “no significant risk.” This means that the exposure is calculated to result in not more than one excess case of cancer in 100,000 individuals exposed over a 70-year lifetime. The Proposition 65 regulations identify specific “No Significant Risk Levels” (NSRLs) for many listed carcinogens. Exposures below these levels are exempt from the warning requirement. See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of NSRLs, and Section 25701 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures that will produce no observable reproductive effect at 1,000 times the level in question. For chemicals known to the State to cause reproductive toxicity, a warning is not required if the business causing the exposure can demonstrate that the exposure will produce no observable effect, even at 1,000 times the level in question. In other words, the level of exposure must be below the “no observable effect level” divided by 1,000. This number is known as the Maximum Allowable Dose Level (MADL). See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of MADLs, and Section 25801 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures to Naturally Occurring Chemicals in Food. Certain exposures to chemicals that naturally occur in foods (i.e., that do not result from any known human activity, including activity by someone other than the person causing the exposure) are exempt from the warning requirements of the law. If the chemical is a contaminant² it must be reduced to the lowest level feasible. Regulations explaining this exemption can be found in Section 25501.

Discharges that do not result in a “significant amount” of the listed chemical entering any source of drinking water. The prohibition from discharges into drinking water does not apply if the discharger is able to demonstrate that a “significant amount” of the listed chemical has not, does not, or will not pass into or probably pass into a source of drinking water, and that the discharge complies with all other applicable laws, regulations, permits, requirements, or orders. A “significant amount” means any detectable amount, except an amount that would meet the “no significant risk” level for

² See Section 25501(a)(4).

chemicals that cause cancer or that is 1,000 times below the “no observable effect” level for chemicals that cause reproductive toxicity, if an individual were exposed to that amount in drinking water.

HOW IS PROPOSITION 65 ENFORCED?

Enforcement is carried out through civil lawsuits. These lawsuits may be brought by the Attorney General, any district attorney, or certain city attorneys. Lawsuits may also be brought by private parties acting in the public interest, but only after providing notice of the alleged violation to the Attorney General, the appropriate district attorney and city attorney, and the business accused of the violation. The notice must provide adequate information to allow the recipient to assess the nature of the alleged violation. The notice must comply with the information and procedural requirements specified in Section 25903 of Title 27 and sections 3100-3103 of Title 11. A private party may not pursue an independent enforcement action under Proposition 65 if one of the governmental officials noted above initiates an enforcement action within sixty days of the notice.

A business found to be in violation of Proposition 65 is subject to civil penalties of up to \$2,500 per day for each violation. In addition, the business may be ordered by a court to stop committing the violation.

A private party may not file an enforcement action based on certain exposures if the alleged violator meets specific conditions. For the following types of exposures, the Act provides an opportunity for the business to correct the alleged violation:

- An exposure to alcoholic beverages that are consumed on the alleged violator's premises to the extent onsite consumption is permitted by law;
- An exposure to a Proposition 65 listed chemical in a food or beverage prepared and sold on the alleged violator's premises that is primarily intended for immediate consumption on- or off-premises. This only applies if the chemical was not intentionally added to the food, and was formed by cooking or similar preparation of food or beverage components necessary to render the food or beverage palatable or to avoid microbiological contamination;
- An exposure to environmental tobacco smoke caused by entry of persons (other than employees) on premises owned or operated by the alleged violator where smoking is permitted at any location on the premises;
- An exposure to listed chemicals in engine exhaust, to the extent the exposure occurs inside a facility owned or operated by the alleged violator and primarily intended for parking non-commercial vehicles.

If a private party alleges that a violation occurred based on one of the exposures described above, the private party must first provide the alleged violator a notice of special compliance procedure and proof of compliance form.

A copy of the notice of special compliance procedure and proof of compliance form is included in Appendix B and can be downloaded from OEHHA's website at:
<http://oehha.ca.gov/prop65/law/p65law72003.html>.
