SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF ALAMEDA

**ENVIRONMENTAL RESEARCH
CENTER, INC., a California non-profit
corporation**

Plaintiff,

vs.

**THAT'S IT NUTRITION, LLC and DOES
1-100**

Defendants.

CASE NO. RG19006555

**STIPULATED CONSENT
JUDGMENT**

Health & Safety Code § 25249.5 *et seq.*

Action Filed: February 11, 2019

Trial Date: None set

1. INTRODUCTION

1.1 On February 11, 2019, Plaintiff Environmental Research Center, Inc. ("ERC"), a non-profit corporation, as a private enforcer and in the public interest, initiated this action by filing a Complaint for Injunctive and Declaratory Relief and Civil Penalties (the "Complaint") pursuant to the provisions of California Health and Safety Code section 25249.5 *et seq.*

1 ("Proposition 65"), against That's It Nutrition, LLC ("That's It") and Does 1-100. In this action,
2 ERC alleges that certain products manufactured, distributed, or sold by That's It contain lead, a
3 chemical listed under Proposition 65 as a carcinogen and reproductive toxin, and expose
4 consumers to this chemical at a level requiring a Proposition 65 warning. These products
5 (referred to hereinafter individually as a "Covered Product" or collectively as "Covered
6 Products") are: (1) That's It. 1 Apple + 3 Apricots In This Fruit Bar, (2) That's It. 1 Apple + 12
7 Strawberries In This Fruit Bar, (3) That's It. Zesty 2 Apples + Cinnamon, (4) That's It. 1 Apple +
8 1/4 Coconut In This Fruit Bar, (5) That's It. 1 Apple + 10 Cherries In This Fruit Bar, (6) That's It.
9 1 Apple + 1 Pear In This Fruit Bar, and (7) That's It. Veggie Black Beans & Peas. That's It
10 denies any wrongdoing and that the Covered Products contain lead in amounts that meet or
11 exceed the threshold levels that require warnings labels under Proposition 65. That's It contends
12 that, to the extent there is any lead in the Covered Products, that lead is "naturally occurring" and
13 thus not an "exposure" regulated by Proposition 65. Nothing in this Consent Judgment is
14 intended to abrogate any affirmative defenses the company may have, including that any lead
15 contained in the Covered Products is naturally occurring.

16 1.2 ERC and That's It are hereinafter referred to individually as a "Party" or
17 collectively as the "Parties."

18 1.3 ERC is a 501 (c)(3) California non-profit corporation dedicated to, among other
19 causes, helping safeguard the public from health hazards by reducing the use and misuse of
20 hazardous and toxic chemicals, facilitating a safe environment for consumers and employees,
21 and encouraging corporate responsibility.

22 1.4 That's It manufactures, distributes, and/or sells the Covered Products. For purposes
23 of this Consent Judgment, the Parties agree that That's It is a business entity that has employed ten
24 or more persons at all times relevant to this action, and qualifies as a "person in the course of doing
25 business" within the meaning of Proposition 65. The requirements imposed by Section 3 of this
26 Consent Judgment shall be in effect only while That's It employs ten or more persons. If That's It
27 contends that the requirements of Section 3 of this Consent Judgment are no longer in effect because
28

1 That's It no longer employs ten or more persons, That's It will take the following actions: (1) send
2 ERC written notification that the number of persons employed by That's It has fallen below ten
3 within fifteen (15) days after the date that the change in the number of That's It's employees occurs;
4 (2) provide ERC with a complete copy of each United States Internal Revenue Service Form 941
5 for the calendar year during which the number of persons employed by That's It fell below ten, as
6 well as such other documents as may be necessary to establish that the company employs fewer than
7 ten persons; these documents shall be provided within fifteen (15) days after the date that the change
8 in the number of That's It's employees occurs, or within fifteen (15) days of the date that they are
9 created in the event that they are not yet in existence at the time that the change in the number of
10 That's It's employees occurs. If the number of persons employed by That's It increases to ten or
11 more at any time after the date that That's It notified ERC that the number of its employees was less
12 than ten, That's It will send ERC a written notification that the number of persons employed by
13 That's It has increased to ten or more within fifteen (15) days after the date that the change in the
14 number of That's It's employees occurs.

15 1.5 The Complaint is based on allegations contained in ERC's Notice of Violation
16 dated May 21, 2018 that was served on the California Attorney General, other public enforcers,
17 and That's It ("Notice"). A true and correct copy of the 60-Day Notice dated May 21, 2018 is
18 attached hereto as **Exhibit A** and is incorporated herein by reference. More than 60 days have
19 passed since the Notice was served on the Attorney General, public enforcers, and That's It and
20 no designated governmental entity has filed a complaint against That's It with regard to the
21 Covered Products or the alleged violations.

22 1.6 ERC's Notice and Complaint allege that use of the Covered Products
23 exposes persons in California to lead without first providing clear and reasonable warnings in
24 violation of California Health and Safety Code section 25249.6. That's It denies all allegations
25 contained in the Notice and Complaint, including that the Covered Products contain lead in
26 amounts exceeding Proposition 65 safe harbor thresholds, except where such lead is naturally
27 occurring and does not constitute an exposure regulated under Proposition 65, pursuant to
28

1 California Code of Regulations, title 27, section 25501.

2 **1.7** The Parties have entered into this Consent Judgment in order to settle, compromise,
3 and resolve disputed claims and thus avoid prolonged and costly litigation. Nothing in this
4 Consent Judgment nor compliance with this Consent Judgment shall constitute or be construed as
5 an admission by any of the Parties or by any of their respective officers, directors, shareholders,
6 employees, agents, parent companies, subsidiaries, divisions, franchisees, licensees, customers,
7 suppliers, distributors, wholesalers, or retailers of any fact, issue of law, or violation of law.

8 **1.8** Except as expressly set forth herein, nothing in this Consent Judgment shall
9 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
10 current or future legal proceeding unrelated to these proceedings.

11 **1.9** The Effective Date of this Consent Judgment is the date on which it is entered as a
12 Judgment by this Court.

13 **2. JURISDICTION AND VENUE**

14 For purposes of this Consent Judgment and any further court action that may become
15 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
16 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
17 over That's It as to the acts alleged in the Complaint, that venue is proper in Alameda County,
18 and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of
19 all claims up through and including the Effective Date which were or could have been asserted in
20 this action based on the facts alleged in the Notice and Complaint.

21 **3. INJUNCTIVE RELIEF, REFORMULATION, AND TESTING**

22 **3.1** Beginning on the Effective Date, That's It shall be enjoined from manufacturing
23 for sale in the State of California, "Distributing into the State of California," or directly selling
24 in the State of California, any Covered Products which expose a person to a "Daily Lead
25 Exposure Level" of more than 0.5 micrograms of lead per day.

26 **3.1.1** As used in this Consent Judgment, the term "Distributing into the State
27 of California" shall mean to directly ship a Covered Product into California for sale in
28

1 California or to sell a Covered Product to a distributor that That's It knows or has reason to
2 know will sell the Covered Product in California.

3 **3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure
4 Level" shall be measured in micrograms, and shall be calculated using the following formula:
5 for each ingredient included in a Covered Product ("Constituent Ingredient"), the lead
6 concentration (micrograms of lead per gram of Constituent Ingredient) is multiplied by the
7 number of grams of that Constituent Ingredient per serving of the Covered Product (using the
8 largest serving size appearing on the product label), multiplied by servings of the product per
9 day (using the largest number of recommended daily servings appearing on the label; if the
10 label contains no recommended daily servings, then the number of recommended daily servings
11 shall be one), and the results of the foregoing calculation as to each Constituent Ingredient shall
12 be added together to arrive at the total micrograms of lead exposure per day. This calculation
13 shall be performed using the lead concentrations found in the documentation obtained by
14 That's It pursuant to section 3.2.1 below.

15 **3.2 Testing and Quality Control Methodology**

16 **3.2.1** Beginning on the Effective Date, That's It shall arrange for lead testing
17 of each Constituent Ingredient in the manner set forth in this section for five (5) consecutive
18 years. That's It shall obtain documentation (in the form of a report of testing, certificate of
19 analysis, or certificate of compliance) showing the concentration (in micrograms per gram) of
20 lead (if any) present in each Constituent Ingredient. During each of the years in which That's It
21 is required to document the concentration of lead present in Constituent Ingredients, That's It
22 shall obtain this documentation for at least two lots of any Constituent Ingredient if up to four
23 (4) lots are used, and documentation for at least three (3) lots of any Constituent Ingredient if
24 more than four (4) lots are used.

25 **3.2.2** All testing pursuant to this Consent Judgment shall be performed using a
26 laboratory method that complies with the performance and quality control factors appropriate
27 for the method used, including limit of detection, qualification, accuracy, and precision that
28

1 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS")
2 achieving a limit of quantification of less than or equal to 0.010 mg/kg.

3 3.2.3 All testing pursuant to this Consent Judgment shall be performed by an
4 independent third party laboratory certified by the California Environmental Laboratory
5 Accreditation Program or an independent third-party laboratory that is registered with the
6 United States Food & Drug Administration.

7 3.2.4 Nothing in this Consent Judgment shall limit That's It's ability to
8 conduct, or require that others conduct, additional testing of the Covered Products, including
9 the raw materials used in their manufacture.

10 3.2.5 Within thirty (30) days of ERC's written request, That's It shall deliver
11 documentation obtained pursuant to Section 3.2.1 to ERC. That's It shall retain all test results
12 and documentation for a period of five years from the date of each test.

13 4. SETTLEMENT PAYMENT

14 4.1 In full satisfaction of all potential civil penalties, additional settlement payments,
15 attorney's fees, and costs, That's It shall make a total payment of \$50,000.00 ("Total
16 Settlement Amount") to ERC in two periodic payments (the "Periodic Payments") according
17 to the following payment schedule ("Due Dates"):

- 18 • Payment 1 -- \$25,000.00 within 5 days of the Effective Date
- 19 • Payment 2 -- \$25,000.00 within 35 days of the Effective Date

20 That's It shall make these payment by wire transfer to ERC's account, for which ERC
21 will give That's It the necessary account information. The Total Settlement Amount shall be
22 apportioned as follows:

23 4.2 \$11,618.72 shall be considered a civil penalty pursuant to California Health and
24 Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$8,714.04) of the civil penalty to the
25 Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe
26 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
27 Code section 25249.12(c). ERC will retain the remaining 25% (\$2,904.68) of the civil penalty.

1 4.3 \$2,211.34 shall be distributed to ERC as reimbursement to ERC for reasonable
2 costs incurred in bringing this action.

3 4.4 \$8,714.03 shall be distributed to ERC as an Additional Settlement Payment
4 ("ASP"), pursuant to California Code of Regulations, title 11, sections 3203, subdivision (d) and
5 3204. ERC will utilize the ASP for activities that address the same public harm as allegedly
6 caused by That's It. in this matter. These activities are detailed below and support ERC's
7 overarching goal of reducing and/or eliminating hazardous and toxic chemicals in dietary
8 supplement products in California. ERC's activities have had, and will continue to have, a direct
9 and primary effect within the State of California because California consumers will be benefitted
10 by the reduction and/or elimination of exposure to lead in dietary supplements and/or by
11 providing clear and reasonable warnings to California consumers prior to ingestion of the
12 products.

13 Based on a review of past years' actual budgets, ERC is providing the following list of
14 activities ERC engages in to protect California consumers through Proposition 65 citizen
15 enforcement, along with a breakdown of how ASP funds will be utilized to facilitate those
16 activities: (1) ENFORCEMENT (65-80%): obtaining, shipping, analyzing, and testing dietary
17 supplement products that may contain lead and are sold to California consumers. This work
18 includes continued monitoring and enforcement of past consent judgments and settlements to
19 ensure companies are in compliance with their obligations thereunder, with a specific focus on
20 those judgments and settlements concerning lead. This work also includes investigation of new
21 companies that ERC does not obtain any recovery through settlement or judgment; (2)
22 VOLUNTARY COMPLIANCE PROGRAM (10-20%): maintaining ERC's Voluntary
23 Compliance Program by acquiring products from companies, developing and maintaining a case
24 file, testing products from these companies, providing the test results and supporting
25 documentation to the companies, and offering guidance in warning or implementing a self-testing
26 program for lead in dietary supplement products; and (3) "GOT LEAD" PROGRAM (up to 5%):
27 maintaining ERC's "Got Lead?" Program which reduces the numbers of contaminated products

1 that reach California consumers by providing access to free testing for lead in dietary supplement
2 products (Products submitted to the program are screened for ingredients which are suspected to
3 be contaminated, and then may be purchased by ERC, catalogued, sent to a qualified laboratory
4 for testing, and the results shared with the consumer that submitted the product).

5 ERC shall be fully accountable in that it will maintain adequate records to document
6 and will be able to demonstrate how the ASP funds will be spent and can assure that the funds
7 are being spent only for the proper, designated purposes described in this Consent Judgment.
8 ERC shall provide the Attorney General, within thirty days of any request, copies of
9 documentation demonstrating how such funds have been spent.

10 4.5 \$10,215.00 shall be distributed to Michael Freund as reimbursement of ERC's
11 attorney's fees, \$5,525.00 shall be distributed to Ryan Hoffman as reimbursement of ERC's
12 attorney's fees, while \$11,715.91 shall be distributed to ERC for its in-house legal fees. Except
13 as explicitly provided herein, each Party shall bear its own fees and costs.

14 4.6 In the event that That's It fails to remit the Periodic Payments owed under Section
15 4.1 of this Consent Judgment on or before the applicable Due Date, That's It shall be deemed to
16 be in material breach of its obligations under this Consent Judgment. ERC shall provide written
17 notice of the delinquency to That's It pursuant to Section 11 below and via electronic mail to the
18 following addressees: ml@thatsitfruit.com; wdonovan@mwe.com. If That's It fails to deliver the
19 delinquent payment within ten (10) days from written notice provided as specified above, the Total
20 Settlement Amount, less any amounts previously paid pursuant to Section 4.1, shall be
21 immediately due and owing and shall accrue interest at the statutory judgment interest rate
22 provided in the California Code of Civil Procedure section 685.010. Additionally, That's It agrees
23 to pay ERC's reasonable attorney's fees and costs for any efforts to collect the payment(s) due
24 under this Consent Judgment.

25 5. MODIFICATION OF CONSENT JUDGMENT

26 5.1 This Consent Judgment may be modified only as to injunctive terms (i) by written
27 stipulation of the Parties and upon entry by the Court of a modified consent judgment or (ii) by

1 motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a modified
2 consent judgment.

3 **5.2** If either Party seeks to modify this Consent Judgment under Section 5.1, then the
4 Party seeking modification must provide written notice to the other Party of its intent ("Notice
5 of Intent"). If the the Party reciving the Notice of Intent seeks to meet and confer regarding the
6 proposed modification in the Notice of Intent, then that Party must provide written notice to
7 within thirty (30) days the date of the Notice of Intent. The Parties shall meet and confer in
8 good faith as required in this Section. The Parties shall meet in person or via telephone within
9 thirty (30) days of either Party's notification of its intent to meet and confer. Within thirty (30)
10 days of such meeting, if the Party receiving the Notice of Intent disputes the proposed
11 modification, that Party shall provide to the Party seeking modification a written basis for its
12 position. The Parties shall continue to meet and confer for an additional thirty (30) days in an
13 effort to resolve any remaining disputes. Should it become necessary, the Parties may agree in
14 writing to different deadlines for the meet-and-confer period.

15 **5.3** Where the meet-and-confer process does not lead to a joint motion or
16 application in support of a modification of the Consent Judgment, then either Party may seek
17 judicial relief on its own.

18 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT** 19 **JUDGMENT**

20 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify, or terminate
21 this Consent Judgment.

22 **7. APPLICATION OF CONSENT JUDGMENT**

23 This Consent Judgment may apply to, be binding upon, and benefit the Parties and their
24 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
25 divisions, franchisees, licensees, customers (excluding private labelers), distributors, wholesalers,
26 retailers, predecessors, successors, and assigns. This Consent Judgment shall have no
27 application to any Covered Product which is distributed or sold outside the State of California

1 and/or which is not used by California consumers.

2 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

3 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC,
4 on behalf of itself and in the public interest, and That's It and its respective officers, directors,
5 shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers,
6 franchisees, licensees, customers (not including private label customers of That's It.),
7 distributors, wholesalers, retailers, suppliers, producers, and all other upstream and downstream
8 entities in the distribution chain of any Covered Product, and the predecessors, successors, and
9 assigns of any of them (collectively, "Released Parties"). ERC, on behalf of itself and in the
10 public interest, hereby fully releases and discharges the Released Parties from any and all
11 claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and
12 expenses asserted, or that could have been asserted from the handling, use, or consumption of
13 the Covered Products, as to any alleged violation of Proposition 65 or its implementing
14 regulations arising from the failure to provide Proposition 65 warnings on the Covered
15 Products regarding lead up to and including the Effective Date.

16 **8.2** ERC on its own behalf only, and That's It on its own behalf only, further
17 waive and release any and all claims they may have against each other for all actions or
18 statements made or undertaken in the course of seeking or opposing enforcement of Proposition
19 65 in connection with the Notice and Complaint up through and including the Effective Date,
20 provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to
21 enforce the terms of this Consent Judgment.

22 **8.3** It is possible that other claims not known to the Parties, arising out of the facts
23 alleged in the Notice and Complaint, and relating to the Covered Products, will develop or be
24 discovered. ERC on behalf of itself only, and That's It on behalf of itself only, acknowledge
25 that this Consent Judgment is expressly intended to cover and include all such claims up
26 through and including the Effective Date, including all rights of action therefore. ERC and
27 That's It acknowledge that the claims released in Sections 8.1 and 8.2 above may include

1 unknown claims, and nevertheless waive California Civil Code section 1542 as to any such
2 unknown claims. California Civil Code section 1542 reads as follows:

3 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
4 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
5 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
6 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
7 OR HER SETTLEMENT WITH THE DEBTOR.

8 ERC on behalf of itself only, and That's It. on behalf of itself only, acknowledge and
9 understand the significance and consequences of this specific waiver of California Civil Code
10 section 1542

11 8.4 Compliance with the terms of this Consent Judgment shall be deemed to
12 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead
13 in the Covered Products as set forth in the Notice and Complaint.

14 8.5 Nothing in this Consent Judgment is intended to apply to any occupational or
15 environmental exposures arising under Proposition 65, nor shall it apply to any of That's It's
16 products other than the Covered Products.

17 9. SEVERABILITY OF UNENFORCEABLE PROVISIONS

18 In the event that any of the provisions of this Consent Judgment are held by a court to be
19 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

20 10. GOVERNING LAW

21 The terms and conditions of this Consent Judgment shall be governed by and construed in
22 accordance with the laws of the State of California.

23 11. PROVISION OF NOTICE

24 All notices required to be given to either Party to this Consent Judgment by the other shall
25 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via
26 email may also be sent.

23 **12. COURT APPROVAL**

24 **12.1** Pursuant to Section 18 of the Consent Judgment the Parties seek Court
25 Approval. The Parties shall use their best efforts to support entry of this Consent Judgment.

26 **12.2** If the California Attorney General objects to any term in this Consent Judgment,
27 the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible
28 prior to the hearing on the motion.

29 **12.3** If this Stipulated Consent Judgment is not approved by the Court, it shall be
30 void and have no force or effect.

31 **13. EXECUTION AND COUNTERPARTS**

32 This Consent Judgment may be executed in counterparts, which taken together shall be
33 deemed to constitute one document. A facsimile or .pdf signature shall be construed to be as valid
34 as the original signature.

1 **14. DRAFTING**

2 The terms of this Consent Judgment have been reviewed by the respective counsel for each
3 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and
4 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and
5 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
6 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
7 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
8 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
9 equally in the preparation and drafting of this Consent Judgment.

10 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

11 If a dispute arises with respect to either Party's compliance with the terms of this Consent
12 Judgment entered by the Court, the Parties shall meet and confer in person, by telephone, and/or in
13 writing and endeavor to resolve the dispute in an amicable manner. No action or motion may be
14 filed in the absence of such a good faith attempt to resolve the dispute beforehand.

15 **16. ENFORCEMENT**

16 Either Party may, by motion or order to show cause before the Superior Court of
17 Alameda County, enforce the terms and conditions contained in this Consent Judgment
18 ("Enforcing Party"). In any action brought by to enforce this Consent Judgment, the Enforcing
19 Party may seek whatever fines, costs, penalties, or remedies as are provided by law for failure to
20 comply with the Consent Judgment.

21 **17. ENTIRE AGREEMENT, AUTHORIZATION**

22 **17.1** This Consent Judgment contains the sole and entire agreement and
23 understanding of the Parties with respect to the entire subject matter herein, and any and all
24 prior discussions, negotiations, commitments, and understandings related hereto. No
25 representations, oral or otherwise, express or implied, other than those contained herein have
26 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
27 herein, shall be deemed to exist or to bind any Party.

1 17.2 Each signatory to this Consent Judgment certifies that he or she is fully
2 authorized by the Party he or she represents to stipulate to this Consent Judgment.

3 **18. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF**
4 **CONSENT JUDGMENT**

5 This Consent Judgment has come before the Court upon the request of the Parties. The
6 Parties request the Court to fully review this Consent Judgment and, being fully informed
7 regarding the matters which are the subject of this action, to:

8 (1) Find that the terms and provisions of this Consent Judgment represent a fair and
9 equitable settlement of all matters raised by the allegations of the Complaint that the matter has
10 been diligently prosecuted, and that the public interest is served by such settlement; and

11 (2) Make the findings pursuant to California Health and Safety Code section
12 25249.7(f)(4), approve the Settlement, and approve this Consent Judgment.

NOTICE OF VIOLATIONS OF CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 *ET SEQ.* (PROPOSITION 65)

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I am the Executive Director of Environmental Research Center, Inc. ("ERC"). ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Section 25249.7(d) of the statute, ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is attached with the copy of this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the "Violator") is:

That's It Nutrition, LLC

Consumer Products and Listed Chemical. The products that are the subject of this notice and the chemical in those products identified as exceeding allowable levels are:

1. That's It. 1 Apple + 3 Apricots In This Fruit Bar - Lead
2. That's It. 1 Apple + 12 Strawberries In This Fruit Bar - Lead
3. That's It. Zesty 2 Apples + Cinnamon - Lead
4. That's It. 1 Apple + 1/4 Coconut In This Fruit Bar - Lead
5. That's It. 1 Apple + 10 Cherries In This Fruit Bar - Lead
6. That's It. 1 Apple + 1 Pear In This Fruit Bar - Lead

May 21, 2018

Page 2

7. That's It. Veggie Black Beans & Peas - Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the recommended use of these products. Consequently, the route of exposure to this chemical has been and continues to be through ingestion.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least May 21, 2015, as well as every day since the products were introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is either removed from or reduced to allowable levels in the products. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemical. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons ingesting these products with appropriate warnings that they are being exposed to this chemical.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified products so as to eliminate further exposures to the identified chemical, or provide appropriate warnings on the labels of these products; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above products in the last three years. Such a resolution will prevent further unwarned consumer exposures to the identified chemical, as well as an expensive and time-consuming litigation.

Please direct all questions concerning this notice to ERC at the above listed address and telephone number.

Sincerely,

Chris Heptinstall
Executive Director
Environmental Research Center

CERTIFICATE OF MERIT

Re: Environmental Research Center, Inc.'s Notice of Proposition 65 Violations by That's It Nutrition, LLC

I, Chris Heptinstall, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am the Executive Director for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: May 21, 2018

Chris Heptinstall

CERTIFICATE OF SERVICE PURSUANT TO 27 CCR § 25903

I, the undersigned, declare under penalty of perjury under the laws of the State of California that the following is true and correct:

I am a citizen of the United States and over the age of 18 years of age. My business address is 306 Joy Street, Fort Oglethorpe, Georgia 30742. I am a resident or employed in the county where the mailing occurred. The envelope or package was placed in the mail at Fort Oglethorpe, Georgia.

On May 21, 2018, between 8:00 a.m. and 5:00 p.m. Eastern Time, I served the following documents: **NOTICE OF VIOLATIONS OF CALIFORNIA HEALTH & SAFETY CODE §25249.5 ET SEQ.; CERTIFICATE OF MERIT; "THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY"** on the following parties by placing a true and correct copy thereof in a sealed envelope, addressed to the party listed below and depositing it in a U.S. Postal Service Office with the postage fully prepaid for delivery by Certified Mail:

Current President or CEO
That's It Nutrition, LLC
834 South Broadway, Suite 800
Los Angeles, CA 90014

APPENDIX A

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY

The following summary has been prepared by the California Office of Environmental Health Hazard Assessment (OEHHA), the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65"). A copy of this summary must be included as an attachment to any notice of violation served upon an alleged violator of the Act. The summary provides basic information about the provisions of the law, and is intended to serve only as a convenient source of general information. It is not intended to provide authoritative guidance on the meaning or application of the law. The reader is directed to the statute and OEHHA implementing regulations (see citations below) for further information.

FOR INFORMATION CONCERNING THE BASIS FOR THE ALLEGATIONS IN THE NOTICE RELATED TO YOUR BUSINESS, CONTACT THE PERSON IDENTIFIED ON THE NOTICE.

The text of Proposition 65 (Health and Safety Code Sections 25249.5 through 25249.13) is available online at: <http://oehha.ca.gov/prop65/law/P65law72003.html>. Regulations that provide more specific guidance on compliance, and that specify procedures to be followed by the State in carrying out certain aspects of the law, are found in Title 27 of the California Code of Regulations, sections 25102 through 27001.¹ These implementing regulations are available online at: <http://oehha.ca.gov/prop65/law/P65Regs.html>.

WHAT DOES PROPOSITION 65 REQUIRE?

¹ All further regulatory references are to sections of Title 27 of the California Code of Regulations unless otherwise indicated. The statute, regulations and relevant case law are available on the OEHHA website at: <http://www.oehha.ca.gov/prop65/law/index.html>.

The "Proposition 65 List." Under Proposition 65, the lead agency (OEHHA) publishes a list of chemicals that are known to the State of California to cause cancer and/or reproductive toxicity. Chemicals are placed on the Proposition 65 list if they are known to cause cancer and/or birth defects or other reproductive harm, such as damage to female or male reproductive systems or to the developing fetus. This list must be updated at least once a year. The current Proposition 65 list of chemicals is available on the OEHHA website at: http://www.oehha.ca.gov/prop65/prop65_list/Newlist.html.

Only those chemicals that are on the list are regulated under Proposition 65. Businesses that produce, use, release or otherwise engage in activities involving listed chemicals must comply with the following:

Clear and reasonable warnings. A business is required to warn a person before "knowingly and intentionally" exposing that person to a listed chemical unless an exemption applies. The warning given must be "clear and reasonable." This means that the warning must: (1) clearly make known that the chemical involved is known to cause cancer, or birth defects or other reproductive harm; and (2) be given in such a way that it will effectively reach the person before he or she is exposed to that chemical. Some exposures are exempt from the warning requirement under certain circumstances discussed below.

Prohibition from discharges into drinking water. A business must not knowingly discharge or release a listed chemical into water or onto land where it passes or probably will pass into a source of drinking water. Some discharges are exempt from this requirement under certain circumstances discussed below.

DOES PROPOSITION 65 PROVIDE ANY EXEMPTIONS?

Yes. You should consult the current version of the statute and regulations (<http://www.oehha.ca.gov/prop65/law/index.html>) to determine all applicable exemptions, the most common of which are the following:

Grace Period. Proposition 65 warning requirements do not apply until 12 months after the chemical has been listed. The Proposition 65 discharge prohibition does not apply to a discharge or release of a chemical that takes place less than 20 months after the listing of the chemical.

Governmental agencies and public water utilities. All agencies of the federal, state or local government, as well as entities operating public water systems, are exempt.

Businesses with nine or fewer employees. Neither the warning requirement nor the discharge prohibition applies to a business that employs a total of nine or fewer employees. This includes all employees, not just those present in California.

Exposures that pose no significant risk of cancer. For chemicals that are listed under Proposition 65 as known to the State to cause cancer, a warning is not required if the business causing the exposure can demonstrate that the exposure occurs at a level that poses "no significant risk." This means that the exposure is calculated to result in not more than one excess case of cancer in 100,000 individuals exposed over a 70-year lifetime. The Proposition 65 regulations identify specific "No Significant Risk Levels" (NSRLs) for many listed carcinogens. Exposures below these levels are exempt from the warning requirement. See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of NSRLs, and Section 25701 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures that will produce no observable reproductive effect at 1,000 times the level in question. For chemicals known to the State to cause reproductive toxicity, a warning is not required if the business causing the exposure can demonstrate that the exposure will produce no observable effect, even at 1,000 times the level in question. In other words, the level of exposure must be below the "no observable effect level" divided by 1,000. This number is known as the Maximum Allowable Dose Level (MADL). See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of MADLs, and Section 25801 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures to Naturally Occurring Chemicals in Food. Certain exposures to chemicals that naturally occur in foods (i.e., that do not result from any known human activity, including activity by someone other than the person causing the exposure) are exempt from the warning requirements of the law. If the chemical is a contaminant² it must be reduced to the lowest level feasible. Regulations explaining this exemption can be found in Section 25501.

Discharges that do not result in a "significant amount" of the listed chemical entering any source of drinking water. The prohibition from discharges into drinking water does not apply if the discharger is able to demonstrate that a "significant amount" of the listed chemical has not, does not, or will not pass into or probably pass into a source of drinking water, and that the discharge complies with all other applicable laws, regulations, permits, requirements, or orders. A "significant amount" means any detectable amount, except an amount that would meet the "no significant risk" level for

² See Section 25501(a)(4).

chemicals that cause cancer or that is 1,000 times below the "no observable effect" level for chemicals that cause reproductive toxicity, if an individual were exposed to that amount in drinking water.

HOW IS PROPOSITION 65 ENFORCED?

Enforcement is carried out through civil lawsuits. These lawsuits may be brought by the Attorney General, any district attorney, or certain city attorneys. Lawsuits may also be brought by private parties acting in the public interest, but only after providing notice of the alleged violation to the Attorney General, the appropriate district attorney and city attorney, and the business accused of the violation. The notice must provide adequate information to allow the recipient to assess the nature of the alleged violation. The notice must comply with the information and procedural requirements specified in Section 25903 of Title 27 and sections 3100-3103 of Title 11. A private party may not pursue an independent enforcement action under Proposition 65 if one of the governmental officials noted above initiates an enforcement action within sixty days of the notice.

A business found to be in violation of Proposition 65 is subject to civil penalties of up to \$2,500 per day for each violation. In addition, the business may be ordered by a court to stop committing the violation.

A private party may not file an enforcement action based on certain exposures if the alleged violator meets specific conditions. For the following types of exposures, the Act provides an opportunity for the business to correct the alleged violation:

- An exposure to alcoholic beverages that are consumed on the alleged violator's premises to the extent onsite consumption is permitted by law;
- An exposure to a Proposition 65 listed chemical in a food or beverage prepared and sold on the alleged violator's premises that is primarily intended for immediate consumption on- or off-premises. This only applies if the chemical was not intentionally added to the food, and was formed by cooking or similar preparation of food or beverage components necessary to render the food or beverage palatable or to avoid microbiological contamination;
- An exposure to environmental tobacco smoke caused by entry of persons (other than employees) on premises owned or operated by the alleged violator where smoking is permitted at any location on the premises;
- An exposure to listed chemicals in engine exhaust, to the extent the exposure occurs inside a facility owned or operated by the alleged violator and primarily intended for parking non-commercial vehicles.

If a private party alleges that a violation occurred based on one of the exposures described above, the private party must first provide the alleged violator a notice of special compliance procedure and proof of compliance form.

A copy of the notice of special compliance procedure and proof of compliance form is included in Appendix B and can be downloaded from OEHHA's website at:
<http://oehha.ca.gov/prop65/law/p65law72003.html>.
