1 **1. INTRODUCTION**

2 **1.1 The Parties**

3 This [Proposed] Consent Judgment is hereby entered into by and between BERJ
4 PARSEGHIAN, acting on behalf of the public interest (hereinafter "PARSEGHIAN") and HU
5 PRODUCTS, LLC (hereinafter "HU PRODUCTS"). Collectively Parseghian and HU
6 PRODUCTS shall be referred to hereafter as the "Parties" and each of them as a "Party." Parseghian
7 is an individual residing in California who seeks to promote awareness of exposures to toxic
8 chemicals and improve human health by reducing or eliminating hazardous substances contained in
9 consumer products. For the purposes of this Consent Judgment, the Parties agree that HU
10 PRODUCTS is a person in the course of doing business within the meaning of Proposition 65, Cal.
11 Health & Safety Code §§ 25249.6 et seq.

12 **1.2 Allegations and Representations**

13 Parseghian alleges that Defendant has offered for sale in the State of California and has sold in
14 California, Grain-Free Cookies, which contain lead and expose consumers to this chemical at a level
15 requiring a Proposition 65 warning. Lead is listed under Proposition 65 as a chemical known to the
16 State of California to cause cancer and birth defects or other reproductive harm. Defendant denies
17 the allegations and contends that there is no exposure requiring a warning and no violation under
18 Proposition 65 for an alleged failure to warn.

19 **1.3 Covered Products Description**

20 The products that are covered by this Consent Judgment are defined as: Hu - Grain-Free
21 Cookies, including but not limited to: "Hu - Grain-Free Cookies - Snickerdoodle; UPC #: 8 50009
22 64799 3." All such items shall be referred to herein as the "Covered Products."

23 **1.4 Notice of Violation/Complaint**

24 1.4.1 On or about December 14, 2021, Parseghian served HU PRODUCTS and various
25 public enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to
26 Health and Safety Code §25249.7(d) (the "Notice"), alleging that HU PRODUCTS was in violation of
27 Proposition 65 for failing to warn consumers and customers that the Covered Products exposed users

in California to lead. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parseghian.

1.4.2 On September 30, 2022, Parseghian, acting in the interest of the general public in the State of California, filed a complaint in the Superior Court of Los Angeles County alleging violations of Health & Safety Code §25249.6 (the “Complaint”) based on the alleged failure to warn of exposures to lead contained in Covered Products manufactured, distributed, or sold by HU PRODUCTS.

1.5 Effective Date and Application of this Consent Judgment

For purposes of this Consent Judgment, the term “Effective Date” shall mean the date this Consent Judgment is entered as a judgment of the Court. For purposes of this Consent Judgment, the term “Compliance Date” shall mean one-hundred and twenty (120) days after the Effective Date.

For purposes of this Consent Judgment, the term “Execution Date” shall mean the date this Consent Judgment is signed by all parties in Clause 16 below. This Consent Judgment may apply to, be binding upon, and benefit the Parties and their respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, franchisees, licensees, customers, distributors, wholesalers, retailers, predecessors, successors, and assigns. This Consent Judgment shall have no application to any Covered Products that HU PRODUCTS distributes or sells exclusively outside the State of California.

2. STIPULATION TO JURISDICTION/NO ADMISSION

For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over HU PRODUCTS as to the allegations contained in the complaint filed in this matter, that venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter, and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all claims which were or could have been raised in the Complaint based on the facts

alleged therein and/or in the Notice.

Nothing in this Consent Judgment shall be construed as an admission by HU PRODUCTS of any fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment constitute or be construed as an admission by HU PRODUCTS of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by HU PRODUCTS, including, but not limited to, any admission related to exposure of failure to warn. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of HU PRODUCTS under this Consent Judgment.

3. INJUNCTIVE RELIEF: WARNINGS, REFORMULATION AND TESTING

3.1 Beginning on the Compliance Date, HU PRODUCTS shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that HU PRODUCTS knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 3 does not apply to any Covered Product that was packaged, distributed, shipped or sold by HU PRODUCTS prior to the Compliance Date. All claims as to such Covered Product are released in this Consent Judgment.

3.1.2 For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest

number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If HU PRODUCTS is required to provide a warning pursuant to Section 3.1, one of the following warnings must be utilized ("Warning"):

Option 1:

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and], birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

Option 2:

WARNING: [Cancer and] Reproductive Harm - <http://www.p65warnings.ca.gov/food>

HU PRODUCTS shall use the phrase "cancer and" in the Warning if HU PRODUCTS has reason to believe that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

The Warning shall be provided to California consumers in manner that complies with 27 C.C.R. §25602(a). In addition, for any Covered Product sold over the internet by HU PRODUCTS, the Warning shall appear prior to checkout on the primary product page, or as a pop-up when a California zip code is input into the shipping instructions, or on the checkout page in full text or through a clearly marked hyperlink using the word "WARNING" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying either the Option 1 Warning or the Option 2 Warning without content that detracts from the Warning. An asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word "WARNING" shall be in all

capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical. For the Option 2 Warning, a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline shall be placed to the left of the text of the Warning, in a size no smaller than the height of the word "WARNING."

HU PRODUCTS must display or direct consumers to the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

For purposes of this Consent Judgment, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper.

For purposes of this Consent Judgment, when HU PRODUCTS is required to provide a warning for a Covered Product pursuant to Section 3.1, HU PRODUCTS may satisfy the warning requirement by providing the required information in compliance with 27 C.C.R. § 25600.2 (2020) to any business that is subject to Proposition 65 to which it is selling or transferring the Covered Product. If subsequently enacted changes to Proposition 65 or its implementing regulations that are applicable to the product and chemical at issue here require the use of additional or different information on any warning, the Parties agree that the new safe harbor warning may be utilized in place of the warnings set forth in this Section.

If Parseghian alleges that any Covered Products fail to adhere to this Consent Judgment, then Parseghian shall inform HU PRODUCTS in a reasonably prompt manner of its test results, including information sufficient to permit HU PRODUCTS to identify the Covered Products at issue and investigate. HU PRODUCTS shall, within thirty (30) days following such notice, provide Parseghian with testing information demonstrating HU PRODUCTS' compliance with the Consent Judgment, or
