5 extent that Nutritional Medicinals manufactures other similar products in the future, aside from the  
6 Covered Products, its compliance with the obligations set forth herein, Sections 2.1-2.5, shall be  
7 deemed to comply with Proposition 65 with respect to lead.

8 Covered Products manufactured within 90 days of the Effective Date and/or currently in  
9 the channels of distribution may continue to be sold through by Nutritional Medicinals and  
10 Releasees. However, as of 90 days from the Effective Date, Nutritional Medicinals and the  
11 Releasees, as defined in Section 5.1, may not sell into California newly manufactured Covered

26 grams of each sample with a level of detection of at least 4 parts per billion. The sample  
27 preparation method must use a microwave or heat-assisted acid digestion method.

1  
2  
3 For purposes of determining whether a warning is required as set forth above, the second  
4 highest lead detection result of the five (5) randomly selected samples of the Covered Product will  
5 be controlling.

6 **2.3. Daily Serving**

7 A Daily Serving (for purposes of determining Proposition 65 compliance for chemicals  
8 present in the Covered Products) shall be defined as one of the following, as applicable: (a) if the  
9 Covered Product label includes a recommended number of servings, then the recommended  
10 serving size, so long as the recommended serving size is equal to or larger than the serving size set

19 warning shall only be required as to Covered Products that Defendant manufactures, sells or ships  
20 to consumers, retailers, or distributors located in California after the Effective Date, and not to

Nutritional Medicinals shall

1  
2  
3 issue two separate checks for the penalty payment: (a) one check made payable to the Kawahito

17 **4. REIMBURSEMENT OF ATTORNEYS' FEES AND COSTS**

18 The Parties acknowledge that EP and its counsel offered to resolve this dispute without

20 reimbursement issue to be resolved after the material terms of the Consent Judgment had been  
21 settled. The Parties reached an accord on the compensation due to EP and its counsel under  
22 general contract principles and the private attorney general doctrine codified at California Code of  
23 Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this  
24 Consent Judgment. Nutritional Medicinals shall reimburse EP and its counsel in the total amount  
25 of \$50,000 for all attorney's fees, investigative and consulting costs, and all other expenses of any  
26 kind incurred by EP as a result of investigating, bringing this matter to the attention of Nutritional  
27 Medicinals, negotiating this Consent Judgment, drafting the Complaint, and preparing the  
28 necessary briefing to obtain Court approval of the Consent Judgment. Nutritional Medicinals shall

1  
2  
3 make the check payable to "Kawahito Law Group APC" and shall deliver payment within ten days

18 parents, subsidiaries, affiliated entities that are under common ownership, directors, officers,

21 retailers, distributors, wholesalers, customers, marketplace hosts, franchisers, cooperative  
22 members, licensors, licensees, and the successors and assigns of any of them ("Releasees"), on the  
23 other hand, of any violation of Proposition 65 that was or could have been asserted by EP against  
24 Nutritional Medicinals or the Releasees based on the alleged failure to warn about alleged  
25 Proposition 65 exposures caused by the Covered Products that were manufactured by Nutritional
