**1.1** On December 26, 2018, Plaintiff Environmental Research Center, Inc. 25 **1.2** ERC and SWIIG are hereinafter referred to individually as a "Party" or  
26 collectively as the "Parties."

27 **1.3** ERC is a 501 (c)(3) California non-profit corporation dedicated to, among other  
28 causes, helping safeguard the public from health hazards by reducing the use and misuse of

1 hazardous and toxic chemicals, facilitating a safe environment for consumers and employees,  
2 and encouraging corporate responsibility.

3       1.4 For purposes of this Consent Judgment, the Parties agree that SWIIG is a business  
4 entity that has employed ten or more persons at all times relevant to this action, and qualifies as a  
5 “person in the course of doing business” within the meaning of Proposition 65. SWIIG  
6 manufactures, distributes, and/or sells the Covered Products.

7       1.5 The Complaint is based on allegations contained in ERC’s Notice of Violation  
8 dated October 12, 2018 that was served on the California Attorney General, other public  
9 enforcers, and SWIIG (“Notice”). A true and correct copy of the 60-Day Notice dated October  
10 12, 2018 is attached hereto as **Exhibit A** and incorporated herein by reference. More than 60  
11 days have passed since the Notice was served on the Attorney General, public enforcers, and  
12 SWIIG and no designated governmental entity has filed a Complaint against SWIIG with  
13 regard to the Covered Products or the alleged violations.

14       1.6 ERC’s Notice and Complaint allege that use of the Covered Products exposes  
15 persons in California to lead and/or cadmium without first providing clear and reasonable  
16 warnings in violation of California Health and Safety Code section 25249.6. SWIIG denies all  
17 material allegations contained in the Notice and Complaint.

18       1.7 The Parties have entered into this Consent Judgment in order to settle,  
19 compromise, and resolve disputed claims and thus avoid prolonged and costly litigation.  
20 Nothing in this Consent Judgment nor compliance with this Consent Judgment shall constitute or  
21 be construed as an admission by any of the Parties or by any of their respective officers,  
22 directors, shareholders, employees, agents, parent companies, subsidiaries, affiliates, divisions,  
23 franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact;  
24 issue of law, or violation of law.

25       1.8 Except as expressly set forth herein, nothing in this Consent Judgment shall  
26 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any  
27 current or future legal proceeding unrelated to these proceedings.

28

1           1.9     The Effective Date of this Consent Judgment is the date on which notice is given  
2 that it is entered as a Judgment by this Court.

3           **2.     JURISDICTION AND VENUE**

4           For purposes of this Consent Judgment and any further court action that may become  
5 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter  
6 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction  
7 over SWIIG as to the acts alleged in the Complaint, that venue is proper in Alameda County, and  
8 that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all  
9 claims up through and including the Effective Date which were or could have been asserted in this  
10 action based on the facts alleged in the Notice and Complaint.

11           **3.     INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS**

12           3.1     Beginning on the Effective Date, SWIIG shall be permanently enjoined from  
13 manufacturing for sale in the State of California, "Distributing into the State of California," or  
14 directly selling in the State of California, any Covered Products which expose a person to a  
15 "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day and/or "Daily  
16 Cadmium Exposure Level" of more than 4.1 micrograms of cadmium per day unless it meets  
17 the warning requirements under Section 3.2.

18           3.1.1   As used in this Consent Judgment, the term "Distributing into the State  
19 of California" shall mean to directly ship a Covered Product into California for sale in  
20 California or to sell a Covered Product to a distributor that SWIIG knows or has reason to  
21 know will sell the Covered Product in California.

22           3.1.2   For purposes of this Consent Judgment, the "Daily Lead Exposure Level"  
23 shall be measured in micrograms, and shall be calculated using the following formula:  
24 micrograms of lead per gram of product, multiplied by grams of product per serving of the  
25 product (using the largest serving size appearing on the product label), multiplied by servings of  
26 the product per day (using the largest number of recommended daily servings appearing on the  
27 label), which equals micrograms of lead exposure per day, excluding, pursuant to Section 3.1.3,  
28 the amount of lead in the ingredients listed in Table 1 below, if applicable. If the label contains

1	Magnesium Carbonate	0.332 micograms/gram
2	Magnesium Hydroxide	0.4 micograms/gram
3	Zinc Gluconate	0.8 micograms/gram
4	Potassium Chloride	1.1 micograms/gram
5	Cocoa-powder	1.0 micograms/gram

6  
7           **3.1.3** For purposes of this Consent Judgment, the “Daily Cadmium Exposure  
8 Level” shall be measured in micrograms, and shall be calculated using the following formula:  
9 micrograms of cadmium per gram of product, multiplied by grams of product per serving of the  
10 product (using the largest serving size appearing on the product label), multiplied by servings  
11 of the product per day (using the largest number of recommended daily servings appearing on  
12 the label), which equals micrograms of cadmium exposure per day. If the label contains no  
13 recommended daily servings, then the number of recommended daily servings shall be one.

14           **3.2 Clear and Reasonable Warnings**

15           If SWIIG is required to provide a warning pursuant to Section 3.1, the following warning  
16 must be utilized (“Warning”):

17           **WARNING:** Consuming this product can expose you to chemicals including [lead] [and]  
18 [cadmium] which is [are] known to the State of California to cause [cancer and] birth  
19 defects or other reproductive harm. For more information go to  
20 [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

21           SWIIG shall use the phrase “cancer and” in the Warning if SWIIG has reason to believe that  
22 the the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined pursuant  
23 to the quality control methodology set forth in Section 3.4 or if SWIIG has reason to believe that  
24 another Proposition 65 chemical is present which may require a cancer warning. As identified in  
25 the brackets, the warning shall appropriately reflect whether there is lead, cadmium, or both  
26 chemicals present in each of the Covered Products.

27           The Warning above is derived from Tit. 27, Cal, Code Regs. § 25607.2, effective August  
28 30, 2018. If the warning language in Section 25607.2 is amended after the date of entry of this  
Consent Judgment in such a manner that the Warning is no longer valid, SWIIG make seek to

1 incorporate such amendments herein, at SWIIG's election, pursuant to Section 5.2.

2       The Warning shall be securely affixed to or printed upon the container or label of each  
3 Covered Product. If the Warning is provided on the label, it must be set off from other  
4 surrounding information and enclosed in a box. In addition, for any Covered Product sold over  
5 the internet by SWIIG, the Warning shall appear, directly or through a hyperlink using the word  
6 "WARNING" (in all capital letters and bold print), on the product display page or on the  
7 checkout page, when a California delivery address is indicated for any purchase of any Covered  
8 Product. An asterisk or other identifying method must be utilized to identify which products on  
9 the checkout page are subject to the Warning.

10       The Warning shall be at least the same size as the largest of any other health or safety  
11 warnings also appearing on the product display page or checkout page on SWIIG's website or on  
12 the label or container of SWIIG's product packaging and the word "WARNING" shall be in all  
13 capital letters and in bold print. The warning content may contain information that is  
14 supplemental to the content required by this agreement only to the extent that it identifies the  
15 source of the exposure or provides information on how to avoid or reduce exposure to the  
16 identified chemical or chemicals. Further no statements may accompany the Warning that state or  
17 imply that the source of the listed chemical has an impact on or results in a less harmful effect of  
18 the listed chemical.

19       SWIIG must display the above Warning with such conspicuousness, as compared with  
20 other words, statements or designs on the label or container, or on its website, if applicable, to  
21 render the Warning likely to be read and understood by an ordinary individual under customary  
22 conditions of purchase or use of the product.

### 23       **3.3 Reformulated Covered Products**

24       A Reformulated Covered Product is a Covered Product for which the "Daily Lead  
25 Exposure Level" is no greater than 0.5 micrograms of lead per day and/or "Daily Cadmium  
26 Exposure Level" is no more than 4.1 micrograms of cadmium per day as determined by the quality  
27 control methodology described in Section 3.4.

28 ///

1           **3.4    Testing and Quality Control Methodology**

2           **3.4.1** Beginning within one year of the Effective Date, SWIIG shall arrange  
3 for lead and cadmium testing of the Covered Products, for which a warning is not being  
4 provided continuously and uninterrupted after the Effective Date, at least once a year for a  
5 minimum of three consecutive years by arranging for testing of five randomly selected samples  
6 of each of the Covered Products, in the form intended for sale to the end-user, which SWIIG  
7 intends to sell or is manufacturing for sale in California, directly selling to a consumer in  
8 California or "Distributing into the State of California." If tests conducted pursuant to this  
9 Section demonstrate that no Warning is required for a Covered Product during each of three  
10 consecutive years, then the testing requirements of this Section will no longer be required as to  
11 that Covered Product. However, if during or after the three-year testing period, SWIIG changes  
12 ingredient suppliers for any of the Covered Products and/or reformulates any of the Covered  
13 Products, SWIIG shall test that Covered Product annually for at least two (2) consecutive years  
14 after such change is made.

15           **3.4.2** For purposes of measuring the "Daily Lead Exposure Level" and/or  
16 "Daily Cadmium Exposure Level," the average lead and/or cadmium detection result of the five  
17 (5) randomly selected samples of the Covered Products will be controlling.

18           **3.4.3** All testing pursuant to this Consent Judgment shall be performed using a  
19 laboratory method that complies with the performance and quality control factors appropriate  
20 for the method used, including limit of detection, qualification, accuracy, and precision that  
21 meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS")  
22 achieving a limit of quantification of less than or equal to 0.010 mg/kg.

23           **3.4.4** All testing pursuant to this Consent Judgment shall be performed by an  
24 independent third party laboratory certified by the California Environmental Laboratory  
25 Accreditation Program or an independent third-party laboratory that is registered with the  
26 United States Food & Drug Administration.

27           **3.4.5** Nothing in this Consent Judgment shall limit SWIIG's ability to conduct,  
28 or require that others conduct, additional testing of the Covered Products, including the raw

1 materials used in their manufacture.

2           3.4.6 Within thirty (30) days of ERC's written request, which request shall not  
3 be made more than once per year, SWIIG shall deliver lab reports obtained pursuant to Section  
4 3.4 to ERC. SWIIG shall retain all test results and documentation for a period of five years  
5 from the date of each test.

6 **4. SETTLEMENT PAYMENT**

7           4.1 In full satisfaction of all potential civil penalties, additional settlement payments,  
8 attorney's fees, and costs, SWIIG shall make a total payment of \$90,000.00 ("Total Settlement  
9 Amount") to ERC payable as follows (the "Periodic Payments"): \$15,000.00 within 5 business  
10 days of the Effective Date and SWIIG's receipt of a W-9 for ERC ("Initial Due Date") and  
11 \$15,000.00 per month for 5 months thereafter on the monthly anniversary of the Initial Due  
12 Date. SWIIG shall make these payments by wire transfer to ERC's account, for which ERC  
13 will give SWIIG the necessary account information. The Total Settlement Amount shall be  
14 apportioned as follows:

15           4.2 \$36,081.36 shall be considered a civil penalty pursuant to California Health and  
16 Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$27,061.02) of the civil penalty to  
17 the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe  
18 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety  
19 Code section 25249.12(c). ERC will retain the remaining 25% (\$9,020.34) of the civil penalty.

20           4.3 \$4,865.24 shall be distributed to ERC as reimbursement to ERC for reasonable  
21 costs incurred in bringing this action.

22           4.4 \$27,060.99 shall be distributed to ERC as an Additional Settlement Payment  
23 ("ASP"), pursuant to California Code of Regulations, title 11, sections 3203, subdivision (d) and  
24 3204. ERC will utilize the ASP for activities that address the same public harm as allegedly  
25 caused by Defendant in this matter. These activities are detailed below and support ERC's  
26 overarching goal of reducing and/or eliminating hazardous and toxic chemicals in dietary  
27 supplement products in California. ERC's asserts that its activities have had, and will continue  
28 to have, a direct and primary effect within the State of California because California consumers

1 will be benefitted by the reduction and/or elimination of exposure to lead and/or cadmium in  
2 dietary supplements and/or by providing clear and reasonable warnings to California consumers  
3 prior to ingestion of the products.

4         Based on a review of past years' actual budgets, ERC is providing the following list of  
5 activities ERC engages in to protect California consumers through Proposition 65 citizen  
6 enforcement, along with a breakdown of how ASP funds will be utilized to facilitate those  
7 activities: (1) ENFORCEMENT (65-80%): obtaining, shipping, analyzing, and testing dietary  
8 supplement products that may contain lead and/or cadmium and are sold to California  
9 consumers. This work includes continued monitoring and enforcement of past consent judgments  
10 and settlements to ensure companies are in compliance with their obligations thereunder, with a  
11 specific focus on those judgments and settlements concerning lead and/or cadmium. This work  
12 also includes investigation of new companies that ERC does not obtain any recovery through  
13 settlement or judgment; (2) VOLUNTARY COMPLIANCE PROGRAM (10-20%): maintaining  
14 ERC's Voluntary Compliance Program by acquiring products from companies, developing and  
15 maintaining a case file, testing products from these companies, providing the test results and  
16 supporting documentation to the companies, and offering guidance in warning or implementing a  
17 self-testing program for lead and/or cadmium in dietary supplement products; and (3) "GOT  
18 LEAD" PROGRAM (up to 5%): maintaining ERC's "Got Lead?" Program which reduces the  
19 numbers of contaminated products that reach California consumers by providing access to free  
20 testing for lead in dietary supplement products (Products submitted to the program are screened  
21 for ingredients which are suspected to be contaminated, and then may be purchased by ERC,  
22 catalogued, sent to a qualified laboratory for testing, and the results shared with the consumer  
23 that submitted the product).

24         ERC shall be fully accountable in that it will maintain adequate records to document and  
25 will be able to demonstrate how the ASP funds will be spent and can assure that the funds are  
26 being spent only for the proper, designated purposes described in this Consent Judgment. ERC  
27 shall provide the Attorney General, within thirty days of any request, copies of documentation  
28 demonstrating how such funds have been spent.

1           4.5     \$8,285.00 shall be distributed to Aqua Terra Aeris Law Group as reimbursement  
2 of ERC's attorney's fees, while \$13,707.41 shall be distributed to ERC for its in-house legal  
3 fees. Except as explicitly provided herein, each Party shall bear its own fees and costs.

4           4.6     In the event that SWIIG fails to remit any of the Periodic Payments owed  
5 pursuant to Section Section 4.1 of this Consent Judgment on or before the applicable Due Date,  
6 SWIIG shall be deemed to be in material breach of its obligations under this Consent Judgment.  
7 ERC shall provide written notice of the delinquency to SWIIG via electronic mail. If SWIIG  
8 fails to deliver the delinquent payment within five (5) days from the written notice, the Total  
9 Settlement Amount shall be immediately due and owing and shall accrue interest at the  
10 statutory judgment interest rate provided in the California Code of Civil Procedure section  
11 685.010. Additionally, SWIIG agrees to pay ERC's reasonable attorney's fees and costs for  
12 any efforts to collect the payment(s) due under this Consent Judgment.

## 13     5.     **MODIFICATION OF CONSENT JUDGMENT**

14           5.1     This Consent Judgment may be modified only as to injunctive terms (i) by written  
15 stipulation of the Parties and upon entry by the Court of a modified consent judgment or (ii) by  
16 motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a modified  
17 consent judgment.

18           5.2     If either party seeks to modify this Consent Judgment under Section 5.1, that  
19 party must provide written notice to the other party of its intent ("Notice of Intent"). If the  
20 party not seeking the modification wants to meet and confer regarding the proposed  
21 modification in the Notice of Intent, then such party must provide written notice to the party  
22 seeking the modification within thirty (30) days of receiving the Notice of Intent. The Parties  
23 shall then meet and confer in good faith as required in this Section. The Parties shall meet in  
24 person or via telephone within thirty (30) days of a party's notification of its intent to meet and  
25 confer. Within thirty (30) days of such meeting, if the proposed modification is disputed, the  
26 disputing party shall provide the party seeking the modification a written basis for its position.  
27 The Parties shall continue to meet and confer for an additional thirty (30) days in an effort to  
28

1 resolve any remaining disputes. Should it become necessary, the Parties may agree in writing  
2 to different deadlines for the meet-and-confer period.

3       **5.3**     In the event that either party initiates or otherwise requests a modification under  
4 Section 5.1, and the meet and confer process leads to a joint motion or application for a  
5 modification of the Consent Judgment, the party requesting the modification shall prepare, file  
6 and argue the motion or application.

7       **5.4**     Where the meet-and-confer process does not lead to a joint motion or  
8 application in support of a modification of the Consent Judgment, then either Party may seek  
9 judicial relief on its own.

10     **6.    RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**  
11       **JUDGMENT**

12       **6.1**     This Court shall retain jurisdiction of this matter to enforce, modify, or terminate  
13 this Consent Judgment.

14       **6.2**     If ERC alleges that any Covered Product fails to qualify as a Reformulated  
15 Covered Product (for which ERC alleges that no Warning has been provided), then ERC shall  
16 inform SWIIG in a reasonably prompt manner of its test results, including information  
17 sufficient to permit SWIIG to identify the Covered Products at issue. SWIIG shall, within thirty  
18 (30) days following such notice, provide ERC with any testing information, from an  
19 independent third-party laboratory meeting the requirements of Sections 3.4.3 and 3.4.4,  
20 demonstrating SWIIG's compliance with the Consent Judgment. The Parties shall first attempt  
21 to resolve the matter prior to ERC taking any further legal action.

22     **7.    APPLICATION OF CONSENT JUDGMENT**

23       This Consent Judgment may apply to, be binding upon, and benefit the Parties and their  
24 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,  
25 affiliates, divisions, franchisees, licensees, customers (excluding private labelers), distributors,  
26 wholesalers, retailers, predecessors, successors, and assigns. This Consent Judgment shall have no  
27 application to any Covered Product which is distributed or sold exclusively outside the State of  
28 California and which is not used by California consumers.

1     **8.    BINDING EFFECT, CLAIMS COVERED AND RELEASED**

2           8.1       This Consent Judgment is a full, final, and binding resolution between ERC,  
3 on behalf of itself and in the public interest, and SWIIG and its respective officers, directors,  
4 shareholders, employees, agents, parent companies, subsidiaries, affiliates, divisions, suppliers,  
5 franchisees, licensees, customers (not including private label customers of SWIIG),  
6 distributors, wholesalers, retailers, and all other upstream and downstream entities in the  
7 distribution chain of any Covered Product, and the predecessors, successors, and assigns of any  
8 of them (collectively, "Released Parties"). ERC, on behalf of itself and in the public interest,  
9 hereby fully releases and discharges the Released Parties from any and all claims, actions,  
10 causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses  
11 asserted, or that could have been asserted from the handling, use, or consumption of the  
12 Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations  
13 arising from the failure to provide Proposition 65 warnings on the Covered Products regarding  
14 lead and/or cadmium up to and including the Effective Date.

15           8.2       ERC on its own behalf only, and SWIIG on its own behalf only, further  
16 waive and release any and all claims they may have against each other for all actions or  
17 statements made or undertaken in the course of seeking or opposing enforcement of Proposition  
18 65 in connection with the Notice and Complaint up through and including the Effective Date,  
19 provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to  
20 enforce the terms of this Consent Judgment.

21           8.3       It is possible that other claims not known to the Parties, arising out of the facts  
22 alleged in the Notice and Complaint, and relating to the Covered Products, will develop or be  
23 discovered. ERC on behalf of itself only, and SWIIG on behalf of itself only, acknowledge that  
24 this Consent Judgment is expressly intended to cover and include all such claims up through  
25 and including the Effective Date, including all rights of action therefore. ERC and SWIIG  
26 acknowledge that the claims released in Sections 8.1 and 8.2 above may include unknown  
27 claims, and nevertheless waive California Civil Code section 1542 as to any such unknown  
28 claims. California Civil Code section 1542 reads as follows:

1 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE  
2 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER  
3 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF  
4 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS  
5 OR HER SETTLEMENT WITH THE DEBTOR.

6 ERC on behalf of itself only, and SWIIG on behalf of itself only, acknowledge and understand  
7 the significance and consequences of this specific waiver of California Civil Code section  
8 1542.

9 **8.4** Compliance with the terms of this Consent Judgment shall be deemed to  
10 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead  
11 and/or cadmium in the Covered Products as set forth in the Notice and Complaint.
