1 **1. INTRODUCTION**

2 **1.1 The Parties**

3 This [Proposed] Consent Judgment is hereby entered into by and between Berj Parseghian,  
4 acting on behalf of the public interest (hereinafter "Parseghian") and D'VASH ORGANICS, LLC  
5 (hereinafter "D'VASH" or "Defendant"). Collectively Parseghian and D'VASH shall be referred to  
6 hereafter as the "Parties" and each of them as a "Party." Parseghian is an individual residing in  
7 California who seeks to promote awareness of exposures to toxic chemicals and improve human  
8 health by reducing or eliminating hazardous substances contained in consumer products. Defendant  
9 is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code  
10 §§ 25249.6 et seq.

12 **1.2 Allegations and Representations**

13 Parseghian alleges that Defendant has offered for sale in the State of California and has sold in  
14 California, products, which contain lead, and that such sales have not been accompanied by  
15 Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of  
16 California to cause cancer and birth defects or other reproductive harm. Defendant denies the  
17 allegations and contends that there is no exposure and no violation under Proposition 65 for an  
18 alleged failure to warn.

20 **1.3 Covered Product Description**

21 The product that is covered by this Consent Judgment are identified as D'VASH - Hazelnut  
22 Superfood Bites; UPC #: 8 50019 54207 3. All such items shall be referred to herein as the "Covered  
23 Product."

25 **1.4 Notices of Violation/Complaint**

26 1.4.1 On or about May 19, 2022, Parseghian served D'VASH and various public  
27 enforcement agencies with a document entitled "60-Day Notice of Violation" pursuant to Health &

Safety Code §25249.7(d) (the "Notice"), alleging that D'VASH was in violation of Proposition 65 for failing to warn consumers and customers that the Covered Product exposed users in California to lead. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parseghian.

1.4.2 On May 16, 2023, Parseghian, acting in the interest of the general public in the State of California, filed a complaint in the Superior Court of Los Angeles County alleging violations of Health & Safety Code §25249.6 (the "Complaint") based on the alleged failure to warn of exposures to lead contained in the Covered Product manufactured, distributed, or sold by Defendant.

1.5 Effective Date

For purposes of this Consent Judgment, the term "Effective Date" shall mean the date this Consent Judgment is entered as a judgment of the Court.

For purposes of this Consent Judgment, the term "Execution Date" shall mean the date this Consent Judgment is signed by all parties in Clause 16 below.

2. STIPULATION TO JURISDICTION/NO ADMISSION

For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over Defendant as to the allegations contained in the complaint filed in this matter, that venue is proper in the County of Los Angeles, and that this Court has jurisdiction to approve, enter, and oversee the enforcement of this Consent Judgment as a full and final binding resolution of all claims which were or could have been raised in the Complaint based on the facts alleged therein and/or in the Notice.

Nothing in this Consent Judgment shall be construed as an admission by Defendant of any fact, finding, issue of law, or violation of law; nor shall compliance with this Consent Judgment constitute or be construed as an admission by Defendant of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Defendant, including, but not limited to, any

admission related to exposure or failure to warn. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Defendant under this Consent Judgment.

3. INJUNCTIVE RELIEF: WARNINGS, REFORMULATION AND TESTING

3.1 Beginning on the Effective Date, D’VASH shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 3.2. If OEHHA enacts a regulation modifying the Maximum Allowable Dose Level for Lead (“MADLL”) set out in California Code of Regulations, title 27, section 25805, subdivision (b), or the MADLL is modified by amendment or repeal of Proposition 65, D’VASH shall be entitled to comply with this modified level, to the extent it applies to the Covered Product.

3.1.1 As used in this Consent Judgment, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that D’VASH knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 3 does not apply to any Covered Product that has left the possession, and is no longer under the control of D’VASH prior to the Effective Date and all claims as to such Covered Product are released in this Consent Judgment.

3.1.2 For purposes of this Consent Judgment, the "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of

1 recommended daily servings shall be one.

2 **3.2 Clear and Reasonable Warnings**

3 If D’VASH is required to provide a warning pursuant to Section 3.1, one of the following  
4 warnings must be utilized ("Warning"):

5 **Option 1:**

7 **WARNING:** Consuming this product can expose you to chemicals including lead,  
8 which is known to the State of California to cause [cancer and] birth defects or other  
reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

10 **Option 2:**

11 **WARNING:** [Cancer and] Reproductive Harm <http://www.p65warnings.ca.gov/food>

13  
14 D’VASH shall use the phrase "cancer and" in the Warning if D’VASH has reason to believe  
15 that the "Daily Lead Exposure Level" is greater than 15 micrograms of lead.

16 The Warning shall be securely affixed to or printed upon the label of each Covered Product  
17 and it must be set off from other surrounding information. In addition, for any Covered Product sold  
18 over the internet, the Warning shall appear on the checkout page in full text or through a clearly  
19 marked hyperlink using the word "WARNING" in all capital and bold letters when a California  
20 delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the  
21 hyperlink must go directly to a page prominently displaying either the Option 1 Warning or the  
22 Option 2 Warning without content that detracts from the Warning. An asterisk or other identifying  
23 method must be utilized to identify which products on the checkout page are subject to the Warning.  
24

25 The Warning shall be at least the same size as the largest of any other health or safety  
26 warnings also appearing on the website or on the label and the word "WARNING" shall be in all  
27 capital letters and in bold print. No statements intended to or likely to have the effect of diminishing

the impact of the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical. For the Option 2 Warning, a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline shall be placed to the left of the text of the Warning, in a size no smaller than the height of the word "WARNING."

D'VASH must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product. For purposes of this Consent Judgment, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. The Warning must be set off from other surrounding information, enclosed in a box and comply with the content requirements specified in Section 25607.2. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language. The Warning shall comply with the relevant safe harbor provisions under California law, applicable to the Covered Product and chemical at issue, as those regulations may be amended from time to time.

For purposes of this Consent Judgment, D'VASH may satisfy the warning requirement by complying with the requirements of 27 CCR section 25600.2 as it applies to any business that is subject to Proposition 65 to which it is selling or transferring the Covered Product.

**4. PAYMENTS PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)**

With regard to all claims that have been raised or which could be raised with respect to failure to warn pursuant to Proposition 65 with regard to lead in the Covered Product, Defendant shall pay a civil penalty of \$5,000.00 pursuant to Health and Safety Code section 25249.7(b), to be apportioned

1 in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the

9 (i.e., \$1,250.00 made payable directly to Parseghian. Defendant shall mail these payments within ten

3 the private attorney general doctrine and principles of contract law. Under these legal principles,  
4 Defendant shall reimburse Parseghian’s counsel for fees and costs, incurred as a result of  
5 investigating, bringing this matter to Defendant attention, and negotiating a settlement in the public
