CONSENT JUDGMENT – BEACHBODY – CASE NO. RG21107796

- 1.3 Nitrosamines, such as NDEA and NDMA, can form during the manufacturing process of latex rubber products, including the Covered Products. One study contends that Covered Products can be made using alternate accelerators (hereafter "Alternate Accelerator") that do not form Nitrosamines. *See* Sheth, et al., *Nitrosamine Generating Accelerators in Curing of Rubber*, IJSRD, Vol. 1, Issue 3 (2013).
- 1.4 On April 14, 2021, CEH served two 60-Day Notices of Violation under Proposition 65 (The Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.5, et seq.) ("Notices") on Settling Defendant and its affiliate entity The Beachbody Company Group, LLC, the California Attorney General, the District Attorneys of every County in the State of California, and the City Attorneys for every City in the State of California with a population greater than 750,000. One Notice alleges violations of Proposition 65 with respect to the presence of NDEA in latex resistance bands that are distributed and/or sold by Settling Defendant and the other alleges violations of Proposition 65 with respect to the presence of NDMA in latex resistance bands that are distributed and/or sold by Settling Defendant.
- 1.5 On July 22, 2021, CEH filed the above-captioned action in the Superior Court of California for Alameda County. On September 30, 2021, CEH filed a First Amended Complaint. On October 22, 2021, CEH named Settling Defendant as a Doe Defendant in this action.
- 1.6 For purposes of this Consent Judgment only, the Parties stipulate that: (i) this Court has jurisdiction over the allegations of violations contained in the operative Complaint in the above-captioned action ("Complaint") and personal jurisdiction over Settling Defendant as to the acts alleged in the Complaint; (ii) venue is proper in the County of Alameda; and (iii) this Court has jurisdiction to enter and enforce this Consent Judgment.
- 1.7 Nothing in this Consent Judgment is, or shall be construed as, an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Consent Judgment shall

prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any other legal proceeding. This Consent Judgment is the product of negotiation and compromise and is accepted by the Parties for purposes of settling, compromising, and resolving issues disputed in this action.

2. **DEFINITIONS**

- **2.1** "Covered Products" means latex rubber resistance bands manufactured, distributed, or sold by Settling Defendant in California.
- 2.2 "Effective Date" means the date CEH serves by email notice of entry of this Consent Judgment.
- 2.3 "Nitrosamine-Free Latex" means latex rubber that contains NDEA and/or NDMA that is below the level of detection ("LOD") using a detection limit equal to 50 parts per billion (ppb) by weight when tested pursuant to ISO 19577-2019 by an independent accredited laboratory. In the event that CEH becomes aware that the International Organization for Standardization ("ISO") has validated and published a modified version of ISO 19577-2019 that results in a reduction in the LOD for NDMA and/or NDEA, CEH may initiate a meet and confer pursuant to Section 6 to lower the LOD. In no event shall the LOD be reduced below 20 ppb. Alternatively, Nitrosamine-Free Latex may be demonstrated as containing NDEA and/or NDMA less than 10 ppb as determined using ASTM F1313-90 (2011) or EN-71-12:2013, modified to use a sweat solution by an independent accredited laboratory.
 - 2.4 "Reformulation Date" means 180 days after the Effective Date.
- **2.5** "Reformulation Requirements" means the injunctive obligations set forth in Sections 3.1 and 3.2.

3. INJUNCTIVE RELIEF

3.1 Specification Compliance Date. No more than thirty (30) days after the Effective Date, Settling Defendant shall issue specifications to its suppliers of the Covered Products requiring that the Covered Products be made with Nitrosamine-Free Latex beginning no later than the Reformulation Date. Settling Defendant shall obtain and maintain written certification(s) from the suppliers of Covered Products confirming that all such Covered Products

received by Settling Defendant for distribution in California are made with Nitrosamine-Free Latex. Settling Defendant may rely upon a written certification from its supplier that supplied a Covered Product that such Covered Product is made with Nitrosamine-Free Latex if such certification has not previously been demonstrated to be invalid. Settling Defendant may comply with the requirements of this Section 3.1 by incorporating the requirements of this Section into its vendor guidelines, restricted substances list or similar vendor specifications documents and obtaining written confirmation from its suppliers through its standard vendor approval and consent processes.

- 3.2 Reformulation Commitment. As of the Reformulation Date, Settling Defendant shall not manufacture or import for sale in California any Covered Products that are not certified to be made with Nitrosamine-Free Latex. Nothing in this Consent Judgment requires Settling Defendant to (a) perform testing on the Covered Products; or (b) recall any Covered Products that are already in the stream of commerce as of the Reformulation Date.
- 3.3 Sell-Through for Existing Inventory. The Reformulation Requirements of Section 3 shall not apply to Covered Products that Settling Defendant has purchased prior to the Reformulation Date, including but not limited to Covered Products in distribution centers, in inventory, or at retail locations.
- 3.4 Extension of Time to Comply with Reformulation Date. If Settling Defendant is unable to satisfy the Reformulation Requirements prior to the Reformulation Date, Settling Defendant shall provide written notice to CEH at least thirty (30) days before the Reformulation Date of its need to extend the Reformulation Date by an additional six (6) months. Such written notice shall include a reasonably detailed description of Settling Defendant's efforts to reformulate and the anticipated date of compliance. In addition, if Settling Defendant avails itself of the extension allowed under this Section 3.4, Settling Defendant shall make the additional payments specified in Section 5.4 below for such an extension.
- 3.5 If Settling Defendant has not satisfied the Reformulation Requirements by the applicable Reformulation Date (or any extension pursuant to Section 3.4) for any Covered Products, then for all such Covered Products it shall provide a clear and reasonable warning that

complies with Section 3.6.1. In addition, if Settling Defendant avails itself of the warning option allowed under this Section 3.6, Settling Defendant shall make the additional payments specified in Section 5.3 below.

- 3.6 Reformulation Alternative Clear and Reasonable Warnings. If Settling Defendant determines that it is unable to comply with the Reformulation Requirements, Settling Defendant may elect to label Covered Products with a Clear and Reasonable Warning that complies with the provisions of this Section 3.6 and Title 27 California Code of Regulations section 25600, *et seq.* (the "Warning Option") and make additional payments as set forth in Section 5.3.
 - 3.6.1 **Warning Language**. A Clear and Reasonable Warning under this Agreement shall state:

WARNING: This product can expose you to chemicals including N-Nitrosodiethylamine and N-Nitrosodimethylamine, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

The word "WARNING" shall be displayed in all capital letters and bold print and shall be preceded by the yellow warning triangle symbol that is the same height as the text of the word **WARNING**, provided however, the symbol may be printed in black and white if the Covered Product label is produced without using the color yellow. This warning statement shall be prominently displayed on the outer packaging or tag or visible through the outer packaging of the Covered Product and shall be displayed with such conspicuousness, as compared with other words, statements or designs as to render it likely to be seen, read and understood by an ordinary individual prior to sale. For internet, catalog, or any other sale where the product is not physically present, the warning statement shall be displayed in such a manner that it is likely to be read and understood by an ordinary individual prior to the authorization of or actual payment. In lieu of the preceding warning content and methods set forth above, Settling Defendant may use any specific safe-harbor warning content and method applicable to the Covered Products set forth

in Title 27, California Code of Regulations, section 25600 *et seq.*, as amended August 30, 2018 and subsequently thereafter.

3.6.2 **Notice to CEH of Election to Warn**. At least thirty (30) days before selling or distributing any Covered Products with warnings hereunder for NDMA and NDEA, the Settling Defendant shall provide written notice to CEH that Settling Defendant has elected to utilize the Warning Option.

4. ENFORCEMENT

4.1 CEH may, by motion or application for an order to show cause before the Superior Court of the County of Alameda, enforce the terms and conditions contained in this Consent Judgment. Prior to bringing any motion or application to enforce the requirements of Section 3 above, CEH shall provide Settling Defendant with a Notice of Violation setting forth the basis for the alleged violation. The Parties shall then meet and confer regarding the basis for CEH's anticipated motion or application in an attempt to resolve it informally. If, as part of the meet and confer process, Settling Defendant provides CEH with evidence that its supplier(s) has switched to an Alternate Accelerator as described in Section 1.3, such evidence shall serve as a complete defense to a CEH enforcement notice. Should Settling Defendant produce test results showing that the Covered Product that CEH has tested meets the Reformulation Requirements hereunder, such evidence shall serve as a defense to a CEH enforcement notice. Should attempts at meeting and conferring fail, CEH may file its enforcement motion or application. In ruling on any motion to enforce the terms of this Section, the Court may, in addition to ordering compliance with the terms of this Consent Judgment, employ such remedies as necessary to ensure compliance with Proposition 65 including, but not limited to, requiring Settling Defendant to provide warnings. Should CEH prevail on any motion or application to enforce a material violation of this Consent Judgment under this Section, CEH shall be entitled to its reasonable attorneys' fees and costs incurred as a result of such motion or application. Should Settling Defendant prevail on any motion or application under this Section, Settling Defendant may be awarded its reasonable attorneys' fees and costs as a result of such motion or application upon a finding by the court that CEH's prosecution of the motion or application lacked substantial

25

26

justification. CEH's exclusive remedy for any failure to comply with the terms of this Consent
Judgment shall be a motion to enforce after meeting and conferring as set forth herein. Only the
Parties hereto may enforce the terms of this Consent Judgment.
5. PAYMENTS
Payments by Settling Defendant. Within fifteen (15) calendar days of the
Effective Date, Settling Defendant shall pay the total sum of \$50,000 as a settlement payment as
further set forth in this Section. Any payment by Settling Defendant shall be deemed to be timely
and not subject to a late charge and/or other penalty if (1) postmarked (if sent by the United States
Postal Service) or (2) delivered to an overnight carrier (e.g. Fed Ex), on or before the deadline set
forth in this paragraph.
5.2 Allocation of Payments. The total settlement amount for Settling Defendant

§ 25249.7(b). The civil penalty payment shall be apportioned in accordance with Health & Safety
Code § 25249.12 (25% to CEH and 75% to the State of California's Office of Environmental
Health Hazard Assessment ("OEHHA")). Accordingly, the OEHHA portion of the civil penalty
payment for \$5,100 shall be made payable to OEHHA and associated with taxpayer identification

CEH will use these funds to support CEH programs and activities that seek to educate the public about toxic chemicals, including carcinogenic nitrosamines such as NDEA and NDMA, work with industries interested in moving toward safer alternatives, advocate with government, businesses, and communities for business practices that are safe for human health and the environment, and thereby reduce the public health impacts and risks of exposure to NDEA, NDMA, and other toxic chemicals in consumer products sold in California. CEH shall obtain and maintain adequate records to document that ASPs are spent on these activities and CEH agrees to provide such documentation to the Attorney General within thirty (30) days of any request from the Attorney General. The payment pursuant to this Section shall be made payable to the Center for Environmental Health and associated with taxpayer identification number 94-3251981. This payment shall be delivered to Lexington Law Group, 503 Divisadero Street, San Francisco, CA 94117.

Of the additional payment, \$7,000 shall be a civil penalty, apportioned in accordance with Health & Safety Code § 25249.12 (25% to CEH and 75% to the State of California's Office of Environmental Health Hazard Assessment ("OEHHA")). If the Parties are unable to reach agreement, Settling Defendant may 19 move the Court to modify the Consent Judgment. 20 6.3 **Meet and Confer.** Any Party seeking to modify this Consent Judgment shall 21 attempt in good faith to meet and confer with all affected Parties prior to filing a motion to 22 modify the Consent Judgment. 23 7.
