1           **1. INTRODUCTION**

2           1.1   **The Parties.** This Consent Judgment is entered into by and between Anthony  
3           Ferreiro acting on behalf of the public interest (hereinafter “Ferreiro”) and Arkon Resources, Inc.  
4           (“Arkon Resources” or “Defendant”). Ferreiro and Defendant are collectively referred to as  
5           “Parties” and each of them as “Party.” Ferreiro is an individual residing in California that seeks to  
6           promote awareness of exposures to toxic chemicals and improve human health by reducing or  
7           eliminating hazardous substances contained in consumer products. Defendant is alleged to be a  
8           person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code  
9           §§ 25249.6 et seq.

10           1.2   **Allegations and Representations.** Ferreiro alleges that Defendant has exposed  
11           individuals to di(2-ethylhexyl) phthalate (DEHP) from its sales Arkon Sports Armbands without  
12           providing a clear and reasonable exposure warning pursuant to Proposition 65. DEHP is listed  
13           under Proposition 65 as a chemical known to the State of California to cause cancer and  
14           reproductive toxicity.

15           1.3   **Notice of Violation/Complaint.** On or about August 22, 2018, Ferreiro served  
16           Defendant, and various public enforcement agencies with documents entitled “60-Day Notice of  
17           Violation” pursuant to Health & Safety Code §25249.7(d) (the “Notice”), alleging that Defendant  
18           violated Proposition 65 in the course of doing business by knowingly and intentionally exposing  
19           one or more individuals to a chemical known to the state to cause cancer or reproductive toxicity  
20           without first giving clear and reasonable warning to such individual that use Arkon Sports  
21           Armbands expose users in California to DEHP.

22           1.4   Defendant denies these allegations and contends that it did not violate Health &  
23           Safety Code §25249.6 and that it is entering into this Consent Judgment as a settlement of a disputed  
24           claim to avoid the costs of litigation and to buy its peace.

25           1.5   No governmental entity person acting on behalf of a governmental official has either  
26           asserted the claims set forth in the Notice or has filed an action on such claims.

27  
28  
01/09/20

1           1.6    On February 13, 2019, Ferreiro filed a civil action against Defendant (the  
2    “Complaint”) in thl matter.

3           1.7    For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
4    jurisdiction over Defendant as to the allegations contained in the Complaint in this matter, that  
5    venue is proper in the County of Los Angeles, Glendale Courthouse, and that this Court has  
6    jurisdiction to approve, enter, and oversee the enforcement of this Consent Judgment as a full and  
7    final binding resolution of all claims which were or could have been raised in the Complaint and/or  
8    in the Notice.

9           1.8    Defendant denies the material allegations contained in Ferreiro’s Notice and  
10   Complaint and maintains that it has not violated Proposition 65. Nothing in this Consent Judgment  
11   shall be construed as an admission by Defendant of any fact, finding, issue of law, or violation of  
12   law; nor shall compliance with this Consent Judgment constitute or be construed as an admission  
13   by Defendant of any fact, finding, conclusion, issue of law, or violation of law, such being  
14   specifically denied by Defendant. However, this section shall not diminish or otherwise affect the  
15   obligations, responsibilities, and duties of Defendant under this Consent Judgment.
