**[PROPOSED] CONSENT JUDGMENT AS  
TO WHOLE FOODS MARKET  
CALIFORNIA, INC.**

(Health & Safety Code § 25249.6 *et. seq.* and  
Code Civ. Proc. § 664.6)

1     **1. INTRODUCTION**

2             **1.1 The Parties**

3             This [Proposed] Consent Judgment is hereby entered into by and between Tamar Kaloustian,  
4     acting on behalf of the public interest (hereinafter “Kaloustian”) and WHOLE FOODS MARKET  
5     CALIFORNIA, INC. (hereinafter “WFM” or “Defendant”). Collectively Kaloustian and WFM shall  
6     be referred to hereafter as the “Parties” and each of them as a “Party.” Kaloustian is an individual  
7     residing in California who seeks to promote awareness of exposures to toxic chemicals and improve  
8     human health by reducing or eliminating hazardous substances contained in consumer products.  
9     Defendant employs ten or more persons and is a person in the course of doing business for  
10    purposes of Proposition 65, Cal. Health & Safety Code §§ 25249.6 et seq.

12            **1.2 Allegations and Representations**

13            Kaloustian alleges that Defendant has offered for sale in the State of California and has sold in  
14    California, products, which contain lead, and that such sales have not been accompanied by  
15    Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of  
16    California to cause cancer and birth defects or other reproductive harm. Defendant denies the  
17    allegations and contends that there is no exposure and no violation under Proposition 65 for an  
18    alleged failure to warn.

19            **1.3 Covered Product Description**

20            The product that is covered by this Consent Judgment are identified as Beanfields – Grain  
21    Free – Vegan Cracklins. All such items shall be referred to herein as the “Covered Product.”

22            **1.4 Notices of Violation/Complaint**

23            1.4.1 On or about August 11, 2020, Kaloustian served WFM and various public  
24    enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to Health &  
25    Safety Code §25249.7(d) (the "Notice"), alleging that WFM was in violation of Proposition 65 for  
26

1 failing to warn consumers and customers that the Covered Product exposed users in California to  
2 lead. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days  
3 plus service time relative to the provision of the Notice to them by Kaloustian.

4 1.4.2 On October 29, 2021, Kaloustian, acting in the interest of the general public in the  
5 State of California, filed a complaint in the Superior Court of Los Angeles County alleging violations  
6 of Health & Safety Code §25249.6 (the "Complaint") based on the alleged failure to warn of  
7 exposures to lead contained in the Covered Product manufactured, distributed, or sold by Defendant.  
8

9 1.5 Effective Date

10 For purposes of this Consent Judgment, the term "Effective Date" shall mean the date this  
11 Consent Judgment is entered as a judgment of the Court.

12 For purposes of this Consent Judgment, the term "Execution Date" shall mean the date this  
13 Consent Judgment is signed by all parties in Clause 16 below.

14 2. STIPULATION TO JURISDICTION/NO ADMISSION

15 For purposes of this Consent Judgment only, the Parties stipulate that this Court has  
16 jurisdiction over Defendant as to the allegations contained in the complaint filed in this matter, that  
17 venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter,  
18 and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all  
19 claims which were or could have been raised in the Complaint based on the facts alleged therein  
20 and/or in the Notice.  
21

22 Nothing in this Consent Judgment shall be construed as an admission by Defendant of any  
23 fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment  
24 constitute or be construed as an admission by Defendant of any fact, finding, conclusion, issue of law,  
25 or violation of law, such being specifically denied by Defendant, including, but not limited to, any  
26 admission related to exposure of failure to warn. However, this section shall not diminish or  
27  
28

otherwise affect the obligations, responsibilities, and duties of Defendant under this Consent Judgment.

### 3. INJUNCTIVE RELIEF: WARNINGS, REFORMULATION AND TESTING

3.1 Beginning on the Effective Date, WFM shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day, or a level permissible by Proposition 65 regulation in effect on or after the Effective Date, unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that WFM knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 3 does not apply to any Covered Product that has left the possession, and is no longer under the control of WFM prior to the Effective Date and all claims as to such Covered Product are released in this Consent Judgment.

3.1.2 For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

### 3.2 Clear and Reasonable Warnings

If WFM is required to provide a warning pursuant to Section 3.1, one of the following warnings

1 must be utilized ("Warning"):

2       **Option 1:**

3       **WARNING:** Consuming this product can expose you to chemicals including lead,  
4       which is known to the State of California to cause [cancer and], birth defects or other  
5       reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

6       **Option 2:**

7       **WARNING:** [Cancer and] Reproductive Harm – <http://www.p65warnings.ca.gov/food>.

8       WFM shall use the phrase "cancer and" in the Warning if WFM has reason to believe that the  
9       "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

10       The Warning shall be securely affixed to or printed upon the label of each Covered Product  
11       and it must be set off from other surrounding information. In addition, for any Covered Product sold  
12       over the internet, the Warning shall appear on the checkout page in full text or through a clearly  
13       marked hyperlink using the word **"WARNING"** in all capital and bold letters when a California  
14       delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the  
15       hyperlink must go directly to a page prominently displaying either the Option 1 Warning or the  
16       Option 2 Warning without content that detracts from the Warning. An asterisk or other identifying  
17       method must be utilized to identify which products on the checkout page are subject to the Warning.

18       The Warning shall be at least the same size as the largest of any other health or safety  
19       warnings also appearing on the website or on the label and the word **"WARNING"** shall be in all  
20       capital letters and in bold print. No statements intended to or likely to have the effect of diminishing  
21       the impact of the Warning on the average lay person shall accompany the Warning. Further, no  
22       statements may accompany the Warning that state or imply that the source of the listed chemical has  
23       an impact on or results in a less harmful effect of the listed chemical. For the Option 2 Warning, a  
24       symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black  
25       symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black  
26       symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black  
27       symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black  
28

outline shall be placed to the left of the text of the Warning, in a size no smaller than the height of the word "WARNING."

WFM must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product. For purposes of this Consent Judgment, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language.

For purposes of this Consent Judgment, WFM may satisfy the warning requirement by providing the required information in compliance with 27 C.C.R. § 25600.2 (2020) to any business that is subject to Proposition 65 to which it is selling or transferring the Covered Product.

4. PAYMENTS PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)

With regard to all claims that have been raised or which could be raised with respect to failure to warn pursuant to Proposition 65 with regard to lead in the Covered Product, Defendant shall pay a civil penalty of \$5,000.00 pursuant to Health and Safety Code section 25249.7(b), to be apportioned in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment and the remaining 25% of the penalty remitted to Kaloustian, as provided by California Health & Safety Code § 25249.12(d) and the instructions directly below.

Defendant shall issue two separate checks for the penalty payment: (a) one check made payable to "OEHHA" (tax identification number: 68-0284486) in an amount representing 75% of the total penalty (i.e., \$3,750.00 and (b) one check in an amount representing 25% of the total penalty (i.e., \$1,250.00 made payable directly to Kaloustian. Under these legal principles, Defendant shall reimburse Kaloustian's counsel for fees and costs, incurred as a result of investigating, bringing this matter to Defendant attention, and negotiating a settlement in the public interest. 2             **6.1     Kaloustian's Release of Defendant, Releasees, and Downstream Releasees**

3             As to those matters raised in the Complaint and in the Notice of Violation, Kaloustian, on  
4     behalf of herself, and on behalf of the public interest, hereby waives and releases any and all claims  
5     against Defendant its parent companies, corporate affiliates, subsidiaries, predecessors, successors  
6     and assigns (collectively "Releasees") and each of its distributors, wholesalers, licensors, licensees,

10    penalties, fines, sanctions, mitigation, fees (including fees of attorneys, experts, and others), costs,  
11    expenses, or any other sum incurred or claimed, for the alleged failure of Defendant, Releasees or

17    with respect to the presence of lead in the Covered Product. The release provisions shall not extend  
18    to third-party websites and internet sellers who fail to provide clear and reasonable warnings pursuant  
19    to Section 3.2. Plaintiff agrees that any and all claims in the Complaint are resolved with prejudice by  
20    this Consent Judgment.  
21  
22  
23

24             In addition to the foregoing, Kaloustian, on behalf of herself, her past and current agents,  
25     representatives, attorneys, and successors and/or assignees, and not in her representative capacity,  
26     hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and
